[41 FR 43064, Sept. 29, 1976, as amended at 75 FR 30, Jan. 4, 2010]

§ 1.3 Procedures for requests pertaining to individual records in a record system.

(a) Any individual may request the Commission to inform him or her whether a particular record system named by the individual contains a record pertaining to him or her. The request may be made in person or in writing at the location and to the person specified in the notice describing that record system.

§ 1.4

11 CFR Ch. I (1–11 Edition)

determine which record system contains those records, may request assistance by mail or in person from the Chief Privacy Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463 during the hours of 9 a.m. to 5:30 p.m.

(c) Requests under paragraphs (a) or (b) of this section shall be acknowledged by the Commission within 15 days from the date of receipt of the request. If the Commission is unable to locate the information requested under paragraphs (a) or (b) of this section, it shall so notify the individual within 15 days after receipt of the request. Such acknowledgement may request additional information to assist the Commission in locating the record or it may advise the individual that no record or document exists about that individual.

[41 FR 43064, Sept. 29, 1976, as amended at 50 FR 50778, Dec. 12, 1985; 75 FR 31, Jan. 4, 2010]

§ 1.4 Times, places, and requirements for identification of individuals making requests.

(a) After being informed by the Commission that a record system contains a record pertaining to him or her, an individual may request the Commission to disclose that record in the manner described in this section. Each request for the disclosure of a record or a copy of it shall be made at the Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and to the system manager identified in the notice describing the systems of records, either in writing or in person. Requests may be made by specifically authorized agents or by parents or guardians of individuals.

(b) Each individual requesting the disclosure of a record or copy of a record shall furnish the following information with his or her request:

(1) The name of the record system containing the record;

(2) Proof as described in paragraph (c) of this section that he or she is the individual to whom the requested record relates;

(3) Any other information required by the notice describing the record system.

(c) Proof of identity as required by paragraph (b)(2) of this section shall be

provided as described in paragraphs (c) (1) and (2) of this section. Requests made by an agent, parent, or guardian, shall be in accordance with the procedures described in § 1.10.

(1) Requests made in writing shall include a statement, signed by the individual and either notarized or witnessed by two persons (including witnesses' addresses). If the individual appears before a notary, he or she shall submit adequate proof of identification in the form of a drivers license, birth certificate, passport or other identification acceptable to the notary. If the statement is witnessed, it shall include a sentence above the witnesses' signatures that they personally know the individual or that the individual has submitted proof of his or her identification to their satisfaction. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the Commission determines that the identification is not adequate, it may request the individual to submit additional proof of identification.

(2) If the request is made in person, the requestor shall submit proof of identification similar to that described in paragraph (c)(1) of this section, acceptable to the Commission. The individual may have a person of his or her own choosing accompany him or her when the record is disclosed.

[41 FR 43064, Sept. 29, 1976, as amended at 50 FR 50778, Dec. 12, 1985]

§ 1.5 Disclosure of requested information to individuals.

(a) Upon submission of proof of identification as required by § 1.4, the Commission shall allow the individual to see and/or obtain a copy of the requested record or shall send a copy of the record to the individual by registered mail. If the individual requests to see the record, the Commission may make the record available either at the location where the record is maintained or at a place more suitable to the requestor, if possible. The record shall be made available as soon as possible but in no event later than 15 days after proof of identification.

(b) The Commission must furnish each record requested by an individual

Federal Election Commission

§ 1.9

under this part in a form intelligible to that individual.

(c) If the Commission denies access to a record to an individual, he or she shall be advised of the reason for the denial and advised of the right to judicial review.

(d) Upon request, an individual will be provided access to the accounting of disclosures from his or her record under the same procedures as provided above and in § 1.4.

§ 1.6 Special procedure: Medical records. [Reserved]

§ 1.7 Request for correction or amendment to record.

(a) Any individual who has reviewed a record pertaining to him or her that was furnished under this part, may request the Commission to correct or amend all or any part of that record.

(b) Each individual requesting a correction or amendment shall send the request to the Commission through the person who furnished the record.

(c) Each request for a correction or amendment of a record shall contain the following information:

(1) The name of the individual requesting the correction or amendment;

(2) The name of the system of records in which the record sought to be amended is maintained;

(3) The location of the system of records from which the individual record was obtained;

(4) A copy of the record sought to be amended or corrected or a sufficiently detailed description of that record;

(5) A statement of the material in the record that the individual desires to correct or amend;

(6) A statement of the basis for the requested correction or amendment including any material that the individual can furnish to substantiate the reasons for the correction or amendment sought.

§ 1.8 Agency review of request for correction or amendment of record.

(a) The Commission shall, not later than ten (10) days (excluding Saturdays, Sundays and legal holidays) after the receipt of the request for a correction or amendment of a record under § 1.7, acknowledge receipt of the request and inform the individual wheth-

er information is required before the correction or amendment can be considered.

(b) If no additional information is required, within ten (10) days from receipt of the request, the Commission shall either make the requested correction or amendment or notify the individual of its refusal to do so, including in the notification the reasons for the refusal, and the appeal procedures provided in § 1.9.

(c) The Commission shall make each requested correction or amendment to a record if that correction or amendment will tend to negate inaccurate, irrelevant, untimely, or incomplete matter in the record.

(d) The Commission shall inform prior recipients of any amendment or correction or notation of dispute of such individual's record if an accounting of the disclosure was made. The individual may request a list of prior recipients if an accounting of the disclosure was made.

§ 1.9 Appeal of initial adverse agency determination on amendment or correction.

(a) Any individual whose request for a correction or amendment has been denied in whole or in part, may appeal that decision to the Commissioners no later than one hundred eighty (180) days after the adverse decision is rendered.

(b) The appeal shall be in writing and shall contain the following information:

(1) The name of the individual making the appeal;

(2) Identification of the record sought to be amended;

(3) The record system in which that record is contained;

(4) A short statement describing the amendment sought; and

(5) The name and location of the agency official who initially denied the correction or amendment.

(c) Not later than thirty (30) days (excluding Saturdays, Sundays and legal holidays) after the date on which the Commission receives the appeal, the Commissioners shall complete their review of the appeal and make a final decision thereon. However, for good cause shown, the Commissioners

§ 1.10

may extend that thirty (30) day period. If the Commissioners extend the period, the individual requesting the review shall be promptly notified of the extension and the anticipated date of a decision.

(d) After review of an appeal, the Commission shall send a written notice to the requestor containing the following information:

(1) The decision and, if the denial is upheld, the reasons for the decision;

(2) The right of the requestor to institute a civil action in a Federal District Court for judicial review of the decision; and

(3) The right of the requestor to file with the Commission a concise statement setting forth the reasons for his or her disagreement with the Commission denial of the correction or amendment. The Commission shall make this statement available to any person to whom the record is later disclosed, together with a brief statement, if appropriate, of the Commission's reasons for denying the requested correction or amendment. The Commission shall also send a copy of the statement to prior recipients of the individual's record if an accounting of the disclosures was made.

§ 1.10 Disclosure of record to person other than the individual to whom it pertains.

(a) Any individual who desires to have a record covered by this part disclosed to or mailed to another person may designate such person and authorize such person to act as his or her agent for that specific purpose. The authorization shall be in writing, signed by the individual and notarized or witnessed as provided in § 1.4(c).

(b) The parent of any minor individual or the legal guardian of any individual who has been declared by a court of competent jurisdiction to be incompetent, due to physical or mental incapacity or age, may act on behalf of that individual in any matter covered by this part. A parent or guardian who desires to act on behalf of such an individual shall present suitable evidence of parentage or guardianship, by birth certificate, certified copy of a court order, or similar documents, and proof

11 CFR Ch. I (1-1-11 Edition)

of the individual's identity in a form that complies with § 1.4(c) of this part.

(c) An individual to whom a record is to be disclosed in person, pursuant to this part may have a person of his or her own choosing accompany him or her when the record is disclosed.

§ 1.11 Fees.

(a) The Commission shall not charge an individual for the costs of making a search for a record or the costs of reviewing the record. When the Commission makes a copy of a record as a necessary part of the process of disclosing the record to an individual, the Commission shall not charge the individual for the cost of making that copy.

(b) If an individual requests the Commission to furnish a copy of the record, the Commission shall charge the individual for the costs of making the copy. The fee that the Commission has established for making a copy is ten cents (\$.10) per page.

§ 1.12 Penalties.

Any person who makes a false statement in connection with any request for a record, or an amendment or correction thereto, under this part, is subject to the penalties prescribed in 18 U.S.C. 494 and 495.

§ 1.13 General exemptions. [Reserved]

§ 1.14 Specific exemptions.

(a) No individual, under the provisions of these regulations, shall be entitled to access to materials compiled in its systems of records identified as FEC audits and investigations (FEC 2) or FEC compliance actions (FEC 3). These exempted systems relate to the Commission's power to exercise exclusive civil jurisdiction over the enforcement of the Act under 2 U.S.C. 437d (a)(6) and (e); and to defend itself in actions filed against it under 2 U.S.C. 437d(a)(6). Further the Commission has a duty to investigate violations of the Act under 2 U.S.C. 437g(a)(2); to conduct audits and investigations pursuant to 2 U.S.C. 438(b), 26 U.S.C. 9007 and 9038; and to refer apparent violations of the Act to the Attorney General or other law enforcement authorities under 2 U.S.C. 437g(a)(5) and 437d(9). Information contained in FEC systems 2

and 3 contain the working papers of the Commission staff and form the basis for either civil and/or criminal proceedings pursuant to the exercise of the powers and duties of the Commission. These materials must be protected until such time as they are subject to public access under the provision of 2 U.S.C. 437g(a)(4)(B) or 5 U.S.C. 552, or other relevant statutes.

(b)(1) Pursuant to 5 U.S.C. 552a(j)(2), records contained in FEC 12, Office of Inspector General Investigative Files, are exempt from the provisions of 5 U.S.C. 552a, except subsections (b), (c) (1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11) and (f), and the corresponding provisions of 11 CFR part 1, to the extent this system of records relates in any way to the enforcement of criminal laws.

(2) Pursuant to 5 U.S.C. 552a(k)(2), FEC 12, Office of Inspector General Investigative Files, is exempt from 552a (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f), and the corresponding provisions of 11 CFR part 1, to the extent the system of records consists of investigatory material compiled for law enforcement purposes, except for material that falls within the exemption included in paragraph (b)(1) of this section.

(c) The provisions of paragraph (a) of this section shall not apply to the extent that application of the subsection would deny any individual any right, privilege or benefit to which he or she would otherwise be entitled to receive.

§ 2.1 Scope.

These regulations are promulgated pursuant to the directive of 5 U.S.C. 552b(g) which was added by section 3(a) of Public Law 94-409, the Government in the Sunshine Act, and specifically implement section 3 of that Act.

§ 2.2 Definitions.

(a) *Commission*. *Commission* means the Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(b) *Commissioner* or *Member*. *Commissioner* or *Member* means an individual appointed to the Federal Election Commission pursuant to 2 U.S.C. 437c(a), but does not include a proxy or other designated representative of a Commissioner.

(c) *Person*. *Person* means an individual, including employees of the Commission, partnership, corporation, association, or public or private organization, other than an agency of the United States Government.

(d) *Meeting*. (1) *Meeting* means the deliberation of at least four voting members of the Commission in collegia where such deliberations determine or result in the joint conduct or disposition of official Commission business. For the purpose of this section, *joint conduct* does not include, for example, situations where the requisite number of members is physically present in one place but not conducting agency business as a body (e.g., at a meeting at which one member is giving a speech while a number of other members are present in the audience). A deliberation conducted through telephone or similar communications equipment by means of which all persons participating can hear each other will be considered a *meeting* under this section.

(2) The term *meeting* does not include the process of notation voting by circulated memorandum for the purpose of expediting consideration of routine matters. It also does not include deliberations to schedule a meeting, to take action to open or close a meeting, or to release or withhold information, or to change the subject matter of a meeting under 11 CFR 2.5, 2.6 and 2.7.

[50 FR 39972, Oct. 1, 1985, as amended at 50 FR 50778, Dec. 12, 1985; 65 FR 9206, Feb. 24, 2000]

§ 2.3

11 CFR Ch. I (1–1–11 Edition)

§ 2.3 General rules.

(a) Commissioners shall not jointly conduct, determine or dispose of Commission business other than in accordance with this part.

(b) Except as provided in 11 CFR 2.4, every portion of every Commission meeting shall be open to public observation.

(c) No additional right to participate in Commission meetings is granted to any person by this part. A meeting is not part of the formal or informal record of decision of the matters discussed therein except as otherwise required by law. Statements of views or expressions of opinions made by Commissioners or FEC employees at meetings are not intended to represent final determinations or beliefs.

(d) Members of the public attending open Commission meetings may use small electronic sound recorders to record the meeting, but the use of other electronic recording equipment and cameras requires advance notice to and coordination with the Commission's Press Officer.

§ 2.4 Exempted meetings.

(a) *Meetings required by statute to be closed.* Meetings concerning matters specifically exempted from disclosure by statutes which require public withholding in such a manner as to leave no discretion for the Commission on the issue, or which establish particular types of matters to be withheld, shall be closed to public observation in accordance with the procedures of 11 CFR 2.5.

(1) As required by 2 U.S.C. 437g(a)(12), all Commission meetings, or portions of meetings, pertaining to any notification or investigation that a violation of the Act has occurred, shall be closed to the public.

(2) For the purpose of this section, any notification or investigation that a violation of the Act has occurred includes, but is not limited to, determinations pursuant to 2 U.S.C. 437g, the issuance of subpoenas, discussion of referrals to the Department of Justice, or consideration of any other matter related to the Commission's enforcement activity, as set forth in 11 CFR part 111.

(b) *Meetings closed by Commission determination.* Except as provided in 11 CFR 2.4(c), the requirement of open meetings will not apply where the Commission finds, in accordance with 11 CFR 2.5, that an open meeting or the release of information is likely to result in the disclosure of:

(1) Matters that relate solely to the Commission's internal personnel decisions, or internal rules and practices;

(i) This provision includes, but is not limited to, matters relating to Commission policies on working conditions, or materials prepared predominantly for internal use, the disclosure of which would risk circumvention of Commission regulations; but

(ii) This provision does not include discussions or materials regarding employees' dealings with the public, such as personnel manuals or Commission directives setting forth job functions or procedures;

(2) Financial or commercial information obtained from any person which is privileged or confidential;

(3) Matters which involve the consideration of a proceeding of a formal nature by the Commission against a specific person or the formal censure of any person;

(4) Information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(5) Investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(6) Information the premature disclosure of which would be likely to have a considerable adverse effect on the implementation of a proposed Commission action, as long as the Commission

Federal Election Commission

§ 2.5

has not already disclosed the content or nature of its proposed action, or is not required by law to disclose it prior to final action; or

(7) Matters that specifically concern the Commission's participation in a civil action or proceeding, or an arbitration, or involving a determination on the record after opportunity for a hearing.

(c) Notwithstanding the applicability of any exemptions set forth in 11 CFR 2.4(b), the Commission may determine that the public interest requires a meeting to be open.

[50 FR 39972, Oct. 1, 1985, as amended at 75 FR 31, Jan. 4, 2010]

§ 2.5 Procedures for closing meetings.

(a) *General.* No meeting or portion of a meeting may be closed to the public observation under this section unless a majority of the Commissioners votes to take such action. The closing of one portion of a meeting shall not justify closing any other portion of a meeting.

(b) *Certification.* Each time the Commission votes to close a meeting, the General Counsel shall publicly certify that, in his or her opinion, each item on the agenda may properly be closed to public observation. The certification shall state each relevant exemption provision. The original copy of the certification shall be attached to, and preserved with, the statement required by 11 CFR 2.5(d).

(c) *Voting procedures.* (1) No meeting need be held to consider closing a meeting. The Commission may vote to close a meeting or any portion thereof by using its notation vote procedures.

(i) A separate vote shall be taken with respect to each item on an agenda proposed to be closed in whole or in part pursuant to 11 CFR 2.4, or with respect to any information proposed to be withheld under 11 CFR 2.4.

(ii) A single vote may be taken with respect to a particular matter to be discussed in a series of closed meetings, or with respect to any information concerning such series of meetings, so long as each meeting in the series is scheduled to be held no more than 30 days after the initial meeting.

(iii) This section shall not affect the Commission's practice of setting dates

for closed meetings more than 30 days in advance of such meetings.

(2) The Commission Secretary shall record the vote of each Commissioner participating in the vote. No proxies, written or otherwise, shall be counted.

(3)(i) A Commissioner may object to a recommendation to close the discussion of a particular matter or may assert a claim of exemption for a matter scheduled to be discussed in an open meeting. Such objection or assertion will be discussed by the Commission at the next scheduled closed meeting, to determine whether the matter in question should be discussed in a closed meeting.

(ii) An *objection for the record only* will not cause the objection to be placed on any agenda.

(d) *Public statement of vote.* (1) If the Commission votes to close a meeting, or any portion thereof, under this section, it shall make publicly available within 24 hours a written statement of the vote. The written statement shall contain:

(i) A citation to the provision(s) of 11 CFR 2.4 under which the meeting was closed to public observation and an explanation of why the specific discussion comes within the cited exemption(s);

(ii) The vote of each Commissioner participating in the vote;

(iii) A list of the names of all persons expected to attend the closed meeting and their affiliation. For purposes of this section, affiliation means title or position, and name of employer, and in the case of a representative, the name of the person represented. In the case of Commission employees, the statement will reflect, through the use of titles rather than individual names, that the Commissioners, specified division heads and their staff will attend; and

(iv) The signature of the Commission Secretary.

(2) The original copy of the statement shall be maintained by the Commission Secretary. A copy shall be posted on a public bulletin board located in the Commission's Public Records Office.

(e) *Public request to close a meeting.* A person whose interests may be directly affected by a portion of a meeting may request that the Commission close that

§2.6

portion to the public for any of the reasons referred to in 11 CFR 2.4. The following procedures shall apply to such requests:

(1) The request must be made in writing and shall be directed to the Chairman of the Commission.

(2) The request shall identify the provisions of 11 CFR 2.4 under which the requestor seeks to close all or a portion of the meeting.

(3) A recorded vote to close the meeting or a portion thereof shall be taken.

(4) Requests made under this section shall become part of the official record of the underlying matter and shall be disclosed in accordance with 11 CFR 2.6 on completion of the matter.

(5) If the Commission decides to approve a request to close, the Commission will then follow the procedures for closing a meeting set forth in 11 CFR 2.5 (a) through (d).

§2.6 Transcripts and recordings.

(a) The Commission Secretary shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to public observation. An electronic recording of a meeting shall be coded, or other records shall be kept in a manner adequate to identify each speaker.

(b)(1) In the case of any meeting closed pursuant to 11 CFR 2.4(b), as the last item of business, the Commission will determine which, if any, portions of the electronic recording or transcript and which if any, items of information withheld under 11 CFR 2.5 contain information which should be withheld pursuant to 11 CFR 2.4.

(2) Portions of transcripts or recordings determined to be outside the scope of any exemptions under 11 CFR 2.6(b)(1) shall be promptly made available to the public through the Commission's Public Records Office at a cost sufficient to cover the Commission's actual cost of duplication or transcription. Requests for such copies shall be made and processed in accordance with the provisions of 11 CFR part 5.

(3) Portions of transcripts or electronic recordings not made available

11 CFR Ch. I (1-1-11 Edition)

immediately pursuant to 11 CFR 2.6(b)(1), and portions of transcripts or recordings withheld pursuant to 11 CFR 2.4(a), will be made available on request when the relevant exemptions no longer apply. Such materials shall be requested and processed under the provisions of 11 CFR 2.6(b)(2).

(c) A complete verbatim copy of the transcript or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, shall be maintained by the Commission Secretary in confidential files of the Commission, for a minimum of two years subsequent to such meeting, or a minimum of one year after the conclusion of any agency proceeding with respect to which the meeting, or portion of the meeting, was held, whichever occurs later.

[50 FR 39972, Oct. 1, 1985, as amended at 75 FR 31, Jan. 4, 2010]

§2.7 Announcement of meetings and schedule changes.

(a)(1) In the case of each meeting, the Commission shall publicly announce and shall submit such announcement for publication in the FEDERAL REGISTER at least seven days prior to the day on which the meeting is to be called to order. The Commission Secretary shall also forward a copy of such announcement for posting in the Commission's Public Records Office.

(2) Announcements made under this section shall contain the following information:

- (i) The date of the meeting;
- (ii) The place of the meeting;
- (iii) The subject matter of the meeting;
- (iv) Whether the meeting is to be open or closed to the public; and
- (v) The name and telephone number of the official designated by the agency to respond to requests for information about the meeting.

(b) The public announcement and submission for publication shall be made when required by 11 CFR 2.7(a) in the case of every Commission meeting unless a majority of the Commissioners decide by recorded vote that Commission business requires that the meeting be called at an earlier date, in which case the Commission shall make at the

Federal Election Commission

§ 4.1

earliest practicable time, the announcement required by this section and a concurrent submission for publication of that announcement in the FEDERAL REGISTER.

(c) The time or place of a meeting may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if the Commission announces the change at the earliest practicable time.

(d) The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or portions of a meeting, to the public may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if:

(1) A majority of the entire membership of the Commission determines by recorded vote that Commission business so requires and that no earlier announcement of the change was possible; and

(2) The Commission publicly announces the change and the vote of each member upon the change at the earliest practicable time. Immediately following this announcement, the Commission shall submit for publication in the FEDERAL REGISTER a notice containing the information required by 11 CFR 2.7(a)(2), including a description of any change from the earlier published notice.

§ 2.8 Annual report.

The Commission shall report annually to Congress regarding its compliance with the requirements of the Government in the Sunshine Act and of this part, including:

(a) A tabulation of the total number of Commission meetings open to the public;

(b) The total number of such meetings closed to the public;

(c) The reasons for closing such meetings; and

(d) A description of any litigation brought against the Commission under the Sunshine Act, including any costs assessed against the Commission in such litigation (whether or not paid by the Commission).

AUTHORITY: 5 U.S.C. 552, as amended.

SOURCE: 44 FR 33368, June 8, 1979, unless otherwise noted.

§ 4.1 Definitions.

