§ 590.148  Order of service.

Inspection service shall be performed, insofar as practicable, in the order in which applications therefor are made.

§ 590.150  Official plant numbers.

An official plant number shall be assigned to each plant granted inspection service. Such plant number shall be used to identify all containers of inspected products prepared in the plant which are capable of use as human food. A plant shall not have more than one plant number.

INAUGURATION OF SERVICE

§ 590.155  Inauguration of service.

Prior to the inauguration of service, the proprietor or operator of the plant

§ 590.148  Order of service.

Inspection service shall be performed, insofar as practicable, in the order in which applications therefor are made.
