marketing year or years. As soon as is practical following the meeting or meetings, the Committee shall submit to the Secretary recommendations for volume regulations deemed necessary to meet market requirements and establish orderly marketing conditions. Additional reports shall be submitted to the Secretary of the Committee subsequently adopts a new or revised policy because of changes in the demand and supply situation with respect to the various classes of oil.

(b) In determining such marketing policy, Committee consideration shall include but not be limited to:

(1) The estimated quantity of salable oil of each class held by producers and handlers;
(2) The estimated demand for each class of oil;
(3) Prospective production of each class of oil;
(4) Total of allotment bases of each class of oil for the current marketing year and the estimated total of allotment bases of each class for the ensuing marketing year;
(5) The quantity of reserve oil, by class, in storage;
(6) Producer prices of oil, including prices for each class of oil;
(7) General market conditions for each class of oil, including whether the estimated season average price to producers is likely to exceed parity.

(c) Notice of the marketing policy recommendations for a marketing year and any later changes shall be announced publicly by the Committee, and be submitted promptly to the Secretary and all producers and handlers. The Committee shall publicly announce its marketing policy or revision thereof and notice and contents thereof shall be submitted to producers and handlers by bulletins or through appropriate media.

d) As soon as practicable following the effective date of this subpart and the organization of the Committee, the Committee may recommend a salable quantity for the 1980–81 marketing year.

§ 985.52 Issuance of volume regulation.

(a) Whenever the Secretary finds, on the basis of the Committee's recommendation or other information, that limiting the total quantity of a class of oil of any crop that handlers may purchase from or handle on behalf of producers during a marketing year, would tend to effectuate the declared policy of the act, the Secretary shall establish the salable quantity for that oil.

The salable quantity shall be prorated among producers by applying an allotment percentage to each producer's allotment base for that class of oil. The allotment percentage shall be established for each class of oil by dividing the salable quantity by the total of all producers' allotment bases for the same class of oil.

(b) When an allotment percentage for a class of oil is established for any marketing year, no handler shall purchase from or handle on behalf of producers any oil of that class during such year unless:

(1) It is, at the time of handling, within the unused portion of a producer's annual allotment, and

§ 985.51 Recommendations for volume regulation.

(a) If the Committee's marketing policy considerations indicate a need for limiting the quantity of oil of each class marketed, the Committee shall recommend to the Secretary a salable quantity and allotment percentage for the ensuing marketing year. Such recommendations shall be made prior to February 15, or such other date as the Committee, with the approval of the Secretary, may establish.

(b) At any time during the marketing year for which the Secretary, pursuant to § 985.52(a), has established a salable quantity and an allotment percentage for each class of oil, the Committee may recommend to the Secretary that such quantity be increased with an appropriate increase in the allotment percentage. Each such recommendation, together with the Committee's reason for such recommendation, shall be submitted promptly to the Secretary.

(c) As soon as practical following the effective date of this subpart and the organization of the Committee, the Committee may recommend a salable quantity for the 1980–81 marketing year.