As used in this part:

(a) *Commission* means the Federal Election Commission, established by the Federal Election Campaign Act of 1971, as amended.

(b) *Commissioner* means an individual appointed to the Federal Election Commission pursuant to 2 U.S.C. 437c(a).

(c) *Request* means to seek the release of records under 5 U.S.C. 552.

(d) *Requestor* is any person who submits a request to the Commission.

(e) *Act* means the Federal Election Campaign Act of 1971, as amended by the Federal Election Campaign Act Amendments of 1974, 1976, and 1979, and unless specifically excluded, includes chapters 95 and 96 of the Internal Revenue Code of 1954 relating to public financing of Federal elections.

(f) *Public Disclosure Division* of the Commission is that division which is responsible for, among other things, the processing of requests for public access to records which are submitted to the Commission pursuant to 2 U.S.C. 437f(d), 437g(a)(4)(B)(ii), and 438(a).

(g) *Direct costs* means those expenditures which the Commission actually incurs in searching for and duplicating (and, in the case of commercial use requestors, reviewing) documents to respond to a FOIA request. Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating equipment. Direct costs do not include overhead expenses such as the cost of space and

§4.1

11 CFR Ch. I (1–1–11 Edition)

heating or lighting the facility in which the records are stored.

(h) *Search* means all time spent reviewing, manually or by automated means, Commission records for the purpose of locating those records that are responsive to a FOIA request, including page-by-page or line-by-line identification of material within documents. Search time does not include review of material in order to determine whether the material is exempt from disclosure.

(i) *Review* means the process of examining a document located in response to a commercial use request to determine whether any portion of the document located is exempt from disclosure. Review also refers to processing any document for disclosure, *i.e.*, doing all that is necessary to excise exempt portions of the document and otherwise prepare the document for release. Review does not include time spent by the Commission resolving general legal or policy issues regarding the application of exemptions.

(j) *Duplication* means the process of making a copy of a document necessary to respond to a FOIA request. Examples of the form such copies can take include, but are not limited to, paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk).

(k) *Commercial use* means a purpose that furthers the commercial, trade, or profit interests of the requestor or the person on whose behalf the request is made. The Commission's determination as to whether documents are being requested for a commercial use will be based on the purpose for which the documents are being requested. Where the Commission has reasonable cause to doubt the use for which the requestor claims to have made the request or where that use is not clear from the request itself, the Commission will seek additional clarification before assigning the request to a specific category.

(l) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of

vocational education, which operates a program or programs of scholarly research.

(m) *Non-commercial scientific institution* means an organization that is not operated on a commercial basis, as that term is defined in paragraph (k) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(n) *Representative of the news media* means a person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include, but are not limited to, television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news, as defined in this paragraph) who make their products available for purchase or subscription by the general public. A freelance journalist may be regarded as working for a news organization and therefore considered a representative of the news media if that person can demonstrate a solid basis for expecting publication by that news organization, even though that person is not actually employed by that organization. The best means by which a freelance journalist can demonstrate a solid basis for expecting publication by a news organization is by having a publication contract with that news organization. When no such contract is present, the Commission will look to the freelance journalist's past publication record in making this determination.

(o) *Record* and any other term used in this part in reference to information includes any information that would be a Commission record subject to the requirements of this part when maintained by the Commission in any format, including an electronic format.

Federal Election Commission

§ 4.4

§ 4.2 Policy on disclosure of records.

(a) The Commission will make the fullest possible disclosure of records to the public, consistent with the rights of individuals to privacy, the rights of persons contracting with the Commission with respect to trade secret and commercial or financial information entitled to confidential treatment, and the need for the Commission to promote free internal policy deliberations and to pursue its official activities without undue disruption.

(b) All Commission records shall be available to the public unless they are specifically exempt under this part.

(c) To carry out this policy, the Commission shall designate a Freedom of Information Act Officer.

§ 4.3 Scope.

The regulations in this part implement the provisions of the Freedom of Information Act, 5 U.S.C. 552, with respect to the availability of records for inspection and copying.

[44 FR 33368, June 8, 1979, as amended at 45 FR 31291, May 13, 1980]

§ 4.4 Availability of records.

(a) In accordance with 5 U.S.C. 552(a)(2), the Commission shall make the following materials available for public inspection and copying:

(1) Statements of policy and interpretation which have been adopted by the Commission;

(2) Administrative staff manuals and instructions to staff that affect a member of the public;

(3) Opinions of Commissioners rendered in enforcement cases, General Counsel's Reports and non-exempt 2 U.S.C. 437g investigatory materials shall be placed on the public record of the Agency no later than 30 days from the date on which all respondents are notified that the Commission has voted to close such an enforcement file;

(4) Copies of all records, regardless of form or format, which have been released to any person under this paragraph (a) and which, because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records; and

(5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) In accordance with 5 U.S.C. 552(a)(3), the Commission shall make available, upon proper request, all non-exempt Agency records, or portions of records, not previously made public pursuant to 5 U.S.C. 552(a)(1) and (a)(2).

(c) The Commission shall maintain and make available current indexes and supplements providing identifying information regarding any matter issued, adopted or promulgated after April 15, 1975 as required by 5 U.S.C. 552(a)(2)(C) and (E). These indexes and supplements shall be published and made available on at least a quarterly basis for public distribution unless the Commission determines by Notice in the FEDERAL REGISTER that publication would be unnecessary, impracticable, or not feasible due to budgetary considerations. Nevertheless, copies of any index or supplement shall be made available upon request at a cost not to exceed the direct cost of duplication.

(d) The Freedom of Information Act and the provisions of this part apply only to existing records; they do not require the creation of new records.

(e) If documents or files contain both disclosable and nondisclosable information, the nondisclosable information will be deleted and the disclosable information released unless the disclosable portions cannot be reasonably segregated from the other portions in a manner which will allow meaningful information to be disclosed.

(f) All records created in the process of implementing provisions of 5 U.S.C. 552 will be maintained by the Commission in accordance with the authority granted by General Records Schedule 14, approved by the National Archives and Records Service of the General Services Administration.

(g) The Commission encourages the public to explore the information available on the Commission's World Wide Web site, located at <http://www.fec.gov>. The site includes a Commission publication, *Availability of FEC Information*, which provides a detailed listing of the types of documents available from the FEC, including those

§ 4.5

available under FOIA, and directions on how to locate and obtain them.

[44 FR 33368, June 8, 1979, as amended at 45 FR 31291, May 13, 1980; 65 FR 9206, Feb. 24, 2000]

§ 4.5 Categories of exemptions.

(a) No requests under 5 U.S.C. 552 shall be denied release unless the record contains, or its disclosure would reveal, matters that are:

(1) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Commission;

(3) Specifically exempted from disclosure by statute, provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person which are privileged or confidential. Such information includes confidential business information which concerns or relates to the trade secrets, processes, operations, style of work, or apparatus, or to the production, sales, shipments, purchases, transfers, identification of customers, inventories, or amount of source of income, profits, losses, or expenditures of any person, firm, partnership, corporation, or other organization, if the disclosure is likely to have the effect of either impairing the Commission's ability to obtain such information as is necessary to perform its statutory functions, or causing substantial harm to the competitive position of the person, firm, partnership, corporation, or other organization from which the information was obtained, unless the Commission is required by law to disclose such information. These procedures shall be used for submitting business information in confidence:

(i) A request for confidential treatment shall be addressed to the Chief FOIA Officer, Federal Election Commission, 999 E Street, NW., Wash-

11 CFR Ch. I (1-1-11 Edition)

ington, DC 20463, and shall indicate clearly on the envelope that it is a request for confidential treatment.

(ii) With each submission of, or offer to submit, business information which a submitter desires to be treated as confidential under paragraph (a)(4) of this section, the submitter shall provide the following, which may be disclosed to the public: (A) A written description of the nature of the subject information, and a justification for the request for its confidential treatment, and (B) a certification in writing under oath that substantially identical information is not available to the public.

(iii) Approval or denial of requests shall be made only by the Chief FOIA Officer or his or her designees. A denial shall be in writing, shall specify the reason therefore, and shall advise the submitter of the right to appeal to the Commission.

(iv) For good cause shown, the Commission may grant an appeal from a denial by the Chief FOIA Officer or his or her designee if the appeal is filed within fifteen (15) days after receipt of the denial. An appeal shall be addressed to the Chief FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and shall clearly indicate that it is a confidential submission appeal. An appeal will be decided within twenty (20) days after its receipt (excluding Saturdays, Sundays and legal holidays) unless an extension, stated in writing with the reasons therefore, has been provided the person making the appeal.

(v) Any business information submitted in confidence and determined to be entitled to confidential treatment shall be maintained in confidence by the Commission and not disclosed except as required by law. In the event that any business information submitted to the Commission is not entitled to confidential treatment, the submitter will be permitted to withdraw the tender unless it is the subject of a request under the Freedom of Information Act or of judicial discovery proceedings.

(vi) Since enforcement actions under 2 U.S.C. 437g are confidential by statute, the procedures outlined in § 4.5(a)(4) (i) thru (v) are not applicable.

Federal Election Commission

§ 4.7

(5) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party in litigation with the Commission.

(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Whenever a request is made which involves access to records described in 11 CFR 4.5(a)(7); and

(1) The investigation or proceeding involves a possible violation of criminal law; and

(2) There is reason to believe that—

(i) The subject of the investigation or proceeding is not aware of its pendency; and

(ii) Disclosure of the existence of the records could reasonably be expected to

interfere with enforcement proceedings;

The agency may, during only such time as that circumstance continues, treat the records as not subject to the requirements of the Freedom of Information Act.

(c) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt. The amount of information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by an exemption in paragraph (a) of this section under which the deletion is made. If technically feasible, the amount of the information deleted shall be indicated at the place in the record where such deletion is made.

(d) If a requested record is one of another government agency or deals with subject matter to which a government agency other than the Commission has exclusive or primary responsibility, the request for such a record shall be promptly referred by the Commission to that agency for disposition or guidance as to disposition.

(e) Nothing in this part authorizes withholding of information or limiting the availability of records to the public, except as specifically provided in this part; nor is this part authority to withhold information from Congress.

[44 FR 33368, June 8, 1979, as amended at 50 FR 50778, Dec. 12, 1985; 52 FR 23638, June 24, 1987; 52 FR 39212, Oct. 21, 1987; 65 FR 9206, Feb. 24, 2000; 75 FR 31, Jan. 4, 2010]

§ 4.6 Discretionary release of exempt records.

The Commission may, in its discretion, release requested records despite the applicability of the exemptions in § 4.5(a), if it determines that it is in the public interest and that the rights of third parties would not be prejudiced.

§ 4.7 Requests for records.

(a) [Reserved]

(b)(1) Requests for copies of records pursuant to the Freedom of Information Act shall be addressed to Chief

§4.7

11 CFR Ch. I (1–1–11 Edition)

FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463. The request shall reasonably describe the records sought with sufficient specificity with respect to names, dates, and subject matter, to permit the records to be located. A requester will be promptly advised if the records cannot be located on the basis of the description given and that further identifying information must be provided before the request can be satisfied.

(2) Requests for Commission records and copies thereof shall specify the preferred form or format (including electronic formats) of the response. The Commission shall accommodate requesters as to form or format if the record is readily available in that form or format. When requesters do not specify the form or format of the response, the Commission shall respond in the form or format in which the document is most accessible to the Commission.

(c) The Commission shall determine within twenty working days after receipt of a request, or twenty working days after an appeal is granted, whether to comply with such request, unless in unusual circumstances the time is extended or subject to §4.9(f)(3), which governs advance payments. In the event the time is extended, the requestor shall be notified of the reasons for the extension and the date on which a determination is expected to be made, but in no case shall the extended time exceed ten working days. An extension may be made if it is—

(1) Necessary to locate records or transfer them from physically separate facilities; or

(2) Necessary to search for, collect, and appropriately examine a large quantity of separate and distinct records which are the subject of a single request; or

(3) Necessary for consultation with another agency which has a substantial interest in the determination of the request, or with two or more components of the Commission which have a substantial subject matter interest therein.

(d) If the Commission determines that an extension of time greater than ten working days is necessary to re-

spond to a request satisfying the “unusual circumstances” specified in paragraph (c) of this section, the Commission shall so notify the requester and give the requester an opportunity to limit the scope of the request so that it may be processed within the time limit prescribed in paragraph (c) of this section, or arrange with the Commission an alternative time frame for processing the request or a modified request.

(e) The Commission may aggregate and process as a single request requests by the same requester, or a group of requesters acting in concert, if the Commission reasonably believes that the requests actually constitute a single request that would otherwise satisfy the unusual circumstances specified in paragraph (c) of this section, and the requests involve clearly related matters.

(f) The Commission uses a multi-track system to process requests under the Freedom of Information Act that is based on the amount of work and/or time involved in processing requests. Requests for records are processed in the order they are received within each track. Upon receipt of a request for records, the Commission shall determine which track is appropriate for the request. The Commission may contact requesters whose requests do not appear to qualify for the fastest tracks and provide such requesters the opportunity to limit their requests so as to qualify for a faster track. Requesters who believe that their requests qualify for the fastest tracks and who wish to be notified if the Commission disagrees may so indicate in the request and, where appropriate and feasible, shall also be given an opportunity to limit their requests.

(g) The Commission shall consider requests for the expedited processing of requests in cases where the requester demonstrates a compelling need for such processing.

(1) The term compelling need means:

(i) That a failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

Federal Election Commission

§ 4.9

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal government activity.

(2) Requesters for expedited processing must include in their requests a statement setting forth the basis for the claim that a “compelling need” exists for the requested information, certified by the requester to be true and correct to the best of his or her knowledge and belief.

(3) The Commission shall determine whether to grant a request for expedited processing and notify the requester of such determination within ten days of receipt of the request. Denials of requests for expedited processing may be appealed as set forth in § 4.8. The Commission shall expeditiously determine any such appeal. As soon as practicable, the Commission shall process the documents responsive to a request for which expedited processing is granted.

(h) Any person denied access to records by the Commission shall be notified immediately giving reasons therefore, and notified of the right of such person to appeal such adverse determination to the Commission.

(i) The date of receipt of a request under this part shall be the date on which the FOIA Officer actually receives the request.

[44 FR 33368, June 8, 1979, as amended at 45 FR 31292, May 13, 1980; 50 FR 50778, Dec. 12, 1985; 52 FR 39213, Oct. 21, 1987; 65 FR 9206, Feb. 24, 2000; 75 FR 31, Jan. 4, 2010]

§ 4.8 Appeal of denial.

(a) Any person who has been notified pursuant to § 4.6(d) of this part that his/her request for inspection of a record or for a copy has been denied, or who has received no response within ten working days (or within such extended period as is permitted under § 4.7(c) of this part) after the request has been received by the Commission, may appeal the adverse determination or the failure to respond by requesting the Commission to direct that the record be made available.

(b) The appeal request shall be in writing, shall clearly and prominently state on the envelope or other cover and at the top of the first page “FOIA

Appeal”, and shall identify the record in the form in which it was originally requested.

(c) The appeal request should be delivered or addressed to the Chief FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(d) The requestor may state facts and cite legal or other authorities as he/she deems appropriate in support of the appeal request.

(e) For good cause shown, the Commission may disclose a record which is subject to one of the exemptions listed in § 4.5 of this part.

(f) The Commission will make a determination with respect to any appeal within twenty days (excluding Saturdays, Sundays and legal holidays) after receipt of the appeal (or within such extended period as is permitted under § 4.7(c) of this part). If on appeal, the denial of the request for a record or a copy is in whole or in part upheld, the Commission shall advise the requestor of the denial and shall notify him/her of the provisions for judicial review of that determination as set forth in 5 U.S.C. 552(a)(4).

(g) Because of the risk of misunderstanding inherent in oral communications, the Commission will not entertain any appeal from an alleged denial or failure to comply with an oral request. Any person who has orally requested a copy of a record that he/she believes to have been improperly denied should resubmit the request in writing as set forth in § 4.7.

[44 FR 33368, June 8, 1979, as amended at 50 FR 50778, Dec. 12, 1985; 75 FR 31, Jan. 4, 2010]

§ 4.9 Fees.

(a) *Exceptions to fee charges*—(1) *General*. Except for a commercial use requester, the Commission will not charge a fee to any requester for the first two hours of search time and the first 100 pages of duplication in response to any FOIA request.

(2) *Free computer search time*. For purposes of this paragraph, the term *search time* is based on the concept of a manual search. To apply this to a search conducted by a computer, the Commission will provide the equivalent dollar value of two hours of professional staff time, calculated according

§4.9

11 CFR Ch. I (1-1-11 Edition)

to paragraph (c)(4) of this section, in computer search time. Computer search time is determined by adding the cost of the computer connect time actually used for the search, calculated at the rate of \$25.00 per hour, to the cost of the operator's salary for the time spent conducting the computer search, calculated at the professional staff time rate set forth at paragraph (c)(4) of this section.

(3) *Definition of pages.* For purposes of this paragraph, the word *pages* refers to paper copies of a standard agency size which will normally be 8½" × 11" or 8½" × 14". Thus, while a requester would not be entitled to 100 free computer disks, for example, a requester would be entitled to 100 free pages of a computer printout.

(4) *Minimum charge.* The Commission will not charge a fee to any requester when the allowable direct cost of that FOIA request is equal to or less than the Commission's cost of routinely collecting and processing a FOIA request fee.

(b) *Fee reduction or waiver*—(1) The Commission will consider requests for the reduction or waiver of any fees assessed pursuant to paragraph (c)(1) of this section if it determines, either as a result of its own motion or in response to a written submission by the requester, that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and that disclosure of the information is not primarily in the commercial interest of the requester.

(2) A request for a reduction or waiver of fees shall be made in writing by the FOIA requester; shall accompany the relevant FOIA request so as to be considered timely; and shall include a specific explanation as to why the fee for that FOIA request should be reduced or waived, applying the standard stated in paragraph (b)(1) of this section to the facts of that particular request. In addition, the explanation shall include: the requester's (and user's, if the requester and the user are different persons or entities) identity, qualifications and expertise in the subject area, and ability and intention to disseminate the information to the

public; and a discussion of any commercial or personal benefit that the requestor (and user, if the requestor and user are different persons or entities) expects as a result of disclosure, including whether the information disclosed would be resold in any form at a fee above actual cost.

(c) *Fees to be charged.* (1) The FOIA services provided by the Commission in response to a FOIA request for which the requestor will be charged will depend upon the category of the requestor. The categories of FOIA requestors are as follows:

(i) *Commercial use requestors.* A requestor of documents for commercial use will be assessed reasonable standard charges for the full allowable direct costs of searching for, reviewing for release and duplicating the records sought, according to the Commission's schedule of fees for those services as set forth at paragraph (c)(4) of this section. A commercial use requestor is not entitled to two hours of free search time nor 100 free pages of duplication of documents.

(ii) *Educational and non-commercial scientific institution requestors.* The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, requestors must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(iii) *Requestors who are representatives of the news media.* The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at paragraph

Federal Election Commission

§ 4.9

(c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, the requestor must meet the criteria listed at 11 CFR 4.1(n) and his or her request must not be made for a commercial use. A request for records supporting the news dissemination function of the requestor shall not be considered to be a request that is for a commercial use.

(iv) *All other requestors.* The Commission will charge requestors who do not fit into any of the categories listed in paragraph (c)(1)(i), (ii) or (iii) of this section the full direct costs of searching for and duplicating records in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first two hours of search time and the first 100 pages of duplication. Requests from persons for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974, which permit fees only for duplication.

(2) The Commission may assess fees for the full allowable direct costs of searching for documents in response to a request even if the Commission fails to locate any documents which are responsive to that request and, in the case of commercial use requestors, of reviewing documents located in response to a request which the Commission determines are exempt from disclosure.

(3) If the Commission estimates that search or duplication charges are likely to exceed \$25.00, it will notify the requestor of the estimated amount of the fee unless the requestor has indicated in advance a willingness to pay a fee as high as that estimated by the Commission. Through this notification, the Commission will offer the requestor the opportunity to confer with Commission staff to reformulate the original request in order to meet the requestor's needs at a lower cost.

(4) The following is the schedule of the Commission's standard fees. The cost of staff time will be added to all of the following fees, generally at the *Professional* rate listed below, except for the cost of *Photocopying from*

photocopying machines which has been calculated to include staff time.

PHOTOCOPYING

Photocopying from photocopying machines—
\$.07 per page
Photocopying from microfilm reader-printer—\$.15 per page
Paper copies from microfilm-paper print machine—\$.05 per frame page

REELS OF MICROFILM

Daily film (partial or complete roll)—\$2.85 per roll
Other film (partial or complete roll)—\$5.00 per roll

PUBLICATIONS: (NEW OR NOT FROM AVAILABLE STOCKS)

Cost of photocopying document—\$.07 per page
Cost of binding document—\$.30 per inch

PUBLICATIONS: (AVAILABLE STOCK)

If available from stock on hand, cost is based on previously calculated cost as stated in the publication (based on actual cost per copy, including reproduction and binding). Commission publications for which fees will be charged include, but are not limited to, the following: Advisory Opinion Index, Report on Financial Activity, Financial Control and Compliance Manual, MUR Index, and Guideline for Presentation in Good Order.

COMPUTER TAPES

Cost to process the request at the rate of \$25.00 per hour connect time plus the cost of the computer tape (\$25.00) and professional staff time (see Staff Time).

COMPUTER INDEXES (INCLUDING NAME SEARCHES)

Cost to process the request at the rate of \$25.00 per hour connect time plus the cost of professional staff time (see Staff Time).

STAFF TIME

Clerical: \$4.50 per each half hour (agency average of staff below a GS-11) for each request.
Professional: \$12.40 per each half hour (agency average of staff at GS-11 and above) for each request.

OTHER CHARGES

Certification of a Document: \$7.35 per quarter hour.
Transcripts of Commission meetings not previously transcribed: \$7.50 per half hour (equivalent of a GS-11 executive secretary).
The Commission will not charge a fee for ordinary packaging and mailing of records

requested. When a request for special mailing or delivery services is received the Commission will package the records requested. The requestor will make all arrangements for pick-up and delivery of the requested materials. The requestor shall pay all costs associated with special mailing or delivery services directly to the courier or mail service.

