

§ 1150.151

7 CFR Ch. X (1-1-09 Edition)

Secretary, or a representative of the Secretary, may attend such meetings;

(m) To submit to the Secretary such information pursuant to this subpart as may be requested; and

(n) To encourage the coordination of programs of promotion, research and nutrition education designed to strengthen the dairy industry's position in the marketplace and to maintain and expand domestic and foreign markets and uses for fluid milk and dairy products produced in the United States.

EXPENSES AND ASSESSMENTS

§ 1150.151 Expenses.

(a) The Board is authorized to incur such expenses (including provision for a reasonable reserve) as the Secretary finds are reasonable and likely to be incurred by the Board for its maintenance and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart. However, after the first full year of operation of the order, administrative expenses incurred by the Board shall not exceed 5 percent of the projected revenue of that fiscal year. Such expenses shall be paid from assessments collected pursuant to § 1150.152.

(b) The Board shall reimburse the Secretary, from assessments collected pursuant to § 1150.152, for administrative costs incurred by the Department after May 1, 1984.

§ 1150.152 Assessments.

(a) Each person making payment to a producer for milk produced in the United States and marketed for commercial use shall collect an assessment on all such milk handled for the account of the producer at the rate of 15 cents per hundredweight of milk for commercial use or the equivalent thereof and shall remit the assessment to the Board.

(b) Any producer marketing milk of that producer's own production in the form of milk or dairy products to consumers, either directly or through retail or wholesale outlets, shall remit to the Board an assessment on such milk at the rate of 15 cents per hundred-

weight of milk for commercial use or the equivalent thereof.

(c) In determining the assessment due from each producer pursuant to § 1150.152 (a) and (b), a producer who is participating in a qualified State or regional program(s) shall receive a credit for contributions to such program(s), but not to exceed the following amounts:

(1) In the case of contributions for milk marketed on or before May 31, 1984, up to the actual rate of contribution that was in effect under such program(s) on November 29, 1983, not to exceed 15 cents per hundredweight of milk marketed.

(2) In all other cases, the credit shall not exceed 10 cents per hundredweight of milk marketed.

(d) In order for a producer described in § 1150.152(a) to receive the credit authorized in § 1150.152(c), either the producer or a cooperative association on behalf of the producer must establish to the person responsible for remitting the assessment to the Board that the producer is contributing to a qualified State or regional program. Producers who contribute to a qualified program directly (other than through a payroll deduction) must establish with the person responsible for remitting the assessment to the Board, with validation by the qualified program, that they are making such contributions.

(e) In order for a producer described in § 1150.152(b) to receive the credit authorized in § 1150.152(c), the producer and the applicable qualified State or regional program must establish to the Board that the producer is contributing to a qualified State or regional program.

(f) The collection of assessments pursuant to § 1150.152(a) and (b) shall begin with respect to milk marketed on and after the effective date of this section and shall continue until terminated by the Secretary. If the Board is not constituted by the date the first assessments are to be collected, the Secretary shall have the authority to receive the assessments on behalf of the Board. The Secretary shall remit such assessments to the Board when it is constituted.

(g) Each person responsible for the remittance of the assessment pursuant

to §1150.152(a) and (b) shall remit the assessment to the Board not later than the last day of the month following the month in which the milk was marketed.

(h) Money remitted to the Board shall be in the form of a negotiable instrument made payable to "National Dairy Promotion and Research Board." Remittances and reports specified in §1150.171 shall be mailed to the location designated by the Secretary or the Board.

§ 1150.153 Qualified State or regional dairy product promotion, research or nutrition education programs.

(a) Any organization which conducts a State or regional dairy product promotion, research or nutrition education program may apply to the Secretary for certification of qualification so that producers may receive credit pursuant to §1150.152(c) for contributions to such program.

(b) In order to be certified by the Secretary as a qualified program, the program must:

(1) Conduct activities as defined in §§1150.114, 1150.115, and 1150.116 that are intended to increase consumption of milk and dairy products generally;

(2) Except for programs operated under the laws of the United States or any State, have been active and ongoing before enactment of the Act;

(3) Be financed primarily by producers, either individually or through cooperative associations;

(4) Not use a private brand or trade name in its advertising and promotion of dairy products unless the Board recommends and the Secretary concurs that such preclusion should not apply;

(5) Certify to the Secretary that any requests from producers for refunds under the program will be honored by forwarding to either the Board or a qualified State or regional program designated by the producer that portion of such refunds equal to the amount of credit that otherwise would be applicable to that program pursuant to §1150.152(c); and

(6) Not use program funds for the purpose of influencing governmental policy or action.

(c) An application for certification of qualifications of any State or regional

dairy product promotion, research or nutrition education program which does not satisfy the requirements specified in paragraph (b) of this section shall be denied. The certification of any qualified program which fails to satisfy the requirements specified in paragraph (b) of this section after certification shall be subject to suspension or termination.

(1) Prior to the denial of an application for certification of qualification, or the suspension or termination of an existing certification, the Director of the Dairy Division shall afford the applicant or the holder of an existing certification an opportunity to achieve compliance with the requirements for certification within a reasonable time, as determined by the Director.

(2) Any State or regional dairy product promotion, research or nutrition education program whose application for certification of qualification is to be denied, or whose certification of qualification is to be suspended or terminated shall be given written notice of such pending action and shall be afforded an opportunity to petition the Secretary for a review of the action. The petition shall be in writing and shall state the facts relevant to the matter for which the review is sought, and whether petitioner desires an informal hearing. If an informal hearing is not requested, the Director of the Dairy Division shall issue a final decision setting forth the action to be taken and the basis for such action. If petitioner requests a hearing, the Director of the Dairy Division, or a person designated by the Director, shall hold an informal hearing in the following manner:

(i) Notice of a hearing shall be given in writing and shall be mailed to the last known address of the petitioner or of the State or regional program, or to an officer thereof, at least 20 days before the date set for the hearing. Such notice shall contain the time and place of the hearing and may contain a statement of the reason for calling the hearing and the nature of the questions upon which evidence is desired or upon which argument may be presented. The hearing place shall be as convenient to the State or regional program as can reasonably be arranged.
