MARKET AGENCY, DEALER AND PACKER
BONDS

§ 201.29 Market agencies, packers and dealers required to file and maintain bonds.

(a) Every market agency, packer, and dealer, except as provided in paragraph (d) of this section, and except packer buyers registered as dealers to purchase livestock for slaughter only, shall execute and maintain a reasonable bond on forms approved by the Administrator containing the appropriate condition clauses, as set forth in § 201.31 of the regulations, applicable to the activity or activities in which the person or persons propose to engage, to secure the performance of obligations incurred by such market agency, packer, or dealer. No market agency, packer, or dealer required to maintain a bond shall conduct his operations unless there is on file and in effect a bond complying with the regulations in this part.

(b) Every market agency buying on a commission basis and every dealer buying for his own account or for the accounts of others shall file and maintain a bond. If a registrant operates as both a market agency buying on a commission basis and as a dealer, only one bond to cover both buying operations need be filed. Any person operating as a market agency selling on a commission basis and as a market agency buying on a commission basis or as a dealer shall file and maintain separate bonds to cover his selling and buying operations.

(c) Each market agency and dealer whose buying operations are cleared by another market agency shall be named as clearee in the bond filed and maintained by the market agency registered to provide clearing services. Each market agency selling livestock on a com-

mission basis shall file and maintain its own bond.

(d) Every packer purchasing livestock, directly or through an affiliate or employee or a wholly-owned subsidiary, except those packers whose annual purchases do not exceed \$500,000, shall file and maintain a reasonable bond. In the event a packer maintains a wholly-owned subsidiary or affiliate to conduct its livestock buying, the wholly-owned subsidiary or affiliate shall be registered as a packer buyer for its parent packer firm, and the required bond shall be maintained by the parent packer firm.

(7 U.S.C. 204, 228(a))

[48 FR 8806, Mar. 2, 1983]

§ 201.30 Amount of market agency, dealer and packer bonds.

(a) *Market agency selling livestock on commission.* To compute the required amount of bond coverage, divide the dollar value of livestock sold during the preceding business year, or the substantial part of that business year, in which the market agency did business, by the actual number of days on which livestock was sold. The divisor (the number of days on which livestock was sold) shall not exceed 130. The amount of bond coverage must be the next multiple of \$5,000 above the amount so determined. When the computation exceeds \$50,000, the amount of bond coverage need not exceed \$50,000 plus 10 percent of the excess over \$50,000, raised to the next \$5,000 multiple. In no case shall the amount of bond coverage for a market agency selling on commission be less than \$10,000 or such higher amount as required to comply with any State law.

(b) *Market agency buying on commission or dealer.* The amount of bond coverage must be based on the average amount of livestock purchased by the dealer or market agency during a period equivalent to 2 business days. To compute the required amount of bond coverage, divide the total dollar value of livestock purchased during the preceding business year, or substantial part of that business year, in which the dealer or market agency or both did business, by one-half the number of days on which business was conducted.