(5) Upon receipt of any request for the production of computer tape or microfilm, the Commission will advise the requestor of the identity of the private contractor who will perform the duplication services. If fees are charged for the production of computer tape or microfilm, they shall be made payable to that private contractor and shall be forwarded to the Commission.

(d) *Interest charges.* FOIA requestors should pay fees within 30 days following the day on which the invoice for that request was sent to the requestor. If the invoice is unpaid on the 31st day following the day on which the invoice was sent, the Commission will begin assessing interest charges, which will accrue from the date the invoice was mailed. Interest will be charged at a rate that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point, pursuant to 31 U.S.C. 3717. The accrual of interest will be stayed by the Commission's receipt of the fee, even if the fee has not yet been processed.

(e) *Aggregating requests.* A requestor may not file multiple requests, each seeking portions of a document or documents, in order to avoid payment of fees. When the Commission reasonably believes that a FOIA requestor or group of requestors acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Commission will aggregate any such requests and charge the appropriate fees. In making this determination, the Commission will consider the time period in which the requests have occurred, the relationship of the requestors, and the subject matter of the requests.

(f) *Advance payments.* The Commission will require a requestor to make an advance payment, *i.e.*, a payment

before work is commenced or continued on a request, when:

(1) The Commission estimates or determines that allowable charges that a requestor may be required to pay are likely to exceed \$250. In such a case, the Commission will notify the requestor of the likely cost and, where the requestor has a history of prompt payment of FOIA fees, obtain satisfactory assurance of full payment, or in the case of a requestor with no FOIA fee payment history, the Commission will require an advance payment of an amount up to the full estimated charges; or

(2) A requestor has previously failed to pay a fee in a timely fashion (*i.e.*, within 30 days of the date of the billing). In such a case, the Commission may require that the requestor pay the full amount owed plus any applicable interest or demonstrate that the fee has been paid and make an advance payment of the full amount of the estimated fee before the Commission begins to process a new request or a pending request from that requestor.

(3) If the provisions of paragraph (f) (1) or (2) of this section apply, the administrative time limits prescribed in 11 CFR 4.7(c) will begin only after the Commission has received the payments or the requestor has made acceptable arrangements to make the payments required by paragraph (f) (1) or (2) of this section.

This evaluation will include a determina-

tion of whether the Commission's policies and practices, and the effects thereof, meet the requirements of this part and whether modification of any such policies or practices is required to comply with section 504. If modification of any policy or practice is found to be required as a result of this evaluation, the Commission will proceed to make the necessary modifications.

(b) For at least three years following completion of the evaluation required under paragraph (a), the Commission will maintain on file and make available for public inspection:

or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iv) Provide different or separate aids, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aids, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program, except that this paragraph does not apply to candidates or conventions receiving public financing under title 26, United States Code;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(3) The Commission may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap;

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons; or

(iii) Perpetuate the discrimination of another agency.

(4) The Commission may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Commission; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The Commission, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The Commission may not administer a certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the Commission establish requirements for the programs or activities of certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are certified by the Commission are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive Order to a different class of handicapped persons is not prohibited by this part.

(d) The Commission will administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 6.131–6.139 [Reserved]

§ 6.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Commission. §§ 6.141–6.148 [Reserved]

§ 6.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in 11 CFR 6.150 and 11 CFR 6.151, no qualified handicapped person shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Commission because its facilities are inaccessible to or unusable by handicapped persons.

§ 6.150 Program accessibility; Existing facilities.

(a) *General.* The Commission will operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the Commission to make each of its existing facilities accessible to and usable by handicapped persons;

(2) Require the Commission to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. The Commission has the burden of proving that compliance with 11 CFR 6.150(a) would result in such alterations or burdens. The decision that compliance would result in such alteration or burdens must be made by the Commission after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Commission will take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods.* The Commission may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of

aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The Commission is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Commission, in making alterations to existing buildings, will meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157) and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Commission will give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) *Time period for compliance.* The Commission will comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes will be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Commission will develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan will be developed with the assistance of interested persons, including handicapped persons and organizations representing handicapped persons. A copy of the transition plan will be made available for public inspection. The plan will, at a minimum—

(1) Identify physical obstacles in the Commission's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

§6.151

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§6.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Commission shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act, 42 U.S.C. 4151-4157, as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 6.152-6.159 [Reserved]

§6.160 Communications.

(a) The Commission will take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The Commission will furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Commission.

(i) In determination what type of auxiliary aid is necessary, the Commission will give primary consideration to the requests of the handicapped person.

(ii) The Commission need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the Commission communicates with applicants and beneficiaries by telephone, telecommunications devices for deaf persons (TDD's), or equally effective telecommunication systems will be used.

(b) The Commission will ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence

11 CFR Ch. I (1-1-11 Edition)

and location of accessible services, activities, and facilities.

(c) The Commission will provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) The Commission will take appropriate steps to provide handicapped persons with information regarding their section 504 rights under the Commission's programs of activities.

(e) This section does not require the Commission to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. The Commission has the burden of proving that compliance with this section would result in such alterations or burdens. The decision that compliance would result in such alteration or burdens must be made by the Commission after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Commission will take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 6.161-6.169 [Reserved]

§6.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the Commission.

(b) The Commission will process complaints alleging violations of section 504 with respect to employment according to the procedures established in 29 CFR part 1613 pursuant to section 501

of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Rehabilitation Act Officer.

(d)(1)(i) Any person who believes that he or she or any specific class of persons of which he or she is a member has been subjected to discrimination prohibited by this part may file a complaint with the Rehabilitation Act Officer.

(ii) Any person who believes that a denial of his or her services will result or has resulted in discrimination prohibited by this part may file a complaint with the Rehabilitation Act Officer.

(2) All complete complaints must be filed within 180 days of the alleged act of discrimination. The Commission may extend this time period for good cause.

(3) Complaints filed under this part shall be addressed to the Rehabilitation Act Officer, 999 E Street, NW., Washington, DC 20463.

(e) The Commission will notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), are not readily accessible and usable to handicapped persons.

(f)(1) The Commission will accept and investigate a complete complaint that is filed in accordance with paragraph (d) of this section and over which it has jurisdiction. The Rehabilitation Act Officer will notify the complainant and the respondent of receipt and acceptance of the complaint.

(2) If the Rehabilitation Act Officer receives a complaint that is not complete (See 11 CFR 6.101(c)), he or she will notify the complainant within 30 days of receipt of the incomplete complaint, that additional information is needed. If the complainant fails to complete the complaint within 30 days of receipt of this notice, the Rehabilitation Act Officer will dismiss the complaint without prejudice.

(3) If the Rehabilitation Act Officer receives a complaint over which the Commission does not have jurisdiction, the Commission will promptly notify the complainant and will make reasonable efforts to refer the complaint to the appropriate governmental entity.

(g) Within 180 days of receipt of a complete complaint for which it has jurisdiction, the Commission will notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description or a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Commission of the letter required by §6.170(g). The Commission may extend this time for good cause.

(i) Timely appeals to the Commission shall be addressed to the Rehabilitation Act Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(j) The Commission will notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the Commission determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The Commission may extend the time limits in paragraphs (g) and (j) of this section for good cause.

(l) The Commission may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

Subpart A—General Provisions

§ 7.1 Purpose and applicability.

(a) The Federal Election Commission is committed to honest, independent and impartial monitoring and enforcement of federal election law. To ensure public trust in the fairness and integrity of the federal elections process, all employees must observe the highest standards of conduct. This part pre-

11 CFR Ch. I (1–1–11 Edition)

scribes standards of ethical conduct for Commissioners, employees and special Government employees of the Federal Election Commission relating to conflicts of interest arising out of outside employment, private business and professional activities, political activities, and financial interests. The avoidance of misconduct and conflicts of interest on the part of Commission employees through informed judgment is indispensable to the maintenance of these prescribed ethical standards. Attainment of these goals necessitates strict and absolute fairness and impartiality in the administration of the law.

(b) This part applies to all persons included within the terms *employee* and *special Commission employees* of the Commission as defined in 11 CFR 7.2, except to the extent otherwise indicated herein, and is consistent with Executive Order 11222 and part 735 of title 5, Code of Federal Regulations, relating to employee responsibilities and conduct.

(c) These Standards of Conduct shall be construed in accordance with any applicable laws, regulations and agreements between the Federal Election Commission and a labor organization.

(h) *Outside employment or other outside activity* means any work, service or other activity performed by an employee, but not a Commissioner, other than in the performance of the employee's official duties. It includes such activities as writing and editing, publishing, teaching, lecturing, consulting, self-employment, and other services or work performed, with or without compensation.

(i) *Person* means an individual, corporation, company, association, firm, partnership, society, joint stock company, political committee, or other group, organization, or institution.

(j) *Special Commission employee* means an individual who is retained, designated, appointed or employed by the Federal Election Commission to perform, with or without compensation, temporary duties either on a full-time or intermittent basis, for not to exceed 130 days during any period of 365 consecutive days, as defined at 18 U.S.C. 202.

§ 7.3 Notification to employees and special Commission employees.

(a) The provisions of this part shall be brought to the attention of, and made available to, each employee and special Commission employee by furnishing a copy at the time of final publication. The provisions of this part shall further be brought to the attention of such employees at least annually thereafter.

(b) The provisions of this part shall be brought to the attention of each new employee and new special Commission employee by furnishing a copy at the time of entrance of duty, and by such other methods of information and education as the Ethics Officer may prescribe.

§ 7.4 Interpretation and advisory service.

A Commissioner or employee seeking advice and guidance on questions of conflict of interest and on other matters covered by this part should consult with the Commission's General Counsel, who serves as Ethics Officer. The Ethics Officer should be consulted prior to the undertaking of any action which might violate this part governing the conduct of Commissioners or employees.

§ 7.5 Reporting suspected violations.

(a) Personnel who have information which causes them to believe that there has been a violation of a statute or policy set forth in this part should promptly report such incident to the Ethics Officer. If a report is made orally, the Ethics Officer shall require a written report from the complainant before proceeding further.

(b) When information available to the Commission indicates a conflict between the interests of an employee or special Commission employee and the performance of his or her Commission duties, the employee or special Commission employee shall be provided an opportunity to explain the conflict or appearance of conflict in writing.

§ 7.6 Disciplinary and other remedial action.

(a) A violation of this part by an employee or special Commission employee may be cause for appropriate disciplinary action which may be in addition to any penalty prescribed by law.

(b) When the Ethics Officer determines that an employee may have or appears to have a conflict of interest, the Ethics Officer, the employee's supervisor, the employee's division head, and the Staff Director or General Counsel may question the employee in the matter and gather other information. The Ethics Officer, the employee's supervisor, the employee's division head, and the Staff Director or General Counsel shall discuss with the employee possible ways of eliminating the conflict or appearance of conflict. If the Ethics Officer, after consultation with the employee's supervisor, the employee's division head, and the Staff Director or General Counsel, concludes

§7.7

11 CFR Ch. I (1–1–11 Edition)

that remedial action should be taken, he or she shall refer a statement to the Commission containing his or her recommendation for such action. The Commission, after consideration of the employee's explanation and the results of any investigation, may direct appropriate remedial action as it deems necessary.

(c) Remedial action pursuant to paragraph (b) of this section may include, but is not limited to:

- (1) Changes in assigned duties;
- (2) Divestment by the employee of his or her conflicting interest;
- (3) Disqualification for a particular action; or
- (4) Disciplinary action.

Subpart B—Conduct and Responsibilities of Employees or Commissioners

§7.7 Prohibited conduct—General.

A Commissioner or employee shall avoid any action whether or not specifically prohibited by this subpart which might result in, or create the appearance of:

- (a) Using public office for unlawful private gain;
- (b) Giving favorable or unfavorable treatment to any person or organization due to any partisan, political, or other consideration;
- (c) Impeding Government efficiency or economy;
- (d) Losing independence or impartiality;
- (e) Making a Government decision outside official channels; or
- (f) Affecting adversely the confidence of the public in the integrity of the Government.

§7.8 Gifts, entertainment, and favors.

(a) A Commissioner or employee of the Federal Election Commission shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value, from a person who:

- (1) Has, or is seeking to obtain, contractual or other business or financial relations with the Commission;
- (2) Conducts operations or activities that are regulated or examined by the Commission; or

(3) Has interests that may be substantially affected by the performance or nonperformance of the Commissioner or employee's official duty.

(b) Paragraph (a) of this section shall not apply:

(1) Where obvious family or personal relationships govern when the circumstances make it clear that it is those relationships rather than the business of the persons concerned which are the motivating factors;

(2) To the acceptance of food, refreshments, and accompanying entertainment of nominal value in the ordinary course of a social occasion or a luncheon or dinner meeting or other function where a Commissioner or an employee is properly in attendance;

(3) To the acceptance of unsolicited advertising or promotional material or other items of nominal intrinsic value such as pens, pencils, note pads, calendars; and

(4) To the acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities, such as home mortgage loans.

(c) A Commissioner or an employee shall not solicit a contribution from another employee for a gift to an official superior, make a donation as a gift to an official superior, or accept a gift from an employee receiving less pay than himself or herself. However, this paragraph does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as birthday, holiday, marriage, illness, or retirement.

(d) A Commissioner or employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and in section 7342 of title 5, United States Code.

(e) Neither this section nor 11 CFR 7.7 precludes a Commissioner or employee from receipt of a bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence as is compatible with this part for which no Government payment or reimbursement is made. However, this section does not allow an employee or Commissioner to be reimbursed, or payment to be made

Federal Election Commission

§ 7.9

on his or her behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits, nor does it allow an employee to be reimbursed by a person for travel on official business under agency orders when reimbursement is proscribed by Decision B-128527 of the Comptroller General dated March 7, 1967 (46 Comp. Gen. 689).

§ 7.9 Outside employment or activities.

(a) A member of the Commission shall not devote a substantial portion of his or her time to any other business, vocation, or employment. Any individual who is engaging substantially in any other business, vocation, or employment at the time such individual begins to serve as a member of the Commission shall appropriately limit such activity no later than 90 days after beginning to serve as such a member.

(b) An employee shall not engage in outside employment that is not compatible with the full discharge of his or her Government employment and not in compliance with any labor-management agreement between the Federal Election Commission and a labor organization. Incompatible outside employment or other activities include but are not limited to:

(1) Outside employment or other activities which would involve the violation of a Federal or State statute, local ordinance, Executive Order, or regulation to which the employee is subject;

(2) Outside employment or other activities which would give rise to a real or apparent conflict of interest situation even though no violation of a specific statutory provision was involved;

(3) Acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances where acceptance may result in, or create the appearance of, a conflict of interest;

(4) Outside employment or other activities that might bring discredit upon the Government or Commission;

(5) Outside employment or other activities that establish relationships or property interests that may result in a conflict between the employee's private interests and official duties;

(6) Outside employment or other activities which would involve any con-

tractor or subcontractor connected with any work performed for the Commission or would involve any person or organization in a position to gain advantage in its dealings with the Government through the employee's exercise of his or her official duties;

(7) Outside employment of other activities that may be construed by the public to be the official acts of the Federal Election Commission. In any permissible outside employment, care shall be taken to ensure that names and titles of employees are not used to give the impression that the activity is officially endorsed or approved by the Commission or is part of the Commission's activities;

(8) Outside employment or other activities which would involve use by an employee of his or her official duty time; use of official facilities, including office space, machines, or supplies, at any time; or use of the services of other employees during their official duty hours;

(9) Outside employment or other activities which tend to impair the employee's mental or physical capacities to perform Commission duties and responsibilities in an acceptable manner; or

(10) Use of information obtained as a result of Government employment which is not freely available to the general public or would not be made available upon request. However, written authorization for the use of any such information may be given when the Commission determines that such use would be in the public interest.

(c) An employee shall not receive any salary or anything of monetary value from a private source as compensation for his or her services to the Government in violation of 18 U.S.C. 209.

(d) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, Executive Order 11222, or this part. However, an employee shall not, either for or without compensation, engage in teaching or writing that is dependent on information obtained as a result of his or her Commission employment, except when that information has been made available to the general public or will be made available on request, or

§7.10

11 CFR Ch. I (1–1–11 Edition)

when the Commission gives written authorization for the use of nonpublic information on the basis that the use is in the public interest.

(e) This section does not preclude an individual from participation in the affairs of or acceptance of an award for meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, nonprofit educational, recreational, public service or civic organization.

(f) An employee of the Office of General Counsel who intends to engage in outside employment shall obtain the approval of the General Counsel/Ethics Officer. All other employees who intend to engage in outside employment shall obtain the approval of the Staff Director prior to review and approval by the Ethics Officer. The request shall include the name of the person, group, or organization for whom the work is to be performed, the nature of the services to be rendered, the proposed hours of work, or approximate dates of employment, and the employee's certification as to whether the outside employment (including teaching, writing or lecturing) will depend in any way on information obtained as a result of the employee's official Government position. The employee will receive notice of approval or disapproval of any written request in accordance with any labor-management agreement between the Commission and a labor organization. A record of the approval shall be placed in each employee's official personnel folder.

§7.10 Financial interests.

(a)(1) A Commissioner or employee shall not engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through his or her Commission employment.

(2) A Commissioner or employee shall not have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially, with his or her Commission duties and responsibilities, except in cases where the Commissioner or employee makes full disclosure, and the Commissioner or employee disqualifies himself or herself from participating in any decisions, approval, disapproval, rec-

ommendation, the rendering of advice, investigation, or otherwise in any proceeding of the Commission in which the financial interest is or appears to be affected. The filing of public financial disclosure reports will constitute full disclosure for all individuals who are required to file such reports pursuant to the Ethics in Government Act. Until such time as the extent, shape and form of confidential financial disclosure reports required of employees by the Ethics in Government Act has been determined, full disclosure by an employee will require that that employee submit a written statement to the Ethics Officer disclosing the particular financial interest which conflicts substantially, or appears to conflict substantially, with the employee's duties and responsibilities.

(3) A Commissioner or employee should disqualify himself or herself from a proceeding in which his or her impartiality might reasonably be questioned where the Commissioner or employee knows that he or she, or his or her spouse, has an interest in the subject matter in controversy or is a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding.

(b) This section does not preclude a Commissioner or employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government provided that the activity is not prohibited by law, Executive Order 11222, or Commission regulations.

§7.11 Political and organization activity.

(a) Due to the Federal Election Commission's role in the political process, the following restrictions on political activities are required in addition to those imposed by the Hatch Act (5 U.S.C. 7324 *et seq.*):

(1) No Commissioner or employee should publicly support a candidate, political party, or political committee subject to the jurisdiction of the Commission. No Commissioner or employee should work for a candidate, political party or political committee subject to the jurisdiction of the Commission. Commissioners and employees should

Federal Election Commission

§ 7.15

be aware that contributing to candidates, political parties, or political committees subject to the jurisdiction of the Commission is likely to result in a conflict of interest.

(2) No Commissioner or employee shall display partisan buttons, badges or other insignia on Commission premises.

(b) Special Government employees are subject to the restrictions contained in this section for the entire 24 hours of any day on which the employee is on active duty status.

(c) Employees on leave, leave without pay, or on furlough or terminal leave, even though the employees' resignations have been accepted, are subject to the restrictions of this section. A separated employee who has received a lump-sum payment for annual leave, however, is not subject to the restrictions during the period covered by the lump-sum payment or thereafter, provided he or she does not return to Federal employment during that period. An employee is not permitted to take a leave of absence to work with a political candidate, committee, or organization or become a candidate for office despite any understanding that he or she will resign his or her position if nominated or elected.

(d) An employee is accountable for political activity by another person acting as his or her agent or under the employee's direction or control if the employee is thus accomplishing what he or she may not lawfully do directly and openly.

§ 7.12 Membership in associations.

Commissioners or employees who are members of nongovernmental associations or organizations shall avoid activities on behalf of those associations or organizations that are incompatible with their official governmental positions.

§ 7.13 Use of Government property.

A Commissioner or employee shall not directly or indirectly use, or allow the use of, Government property of any kind, including property leased to the Government, for other than officially approved activities. Commissioners and employees have a positive duty to protect and conserve Government prop-

erty including equipment, supplies, and other property entrusted or issued to him or her.

§ 7.14 Prohibition against making complaints and investigations public.

(a) Commission employees are warned that they are subject to criminal penalties if they discuss or otherwise make public any matters pertaining to a complaint or investigation under 2 U.S.C. 437g, without the written permission of the person complained against or being investigated. Such communications are prohibited by 2 U.S.C. 437g(a)(12)(A).

(b) 2 U.S.C. 437g(a)(12)(B) provides as follows: "Any member or employee of the Commission or any other person, who violates the provisions of subparagraph (A) shall be fined not more than \$2,000. Any such member, employee, or other person who knowingly and willfully violates this subsection shall be fined not more than \$5,000."

§ 7.15 Ex parte communications.

In order to avoid the possibility of prejudice, real or apparent, to the public interest in enforcement actions pending before the Commission pursuant to 2 U.S.C. 437g(A) (1) or (2):

(a) Except to the extent required for the disposition of ex parte matters as required by law (as, for example, during the normal course of an investigation or a conciliation effort), no Commissioner or employee involved in the decisional process shall make or entertain any ex parte communications.

(b) The prohibition of this section shall apply from the time a complaint is filed with the Commission pursuant to 2 U.S.C. 437(a)(1) or from the time that the Commission determines on the basis of information ascertained in the normal course of its supervisory responsibilities that it has reason to believe that a violation has occurred or may occur pursuant to 2 U.S.C. 437g(a)(2), and shall remain in force until the Commission has concluded all action with respect to the enforcement matter in question.

(c) Any written communication prohibited by paragraph (a) of this section shall be delivered to the Ethics Officer of the Commission who shall place the communication in the file of the case.

§7.16

(d) A Commissioner or employee, other than the employee assigned to the case, involved in handling enforcement actions who receives an oral offer or any communication concerning any enforcement action pending before the Commission as described in paragraph (a) of this section shall decline to listen to such communication. If unsuccessful in preventing the communication, the Commissioner or employee shall advise the person making the communication that he or she will not consider the communication and shall prepare a statement setting forth the substance and circumstances of the communication within 48 hours of receipt of the communication and shall deliver the statement to the Ethics Officer for placing in the file in the manner set forth in paragraph (c) of this section.

