

## Agricultural Marketing Service, USDA

## § 987.41

rules and regulations to carry out the provisions of this section.

[43 FR 4252, Feb. 1, 1978]

### GRADE REGULATION

#### § 987.39 The establishment of minimum standards.

In order to effectuate the declared policy of the act, all dates handled as marketable dates shall meet the requirements of U.S. Grade C, or if for further processing, U.S. Grade C (Dry) of the effective U.S. Standards for Grades of Dates, 7 CFR 52.1001: *Provided*, That the Secretary, may upon recommendation of the Committee, prescribe other minimum standards of grades and sizes for marketable dates of any variety to be handled in any designated outlet. To aid the Secretary in prescribing such other minimum standards, the Committee shall furnish to the Secretary the data upon which it acted in recommending such standards. The provisions hereof relating to minimum standards of grades and sizes for marketable dates and inspection requirements, within the meaning of section 2(3) of the act, and any other provisions relating to the administration and enforcement thereof shall continue in effect irrespective of whether the season average price to producers for dates is or is not in excess of the parity level specified in section 2(1) of the act. Notice of the minimum standard regulation shall be sent by the Committee to all handlers of record. On and after the effective date of such regulations no handler shall handle dates except in accordance with such minimum standard.

[32 FR 12596, Aug. 31, 1967, as amended at 43 FR 4252, Feb. 1, 1978]

#### § 987.40 Additional grade or size regulations.

Whenever the Committee deems it advisable to establish grade or size requirements for any variety of dates, in addition to the minimum standard provided pursuant to § 987.39, to govern dates of such variety to be handled in any designated outlet or to be withheld to meet withholding obligation, or both, it shall recommend to the Secretary requirements as to grade based on the effective United States Stand-

ards for Grades of Dates or any modification thereof, and such size requirements as it may deem appropriate. If the Secretary finds, upon the basis of such recommendation or other information available to him, that such additional grade or size regulation, or both such regulations, will tend to effectuate the declared policy of the act, he shall establish such regulations. Notice thereof, showing the effective date, shall be sent by the Committee to all handlers of record. On and after the effective date no handler shall handle dates of such variety in any designated outlet or withhold such dates to meet withholding obligation except in accordance with such regulations.

[27 FR 6818, July 19, 1962, as amended at 43 FR 4252, Feb. 1, 1978]

#### § 987.41 Inspection.

(a) *Packed dates.* Prior to handling any dates packed for handling each handler shall, at his own expense, cause: (1) An inspection to be made of such dates in order to ascertain if such dates meet the applicable grade and size regulations prescribed or provided for in this part; and (2) a certification for handling to be made of all such dates as meet such grade and size regulations.

(b) *Dates for further processing.* Prior to handling any dates for further processing each handler shall, at his own expense, cause: (1) An inspection to be made to ascertain if such dates meet the applicable grade and size requirements effective pursuant to § 987.39 or § 987.40, except for character associated with moisture; and (2) a certification for further processing to be made of all such dates as meet such grade and size requirements: *Provided*, That such inspection and certification requirements shall not apply to inter-handler transfers within the area of production of field-run dates or graded dates.

(c) *Identification and service.* All dates handled shall be identified by seals, stamps, or other means prescribed by the Committee and affixed to the containers by the handlers under the supervision of the Committee or the designated inspectors. Inspection shall be performed by inspectors of the United States Department of Agriculture's Processed Products Standardization
