

**§ 1303.109**

**10 CFR Ch. XIII (1-1-11 Edition)**

the record(s) located are withheld as exempt from disclosure.

(ii) For each quarter hour spent by clerical personnel in searching for and retrieving a requested record, the fee will be \$5. If a search and retrieval requires the use of professional personnel the fee will be \$8 for each quarter hour. If the time of managerial personnel is required, the fee will be \$10 for each quarter hour.

(iii) For computer searches of records, requestors will be charged the direct costs of conducting the search, although certain requestors (see §1303.109(a)) will be charged no search fee and certain other requestors (see §1303.109(b)) will be entitled to two hours of manual search time without charge. Direct costs include the cost of operating a computer for the search time for requested records and the operator salary for the search.

(2) *Duplication.* Duplication fees for paper copies of a record will be 10 cents per page for black and white and 20 cents per page for color. For all other forms of duplication, the Board shall charge the direct costs of producing the copy. All charges are subject to the limitations of §1303.109 and §1303.111.

(3) *Review.* When a commercial use request is made, review fees shall be charged as stated in paragraph (c)(1) of this section. These fees apply only to the initial record review, when the Board determines whether an exemption applies to a particular record. Charges shall not be imposed for review at the administrative appeal level if an exemption is applied. However, records withheld under an exemption that is subsequently determined not to apply may be reviewed again to determine whether any other exemption not previously considered applies. The cost of that review shall be charged. All review fees shall be charged at the same rates as those charged in paragraph (c)(1) of this section.

**§1303.109 Restrictions on charging fees.**

(a) When determining search or review fees:

(1) No search or review fee shall be charged for requests by educational institutions, noncommercial scientific

institutions, and representatives of the news media.

(2) The Board shall provide without charge, to all but commercial users.

(i) The first 100 pages of black and white duplication (or the cost equivalent); and

(ii) The first two hours of search by a clerical staff member (or the cost equivalent).

(3) When the total fee for a request will be \$14.00 or less for any request, no fee shall be charged.

(b) The Provisions of paragraphs (a)(2) and (a)(3) of this section work together. All requestors seeking records for a non-commercial use shall not be charged unless the total cost for the request exceeds by more than \$14.00, the cost of a two hour clerical search, plus the cost of duplication over the 100 page exemption.

**§ 1303.110 Notice of anticipated fees.**

(a) *General.* The Board shall advise the requestor in writing of any applicable fees. If only a part of the fee can be estimated readily, the Board shall advise the requestor that this may be only a part of the total fee. After the requestor has been sent a fee estimate, the request shall not be considered received until the requestor makes a firm commitment to pay the anticipated total fee. Any such agreement must be made by the requestor in writing and must be received within 60 days of the Board's notice. If the requestor does not provide a firm commitment to pay the anticipated fee within 60 days of the notice, the request shall be closed. The requestor may be given an opportunity to work with the Board to change the requests and lower the cost.

(b) *Charges for other services.* When the Board chooses as a matter of administrative discretion to provide a special service, such as certifying that records are true copies or sending them by other than ordinary mail, the Board shall pay the costs of providing the service unless previous arrangements have been made with the requestor.

(c) *Charging interest.* The Board may charge interest on any unpaid bill starting on the 31st day following the date of billing. Interest charges shall be assessed at the rate provided in 31 U.S.C. 3717 and shall accrue from the

date of the billing until payment is received by the Board. The Board shall follow the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as amended.

(d) *Aggregating requests.* If the Board reasonably believes that a requestor or a group of requestors acting together is trying to divide a request into a series of smaller requests for the purpose of avoiding fees, the Board may aggregate the requests and charge accordingly. The Board shall assume that multiple requests of the same type made within a 30-day period have been made in order to avoid fees. If requests are separated by a longer period, the Board shall aggregate them only if there is a solid basis for determining that aggregation is warranted. Multiple requests involving unrelated matters shall not be aggregated.

(e) *Advance payments.* Where a requestor has previously failed to pay promptly a properly charged FOIA fee to the Board or another agency, the Board shall require proof that full payment has been made to that agency before it begins to process that requestor's FOIA. The Board shall also require advance payment of the full amount of the anticipated fee. When advance payment is required, the request is not considered received until payment has been made.

**§ 1303.111 Requirements for waiver or reduction of fees.**

(a) Records shall be furnished without charge or at a reduced charge if the Board determined that:

(1) Disclosure is in the public interest and the information is likely to contribute significantly to public understanding of the activities of the government; and

(2) Disclosure is not primarily in the commercial interest of the requestor.

(b) In determining whether the first requirement is met, the Board shall consider:

(1) Subject: Do the requested records concern identifiable activities of the federal government?

(2) Informative value: Will the disclosure contribute to an understanding of government activities? Do records contain information on activities "likely to contribute" to an increased public

understanding? If the information or similar information is already in the public domain, the record(s) would not increase the public's understanding.

(3) Would the disclosure contribute to the understanding of a reasonably broad audience, as opposed to the individual understanding of the requestor? A requestor's expertise in the subject and intention to convey information to the public shall be considered. Being a valid representative of the news media shall satisfy this consideration.

(4) Is the disclosure likely to contribute significantly to public understanding of government activities? The level of understanding after the disclosure versus that before the disclosure must be enhanced to a significant extent. However, the Board shall not make value judgments about whether information contributing to public understanding of government activities is important enough to release.

(c) In determining whether the second requirement is met, the Board shall consider:

(1) The existence and extent of the commercial interest: Would a commercial interest be substantially furthered by the disclosure? The Board shall consider the commercial interest (see paragraph (a)(2) of this section) of either the requestor or of any person on whose behalf they may be acting that would be furthered by the disclosure. During the administrative process, requestors shall be given an opportunity to provide additional information about this concern.

(2) The primary interest for disclosure: Whether the commercial interest of the requestor is sufficiently large in comparison to the public interest, that disclosure is "primarily in the commercial interest of the requestor." A fee waiver is justified if the public interest standard under paragraph (b) of this section is satisfied and if that public interest is greater than any commercial interest. The Board shall presume that when news media requestors satisfy this standard, primarily the public interest is served.

(d) If only some of the records to be released satisfy the requirements for a waiver of fees, a waiver shall be granted only for those records.