§7.16 Miscellaneous statutory provisions.

Each employee shall acquaint himself or herself with each statute that relates to his or her ethical and other conduct as an employee of the Commission and of the Government. In particular, the attention of employees is directed to the following statutory provisions:

(a) Chapter 11 of title 18, United States Code, relating to bribery, graft, and conflicts of interest, as appropriate to the employees concerned.

(b) The prohibition of 18 U.S.C. 1913 against lobbying with appropriated funds.

(c) The prohibitions of 5 U.S.C. 7311 and 18 U.S.C. 1918 against disloyalty and striking.

§ 7.23 Initiation of investigation.

Such response must be received by the Commission within 20 days after the former employee's receipt of the Ethics Officer's report, unless an extension is authorized in writing by the Ethics Officer.

(c) *Representation by counsel.* The former employee may be represented by counsel during the investigation. Such counsel shall notify the Ethics Officer in writing that he or she is representing the former employee. There-

(a) *Commission review of report.* The Commission shall review the Ethics Officer's investigative report in Executive Session.

(C) Offering or arranging to transport, or actually transporting, potential voters to the polls; or

(D) Any other activity that assists potential voters to vote.

(ii) Activity is not get-out-the-vote activity solely because it includes a brief exhortation to vote, so long as the exhortation is incidental to a communication, activity, or event. Examples of brief exhortations incidental to a communication, activity, or event include:

(A) A mailer praises the public service record of mayoral candidate X and/or discusses his campaign platform. The mailer concludes by reminding recipients, “Vote for X on November 4th.”

(B) A phone call for a State party fundraiser gives listeners information about the event, solicits donations, and concludes by reminding listeners, “Don’t forget to vote on November 4th.”

(4) *Voter identification* means acquiring information about potential voters, including, but not limited to, obtaining voter lists and creating or enhancing voter lists by verifying or adding information about the voters’ likelihood of

voting in an upcoming election or their likelihood of voting for specific candidates. The date a voter list is acquired shall govern whether a State, district, or local party committee has obtained a voter list within the meaning of this section.

(b) As used in part 300 of this chapter, *Federal election activity* means any of the activities described in paragraphs (b)(1) through (b)(4) of this section.

(1) Voter registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election. For purposes of voter registration activity, the term “election” does not include any special election.

(2) The following activities conducted in connection with an election in which one or more candidates for Federal office appears on the ballot (regardless of whether one or more candidates for State or local office also appears on the ballot):

(i) Voter identification.

(ii) Generic campaign activity, as defined in 11 CFR 100.25.

(iii) Get-out-the-vote activity.

(3) A public communication that refers to a clearly identified candidate for Federal office, regardless of whether a candidate for State or local election is also mentioned or identified, and that promotes or supports, or attacks or opposes any candidate for Federal office. This paragraph applies whether or not the communication expressly advocates a vote for or against a Federal candidate.

(4) Services provided during any month by an employee of a State, district, or local committee of a political party who spends more than 25 percent of that individual’s compensated time during that month on activities in connection with a Federal election.

(c) *Exceptions. Federal election activity* does not include any amount expended or disbursed by a State, district, or local committee of a political party for any of the following activities:

(1) A public communication that refers solely to one or more clearly identified candidates for State or local office and that does not promote or support, or attack or oppose a clearly identified candidate for Federal office;

Federal Election Commission

§ 100.27

provided, however, that such a public communication shall be considered a Federal election activity if it constitutes voter registration activity, generic campaign activity, get-out-the-vote activity, or voter identification.

(2) A contribution to a candidate for State or local office, provided the contribution is not designated to pay for voter registration activity, voter identification, generic campaign activity, get-out-the-vote activity, a public communication, or employee services as set forth in paragraphs (a)(1) through (4) of this section.

(3) The costs of a State, district, or local political convention, meeting or conference.

(4) The costs of grassroots campaign materials, including buttons, bumper stickers, handbills, brochures, posters, and yard signs, that name or depict only candidates for State or local office.

(5) Voter identification activity that is conducted solely in connection with a non-Federal election held on a date on which no Federal election is held, and which is not used in a subsequent election in which a Federal candidate appears on the ballot.

(6) Get-out-the-vote activity that is conducted solely in connection with a non-Federal election held on a date on which no Federal election is held, provided that any communications made as part of such activity refer exclusively to:

(i) Non-Federal candidates participating in the non-Federal election, if the non-Federal candidates are not also Federal candidates;

(ii) Ballot referenda or initiatives scheduled for the date of the non-Federal election; or

(iii) The date, polling hours, and locations of the non-Federal election.

(7) *De minimis* costs associated with the following:

(i) On the Web site of a party committee or an association of State or local candidates, posting a hyperlink to a state or local election board's web page containing information on voting or registering to vote;

(ii) On the Web site of a party committee or an association of State or local candidates, enabling visitors to

download a voter registration form or absentee ballot application;

(iii) On the Web site of a party committee or an association of State or local candidates, posting information about voting dates and/or polling locations and hours of operation; or

(iv) Placing voter registration forms or absentee ballot applications obtained from the board of elections at the office of a party committee or an association of State or local candidates.

§ 100.29 Electioneering communication (2 U.S.C. 434(f)(3)).

(a) *Electioneering communication* means any broadcast, cable, or satellite communication that:

(1) Refers to a clearly identified candidate for Federal office;

(2) Is publicly distributed within 60 days before a general election for the office sought by the candidate; or within 30 days before a primary or preference election, or a convention or caucus of a political party that has authority to nominate a candidate, for the office sought by the candidate, and the candidate referenced is seeking the nomination of that political party; and

(3) Is targeted to the relevant electorate, in the case of a candidate for Senate or the House of Representatives.

(b) For purposes of this section—(1) *Broadcast, cable, or satellite communication* means a communication that is publicly distributed by a television station, radio station, cable television system, or satellite system.

(2) *Refers to a clearly identified candidate* means that the candidate's name, nickname, photograph, or drawing appears, or the identity of the candidate is otherwise apparent through an unambiguous reference such as “the President,” “your Congressman,” or “the incumbent,” or through an unambiguous reference to his or her status as a

11 CFR Ch. I (1–1–11 Edition)

candidate such as “the Democratic presidential nominee” or “the Republican candidate for Senate in the State of Georgia.”

(3)(i) *Publicly distributed* means aired, broadcast, cablecast or otherwise disseminated through the facilities of a television station, radio station, cable television system, or satellite system.

(ii) In the case of a candidate for nomination for President or Vice President, *publicly distributed* means the requirements of paragraph (b)(3)(i) of this section are met and the communication:

(A) Can be received by 50,000 or more persons in a State where a primary election, as defined in 11 CFR 9032.7, is being held within 30 days; or

(B) Can be received by 50,000 or more persons anywhere in the United States within the period between 30 days before the first day of the national nominating convention and the conclusion of the convention.

(6)(i) Information on the number of persons in a Congressional district or State that can receive a communication publicly distributed by a television station, radio station, a cable television system, or satellite system, shall be available on the Federal Communications Commission's Web site, <http://www.fcc.gov>. A link to that site is available on the Federal Election Commission's Web site, <http://www.fec.gov>. If the Federal Communications Commission's Web site indicates that a communication cannot be received by 50,000 or more persons in the specified Congressional district or State, then such information shall be a complete defense against any charge that such

Federal Election Commission

§ 100.29

communication constitutes an electioneering communication, so long as such information is posted on the Federal Communications Commission's Web site on or before the date the communication is publicly distributed.

(ii) If the Federal Communications Commission's Web site does not indicate whether a communication can be received by 50,000 or more persons in the specified Congressional district or State, it shall be a complete defense against any charge that a communication reached 50,000 or more persons when the maker of a communication:

(A) Reasonably relies on written documentation obtained from the broadcast station, radio station, cable system, or satellite system that states that the communication cannot be received by 50,000 or more persons in the specified Congressional district (for U.S. House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates);

(B) Does not publicly distribute the communication on a broadcast station, radio station, or cable system, located in any Metropolitan Area in the specified Congressional district (for U.S. House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates); or

(C) Reasonably believes that the communication cannot be received by 50,000 or more persons in the specified Congressional district (for U.S. House of Representatives candidates) or State (for U.S. Senate candidates or presidential primary candidates).

(7)(i) *Can be received by 50,000 or more persons* means—

(A) In the case of a communication transmitted by an FM radio broadcast station or network, where the Congressional district or State lies entirely within the station's or network's protected or primary service contour, that the population of the Congressional district or State is 50,000 or more; or

(B) In the case of a communication transmitted by an FM radio broadcast station or network, where a portion of the Congressional district or State lies outside of the protected or primary service contour, that the population of the part of the Congressional district or State lying within the station's or

network's protected or primary service contour is 50,000 or more; or

(C) In the case of a communication transmitted by an AM radio broadcast station or network, where the Congressional district or State lies entirely within the station's or network's most outward service area, that the population of the Congressional district or State is 50,000 or more; or

(D) In the case of a communication transmitted by an AM radio broadcast station or network, where a portion of the Congressional district or State lies outside of the station's or network's most outward service area, that the population of the part of the Congressional district or State lying within the station's or network's most outward service area is 50,000 or more; or

(E) In the case of a communication appearing on a television broadcast station or network, where the Congressional district or State lies entirely within the station's or network's Grade B broadcast contour, that the population of the Congressional district or State is 50,000 or more; or

(F) In the case of a communication appearing on a television broadcast station or network, where a portion of the Congressional district or State lies outside of the Grade B broadcast contour—

(1) That the population of the part of the Congressional district or State lying within the station's or network's Grade B broadcast contour is 50,000 or more; or

(2) That the population of the part of the Congressional district or State lying within the station's or network's broadcast contour, when combined with the viewership of that television station or network by cable and satellite subscribers within the Congressional district or State lying outside the broadcast contour, is 50,000 or more; or

(G) In the case of a communication appearing exclusively on a cable or satellite television system, but not on a broadcast station or network, that the viewership of the cable system or satellite system lying within a Congressional district or State is 50,000 or more; or

§§ 100.30–100.32

11 CFR Ch. I (1–11 Edition)

(H) In the case of a communication appearing on a cable television network, that the total cable and satellite viewership within a Congressional district or State is 50,000 or more.

(ii) Cable or satellite television viewership is determined by multiplying the number of subscribers within a Congressional district or State, or a part thereof, as appropriate, by the current national average household size, as determined by the Bureau of the Census.

(iii) A determination that a communication can be received by 50,000 or more persons based on the application of the formula at paragraph (b)(7)(i)(G) or (H) of this section shall create a rebuttable presumption that may be overcome by demonstrating that—

(A) One or more cable or satellite systems did not carry the network on which the communication was publicly distributed at the time the communication was publicly distributed; and

(B) Applying the formula to the remaining cable and satellite systems results in a determination that the cable network or systems upon which the communication was publicly distributed could not be received by 50,000 persons or more.

(c) The following communications are exempt from the definition of electioneering *communication*. Any communication that:

(1) Is publicly disseminated through a means of communication other than a broadcast, cable, or satellite television or radio station. For example, electioneering communication does not include communications appearing in print media, including a newspaper or magazine, handbill, brochure, bumper sticker, yard sign, poster, billboard, and other written materials, including mailings; communications over the Internet, including electronic mail; or telephone communications;

(2) Appears in a news story, commentary, or editorial distributed through the facilities of any broadcast, cable, or satellite television or radio station, unless such facilities are owned or controlled by any political party, political committee, or candidate. A news story distributed through a broadcast, cable, or satellite television or radio station owned or

controlled by any political party, political committee, or candidate is nevertheless exempt if the news story meets the requirements described in 11 CFR 100.132(a) and (b);

(3) Constitutes an expenditure or independent expenditure provided that the expenditure or independent expenditure is required to be reported under the Act or Commission regulations;

(4) Constitutes a candidate debate or forum conducted pursuant to 11 CFR 110.13, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum; or

(5) Is paid for by a candidate for State or local office in connection with an election to State or local office, provided that the communication does not promote, support, attack or oppose any Federal candidate. See 11 CFR 300.71 for communications paid for by a candidate for State or local office that promotes, supports, attacks or opposes a Federal candidate.

Subpart B—Definition of Contribution (2 U.S.C. 431(8))

SOURCE: 67 FR 50585, Aug. 5, 2002, unless otherwise noted.

§ 100.51 Scope.

(a) The term *contribution* includes the payments, services, or other things of value described in this subpart.

(b) For the purpose of this subpart, a contribution or payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual in accordance with 11 CFR 110.1(k).

§ 100.52 Gift, subscription, loan, advance or deposit of money.

(a) A gift, subscription, loan (except for a loan made in accordance with 11 CFR 100.72 and 100.73), advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office is a contribution.

(b) For purposes of this section, the term *loan* includes a guarantee, endorsement, and any other form of security.

(1) A loan that exceeds the contribution limitations of 2 U.S.C. 441a and 11

CFR part 110 shall be unlawful whether or not it is repaid.

(2) A loan is a contribution at the time it is made and is a contribution to the extent that it remains unpaid. The aggregate amount loaned to a candidate or committee by a contributor, when added to other contributions from that individual to that candidate or committee, shall not exceed the contribution limitations set forth at 11 CFR part 110. A loan, to the extent it is repaid, is no longer a contribution.

(3) Except as provided in paragraph (b)(4) of this section, a loan is a contribution by each endorser or guarantor. Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a loan by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(4) A candidate may obtain a loan on which his or her spouse's signature is required when jointly owned assets are used as collateral or security for the loan. The spouse shall not be considered a contributor to the candidate's campaign if the value of the candidate's share of the property used as collateral equals or exceeds the amount of the loan that is used for the candidate's campaign.

(5) If a political committee makes a loan to any person, such loan shall be subject to the limitations of 11 CFR part 110. Repayment of the principal amount of such loan to such political committee shall not be a contribution by the debtor to the lender committee. Such repayment shall be made with funds that are subject to the prohibitions of 11 CFR 110.20 and part 114. The payment of interest to such committee by the debtor shall be a contribution only to the extent that the interest

§ 100.53

paid exceeds a commercially reasonable rate prevailing at the time the loan is made. All payments of interest shall be made from funds subject to the prohibitions of 11 CFR 110.4(a) and part 114.

(c) For purposes of this section, the term *money* includes currency of the United States or of any foreign nation, checks, money orders, or any other negotiable instruments payable on demand.

(d)(1) For purposes of this section, the term *anything of value* includes all in-kind contributions. Unless specifically exempted under 11 CFR part 100, subpart C, the provision of any goods or services without charge or at a charge that is less than the usual and normal charge for such goods or services is a contribution. Examples of such goods or services include, but are not limited to: Securities, facilities, equipment, supplies, personnel, advertising services, membership lists, and mailing lists. If goods or services are provided at less than the usual and normal charge, the amount of the in-kind contribution is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the political committee.

(2) For purposes of paragraph (d)(1) of this section, *usual and normal charge for goods* means the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution; and usual and normal charge for any services, other than those provided by an unpaid volunteer, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

The payment by any person of compensation for the personal services of another person if those services are rendered without charge to a political committee for any purpose, except for legal and accounting services provided under 11 CFR 100.74 and 100.75, is a contribution. No compensation is considered paid to any employee under any of the following conditions:

(a) *Paid on an hourly or salaried basis.* If an employee is paid on an hourly or salaried basis and is expected to work a particular number of hours per period, no contribution results if the employee engages in political activity during what would otherwise be a regular work period, provided that the taken or released time is made up or completed by the employee within a reasonable time.

(b) *Paid on commission or piecework basis.* No contribution results where an employee engages in political activity during what would otherwise be normal working hours if the employee is paid on a commission or piecework basis, or is paid only for work actually performed and the employee's time is considered his or her own to use as he or she sees fit.

(c) *Vacation or earned leave time.* No contribution results where the time used by the employee to engage in political activity is bona fide, although compensable, vacation time or other earned leave time.

§ 100.55 Extension of credit.

The extension of credit by any person is a contribution unless the credit is extended in the ordinary course of the person's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation. If a creditor fails to make a commercially reasonable attempt to collect the debt, a contribution will result. (See 11 CFR 116.3 and 116.4.) If a debt owed by a political committee is forgiven or settled for less than the amount owed, a contribution results unless such debt is settled in accordance with the standards set forth at 11 CFR 116.3 and 116.4.

Subpart C—Exceptions to Contributions

SOURCE: 67 FR 50585, Aug. 5, 2002, unless otherwise noted.

§ 100.71 Scope.

(a) The term *contribution* does not include payments, services or other things of value described in this subpart.

(b) For the purpose of this subpart, a contribution or payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual in accordance with 11 CFR 110.1(k).

§ 100.72 Testing the waters.

(a) *General exemption.* Funds received solely for the purpose of determining whether an individual should become a candidate are not contributions. Examples of activities permissible under this exemption if they are conducted to determine whether an individual should become a candidate include, but are not limited to, conducting a poll, telephone calls, and travel. Only funds permissible under the Act may be used for such activities. The individual shall keep records of all such funds received. See 11 CFR 101.3. (4) The individual conducts activities in close proximity to the election or over a protracted period of time.

Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station (including a cable television operator, programmer or producer), Web site, newspaper, magazine, or other periodical publication, including any Internet or electronic publication, is not a contribution unless the facility is owned or controlled by any political party, political committee, or candidate, in which case the costs for a news story:

(a) That represents a *bona fide* news account communicated in a publication of general circulation or on a licensed broadcasting facility; and

(b) That is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the circulation or listening area, is not a contribution.

Federal Election Commission

§ 100.82

§ 100.80 Slate cards and sample ballots.

The payment by a State or local committee of a political party of the costs of preparation, display, or mailing or other distribution incurred by such committee with respect to a printed slate card, sample ballot, palm card, or other printed listing(s) of three or more candidates for any public office for which an election is held in the State in which the committee is organized is not a contribution. The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and similar types of general public political advertising such as billboards. *But see* 11 CFR 100.24, 104.17(a) and part 300, subpart B for exempt activities that also constitute Federal election activity.

§ 100.81 Payments by corporations and labor organizations.

Any payment made or obligation incurred by a corporation or a labor organization is not a contribution, if under the provisions of 11 CFR part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

§ 100.82 Bank loans.

(a) *General provisions.* A loan of money to a political committee or a candidate by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration is not a contribution by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be

deemed to be made in the ordinary course of business if it:

(1) Bears the usual and customary interest rate of the lending institution for the category of loan involved;

(2) Is made on a basis that assures repayment;

(3) Is evidenced by a written instrument; and

(4) Is subject to a due date or amortization schedule.

(b) *Reporting.* Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a) and (d).

(c) *Endorsers and guarantors.* Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.52(b)(4) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(d) *Overdrafts.* For purposes of this section, an overdraft made on a checking or savings account of a political committee shall be considered a contribution by the bank or institution unless:

(1) The overdraft is made on an account that is subject to automatic overdraft protection;

(2) The overdraft is subject to a definite interest rate that is usual and customary; and

(3) There is a definite repayment schedule.

(e) *Made on a basis that assures repayment.* A loan, including a line of credit, shall be considered made on a basis that assures repayment if it is obtained using either of the sources of repayment described in paragraphs (e)(1) or (2) of this section, or a combination of paragraphs (e)(1) and (2) of this section:

§ 100.83

11 CFR Ch. I (1–1–11 Edition)

(1)(i) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan, the fair market value of the collateral is equal to or greater than the loan amount and any senior liens as determined on the date of the loan, and the candidate or political committee provides documentation to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(ii) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, 110.20, part 114 and part 115; or

(2) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has pledged future receipts, such as public financing payments under 11 CFR part 9001 through part 9012, or part 9031 through part 9039, contributions, or interest income, provided that:

(i) The amount of the loan or loans obtained on the basis of such funds does not exceed the amount of pledged funds;

(ii) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution documentation, *i.e.*, cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(iii) A separate depository account is established at the lending institution or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(iv) The loan agreement requires the deposit of the public financing pay-

ments, contributions and interest income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan agreement; and

(v) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(3) If the requirements set forth in this paragraph are not met, the Commission will consider the totality of the circumstances on a case-by-case basis in determining whether a loan was made on a basis that assures repayment.

(f) This section shall not apply to loans described in 11 CFR 100.73.

§ 100.83 Brokerage loans and lines of credit to candidates.

(a) *General provisions.* Any loan of money derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, including an overdraft made on a personal checking or savings account of a candidate, provided that:

(1) Such loan is made in accordance with applicable law and under commercially reasonable terms; and

(2) The person making such loan makes loans derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit in the normal course of the person's business.

(b) *Endorsers and guarantors.* Each endorser, guarantor, or co-signer shall be deemed to have contributed that portion of the total amount of the loan derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, for which he or she agreed to be liable in a written agreement, including a loan used for the candidate's routine living expenses. Any reduction in the unpaid balance of the loan, advance, or line of credit shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such

Federal Election Commission

§ 100.85

written agreement. In the event that such agreement does not stipulate the portion of the loan, advance, or line of credit for which each endorser, guarantor, or co-signer is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser, guarantor, or co-signer bears to the total number of endorsers or guarantors. However, if the spouse of the candidate is the endorser, guarantor, or co-signer, the spouse shall not be deemed to make a contribution if:

(1) For a secured loan, the value of the candidate's share of the property used as collateral equals or exceeds the amount of the loan that is used for the candidate's campaign; or

(2) For an unsecured loan, the amount of the loan used for in connection with the candidate's campaign does not exceed one-half of the available credit extended by the unsecured loan.

(c) *Routine living expenses.* (1) A loan derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, that is used by the candidate solely for routine living expenses, as described in 11 CFR 100.153, does not need to be reported under 11 CFR part 104 provided that the loan, advance, or line of credit is repaid exclusively from the personal funds of the candidate or payments that would have been made irrespective of the candidacy pursuant to 11 CFR 113.1(g)(6).

(2) Any repayment, in part or in whole, of the loan, advance, or line of credit described in paragraph (c)(1) of this section by the candidate's authorized committee constitutes the personal use of campaign funds and is prohibited by 11 CFR 113.2.

(3) Any repayment or forgiveness, in part or in whole, of the loan, advance, or line of credit described in paragraph (c)(1) of this section by a third party (other than a third party whose payments are permissible under 11 CFR 113.1(g)(6)) or the lending institution is a contribution, subject to the limitations and prohibitions of 11 CFR parts 110 and 114, and shall be reported under 11 CFR part 104.

