

§215.6 Departure from the Canal Zone, the Trust Territory of the Pacific Islands, or outlying possessions of the United States.

(a) In addition to the restrictions and prohibitions imposed by the provisions of this part upon the departure of aliens from the United States, any alien who seeks to depart from the Canal Zone, the Trust Territory of the Pacific Islands, or an outlying possession of the United States shall comply with such other restrictions and prohibitions as may be imposed by regulations prescribed, with the concurrence of the Administrator of the Bureau of Security and Consular Affairs and the Commissioner, by the Governor of the Canal Zone, the High Commissioner of the Trust Territory of the Pacific Islands, or by the governor of an outlying possession of the United States, respectively. No alien shall be prevented from departing from such zone, territory, or possession without first being accorded a hearing as provided in §§215.4 and 215.5.

(b) The Governor of the Canal Zone, the High Commissioner of the Trust Territory of the Pacific Islands, or the governor of any outlying possession of the United States shall have the authority to designate any employee or class of employees of the United States as hearing officers for the purpose of conducting the hearing referred to in paragraph (a) of this section. The hearing officer so designated shall exercise the same powers, duties, and functions as are conferred upon special inquiry officers under the provisions of this part. The chief executive officer of such zone, territory, or possession shall, in lieu of the regional commissioner, review the recommended decision of the hearing officer, and shall render a decision in any case referred to him, basing it on evidence in the record and on any evidence or information of a confidential or a security nature which he deems pertinent.

§215.7 Instructions from the Administrator required in certain cases.

In the absence of appropriate instructions from the Administrator of the Bureau of Security and Consular Affairs, departure-control officers shall not exercise the authority conferred by

§215.2 in the case of any alien who seeks to depart from the United States in the status of a nonimmigrant under section 101(a)(15) (A) or (G) of the Immigration and Nationality Act, or in the status of a nonimmigrant under section 11(3), 11(4), or 11(5) of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations (61 Stat. 756): *Provided*, That in cases of extreme urgency, where the national security so requires, a departure-control officer may preliminarily exercise the authority conferred by §215.2 pending the outcome of consultation with the Administrator, which shall be undertaken immediately. In all cases arising under this section, the decision of the Administrator shall be controlling: *Provided*, That any decision to prevent the departure of an alien shall be based upon a hearing and record as prescribed in this part.

§215.8 Requirements for biometric identifiers from aliens on departure from the United States.

(a)(1) The Secretary of Homeland Security, or his designee, may establish pilot programs at land border ports of entry, and at up to fifteen air or sea ports of entry, designated through notice in the FEDERAL REGISTER, through which the Secretary or his delegate may require an alien admitted to or paroled into the United States, other than aliens exempted under paragraph (a)(2) of this section or Canadian citizens under section 101(a)(15)(B) of the Act who were not otherwise required to present a visa or have been issued Form I-94 or Form I-95 upon arrival at the United States, who departs the United States from a designated port of entry, to provide fingerprints, photograph(s) or other specified biometric identifiers, documentation of his or her immigration status in the United States, and such other evidence as may be requested to determine the alien's identity and whether he or she has properly maintained his or her status while in the United States.

(2) The requirements of paragraph (a)(1) shall not apply to:

(i) Aliens younger than 14 or older than 79 on date of departure;

(ii) Aliens admitted on A-1, A-2, C-3 (except for attendants, servants, or personal employees of accredited officials), G-1, G-2, G-3, G-4, NATO-1, NATO-2, NATO-3, NATO-4, NATO-5, or NATO-6 visas, and certain Taiwan officials who hold E-1 visas and members of their immediate families who hold E-1 visas who are maintaining such status at time of departure, unless the Secretary of State and the Secretary of Homeland Security jointly determine that a class of such aliens should be subject to the requirements of paragraph (a)(1);

(iii) Classes of aliens to whom the Secretary of Homeland Security and the Secretary of State jointly determine it shall not apply; or

(iv) An individual alien to whom the Secretary of Homeland Security, the Secretary of State, or the Director of Central Intelligence determines it shall not apply.

(b) An alien who is required to provide biometric identifiers at departure pursuant to paragraph (a)(1) and who fails to comply with the departure requirements may be found in violation of the terms of his or her admission, parole, or other immigration status. In addition, failure of a covered alien to comply with the departure requirements could be a factor in support of a determination that the alien is ineligible to receive a future visa or other immigration status documentation, or to be admitted to the United States. In making this determination, the officer will consider the totality of the circumstances, including, but not limited to, all positive and negative factors related to the alien's ability to comply with the departure procedures.

(c) A covered alien who leaves the United States without complying with the departure requirements in this section may be found to have overstayed the period of his or her last admission where the available evidence clearly indicates that the alien did not depart the United States within the time period authorized at his or her last admission or extension of stay. A determination that the alien previously overstayed the terms of his admission may result in a finding of inadmissibility for accruing prior unlawful presence in the United States under

section 212(a)(9) of the Immigration and Nationality Act or that the alien is otherwise ineligible for a visa or other authorization to reenter the United States, provided that all other requirements of section 212(a)(9) have been met. A determination that an alien who was admitted on the basis of a nonimmigrant visa has remained in the United States beyond his or her authorized period of stay may result in such visa being deemed void pursuant to section 222(g) of the Act (8 U.S.C. 1202(g)) where all other requirements of that section are also met.

§215.9 Temporary Worker Visa Exit Program.

An alien admitted on certain temporary worker visas at a port of entry participating in the Temporary Worker Visa Exit Program must also depart at the end of his or her authorized period of stay through a port of entry participating in the program and must present designated biographic and/or biometric information upon departure. U.S. Customs and Border Protection will publish a Notice in the FEDERAL REGISTER designating which temporary workers must participate in the Temporary Worker Visa Exit Program, which ports of entry are participating in the program, which biographical and/or biometric information would be required, and the format for submission of that information by the departing designated temporary workers.
