

other than the handler's vendee or the consignee, the name and address of such user; and (iv) the crop year or the period within, or portion of, the crop year during which shipment or other disposition is to be made. When the use or the name and address of the consignee or user are not known by the handler, the handler shall arrange for the submission of such information to the Committee. If use is to be by the handler, the application shall so indicate and shall set forth all applicable information. Each application for shipment shall be limited to the handler's vendee and the consignee, if different from the vendee, and to a specific user and use. Each application for final disposition for a particular use by the handler shall be limited to such handler and use. The Committee's approval of a handler's application shall be transmitted to the handler on Form PMC 2.31 "Permission to Dispose of Undersized Prunes." In approving an application, the Committee shall specify the crop year or the period within, or the portion of, the crop year for which the approval is granted. When the use or name and address of the user or consignee are not known to the handler, the Committee shall not approve the application until it has been informed as to such use and user and consignee of the prunes. The requirements of § 993.150(e)(1)(iv) (except item (a) thereof), (v), and (vi) with regard to disapproval of applications or revocation of approved applications, evidence of nonhuman disposition, and the maintenance of books and records, applicable to prunes which fail to meet minimum standards, shall also apply to undersized prunes.

(2) *Documentation of disposition of undersized prunes*—(i) *Documentation of shipment or other disposition*. For each quantity of undersized prunes so shipped or otherwise disposed of, the handler shall promptly forward to the Committee one copy of the applicable bill of lading, truck receipt, or related documentation of disposition which shall show: (a) The name of the consignee; (b) the destination by name and address of the person designated to receive the prunes; (c) the date of shipment or other disposition; (d) the net

weight of the prunes; and (e) identification of the prunes as undersized prunes.

(3) *Tolerances permitting a deviation in prune sizes from applicable undersized openings*—(i) *Undersized French prunes*. Whenever an undersized regulation specifies an opening for French prunes, any quantity of any size of French prunes disposed of by a handler in compliance with § 993.50(g) shall satisfy a handler's undersized disposition.

(ii) *Undersized non-French prunes*. Whenever an undersized regulation specifies an opening for non-French prunes, any quantity of any size of non-French prunes disposed of by a handler in compliance with § 993.50(g) shall satisfy a handler's undersized disposition.

#### RESERVE CONTROL

#### § 993.156 Application of reserve percentage.

The reserve obligation of each handler shall be determined by applying the reserve percentage to the weight of prunes in each lot, after deducting the weight of prunes in such lot shown as a percentage on the applicable inspection certificate as necessary to be removed therefrom pursuant to § 993.49(c), in such manner as may be prescribed in such reserve control regulation established for the crop year in which such lot is received by a handler from a producer or dehydrator.