(4) Notwithstanding paragraph (c)(1) of this section, the portion of any loan or advance from a candidate's brokerage account, credit card account, home equity line of credit, or other line of credit that is used for the purpose of influencing the candidate's election for Federal office shall be reported under 11 CFR part 104.

(d) *Repayment.* The candidate's authorized committee may repay a loan from the candidate that is derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, directly to the candidate or the original lender. The amount of the repayment shall not exceed the amount of the principal used for the purpose of influencing the candidate's election for Federal office and interest that has accrued on that principal.

(e) *Reporting.* Loans derived from an advance on a candidate's brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate shall be reported by the candidate's principal campaign committee in accordance with 11 CFR part 104.

§ 100.84 Office building for State, local, or district party committees or organizations.

A donation made to a non-Federal account of a State, local, or district party committee or organization in accordance with 11 CFR 300.35 for the purchase or construction of an office building is not a contribution. A donation includes a gift, subscription, loan, advance, or deposit of money or anything of value.

§ 100.85 Legal or accounting services to political party committees.

Legal or accounting services rendered to or on behalf of any political committee of a political party are not contributions if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities that directly further the election of any designated candidate for Federal office. For purposes of this section, a partnership shall be deemed

§ 100.86

to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

§ 100.86 Legal or accounting services to other political committees.

Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not contributions if the person paying for such services is the regular employer of the individual rendering the services and if such services are solely to ensure compliance with the Act or 26 U.S.C. 9001 et seq. and 9031 et seq. For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

§ 100.87 Volunteer activity for party committees.

The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee(s) of such party is not a contribution, provided that the following conditions are met:

(a) *Exemption not applicable to general public communication or political advertising.* Such payment is not for cost incurred in connection with any broadcasting, newspaper, magazine, bill board, direct mail, or similar type of general public communication or political advertising. For purposes of this paragraph, the term *direct mail* means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(b) *Allocation.* The portion of the cost of such materials allocable to Federal candidates must be paid from contributions subject to the limitations and prohibitions of the Act. *But see* 11 CFR 100.24, 104.17(a), and part 300, subpart B

11 CFR Ch. I (1–1–11 Edition)

for exempt activities that also constitute Federal election activity.

(c) *Contributions designated for particular Federal candidates.* Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *Distribution of materials by volunteers.* Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of this paragraph, payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(e) *Reporting.* If made by a political committee such payments shall be reported by the political committee as disbursements in accordance with 11 CFR 104.3 but need not be allocated to specific candidates in committee reports.

(f) *State candidates and their campaign committees.* Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate's share of expenses for such campaign materials are not contributions, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(g) *Exemption not applicable to campaign materials purchased by national party committees.* Campaign materials purchased by the national committee of a political party and delivered to a State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 109.32.

(b) The payment of the portion of the cost of such materials allocable to Federal candidates shall be made from contributions subject to the limitations and prohibitions of the Act. For purposes of this section, the term *direct mail* means any mailing(s) by commercial vendors or mailing(s) made from lists that were not developed by the candidate. *But see* 11 CFR 100.24, 104.17(a), and part 300, subparts D and E for exempt activities that also constitute Federal election activity.

The payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of the Presidential and Vice Presidential nominee(s) of that party, is not a contribution to such candidate(s) provided that the following conditions are met:

(a) *Exemption not applicable to general public communication or political advertising.* Such payment is not for the costs incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of this paragraph, the term *direct mail* means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(c) *Contributions designated for particular Federal candidates.* Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of this paragraph, a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(d) *References to House or Senate candidates.* For purposes of this section, if such activities include references to any candidate(s) for the House or Senate, the costs of such activities that are allocable to that candidate(s) shall be a contribution to such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(e) *Phone banks.* For purposes of this section, payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not a contribution when such phone banks are operated by volunteer workers. The use of paid professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

§ 100.90

(g) *Exemption not applicable to donations by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities.* Payments made from funds donated by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities shall not qualify under this exemption. Rather, such funds shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 109.32.

§ 100.92 Candidate debates.

Funds provided to defray costs incurred in staging candidate debates in accordance with the provisions of 11 CFR 110.13 and 114.4(f) are not contributions.

§ 100.93 Travel by aircraft or other means of transportation.

(a) *Scope and definitions.* (1) This section applies to all campaign travelers who use non-commercial travel.

(2) Campaign travelers who use commercial travel, such as a commercial airline flight, charter flight, taxi, or an automobile provided by a rental company, are governed by 11 CFR 100.52(a) and (d), not this section.

(3) For the purposes of this section:

(i) *Campaign traveler* means

(A) Any candidate traveling in connection with an election for Federal of-

11 CFR Ch. I (1–1–11 Edition)

fice or any individual traveling in connection with an election for Federal office on behalf of a candidate or political committee; or

(B) Any member of the news media traveling with a candidate.

(ii) *Service provider* means the owner of an aircraft or other conveyance, or a person who leases an aircraft or other conveyance from the owner or otherwise obtains a legal right to the use of an aircraft or other conveyance, and who uses the aircraft or other conveyance to provide transportation to a campaign traveler. For a jointly owned or leased aircraft or other conveyance, the service provider is the person who makes the aircraft or other conveyance available to the campaign traveler.

(iii) *Unreimbursed value* means the difference between the value of the transportation service provided, as set forth in this section, and the amount of payment for that transportation service by the political committee or campaign traveler to the service provider within the time limits set forth in this section.

(iv) *Commercial travel* means travel aboard:

(A) An aircraft operated by an air carrier or commercial operator certificated by the Federal Aviation Administration, provided that the flight is required to be conducted under Federal Aviation Administration air carrier safety rules, or, in the case of travel which is abroad, by an air carrier or commercial operator certificated by an appropriate foreign civil aviation authority, provided that the flight is required to be conducted under air carrier safety rules; or

(B) Other means of transportation operated for commercial passenger service.

(v) *Non-commercial travel* means travel aboard any conveyance that is not commercial travel, as defined in paragraph (a)(3)(iv) of this section.

(vi) *Comparable aircraft* means an aircraft of similar make and model as the aircraft that actually makes the trip, with similar amenities as that aircraft.

(b) *General rule.* (1) No contribution is made by a service provider to a candidate or political committee if:

(i) Every candidate's authorized committee or other political committee on

behalf of which the travel is conducted pays the service provider, within the required time, for the full value of the transportation, as determined in accordance with paragraphs (c), (d), (e) or (g) of this section, provided to all campaign travelers who are traveling on behalf of that candidate or political committee; or

(ii) Every campaign traveler for whom payment is not made under paragraph (b)(1)(i) of this section pays the service provider for the full value of the transportation provided to that campaign traveler as determined in accordance with paragraphs (c), (d), (e) or (g) of this section. See 11 CFR 100.79 and 100.139 for treatment of certain unreimbursed transportation expenses incurred by individuals traveling on behalf of candidates, authorized committees, and political committees of political parties.

(2) Except as provided in 11 CFR 100.79, the unreimbursed value of transportation provided to any campaign traveler, as determined in accordance with paragraphs (c), (d) or (e) of this section, is an in-kind contribution from the service provider to the candidate or political committee on whose behalf, or with whom, the campaign traveler traveled. Contributions are subject to the reporting requirements, limitations and prohibitions of the Act.

(3) When a candidate is accompanied by a member of the news media, or by security personnel provided by any Federal or State government, the news media or government security provider may reimburse the political committee paying for the pro-rata share of the travel by the member of the media or security personnel, or may pay the service provider directly for that pro-rata share, up to the applicable amount set forth in paragraphs (c)(1), (c)(3), (d), (e), or (g) of this section. A payment made directly to the service provider may be subtracted from the amount for which the political committee is otherwise responsible without any contribution resulting. No contribution results from reimbursement by the media or a government security provider to a political committee in accordance with this paragraph.

(c) *Travel on aircraft.* When a campaign traveler uses aircraft for non-

commercial travel, other than a government aircraft described in paragraph (e) of this section or a candidate or family owned aircraft described in paragraph (g) of this section, reimbursement must be provided no later than seven (7) calendar days after the date the flight began at one of the following rates to avoid the receipt of an in-kind contribution:

(1) *Travel by or on behalf of Senate, presidential, or vice-presidential candidates.* A Senate, presidential, or vice-presidential candidate traveling on his own behalf, or any person traveling on behalf of such candidate or the candidate's authorized committee must pay the pro rata share per campaign traveler of the normal and usual charter fare or rental charge for travel on a comparable aircraft of comparable size. The pro rata share shall be calculated by dividing the normal and usual charter fare or rental charge by the number of campaign travelers on the flight that are traveling on behalf of such candidates or their authorized committees, including members of the news media, and security personnel traveling with a candidate. No portion of the normal and usual charter fare or rental charge may be attributed to any campaign travelers that are not traveling on behalf of such candidates or their authorized committees, or any other passengers, except as permitted under paragraph (b)(3) of this section.

(2) *Travel by or on behalf of House candidates and their leadership PACs.* Except as otherwise provided in paragraphs (e) and (g) of this section, a campaign traveler who is a candidate for election for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, or a person traveling on behalf of any such candidate or any authorized committee or leadership PAC of such candidate, is prohibited from non-commercial travel on behalf of any such candidate or any authorized committee or leadership PAC of such candidate.

(3) *Other campaign travelers.* When a candidate's authorized committee pays for a flight pursuant to paragraph (c)(1) of this section, no payment is required from other campaign travelers on that flight. Otherwise, a campaign traveler not covered by paragraphs (c)(1) or

(c)(2) of this section, including persons traveling on behalf of a political party committee, separate segregated fund, nonconnected political committee, or a leadership PAC other than a leadership PAC of a candidate for election for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, must pay the service provider no less than the following for each leg of the trip:

(i) In the case of travel between cities served by regularly scheduled first-class commercial airline service, the lowest unrestricted and non-discounted first-class airfare;

(ii) In the case of travel between a city served by regularly scheduled coach commercial airline service, but not regularly scheduled first-class commercial airline service, and a city served by regularly scheduled coach commercial airline service (with or without first-class commercial airline service), the lowest unrestricted and non-discounted coach airfare; or

(iii) In the case of travel to or from a city not served by regularly scheduled commercial airline service, the normal and usual charter fare or rental charge for a comparable commercial aircraft of sufficient size to accommodate all campaign travelers, and security personnel, if applicable.

(d) *Other means of transportation.* If a campaign traveler uses any means of transportation other than an aircraft, including an automobile, or train, or boat, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the service provider within thirty (30) calendar days after the date of receipt of the invoice for such travel, but not later than sixty (60) calendar days after the date the travel began, at the normal and usual fare or rental charge for a comparable commercial conveyance of sufficient size to accommodate all campaign travelers, including members of the news media traveling with a candidate, and security personnel, if applicable.

(e) *Government conveyances*—(1) *Travel by or on behalf of candidates, their authorized committees, or House candidate Leadership PACs.* If a campaign traveler traveling on behalf of a candidate, an authorized committee, or the leader-

ship PAC of a House candidate uses an aircraft that is provided by the Federal government, or by a State or local government, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the government entity, within the time specified by that government entity, *either*:

(i) The pro rata share per campaign traveler of the normal and usual charter fare or rental charge for the flight on a comparable aircraft of sufficient size to accommodate all campaign travelers. The pro rata share shall be calculated by dividing the normal and usual charter fare or rental charge by the number of campaign travelers on the flight that are traveling on behalf of candidates, authorized committees, or House candidate leadership PACs, including members of the news media, and security personnel, if applicable. No portion of the normal and usual charter fare or rental charge may be attributed to any other campaign travelers or any other passengers, except as permitted under paragraph (b)(3) of this section. For purposes of this paragraph, the comparable aircraft need not accommodate any government-required personnel and equipment; or

(ii) The private traveler reimbursement rate, as specified by the governmental entity providing the aircraft, per campaign traveler.

(2) *Other campaign travelers.* When a candidate's authorized committee, or a House candidate's leadership PAC pays for a flight pursuant to paragraph (e)(1) of this section, no payment is required from any other campaign travelers on that flight. Otherwise, a campaign traveler not covered by paragraph (e)(1) of this section, including persons traveling on behalf of a political party committee, separate segregated fund, nonconnected political committee, or a leadership PAC other than a leadership PAC of a candidate for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, must pay the government entity, within the time specified by that government entity, *either*:

(i) For travel to or from a military airbase or other location not accessible to the general public, the lowest unrestricted and non-discounted first-class

Federal Election Commission

§ 100.93

airfare to or from the city with regularly scheduled first-class commercial airline service that is geographically closest to the military airbase or other location actually used; or

(ii) For all other travel, in accordance with paragraph (c)(3) of this section.

(3) If a campaign traveler uses a conveyance, other than an aircraft, that is provided by the Federal government, or by a State or local government, the campaign traveler, or the political committee on whose behalf the travel is conducted, must pay the government entity in accordance with paragraph (d) of this section.

(f) *Date and public availability of payment rate.* For purposes of paragraphs (c), (d), (e), and (g) of this section, the payment rate must be the rate available to the general public for the dates traveled or within seven (7) calendar days thereof. The payment rate must be determined by the time the payment is due under paragraph (c), (d), (e) or (g) of this section.

(g) *Aircraft owned or leased by a candidate or a candidate's immediate family member.* (1) For non-commercial travel by a candidate, or a person traveling on behalf of a candidate, on an aircraft owned or leased by that candidate or an immediate family member of that candidate, the candidate's authorized committee must pay:

(i) In the case of travel on an aircraft that is owned or leased under a shared-ownership or other time-share arrangement, where the travel does not exceed the candidate's or immediate family member's proportional share of the ownership interest in the aircraft, the hourly, mileage, or other applicable rate charged the candidate, immediate family member, or other service provider for the costs of the travel; or

(ii) In the case of travel on an aircraft that is owned or leased under a shared-ownership or other time-share arrangement, where the travel exceeds the candidate's or immediate family member's proportional share of the ownership interest in the aircraft, the rate specified in paragraph (c) of this section (House candidates are prohibited from engaging in such travel); or

(iii) In the case of travel on an aircraft that is not owned or leased under

a shared-ownership or other time-share arrangement, the *pro rata* share per campaign traveler of the costs associated with the trip. Associated costs include, but are not limited to, the cost of fuel and crew, and a proportionate share of maintenance costs.

(2) A candidate, or an immediate family member of the candidate, will be considered to own or lease an aircraft under paragraph (g)(1) of this section if the candidate or the immediate family member of the candidate has an ownership interest in an entity that owns the aircraft, provided that the entity is not a corporation with publicly traded shares.

(3) A proportional share of the ownership interest in an aircraft means the amount of use to which the candidate or immediate family member is entitled under an ownership or lease agreement. Prior to each flight, the candidate's committee must obtain a certification from the service provider that the candidate's planned use of the aircraft will not exceed the candidate's or immediate family member's proportional share of use under the ownership or lease agreement. See paragraph (j) of this section for related recordkeeping requirements.

(4) For the purposes of this section, an "immediate family member" of a candidate is the father, mother, son, daughter, brother, sister, husband, wife, father-in-law, or mother-in-law of the candidate.

§ 100.130 Scope.

(a) The term *expenditure* does not include payments, gifts, or other things of value described in this subpart.

(b) For the purpose of this subpart, a payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual. To the extent that a payment made by an individual qualifies as a contribution, the provisions of 11 CFR 110.1(k) shall apply.

§ 100.131 Testing the waters.

§ 100.133 Voter registration and get-out-the-vote activities.

Any cost incurred for activity designed to encourage individuals to register to vote or to vote is not an expenditure if no effort is or has been made to determine the party or candidate preference of individuals before encouraging them to register to vote or to vote, except that corporations and labor organizations shall engage in such activity in accordance with 11 CFR 114.4 (c) and (d). *See also* 11 CFR 114.3(c)(4).

§ 100.134 Internal communications by corporations, labor organizations, and membership organizations.

(a) *General provision.* Any cost incurred for any communication by a membership organization, including a labor organization, to its members, or any cost incurred for any communication by a corporation to its stockholders or executive or administrative personnel, is not an expenditure, except that the costs directly attributable to such a communication that expressly advocates the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the express advocacy of the election or defeat of a clearly identified candidate) shall, if those costs exceed \$2,000 per election, be reported to the Commission on FEC Form 7 in accordance with 11 CFR 104.6.

(b) *Definition of labor organization.* For purposes of this section, *labor organization* means an organization of any kind (any local, national, or international union, or any local or State central body of a federation of unions is each considered a separate labor organization for purposes of this section) or any agency or employee representa-

tive committee or plan, in which employees participate and that exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

(c) *Definition of stockholder.* For purposes of this section, *stockholder* means a person who has a vested beneficial interest in stock, has the power to direct how that stock shall be voted, if it is voting stock, and has the right to receive dividends.

(3) Individuals on commission may be considered executive or administrative personnel if they have policymaking, managerial, professional, or supervisory responsibility and if the individuals are employees, within the meaning of 26 CFR 31.3401(c)–(1), of the corporation for the purpose of the collection of, and liability for, employee tax under 26 CFR 1.3402(a)–(1).

(4) The Fair Labor Standards Act, 29 U.S.C. 201, *et seq.* and the regulations issued pursuant to such Act, 29 CFR

part 541, may serve as a guideline in determining whether individuals have policymaking, managerial, professional, or supervisory responsibilities.

(e) *Definition of membership organization.* For purposes of this section membership organization means an unincorporated association, trade association, cooperative, corporation without capital stock, or a local, national, or international labor organization that:

(1) Is composed of members, some or all of whom are vested with the power and authority to operate or administer the organization, pursuant to the organization's articles, bylaws, constitution or other formal organizational documents;

(2) Pay membership dues at least annually, of a specific amount predetermined by the organization; or

(3) Have a significant organizational attachment to the membership organization that includes: affirmation of membership on at least an annual basis and direct participatory rights in the governance of the organization. For example, such rights could include the

right to vote directly or indirectly for at least one individual on the membership organization's highest governing board; the right to vote on policy questions where the highest governing body of the membership organization is obligated to abide by the results; the right to approve the organization's annual budget; or the right to participate directly in similar aspects of the organization's governance.

(g) *Additional considerations in determining membership.* Notwithstanding the requirements of paragraph (f) of this section, the Commission may determine, on a case-by-case basis, that persons who do not precisely meet the requirements of the general rule, but have a relatively enduring and independently significant financial or organizational attachment to the organization, may be considered members for purposes of this section. For example, student members who pay a lower amount of dues while in school, long term dues paying members who qualify for lifetime membership status with little or no dues obligation, and retired members may be considered members of the organization.

(h) *Members of local unions.* Notwithstanding the requirements of paragraph (f) of this section, members of a local union are considered to be members of any national or international union of which the local union is a part and of any federation with which the local, national, or international union is affiliated.

(i) *National federation structures.* In the case of a membership organization that has a national federation structure or has several levels, including, for example, national, state, regional and/or local affiliates, a person who qualifies as a member of any entity within the federation or of any affiliate by meeting the requirements of paragraphs (f)(1), (2), or (3) of this section shall also qualify as a member of all affiliates for purposes of paragraphs (d) through (i) of this section. The factors set forth at 11 CFR 100.5(g)(2), (3) and (4) shall be used to determine whether entities are affiliated for purposes of this paragraph.

Federal Election Commission

§ 100.138

(j) *Non-applicability of state law in determining status of membership organizations.* The status of a membership organization, and of members, for purposes of this section, shall be determined pursuant to paragraphs (d) through (i) of this section and not by provisions of state law governing unincorporated associations, trade associations, cooperatives, corporations without capital stock, or labor organizations.

(k) *Definition of election.* For purposes of this section, *election* means two separate processes in a calendar year, to each of which the \$2,000 threshold described above applies separately. The first process is comprised of all primary elections for Federal office, whenever and wherever held; the second process is comprised of all general elections for Federal office, whenever and wherever held. (l) *Definition of corporation.* For purposes of this section, *corporation* means any separately incorporated entity, whether or not affiliated.

(m) *Reporting.* When the aggregate costs under this section exceed \$2,000 per election, all costs of the communication(s) shall be reported on the filing dates specified in 11 CFR 104.6, and shall include the total amount expended for each candidate supported.

§ 100.135 Use of a volunteer's real or personal property.

No expenditure results where an individual, in the course of volunteering personal services on his or her residential premises to any candidate or political committee of a political party, provides the use of his or her real or personal property to such candidate for candidate-related activity or to such political committee of a political party for party-related activity. A nominal fee paid by such individual for the use of such room is not an expenditure.

§ 100.137 Invitations, food, and beverages.

The cost of invitations, food, and beverages is not an expenditure where such items are voluntarily provided by an individual in rendering voluntary personal services on the individual's residential premises or in a church or community room as specified at 11 CFR 100.106 and 100.107 to a candidate for candidate-related activity or to a political committee of a political party for party-related activity, to the extent that: The aggregate value of such invitations, food and beverages provided by the individual on behalf of the candidate does not exceed \$1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed \$2,000 in any calendar year.

The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political party committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and similar types of general public political advertising such as billboards. *But see* 11

§ 100.141 Payment by corporations and labor organizations.

Any payment made or obligation incurred by a corporation or labor organization is not an expenditure if under the provisions of 11 CFR part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

§ 100.142 Bank loans.

(a) *General provisions.* Repayment of a loan of money to a candidate or a political committee by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration is not an expenditure by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it:

(1) Bears the usual and customary interest rate of the lending institution for the category of loan involved;

(2) Is made on a basis that assures repayment;

(3) Is evidenced by a written instrument; and

(4) Is subject to a due date or amortization schedule.

(b) *Reporting.* Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a) and (d).

(c) *Endorsers and guarantors.* Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.52(b)(4) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that the loan agreement does not stipulate the portion of the

loan for which each endorser or guarantor is liable, the loan shall be considered an expenditure by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(d) *Overdrafts.* For the purpose of this section, repayment of an overdraft made on a checking or savings account of a political committee shall be considered an expenditure unless:

(1) The overdraft is made on an account that is subject to automatic overdraft protection; and

(2) The overdraft is subject to a definite interest rate and a definite repayment schedule.

(e) *Made on a basis that assures repayment.* A loan, including a line of credit, shall be considered made on a basis that assures repayment if it is obtained using either of the sources of repayment described in paragraphs (e)(1) or (2) of this section, or a combination of paragraphs (e)(1) or (2) of this section:

(1)(i) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan; the fair market value of the collateral is equal to or greater than the loan amount and any senior liens as determined on the date of the loan; and the candidate or political committee provides documentation to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(ii) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, 110.20, part 114 and part 115; or

(2) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has pledged future receipts, such as public financing payments under 11 CFR part 9001 through part 9012 or part 9031

through 9039, contributions, or interest income, provided that:

(i) The amount of the loan(s) obtained the basis of such funds does not exceed the amount of pledged funds;

(ii) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution documentation, *i.e.*, cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(iii) A separate depository account is established at the lending institution or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(iv) The loan agreement requires the deposit of the public financing payments, contributions, interest or other income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan; and

(v) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(3) If the requirements set forth in paragraph (e) of this section are not met, the Commission will consider the totality of circumstances on a case-by-case basis in determining whether a loan was made on a basis that assures repayment.

(f) This section shall not apply to loans described in 11 CFR 100.83 and 100.143.

For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

§ 100.146 Legal or accounting services to other political committees.

Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not expenditures if the person paying for such services is the regular employer of the individual rendering such services and if the services are solely to ensure compliance with the Act or 26 U.S.C. 9001 et seq. and 9032 et seq. For purposes of this section, a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h). No transfers may be made to such Federal account from any other account(s) maintained by such organization for the purpose of financing activity in connection with non-Federal elections, except as provided by 11 CFR 300.33, 300.34, 106.6(c), 106.6(f), and 106.7(f). Administrative expenses for political committees other than party committees shall be allocated pursuant to 11 CFR 106.6(c) between such Federal account and any other account maintained by such committee for the purpose of financing activity in connection with non-Federal elections. Administrative expenses for State, district, and local party committees are subject to 11 CFR 106.7 and 11 CFR part 300; or

(ii) Establish a political committee that shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with Federal or non-Federal elections. (i) Contributions designated for the Federal account;

(ii) Contributions that result from a solicitation which expressly states that the contribution will be used in connection with a Federal election; or

(iii) Contributions from contributors who are informed that all contributions are subject to the prohibitions and limitations of the Act.

(3) State, district, and local party committees that intend to expend Levin funds raised pursuant to 11 CFR

11 CFR Ch. I (1–1–11 Edition)

300.31 for activities identified in 11 CFR 300.32(b)(1) must either:

(i) Establish one or more separate Levin accounts pursuant to 11 CFR 300.30(c)(2); or

(ii) Demonstrate through a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) that whenever such organization makes a payment that organization has received sufficient funds subject to the limitations and prohibitions of the Act or the requirements of 11 CFR 300.30(c)(1) or (3) to make such payment. Such organization shall keep records of amounts received or expended under this paragraph and, upon request, shall make such records available for examination by the Commission.

(4) Solicitations by Federal candidates and Federal officeholders for State, district, and local party committees are subject to the restrictions in 11 CFR 300.31(e) and 11 CFR part 300, subpart D.

(5) State, district, and local party committees and organizations may establish one or more separate allocation accounts to be used for activities allocable pursuant to 11 CFR 106.7 and 11 CFR 300.33.

(b) *Organizations that are not political committees under the Act.* (1) Any organization that makes contributions, expenditures, and exempted payments under 11 CFR 100.80, 100.87 and 100.89 and 11 CFR 100.140, 100.147 and 100.149, but that does not qualify as a political committee under 11 CFR 100.5, must keep records of receipts and disbursements and, upon request, must make such records available for examination by the Commission. The organization must demonstrate through a reasonable accounting method that, whenever such an organization makes a contribution or expenditure, or payment, the organization has received sufficient funds subject to the limitations and prohibitions of the Act to make such contribution, expenditure, or payment.

(2) Any State, district, or local party organization that makes payments for certain Federal election activities under 11 CFR 300.32(b) must either:

(i) Establish one or more Levin accounts pursuant to 11 CFR 300.30(b)

into which only funds solicited pursuant to 11 CFR 300.31 may be deposited and from which payments must be made pursuant to 11 CFR 300.32 and 300.33. See 11 CFR 300.30(c)(2)(i); or

(ii) Demonstrate through a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) that whenever such organization makes a payment that organization has received sufficient funds subject to the limitations and prohibitions of the Act or the requirements of 11 CFR 300.31 to make such payment. Such organization shall keep records of amounts received or expended under this paragraph and, upon request, shall make such records available for examination by the Commission. See 11 CFR 300.30(c)(2)(ii).

(3) All such party organizations shall keep records of deposits to and disbursements from such Federal and Levin accounts, and upon request, shall make such records available for examination by the Commission.

(c) *National party committees.* Between November 6, 2002, and December 31, 2002, paragraphs (a) and (b) of this section apply to national party committees. Therefore, this section does not apply to national party committees after December 31, 2002.

[67 FR 49111, July 29, 2002, as amended at 67 FR 78680, Dec. 26, 2002; 69 FR 68067, Nov. 23, 2004]

§ 102.6 Transfers of funds; collecting agents.

(a) *Transfers of funds; registration and reporting required—(1) Who may make transfers under this section.* (i) Transfers of funds may be made without limit on amount between affiliated committees whether or not they are political committees under 11 CFR 100.5.

(ii) Subject to the restrictions set forth at 11 CFR 300.10(a), 300.31 and 300.34(a) and (b), transfers of funds may be made without limit on amount between or among a national party committee, a State party committee and/or any subordinate party committee whether or not they are political com-

mittees under 11 CFR 100.5 and whether or not such committees are affiliated.

(iii) Transfers of joint fundraising proceeds may be made without limit on amount between organizations or committees participating in the joint fundraising activity provided that no participating committee or organization governed by 11 CFR 102.17 received more than its allocated share of the funds raised.

(iv) Transfers under paragraphs (a)(1) (i) through (iii) shall be made only from funds which are permissible under the Act. See 11 CFR parts 110, 114 and 115.

(2) *When registration and reporting required.* Except as provided in 11 CFR 102.6(b), organizations or committees making transfers under 11 CFR 102.6(a)(1) shall count such transfers against the reporting thresholds of the Act for determining whether an organization or committee is a political committee under 11 CFR 100.5.

(b) *Fundraising by collecting agents; No reporting required—(1) Definition of collecting agent.* A collecting agent is an organization or committee that collects and transmits contributions to one or more separate segregated funds to which the collecting agent is related. A collecting agent may be either:

(i) A committee, whether or not it is a political committee as defined in 11 CFR 100.5, affiliated with the separate segregated fund under 11 CFR 110.3; or

(ii) The connected organization of the separate segregated fund as defined in 11 CFR 100.6; or

(iii) A parent, subsidiary, branch, division, department, or local unit of the connected organization of the separate segregated fund; or

(iv) A local, national or international union collecting contributions on behalf of the separate segregated fund of any federation with which the local, national or international union is affiliated. See 11 CFR 114.1(e).

(2) *Collecting agent not required to report.* A collecting agent that is an unregistered organization and that follows the procedures of 11 CFR 102.6(c) is not required to register and report as a political committee under 11 CFR

§ 102.6

parts 102 and 104, provided that the organization does not engage in other activities such as making contributions or expenditures for the purpose of influencing federal elections.

(3) *Who is not a collecting agent*—(i) *Commercial fundraising firm.* A separate segregated fund or a collecting agent may hire a commercial fundraising firm to assist in fundraising; however, the commercial fundraising firm shall not be considered as a collecting agent for the purpose of this section. Rather, the commercial fundraising firm shall be considered to be the agent of the separate segregated fund or collecting agent.

(ii) *Individuals.* An individual who collects contributions for a separate segregated fund shall not be considered a collecting agent for the purpose of this section. Individuals who collect contributions are subject to the requirements of 11 CFR 102.8 and the provisions of 11 CFR part 110.

(4) *Separate segregated fund may collect contributions.* Nothing in this section shall preclude a separate segregated fund from soliciting and collecting contributions on its own behalf.

(c) *Procedures for collecting agents*—(1) *Separate segregated fund responsible for acts of collecting agent.* The separate segregated fund shall be responsible for ensuring that the recordkeeping, reporting and transmittal requirements of this section are met.

(2) *Solicitation for contributions.* A collecting agent may include a solicitation for voluntary contributions to a separate segregated fund in a bill for membership dues or other payments such as conference registration fees or a solicitation for contributions to the collecting agent. The collecting agent may only solicit contributions from those persons permitted to be solicited under 11 CFR part 114. The solicitation for contributions must meet all of the requirements for proper solicitations under 11 CFR 114.5.

(i) The collecting agent may pay any or all of the costs incurred in soliciting and transmitting contributions to the separate segregated fund.

(ii) If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expense could be paid for as an

11 CFR Ch. I (1–1–11 Edition)

administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than 30 calendar days after the expense was paid by the separate segregated fund.

(3) *Checks combining contributions with other payments.* A contributor may write a check that represents both a contribution and payment of dues or other fees. The check must be drawn on the contributor's personal checking account or on a non-repayable corporate drawing account of the individual contributor. Under a payroll deduction plan, an employer may write a check on behalf of its employees to a union or its agent, which check represents a combined payment of voluntary contributions to the union's separate segregated fund and union dues or other employee deductions.

(4) *Transmittal of contributions.* The full amount of each contribution collected by a collecting agent on behalf of a separate segregated fund shall be transmitted to that fund within 10 or 30 days as required by 11 CFR 102.8.

(i) Checks made payable to the separate segregated fund shall be transmitted by the collecting agent directly to the separate segregated fund in accordance with 11 CFR 102.8.

(ii) To transfer all other contributions, a collecting agent shall either:

(A) Establish a transmittal account to be used solely for the deposit and transmittal of funds collected on behalf of the separate segregated fund. Funds deposited into this account are subject to the prohibitions and limitations of the Act. If any expenditure is made from the account, other than a transfer of funds to an affiliated committee, the account shall be considered a depository of the recipient committee and all activity of that account shall be reported; or

(B) Deposit the contributions collected into the collecting agent's treasury account. The collecting agent shall keep separate records of all receipts and deposits that represent contributions to the separate segregated fund and, in the case of cash contributions, the collecting agent shall make separate deposits of such funds; or

Federal Election Commission

§ 102.8

(C) Deposit the contributions collected into an account otherwise established solely for State or local election activity. The collecting agent shall keep separate records of all receipts and deposits that represent contributions to the separate segregated fund; or

(D) In the case of cash contributions, transmit the contributions to the separate segregated fund in the form of money orders or cashier's checks.

(5) *Contributor information.* The collecting agent shall comply with the requirements of 11 CFR 102.8 regarding transmittal of contributions and contributor information to the separate segregated fund, except that if contributions of \$50 or less are received at a mass collection, a record shall be kept of the date, the total amount collected, and the name of the function at which the collection was made.

(6) *Retention of records.* The collecting agent shall retain all records of contribution deposits and transmittals under this section for a period of three years and shall make these records available to the Commission on request. The separate segregated fund shall keep a record of all transmittals of contributions received from collecting agents under this section, and shall retain these records for a period of three years.

(7) *Reporting of funds received through collecting agents.* A separate segregated fund receiving contributions collected by a collecting agent shall report the full amount of each contribution received as a contribution from the original contributor to the extent required by 11 CFR 104.3(a).

[48 FR 26300, June 7, 1983, as amended at 68 FR 451, Jan. 3, 2003; 69 FR 63920, Nov. 3, 2004]

(c) No expenditure shall be made for or on behalf of a political committee without the authorization of its treasurer or of an agent authorized orally or in writing by the treasurer.

(d) Any candidate who receives a contribution, as defined at 11 CFR part 100, subparts B and D, obtains any loan or makes any disbursement in connection with his or her campaign, shall be considered as having received the contribution, obtained the loan or made the disbursement as an agent of such authorized committee(s).

[45 FR 15104, Mar. 7, 1980, as amended at 67 FR 78680, Dec. 26, 2002]

(b)(1) Every person who receives a contribution of \$50 or less for a political committee which is not an authorized committee shall forward such contribution to the treasurer of the political committee no later than 30 days after receipt.

(2) Every person who receives a contribution in excess of \$50 for a political committee which is not an authorized committee shall, no later than 10 days after receipt of the contribution, forward to the treasurer of the political committee: The contribution; the name and address of the contributor; and the date of receipt of the contribution. 11 CFR Ch. I (1–1–11 Edition)

excess of \$200, such person shall forward the contribution, the identification of the contributor in accordance with 11 CFR 100.12, and the date of receipt of the contribution. Date of receipt shall be the date such person obtains possession of the contribution.

(c) The provisions of 11 CFR 102.8 concerning receipt of contributions for political committees shall also apply to earmarked contributions transmitted by an intermediary or conduit.

§ 102.9 Accounting for contributions and expenditures (2 U.S.C. 432(c)).

The treasurer of a political committee or an agent authorized by the treasurer to receive contributions and make expenditures shall fulfill all recordkeeping duties as set forth at 11 CFR 102.9(a) through (f):

(a) An account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

(1) For contributions in excess of \$50, such account shall include the name and address of the contributor and the date of receipt and amount of such contribution.

(2) For contributions from any person whose contributions aggregate more than \$200 during a calendar year, such account shall include the identification of the person, and the date of receipt and amount of such contribution.

(3) For contributions from a political committee, such account shall include the identification of the political committee and the date of receipt and amount of such contribution.

(4) In addition to the account to be kept under paragraph (a)(1) of this section, for contributions in excess of \$50, the treasurer of a political committee or an agent authorized by the treasurer shall maintain:

(i) A full-size photocopy of each check or written instrument; or

(ii) A digital image of each check or written instrument. The political committee or other person shall provide the computer equipment and software needed to retrieve and read the digital images, if necessary, at no cost to the Commission.

(b)(1) An account shall be kept of all disbursements made by or on behalf of

the political committee. Such account shall consist of a record of:

(i) The name and address of every person to whom any disbursement is made;

(ii) The date, amount, and purpose of the disbursement; and

(iii) If the disbursement is made for a candidate, the name and office (including State and congressional district, if any) sought by that candidate.

(iv) For purposes of 11 CFR 102.9(b)(1), *purpose* has the same meaning given the term at 11 CFR 104.3(b)(3)(i)(A).

(2) In addition to the account to be kept under 11 CFR 102.9(b)(1), a receipt or invoice from the payee or a cancelled check to the payee shall be obtained and kept for each disbursement in excess of \$200 by or on behalf of, the committee, except that credit card transactions, shall be documented in accordance with 11 CFR 102.9(b)(2)(ii) and disbursements by share draft or check drawn on a credit union account shall be documented in accordance with 11 CFR 102.9(b)(2)(iii).

(i)(A) For purposes of 11 CFR 102.9(b)(2), *payee* means the person who provides the goods or services to the committee or agent thereof in return for payment, except for an advance of \$500 or less for travel and subsistence to an individual who will be the recipient of the goods or services.

(B) For any advance of \$500 or less to an individual for travel and subsistence, the expense voucher or other expense account documentation and a cancelled check to the recipient of the advance shall be obtained and kept.

(ii) For any credit card transaction, documentation shall include a monthly billing statement or customer receipt for each transaction and the cancelled check used to pay the credit card account.

(c) The treasurer shall preserve all records and accounts required to be kept under 11 CFR 102.9 for 3 years

Federal Election Commission

§ 102.12

after the report to which such records and accounts relate is filed.

(d) In performing recordkeeping duties, the treasurer or his or her authorized agent shall use his or her best efforts to obtain, maintain and submit the required information and shall keep a complete record of such efforts. If there is a showing that best efforts have been made, any records of a committee shall be deemed to be in compliance with this Act. With regard to the requirements of 11 CFR 102.9(b)(2) concerning receipts, invoices and cancelled checks, the treasurer will not be deemed to have exercised best efforts to obtain, maintain and submit the records unless he or she has made at least one written effort per transaction to obtain a duplicate copy of the invoice, receipt, or cancelled check.

(e)(1) If the candidate, or his or her authorized committee(s), receives contributions that are designated for use in connection with the general election pursuant to 11 CFR 110.1(b) prior to the date of the primary election, such candidate or such committee(s) shall use an acceptable accounting method to distinguish between contributions received for the primary election and contributions received for the general election. Acceptable accounting methods include, but are not limited to:

(i) The designation of separate accounts for each election, caucus or convention; or

(ii) The establishment of separate books and records for each election.

(2) Regardless of the method used under paragraph (e)(1) of this section, an authorized committee's records must demonstrate that, prior to the primary election, recorded cash on hand was at all times equal to or in excess of the sum of general election contributions received less the sum of general election disbursements made.

(3) If a candidate is not a candidate in the general election, any contributions made for the general election shall be refunded to the contributors, redesignated in accordance with 11 CFR 110.1(b)(5) or 110.2(b)(5), or reattributed in accordance with 11 CFR 110.1(k)(3), as appropriate.

(f) The treasurer shall maintain the documentation required by 11 CFR 110.1(1), concerning designations, redesi-

gnations, reattributions and the dates of contributions. If the treasurer does not maintain this documentation, 11 CFR 110.1(1)(5) shall apply.

§ 102.10 Disbursement by check (2 U.S.C. 432(h)(1)).

All disbursements by a political committee, except for disbursements from the petty cash fund under 11 CFR 102.11, shall be made by check or similar draft drawn on account(s) established at the committee's campaign depository or depositories under 11 CFR part 103.

§ 102.11 Petty cash fund (2 U.S.C. 432(h)(2)).

A political committee may maintain a petty cash fund out of which it may make expenditures not in excess of \$100 to any person per purchase or transaction. If a petty cash fund is maintained, it shall be the duty of the treasurer of the political committee to keep and maintain a written journal of all disbursements. This written journal shall include the name and address of every person to whom any disbursement is made, as well as the date, amount, and purpose of such disbursement. In addition, if any disbursement is made for a candidate, the journal shall include the name of that candidate and the office (including State and Congressional district) sought by such candidate.

§ 102.12 Designation of principal campaign committee (2 U.S.C. 432(e) (1) and (3)).

(a) Each candidate for Federal office (other than a nominee of a political party to the Office of Vice President) shall designate in writing a political committee to serve as his or her principal campaign committee in accordance with 11 CFR 101.1(a) no later than 15 days after becoming a candidate. Each principal campaign committee shall register, designate a depository and report in accordance with 11 CFR parts 102, 103 and 104.

(b) No political committee may be designated as the principal campaign committee of more than one candidate.

§ 102.13

(c)(1) No political committee which supports or has supported more than one candidate may be designated as a principal campaign committee, except that, after nomination, a candidate for the office of President of the United States nominated by a political party may designate the national committee of such political party as his or her principal campaign committee. A national committee which is so designated shall maintain separate books of account with respect to its function as a principal campaign committee.

(2) For purposes of 11 CFR 102.12(c), the term *support* does not include contributions by an authorized committee in amounts aggregating \$2,000 or less per election to an authorized committee of any other candidate, except that the national committee of a political party which has been designated as the principal campaign committee of that party's Presidential candidate may contribute to another candidate in accordance with 11 CFR part 110.

§ 102.13 Authorization of political committees (2 U.S.C. 432(e) (1) and (3)).

(a)(1) Any political committee authorized by a candidate to receive contributions or make expenditures shall be authorized in writing by the candidate. Such authorization must be filed with the principal campaign committee in accordance with 11 CFR 102.1(b).

(2) If an individual fails to disavow activity pursuant to 11 CFR 100.3(a)(3) and is therefore a candidate upon notice by the Commission, he or she shall authorize the committee in writing.

(b) A candidate is not required to authorize a national, State or subordinate State party committee which solicits funds to be expended on the candidate's behalf pursuant to 11 CFR part 109, subpart D.

(c)(1) No political committee which supports or has supported more than one candidate may be designated as an authorized committee, except that two or more candidates may designate a political committee established solely for the purpose of joint fundraising by such candidates as an authorized committee.

11 CFR Ch. I (1–1–11 Edition)

(2) For purposes of 11 CFR 102.13(c), the term *support* does not include contributions by an authorized committee in amounts aggregating \$2,000 or less per election to an authorized committee of any other candidate, except that the national committee of a political party which has been designated as the principal campaign committee of that party's Presidential candidate may contribute to another candidate in accordance with 11 CFR part 109, subpart D and 11 CFR part 110.

§ 102.14 Names of political committees (2 U.S.C. 432(e) (4) and (5)).

(a) The name of each authorized committee shall include the name of the candidate who authorized such committee. Except as provided in paragraph (b) of this section, no unauthorized committee shall include the name of any candidate in its name. For purposes of this paragraph, "name" includes any name under which a committee conducts activities, such as solicitations or other communications, including a special project name or other designation.

(b)(1) A delegate committee, as defined at 11 CFR 100.5(e)(5), shall include the word *delegate(s)* in its name and may also include in its name the name of the presidential candidate which the delegate committee supports.

(2) A political committee established solely to draft an individual or to encourage him or her to become a candidate may include the name of such individual in the name of the committee provided the committee's name clearly indicates that it is a draft committee.

(3) An unauthorized political committee may include the name of a candidate in the title of a special project name or other communication if the title clearly and unambiguously shows opposition to the named candidate.

(c) The name of a separate segregated fund established pursuant to 11 CFR 102.1(c) shall include the full name of its connected organization. Such fund may also use a clearly recognized abbreviation or acronym by which the connected organization is commonly

known. Both the full name and such abbreviation or acronym shall be included on the fund's Statement of Organization, on all reports filed by the fund, and in all notices required by 11 CFR 109.11 and 110.11. The fund may make contributions using its acronym or abbreviated name. A fund established by a corporation which has a number of subsidiaries need not include the name of each subsidiary in its name. § 102.15 Commingled funds (2 U.S.C. 432(b)(3)).

All funds of a political committee shall be segregated from, and may not be commingled with, any personal funds of officers, members or associates of that committee, or with the personal funds of any other individual. See also 11 CFR 103.3 and part 114 and 2 U.S.C. 441b.

§ 102.16 Notice: Solicitation of contributions (2 U.S.C. 441d).

Each political committee shall comply with the notice requirements for solicitation of contributions set forth at 11 CFR 110.11.

§ 102.17 Joint fundraising by committees other than separate segregated funds.

(a) *General.* Nothing in this section shall supersede 11 CFR part 300, which prohibits any person from soliciting, receiving, directing, transferring, or spending any non-Federal funds, or from transferring Federal funds for Federal election activities.

(1)(i) Political committees may engage in joint fundraising with other political committees or with unregistered committees or organizations. The participants in a joint fundraising effort under this section shall either establish a separate committee or select a participating committee, to act as fundraising representative for all participants. The fundraising representa-

tive shall be a reporting political committee and an authorized committee of each candidate for federal office participating in the joint fundraising activity. If the participants establish a separate committee to act as the fundraising representative, the separate committee shall not be a participant in any other joint fundraising effort, but the separate committee may conduct more than one joint fundraising effort for the participants.

(ii) The participants may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping and reporting requirements set forth in this section are met.

(2) The procedures in 11 CFR 102.17(c) will govern all joint fundraising activity conducted under this section. The participants in joint fundraising activity may include political party committees (whether or not they are political committees under 11 CFR 100.5), candidate committees, multicandidate committees, and unregistered organizations which do not qualify as collecting agents under 11 CFR 102.6(b).

(3) A fundraising representative conducting joint fundraising under this section is distinguished from an unregistered organization acting as a collecting agent under 11 CFR 102.6(b). If a separate segregated fund or an unregistered organization qualifies and acts as a collecting agent under 11 CFR 102.6(b), the provisions of 11 CFR 102.17 will not apply to that fundraising activity.

(b) *Fundraising representatives*—(1) *Separate fundraising committee as fundraising representative.* Participating committees may establish a separate political committee to act as fundraising representative for all participants. This separate committee shall be a reporting political committee and shall collect contributions, pay fundraising costs from gross proceeds and from funds advanced by participants, and disburse net proceeds to each participant.

(2) *Participating committee as fundraising representative.* All participating committees may select one participant

§ 102.17

11 CFR Ch. I (1–1–11 Edition)

to act as fundraising representative for all participants. The fundraising representative must be a political committee as defined in 11 CFR 100.5. The fundraising representative and any other participating committees may collect contributions; however, all contributions received by other participants shall be forwarded to the fundraising representative as required by 11 CFR 102.8. The fundraising representative shall pay fundraising costs from gross proceeds and from funds advanced by participants and shall disburse net proceeds to each participant.

(3) *Funds advanced for fundraising costs.* (i) Except as provided in 11 CFR 102.17(b) (3)(ii) and (iii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 102.17 (c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs, however, the amount advanced which is in excess of the participant's proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2) and part 110.

(iii) If all the participants are affiliated under 11 CFR 110.3 or if the participants are all party committees of the same political party, there is no limit on the amount a participant may advance for fundraising costs on behalf of the other participants.

(c) *Joint fundraising procedures.* The requirements of 11 CFR 102.17(c)(1) through (8) shall govern joint fundraising activity conducted under this section.

(1) *Written agreement.* The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The formula shall be stated as the amount or percentage of each contribution received to be allocated to each participant. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) *Fundraising notice.* In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5; and

(B) The allocation formula to be used for distributing joint fundraising proceeds; and

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) In the following situations, the notice shall include the following additional information:

(A) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts; and

(B) If one or more participants can lawfully accept contributions that are prohibited under the Act, a statement informing contributors that contributions from prohibited sources will be distributed only to those participants that can accept them.

(3) *Separate depository account.* (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under the Act. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository. If one or more participants can lawfully accept contributions that are prohibited under the Act, the participants may either establish a second depository account

Federal Election Commission

§ 102.17

for contributions received from prohibited sources or they may forward such contributions directly to the non-federal participants.

(ii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 102.17(c)(8) when such funds are received from the fundraising representative.

(4) *Recordkeeping requirements.* (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees. The fundraising representative shall also keep a record of the total amount of contributions received from prohibited sources, if any, and of all transfers of prohibited contributions to participants that can accept them.

(iii) The fundraising representative shall retain the records required under 11 CFR 102.9 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(5) *Contribution limitations.* Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(6) *Allocation of gross proceeds.* (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. If distribution according to the allocation formula extinguishes the debts of one or more participants and results in a surplus for those participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(a), the fundraising representative may reallocate the excess funds. Reallocation shall be based upon the remaining participants' proportionate shares under the allocation formula. If reallocation results in a violation of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(ii) Designated contributions which exceed the contributor's limit to the designated participant under 11 CFR part 110 may not be reallocated by the fundraising representative absent the prior written permission of the contributor.

(iii) If any participants can lawfully accept contributions from sources prohibited under the Act, any such contributions that are received are not required to be distributed according to the allocation formula.

(7) *Allocation of expenses and distribution of net proceeds.* (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party;

(A) After gross contributions are allocated among the participants under 11 CFR 102.17(c)(6), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. If contributions from sources prohibited under the Act have been received and

distributed under 11 CFR 102.17(c)(6)(iii), those contributions need not be included in the total receipts for the purpose of allocating expenses under this section. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110.

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

(8) *Reporting of receipts and disbursements*—(i) *Reporting receipts*. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. The fundraising representative shall report the total amount of contributions received from prohibited sources during the reporting period, if any, as a memo entry. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions

from original contributors to the extent required under 11 CFR 104.3(a).

(ii) *Reporting disbursements*. The fundraising representative shall report all disbursements in the reporting period in which they are made.

§ 103.1 Notification of the commission.

Each committee shall notify the Commission of the campaign depository(ies) it has designated, pursuant to 11 CFR 101.1 and 103.2.

§ 103.2 Depositories (2 U.S.C. 432(h)(1)).

Each political committee shall designate one or more State banks, federally chartered depository institutions (including a national bank), or depository institutions the depositor accounts of which are insured by the Federal Deposit Insurance Corporation, Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration, as its campaign depository or depositories. One or more depositories may be established in one or more States. Each political committee shall maintain at least one checking account or transaction account at one of its depositories. Additional accounts may be established at each depository.

§ 103.3 Deposit of receipts and disbursements (2 U.S.C. 432(h)(1)).

(a) All receipts by a political committee shall be deposited in account(s) established pursuant to 11 CFR 103.2, except that any contribution may be,

Federal Election Commission

§ 103.3

within 10 days of the treasurer's receipt, returned to the contributor without being deposited. The treasurer of the committee shall be responsible for making such deposits. All deposits shall be made within 10 days of the treasurer's receipt. A committee shall make all disbursements by check or similar drafts drawn on an account at its designated campaign depository, except for expenditures of \$100 or less made from a petty cash fund maintained pursuant to 11 CFR 102.11. Funds may be transferred from the depository for investment purposes, but shall be returned to the depository before such funds are used to make expenditures.

(b) The treasurer shall be responsible for examining all contributions received for evidence of illegality and for ascertaining whether contributions received, when aggregated with other contributions from the same contributor, exceed the contribution limitations of 11 CFR 110.1 or 110.2.

(1) Contributions that present genuine questions as to whether they were made by corporations, labor organizations, foreign nationals, or Federal contractors may be, within ten days of the treasurer's receipt, either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer shall make his or her best efforts to determine the legality of the contribution. The treasurer shall make at least one written or oral request for evidence of the legality of the contribution. Such evidence includes, but is not limited to, a written statement from the contributor explaining why the contribution is legal, or a written statement by the treasurer memorializing an oral communication explaining why the contribution is legal. If the contribution cannot be determined to be legal, the treasurer shall, within thirty days of the treasurer's receipt of the contribution, refund the contribution to the contributor.

(2) If the treasurer in exercising his or her responsibilities under 11 CFR 103.3(b) determined that at the time a contribution was received and deposited, it did not appear to be made by a corporation, labor organization, foreign national or Federal contractor, or

made in the name of another, but later discovers that it is illegal based on new evidence not available to the political committee at the time of receipt and deposit, the treasurer shall refund the contribution to the contributor within thirty days of the date on which the illegality is discovered. If the political committee does not have sufficient funds to refund the contribution at the time the illegality is discovered, the political committee shall make the refund from the next funds it receives.

(3) Contributions which on their face exceed the contribution limitations set forth in 11 CFR 110.1 or 110.2, and contributions which do not appear to be excessive on their face, but which exceed the contribution limits set forth in 11 CFR 110.1 or 110.2 when aggregated with other contributions from the same contributor, and contributions which cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3) and 110.2(b)(3) may be either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer may request redesignation or reattribution of the contribution by the contributor in accordance with 11 CFR 110.1(b), 110.1(k) or 110.2(b), as appropriate. If a redesignation or reattribution is not obtained, the treasurer shall, within sixty days of the treasurer's receipt of the contribution, refund the contribution to the contributor.

(4) Any contribution which appears to be illegal under 11 CFR 103.3(b) (1) or (3), and which is deposited into a campaign depository shall not be used for any disbursements by the political committee until the contribution has been determined to be legal. The political committee must either establish a separate account in a campaign depository for such contributions or maintain sufficient funds to make all such refunds.

(5) If a contribution which appears to be illegal under 11 CFR 103.3(b) (1) or (3) is deposited in a campaign depository, the treasurer shall make and retain a written record noting the basis for the appearance of illegality. A statement

§ 103.4

noting that the legality of the contribution is in question shall be included in the report noting the receipt of the contribution. If a contribution is refunded to the contributor because it cannot be determined to be legal, the treasurer shall note the refund on the report covering the reporting period in which the refund is made.

Where such debts and obligations are settled for less than their reported amount or value, each report filed under 11 CFR 104.1 shall contain a statement as to the circumstances and conditions under which such debts or obligations were extinguished and the amount paid. *See* 11 CFR 116.7.

it worthiness; and that the lending institution is aware of the requirement that a loan or a line of credit must be made on a basis which assures repayment and that the lending institution has complied with Commission regulations at 11 CFR 100.82(a) through (d) and 100.142(a) through (d).

(2) The political committee shall submit a copy of the loan or line of credit agreement which describes the terms and conditions of the loan or line of credit when it files Schedule C-1 or C-P-1. This paragraph (d)(2) shall not apply to any Schedule C-1 or C-P-1 that is filed pursuant to paragraph (d)(4) of this section.

(3) The political committee shall file in the next due report a Schedule C-1 or C-P-1 each time a draw is made on a line of credit, and each time a loan or line of credit is restructured to change the terms of repayment. This paragraph (d)(3) shall not apply to any Schedule C-1 or C-P-1 that is filed pursuant to paragraph (d)(4) of this section.

(4) When a candidate obtains a bank loan or loan of money derived from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit described in 11 CFR 100.83 and 100.143 for use in connection with the candidate's campaign, the candidate's principal campaign committee shall disclose in the report covering the period when the loan was obtained, the following information on Schedule C-1 or C-P-1:

(3) If a committee uses pseudonyms it shall subtract the total dollar amount of the fictitious contributions from the total amount listed as a memo entry on line 11(a) of the Detailed Summary page, *Unitemized contributions from individual persons other than political committees*. Thus, the committee will, for this purpose only, be overstating the amount of itemized contributions received and understating the amount of unitemized contributions received.

(4) No authorized committee of a candidate shall attribute more than \$1,000 in contributions to the same pseudonym for each election and no other political committee shall attribute more than \$5,000 in contributions to the same pseudonym in any calendar year.

The Commission shall maintain the list, but shall exclude it from the public record. A committee shall not send any list of pseudonyms to the Secretary of the Senate or to any Secretary of State or equivalent state officer.

(6) A political committee shall not use pseudonyms for the purpose of circumventing the reporting requirements or the limitations and prohibitions of the Act.

(f) *Consolidated reports*. Each principal campaign committee shall consolidate in each report those reports required to be filed with it. Such consolidated reports shall include: (1) Reports submitted to it by any authorized committees and (2) the principal campaign committee's own report. Such consolidation shall be made on FEC Form 3-Z and shall be submitted with the reports of the principal campaign committee and with the reports, or applicable portions thereof, of the committees shown on the consolidation.

(g) *Building funds*. (1) A political party committee must report gifts,

subscriptions, loans, advances, deposits of money, or anything of value that are used by the political party committee's Federal accounts to defray the costs of construction or purchase of the committee's office building. See 11 CFR 300.35. Such a receipt is a contribution subject to the limitations and prohibitions of the Act and reportable as a contribution, regardless of whether the contributor has designated the funds or things of value for such purpose and regardless of whether such funds are deposited in a separate Federal account dedicated to that purpose.

(2) Gifts, subscriptions, loans, advances, deposits of money, or anything of value that are donated to a non-Federal account of a State or local party committee and are used by that party committee for the purchase or construction of its office building are not contributions subject to the reporting requirements of the Act. The reporting of such funds or things of value is subject to State law.

(3) Gifts, subscriptions, loans, advances, deposits of money, or anything of value that are used by a national committee of a political party to defray the costs of construction or purchase of the national committee's office building are contributions subject to the requirements of paragraph (g)(1) of this section.

(h) *Legal and accounting services*. A committee which receives legal or accounting services pursuant to 11 CFR 100.85 and 100.86 shall report as a memo entry, on Schedule A, the amounts paid for these services by the regular employer of the person(s) providing such services; the date(s) such services were performed; and the name of each person performing such services.

(i) *Cumulative reports*. The reports required to be filed under §104.5 shall be cumulative for the calendar year (or for the election cycle, in the case of an authorized committee) to which they relate, but if there has been no change in a category reported in a previous report during that year (or during that election cycle, in the case of an authorized committee), only the amount thereof need be carried forward.

(j) *Earmarked contributions*. Earmarked contributions shall be reported

§ 104.4

11 CFR Ch. I (1–1–11 Edition)

in accordance with 11 CFR 110.6. *See also* 11 CFR 102.8(c).

(k) *Reporting Election Cycle Activity Occurring Prior to January 1, 2001.* The aggregate of each category of receipt listed in paragraph (a)(3) of this section, except those in paragraphs (a)(3)(i)(A) and (B) of this section, and for each category of disbursement listed in paragraph (b)(2) of this section shall include amounts received or disbursed on or after the day after the last general election for the seat or office for which the candidate is running through December 31, 2000.

(2) *24-hour reports of independent expenditures.* Every person that must file a 24-hour report under 11 CFR 104.4(c) must ensure that the Commission receives the report by 11:59 p.m. Eastern Standard/Daylight Time on the day following the date on which a communication that constitutes an independent expenditure is publicly distributed or otherwise publicly disseminated. Each time subsequent independent expenditures by that person relating to the same election as that to which the previous report relates aggregate \$1,000 or more, that person must ensure that the Commission receives a 24-hour report of the subsequent independent expenditures by 11:59 p.m. Eastern Standard/Daylight Time on the day following the date on which the \$1,000 threshold is reached or exceeded. (See 11 CFR 104.4(f) for aggregation.)

The Commission shall publish such reporting dates in the FEDERAL REGISTER and shall notify

Federal Election Commission

§ 104.7

(2) Reports required to be filed under 11 CFR 104.5(a) or (c) may be waived by the Commission for committees filing special election reports if a report under 11 CFR 104.5(a) or (c) is due within 10 days of the date a special election report is due. The organization shall be required to file reports beginning with the first reporting period during which the aggregate cost for such communications exceeds \$2,000 per election as defined in 11 CFR 104.6(a)(1), and for each quarter thereafter in which the organization makes additional disbursements in connection with the same election.

report of such committee shall be considered in compliance with the Act.

(b) With regard to reporting the identification as defined at 11 CFR 100.12 of each person whose contribution(s) to the political committee and its affiliated political committees aggregate in excess of \$200 in a calendar year (or in an election cycle in the case of an authorized committee) (pursuant to 11 CFR 104.3(a)(4)), the treasurer and the political committee will only be deemed to have exercised best efforts to obtain, maintain and report the required information if:

(1)(i) All written solicitations for contributions include a clear request for the contributor's full name, mailing address, occupation and name of employer, and include an accurate statement of Federal law regarding the collection and reporting of individual contributor identifications.

(A) The following are examples of acceptable statements for unauthorized committees, but are not the only allowable statements: "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year;" and "To comply with Federal law, we must use best efforts to obtain, maintain, and submit the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 per calendar year."

(B) The following are examples of acceptable statements for authorized committees, but are not the only allowable statements: "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle;" and "To comply with Federal law, we must use best efforts to obtain, maintain, and submit the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 per election cycle."

(ii) The request and statement shall appear in a clear and conspicuous manner on any response material included in a solicitation. The request and statement are not clear and conspicuous if they are in small type in

comparison to the solicitation and response materials, or if the printing is difficult to read or if the placement is easily overlooked.

(2) For each contribution received aggregating in excess of \$200 per calendar year (or per election cycle, in the case of an authorized committee) which lacks required contributor information, such as the contributor's full name, mailing address, occupation or name of employer, the treasurer makes at least one effort after the receipt of the contribution to obtain the missing information. Such effort shall consist of either a written request sent to the contributor or an oral request to the contributor documented in writing. The written or oral request must be made no later than thirty (30) days after receipt of the contribution. The written or oral request shall not include material on any other subject or any additional solicitation, except that it may include language solely thanking the contributor for the contribution. The request must clearly ask for the missing information, and must include the statement set forth in paragraph (b)(1) of this section. Written requests must include this statement in a clear and conspicuous manner. If the request is written, it shall be accompanied by a pre-addressed return post card or envelope for the response material;

(3) The treasurer reports all contributor information not provided by the contributor, but in the political committee's possession, or in its connected organization's possession, regarding contributor identifications, including information in contributor records, fundraising records and previously filed reports, in the same two-year election cycle in accordance with 11 CFR 104.3; and

(4)(i) If any of the contributor information is received after the contribution has been disclosed on a regularly scheduled report, the political committee shall either:

(A) File with its next regularly scheduled report, an amended memo Schedule A listing all contributions for which contributor identifications have been received during the reporting period covered by the next regularly scheduled report together with the

dates and amounts of the contribution(s) and an indication of the previous report(s) to which the memo Schedule A relates; or

(B) File on or before its next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s), which include the contributor identifications together with the dates and amounts of the contribution(s).

(ii) Amendments must be filed for all reports that cover the two-year election cycle in which the contribution was received and that disclose itemizable contributions from the same contributor. However, political committees are not required to file amendments to reports covering previous election cycles.

(a) A reporting political committee shall disclose the identification of each individual who contributes an amount in excess of \$200 to the political committee's federal account(s). This identification shall include the individual's name, mailing address, occupation, the name of his or her employer, if any, and the date of receipt and amount of any such contribution. If an individual contributor's name is known to have changed since an earlier contribution reported during the calendar year (or during the election cycle, in the case of an authorized committee), the exact name or address previously used shall be noted with the first reported contribution from that contributor subsequent to the name change.

(b) In each case where a contribution received from an individual in a reporting period is added to previously unitemized contributions from the same individual and the aggregate exceeds \$200 in a calendar year (or in an election cycle, in the case of an authorized committee) the reporting political committee shall disclose the identification of such individual along with the date of receipt and amount of any such contribution. Except for contributions by payroll deduction, each additional contribution from the individual shall be separately itemized. In the case of a

political committee other than an authorized committee which receives contributions through a payroll deduction plan, such committee is not required to separately itemize each additional contribution received from the contributor during the reporting period. In lieu of separate itemization, such committee may report: the aggregate amount of contributions received from the contributor through the payroll deduction plan during the reporting period; the identification of the individual; and a statement of the amount deducted per pay period.

(c) Absent evidence to the contrary, any contribution made by check, money order, or other written instrument shall be reported as a contribution by the last person signing the instrument prior to delivery to the candidate or committee.

(d)(1) If an itemized contribution is made by more than one person in a single written instrument, the treasurer shall report the amount to be attributed to each contributor.

(2)(i) If a contribution is redesignated by a contributor, in accordance with 11 CFR 110.1(b) or 110.2(b), the treasurer of the authorized political committee receiving the contribution shall report the redesignation in a memo entry on Schedule A of the report covering the reporting period in which the redesignation is received. (B) The second part of the memo entry shall disclose all of the information for the contribution as it was redesignated by the contributing political committee, including the election for which the contribution was redesignated and the date on which the redesignation was made.

(3) If an itemized contribution is reattributed by the contributor(s) in accordance with 11 CFR 110.1(k), the treasurer shall report the reattribution in a memo entry on Schedule A of the report covering the reporting period in which the reattribution is received. The memo entry for each reattributed contribution shall be reported in the following manner—

(i) The first part of the memo entry shall disclose all of the information for the contribution as it was originally reported on Schedule A;

(ii) The second part of the memo entry shall disclose all of the information for the contribution as it was reattributed by the contributors, including the date on which the reattribution was received.

(4) If a contribution is refunded to the contributor, the treasurer of the political committee making the refund shall report the refund on Schedule B of the report covering the reporting period in which the refund is made, in accordance with 11 CFR 103.3(b)(5) and 104.3(b). If a contribution is refunded to a political committee, the treasurer of the political committee receiving the refund shall report the refund on Schedule A of the report covering the reporting period in which the refund is received, in accordance with 11 CFR 104.3(a).

count(s). This information shall include the donating individual's or entity's name, mailing address, occupation or type of business, and the date of receipt and amount of any such donation. If a donor's name is known to have changed since an earlier donation reported during the calendar year, the exact name or address previously used shall be noted with the first reported donation from that donor subsequent to the name change. The memo entry shall also include, where applicable, the information required by paragraphs (b) through (d) of this section.

(f) For reports covering activity on or before December 31, 2002, national party committees shall also disclose in a memo Schedule A information about each individual, committee, corporation, labor organization, or other entity that donates an aggregate amount in excess of \$200 in a calendar year to the committee's building fund account(s). (a) *Expenses allocated among candidates.* A national party committee making an expenditure on behalf of more than one clearly identified candidate for Federal office must report the allocation between or among the named candidates. A national party committee making expenditures and disbursements on behalf of one or more clearly identified Federal candidates and on behalf of one or more clearly identified non-Federal candidates must report the allocation among all named candidates. These payments shall be allocated among candidates pursuant to 11 CFR part 106, but only Federal funds may be used for such payments. A State, district, or local party committee making expenditures and disbursements for Federal election activity as defined at 11 CFR 100.24 on behalf of one or more clearly identified Federal and one or more clearly identified non-Federal candidates must make the payments from its Federal account and must report the allocation among all named candidates. A State, district, or local party committee making expenditures and disbursements on behalf of one or more clearly identified Federal and one or more clearly identified non-Federal candidates where the activity is not a Federal election activity may allocate the payments between its Federal and non-Federal account and must report the allocation among all named candidates. For allocated expenditures, the committee must report the amount of each in-kind contribution, inde-

pendent expenditure, or coordinated expenditure attributed to each candidate. If a payment also includes amounts attributable to one or more non-Federal candidates, and is made by a State, district, or local party committee with separate Federal and non-Federal accounts, and is not for a Federal election activity, then the payment shall be made according to the procedures set forth in 11 CFR 106.7(f), but shall be reported pursuant to paragraphs (a)(1) through (a)(4) of this section, as follows:

(1) *Reporting of allocation of expenses attributable to specific Federal and non-Federal candidates.* In each report disclosing a payment that includes both expenditures on behalf of one or more Federal candidates and disbursements on behalf of one or more non-Federal candidates, the committee must assign a unique identifying title or code to each program or activity conducted on behalf of such candidates, state the allocation ratio calculated for the program or activity, and explain the manner in which the ratio applied to each candidate was derived. The committee must also summarize the total amounts attributed to each candidate, to date, for each program or activity.

(2) *Reporting of transfers between accounts for the purpose of paying expenses attributable to specific Federal and non-Federal candidates.* A State, district, or local party committee that pays allocable expenses in accordance with 11 CFR 106.7(f) shall report each transfer of funds from its non-Federal account to its Federal account or to its separate allocation account for the purpose of paying such expenses. In the report covering the period in which each transfer occurred, the State, district, or local party committee shall explain in a memo entry the allocable expenses to which the transfer relates and the date on which the transfer was made. If the transfer includes funds for the allocable costs of more than one program or activity, the State, district, or local party committee must itemize the transfer, showing the amounts designated for each program or activity conducted on behalf of one or more clearly identified Federal candidates and one or more clearly identified non-Federal candidates.

In the report covering the period in which the disbursement occurred, the State, district, or local party committee shall state the full name and address of each person to whom the disbursement was made, and the date, amount, and purpose of each such disbursement. If the disbursement includes payment for the allocable costs of more than one program or activity, the committee shall itemize the disbursement, showing the amounts designated for payment of each program or activity conducted on behalf of one or more clearly identified Federal candidates and one or more clearly identified non-Federal candidates. The State, district, or local party committee must also report the amount of each in-kind contribution, independent expenditure, or coordinated expenditure attributed to each Federal candidate, and the total amount attributed to the non-Federal candidate(s). In addition, the State, district, or local party committee must report the total amount expended by the committee that year, to date, for each joint program or activity.

(4) *Recordkeeping.* The treasurer of a State, district, or local party committee must retain all documents supporting the committee's allocations on behalf of specific Federal and non-Federal candidates, in accordance with 11 CFR 104.14.

(b) *Allocation of activities that are not Federal election activities.* A State, district, or local committee of a political party that has established separate Federal and non-Federal accounts, including related allocation accounts, under 11 CFR 102.5 must report all payments that are allocable between these accounts pursuant to the allocation rules in 11 CFR 106.7. Disbursements for activities that are allocable between

Federal and Levin accounts, including related allocation accounts, must be reported pursuant to 11 CFR 300.36.

(1) *Reporting of allocations of expenses for activities that are not Federal election activities.* (i) In the first report in a calendar year disclosing a disbursement allocable pursuant to 11 CFR 106.7, a State, district, or local committee shall state and explain the allocation percentages to be applied to each category of allocable activity (e.g., 36% Federal/64% non-Federal in Presidential and Senate election years) pursuant to 11 CFR 106.7(d).

(ii) In each subsequent report in the calendar year itemizing an allocated disbursement, the State, district, or local party committee shall state the category of activity for which each allocated disbursement was made, and shall summarize the total amounts expended from Federal and non-Federal accounts, or from allocation accounts, that year to date for each such category.

(iii) In each report disclosing disbursements for allocable activities as described in 11 CFR 106.7, the State, district, or local party committee shall assign a unique identifying title or code to each such program or activity, and shall state the applicable Federal/non-Federal percentage for any direct costs of fundraising. Unique identifying titles or codes are not required for salaries and wages pursuant to 11 CFR 106.7(c)(1), or for other administrative costs allocated pursuant to 11 CFR 106.7(c)(2).

(2) *Reporting of transfers between the accounts of State, district, and local party committees and into allocation accounts for allocable expenses.* A State, district, or local committee of a political party that pays allocable expenses in accordance with 11 CFR 106.7 shall report each transfer of funds from its non-Federal account to its Federal account, or each transfer from its Federal account and its non-Federal account into an allocation account, for the purpose of payment of such expenses. In the report covering the period in which each transfer occurred, the State, district, or local party committee must explain in a memo entry the allocable expenses to which the transfer relates and the date on which the transfer was made. If

§ 104.18

the transfer includes funds for the allocable costs of more than one activity, the State, district, or local party committee must itemize the transfer, showing the amounts designated for each category of expense as described in 11 CFR 106.7.

(3) *Reporting of allocated disbursements for certain allocable activity that is not Federal election activity.* (i) A State, district, or local committee of a political party that pays allocable expenses in accordance with 11 CFR 106.7 shall report each disbursement from its Federal account for allocable expenses, or each payment from an allocation account for such activity. In the report covering the period in which the disbursement occurred, the State, district, or local committee shall state the full name and address of each individual or vendor to which the disbursement was made, the date, amount, and purpose of each such disbursement, and the amounts allocated to Federal and non-Federal portions of the allocable activity. If the disbursement includes payment for the allocable costs of more than one activity, the State, district, or local party committee must itemize the disbursement, showing the amounts designated for payments of particular categories of activity as described in 11 CFR 106.7. The State, district, or local party committee must also report the total amount paid that calendar year to date for each category of allocable activity.

(ii) A State, district, or local committee of a political party that pays allocable expenses from a Federal account and a Levin account in accordance with 11 CFR 300.33 shall report disbursements from those accounts according to the requirements of 11 CFR 300.36.

(2) Once any political committee or other person described in paragraph (a)(1) of this section exceeds or has reason to expect to exceed the appropriate threshold, the political committee or person must file electronically all subsequent reports covering financial activity for the remainder of the calendar year. All electronically filed reports must pass the Commission's validation program in accordance with paragraph (e) of this section. Reports filed on paper do not satisfy a political committee's or other person's filing obligations.

(3) *Have reason to expect to exceed.* (i) A political committee or other person shall have reason to expect to exceed the threshold stated in paragraph (a)(1) of this section for two calendar years following the calendar year in which the political committee or other person exceeds the threshold unless—

(B) The candidate has not qualified as a candidate for the next election and does not intend to become a candidate for federal office in the next election.

(ii) New political committees or other persons with no history of campaign finance activity shall have reason to expect to exceed the threshold stated in paragraph (a)(1) of this section within the calendar year if—

(B) It receives contributions or makes expenditures that exceed one-half of the threshold amount in the first half of the calendar year.

(b) *Voluntary.* A political committee or other person who files reports with the Commission, as provided in 11 CFR part 105, and who is not required to file electronically under paragraph (a) of this section, may choose to file its reports in an electronic format that meets the requirements of this section. If a political committee or other person chooses to file its reports electronically, all electronically filed reports must pass the Commission's validation program in accordance with paragraph (e) of this section. The committee or other person must continue to file in an electronic format all reports covering financial activity for that calendar year, unless the Commission determines that extraordinary and unforeseeable circumstances have made it impracticable for the political committee or other person to continue filing electronically.

(d) *Format specifications.* Reports filed electronically shall conform to the technical specifications described in the Federal Election Commission's Electronic Filing Specifications Requirements. (e) *Acceptance of reports filed in electronic format; validation program.* (1) Each political committee or other person who submits an electronic report shall check the report against the Commission's validation program before it is submitted, to ensure that the files submitted meet the Commission's format specifications and can be read by the Commission's computer system. Each report submitted in an electronic format under this section shall also be

checked upon receipt against the Commission's validation program. The Commission's validation program and the Electronic Filing Specification Requirement are available on request and at no charge.

(2) A report that does not pass the validation program will not be accepted by the Commission and will not be considered filed. If a political committee or other person submits a report that does not pass the validation program, the Commission will notify the political committee or other person that the report has not been accepted.

(f) *Amended reports.* If a political committee or other person files an amendment to a report that was filed electronically, the political committee or other person shall also submit the amendment in an electronic format. The political committee or other person shall submit a complete version of the report as amended, rather than just those portions of the report that are being amended. In addition, amendments must be filed in accordance with the Electronic Filing Specification Requirements.

(g) *Signature requirements.* The political committee's treasurer, or any other person having the responsibility to file a designation, report or statement under this subchapter, shall verify the report in one of the following ways: by submitting a signed certification on paper that is submitted with the computerized media; or by submitting a digitized copy of the signed certification as a separate file in the electronic submission. Each verification submitted under this section shall certify that the treasurer or other signatory has examined the report or statement and, to the best of the signatory's knowledge and belief, it is true, correct and complete. Any verification under this section shall be treated for all purposes (including penalties for perjury) in the same manner as a verification by signature on a report submitted in a paper format.

(h) *Schedules and forms with special requirements.* (1) The following are schedules and forms that require the filing of additional documents and that have special signature requirements:

§ 104.19

(i) *Preservation of reports.* For any report filed in electronic format under this section, the treasurer or other person required to file any report under the Act shall retain a machine-readable copy of the report as the copy preserved under 11 CFR 104.14(b)(2). In addition, the treasurer or other person required to file any report under the Act shall retain the original signed version of any documents submitted in a digitized format under paragraphs (g) and (h) of this section.

(iii) A party committee as defined at 11 CFR 100.5(e)(4).

(2) *Lobbyist/Registrant.* Lobbyist/registrant means a person who, at the time a contribution is forwarded to, or is received by, a reporting committee, is:

(3) *Lobbyist/Registrant PAC.* Lobbyist/registrant PAC means any political committee that a lobbyist/registrant “established or controls,” as defined in paragraph (a)(4) of this section.

(4) *Established or Controls.*—(i) For purposes of this section only, a lobbyist/registrant established or controls any political committee that the lobbyist/registrant is required to disclose to the Secretary of the U. S. Senate or Clerk of the U.S. House of Representatives as being established or controlled by that lobbyist/registrant under Section 203 of the Honest Leadership and Open Government Act of 2007, amending the Lobbying Disclosure Act of 1995 (2 U.S.C. 1604(d)(1)(C)).

(ii) If, after consulting guidance from the offices of the Secretary of the Sen-

ate or Clerk of the U.S House of Representatives, or communicating with such offices, a political committee is unable to ascertain whether it is established or controlled by a lobbyist/registrant, a lobbyist/registrant will be deemed to have established or to control a political committee if:

(A) The political committee is a separate segregated fund with a current registrant under Section 4(a) of the Lobbying Disclosure Act (2 U.S.C. 1603(a)) as its connected organization; or

(B) The political committee meets either of the following criteria:

(1) A lobbyist/registrant had a primary role in the establishment of the political committee, excluding the provision of legal or compliance services or advice; or

(iii) *Monthly.* For reporting committees that file monthly campaign finance reports under 11 CFR 104.5, the covered period also includes each month in the calendar year, except that in election years the pre- and post-general election reporting periods shall constitute the covered period in lieu of the monthly November and December reporting periods.

(iv) *Alternative for monthly filers.* Any reporting committee that files monthly campaign finance reports under 11 CFR 104.5 may choose to file reports pursuant to the quarterly covered period in paragraph (a)(5)(ii) of this section instead of the monthly covered period in paragraph (a)(5)(iii) of this section. It shall do so by notifying the Commission in writing of its intention to do so at the time the reporting committee files a monthly report under paragraph (a)(5)(iii) of this section. The reporting committee will be required to file its next report under the new filing frequency. The reporting committee may change its filing frequency no more than once per calendar year.

(v) *Runoffs and Special Elections.* For special elections and runoff elections set by State law, the covered period shall be the same as the reporting periods set under 11 CFR 104.5(h).

(6) *Bundled Contribution.* *Bundled contribution* means any contribution that meets the definition set forth in either paragraph (i) or (ii) below:

(i) *Forwarded contribution* means a contribution delivered or transmitted, by physical or electronic means, to the reporting committee by a lobbyist/registrant or lobbyist/registrant PAC, or by any person that the reporting committee knows to be forwarding such contribution on behalf of a lobbyist/registrant or lobbyist/registrant PAC.

(ii) *Received and credited contribution* means a contribution received by the reporting committee from the contributor or contributors, and credited by the reporting committee or candidate involved to a lobbyist/registrant or lobbyist/registrant PAC through records, designations, or other means of recognizing that a certain amount of money has been raised by the lobbyist/registrant or lobbyist/registrant PAC.

(A) *Records, designations, or other means of recognizing.* *Records* means written evidence (including writings, charts, computer files, tables, spreadsheets, databases, or other data or data compilations stored in any medium from which information can be obtained) that the reporting committee or candidate involved attributes to a lobbyist/registrant or lobbyist/registrant PAC contributions raised by

that person or entity and received by the reporting committee.

Designations or other means of recognizing bundled contributions means benefits given by the reporting committee to persons for raising a certain amount of contributions, including but not limited to:

(1) Titles that the reporting committee assigns to persons who have raised a certain amount of contributions;

(2) Tracking identifiers that the reporting committee assigns and that are included on contributions or contributions-related materials (for example, contributor response devices, cover letters, or Internet Web site solicitation pages) for the purpose of maintaining information about the amounts of contributions that a person raises;

(3) Access (including offers or attendance) to events or activities given to the lobbyist/registrant or lobbyist/registrant PAC by the reporting committee as a result of raising a certain amount of contributions; and

(4) Mementos, such as photographs with the candidate or autographed copies of books authored by the candidate, given by the reporting committee to persons who have raised a certain amount of contributions.

(iii) Bundled contributions do not include contributions made by the lobbyist/registrant PAC or from the personal funds of the lobbyist/registrant that forwards or is credited with raising the contributions or the personal funds of that person's spouse.

(b) *Reporting requirement for reporting committees*—(1) *FEC Form 3L.* Each reporting committee must file FEC Form 3L (Report of Contributions Bundled by Lobbyist/Registrants and Lobbyist/Registrant PACs) if it has received two or more bundled contributions (*see*

paragraph (a)(6)) forwarded by or received and credited to a person reasonably known by the reporting committee to be a lobbyist/registrant or lobbyist/registrant PAC aggregating in excess of \$15,000 during the covered period. The form shall set forth:

(i) The name of each lobbyist/registrant or lobbyist/registrant PAC;

(ii) The address of each lobbyist/registrant or lobbyist/registrant PAC;

(iii) The employer of each lobbyist/registrant; and

(iv) The aggregate amount of bundled contributions forwarded by or received and credited to each lobbyist/registrant or lobbyist/registrant PAC by the reporting committee during the covered period.

(2) *Determining whether a person is reasonably known to be a lobbyist/registrant or lobbyist/registrant PAC.*—(i) In order to comply with paragraph (b)(1) of this section, a reporting committee must consult, in a manner reasonably calculated to find the name of each person who is a lobbyist/registrant or lobbyist/registrant PAC, the Web sites maintained by the Clerk of the House of Representatives, the Secretary of the Senate, and the Federal Election Commission to determine whether, at the time a contribution was forwarded to, or received by, the reporting committee:

(A) The person was listed as a current registrant under Section 4(a) of the Lobbying Disclosure Act of 1995 (2 U.S.C. 1603(a));

(B) The person was an individual listed on a current registration filed under Section 4(b)(6) or a current report filed under Section 5(b)(2)(C) of the Lobbying Disclosure Act of 1995 (2 U.S.C. 1603 or 1604);

(ii) A manner reasonably calculated to find the name of each person who is

a lobbyist/registrant or lobbyist/registrant PAC may be demonstrated by the reporting committee producing a computer printout or screen capture from a Web browser indicating that the name of the person sought was not listed in the results of the Web site consultations performed in accordance with paragraph (b)(2)(i) of this section. Such a computer printout or screen capture shall constitute conclusive evidence that the reporting committee has consulted such Web sites and not found the name of the person sought, but shall not be the exclusive means by which the reporting committee may provide evidence that it has consulted such Web sites and not found the name of the person sought.

(iii) A reporting committee shall be subject to the reporting requirement under paragraph (b)(1) of this section if it had actual knowledge that, at the time a contribution was forwarded or received, the person whose name is sought was required to be listed on any registration or report described in paragraph (b)(2)(i) of this section.

(c) *Lobbyist/Registrant PAC reporting requirements.* Any political committee that is a lobbyist/registrant PAC as defined in paragraph (a)(3) of this section must identify itself as such on FEC Form 1 either upon registration with the Commission if it is a new political committee, or by amendment in accordance with 11 CFR 102.2(a)(2) if it is a political committee registered with the Commission.

(2) The employer of the lobbyist/registrant; and

(3) The aggregate amount of bundled contributions forwarded by or received and credited to each lobbyist/registrant or lobbyist/registrant PAC by the reporting committee during the covered period.

(g) *Price index increase.*(1) The threshold for reporting bundled contributions established in paragraph (b)(1) of this section shall be increased by the percent difference between the price index as defined at 11 CFR 110.17(d), as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period.

(2) Each contribution bundling threshold so increased shall be the threshold in effect for that calendar year.

(3) For purposes of this paragraph (g), the term base period means calendar year 2006.

- 106.1 Allocation of expenses between candidates.
- 106.2 State allocation of expenditures incurred by authorized committees of Presidential primary candidates receiving matching funds.
- 106.3 Allocation of expenses between campaign and non-campaign related travel.
- 106.4 Allocation of polling expenses.
- 106.5 Allocation of expenses between federal and non-federal activities by national party committees.
- 106.6 Allocation of expenses between federal and non-federal activities by separate segregated funds and nonconnected committees.
- 106.7 Allocation of expenses between Federal and non-Federal accounts by party committees, other than for Federal election activities.
- 106.8 Allocation of expenses for political party committee phone banks that refer to a clearly identified Federal candidate.

AUTHORITY: 2 U.S.C. 438(a)(8), 441a(b), 441a(g).

§ 106.1 Allocation of expenses between candidates.

(a) *General rule.* (1) Expenditures, including in-kind contributions, independent expenditures, and coordinated expenditures made on behalf of more than one clearly identified Federal candidate shall be attributed to each such candidate according to the benefit reasonably expected to be derived. For example, in the case of a publication or broadcast communication, the attribution shall be determined by the proportion of space or time devoted to each candidate as compared to the total space or time devoted to all candidates. In the case of a fundraising program or event where funds are collected by one committee for more than one clearly identified candidate, the attribution shall be determined by the proportion of funds received by each candidate as compared to the total receipts by all candidates. In the case of a phone bank, the attribution shall be determined by the number of questions or statements devoted to each candidate as compared to the total number of questions or statements devoted to all candidates. These methods shall

§ 106.2

11 CFR Ch. I (1–1–11 Edition)

also be used to allocate payments involving both expenditures on behalf of one or more clearly identified Federal candidates and disbursements on behalf of one or more clearly identified non-Federal candidates.

(2) An expenditure made on behalf of more than one clearly identified Federal candidate shall be reported pursuant to 11 CFR 104.10(a) or 104.17(a), as appropriate. A payment that also includes amounts attributable to one or more non-Federal candidates, and that is made by a political committee with separate Federal and non-Federal accounts, shall be made according to the procedures set forth in 11 CFR 106.6(e) or 106.7(f), but shall be reported pursuant to 11 CFR 104.10(a) or 104.17(a). If a State, district, or local party committee's payment on behalf of both a Federal candidate and a non-Federal candidate is for a Federal election activity, only Federal funds may be used for the entire payment. For Federal election activities, the provisions of 11 CFR 300.33 and 104.17(a) will apply to payments attributable to candidates.

(b) An authorized expenditure made by a candidate or political committee on behalf of another candidate shall be reported as a contribution in-kind (transfer) to the candidate on whose behalf the expenditure was made, except that expenditures made by party committees pursuant to §109.32 or 109.33 need only be reported as an expenditure.

(c) *Exceptions:* (1) Expenditures for rent, personnel, overhead, general administrative, fund-raising, and other day-to-day costs of political committees need not be attributed to individual candidates, unless these expenditures are made on behalf of a clearly identified candidate and the expenditure can be directly attributed to that candidate.

(2) Expenditures for educational campaign seminars, for training of campaign workers, and for registration or get-out-the-vote drives of committees need not be attributed to individual candidates unless these expenditures are made on behalf of a clearly identified candidate, and the expenditure can be directly attributed to that candidate.

(3) Payments made for the cost of certain voter registration and get-out-the-vote activities conducted by State or local party organizations on behalf of any Presidential or Vice-Presidential candidate(s) are exempt from the definition of a contribution or an expenditure under 11 CFR 100.89 and 100.149. If the State or local party organization includes references to any candidate(s) seeking nomination or election to the House of Representatives or Senate of the United States the portion of the cost of such activities allocable to such candidate(s) shall be considered a contribution to or an expenditure on behalf of such candidate(s), unless such reference is incidental to the overall activity. If such reference is incidental to the overall activity, such costs shall not be considered a contribution to or expenditure on behalf of any candidate(s).

(d) For purposes of this section, *clearly identified* shall have the same meaning as set forth at 11 CFR 100.17.

(e) State, district, and local party committees, separate segregated funds, and nonconnected committees that make mixed Federal/non-Federal payments for activities other than an activity entailing an expenditure for a Federal candidate and disbursement for a non-Federal candidate, or that make mixed Federal/Levin fund payments, shall allocate those expenses in accordance with 11 CFR 106.6, 106.7, or 300.33, as appropriate.

(2 U.S.C. 438(a)(8))

[41 FR 35944, Aug. 25, 1976, as amended at 45 FR 15117, Mar. 7, 1980; 45 FR 21209, Apr. 1, 1980; 55 FR 26069, June 26, 1990; 60 FR 35305, July 6, 1995; 67 FR 49115, July 29, 2002; 67 FR 78681, Dec. 26, 2002]

§ 106.2 State allocation of expenditures incurred by authorized committees of Presidential primary candidates receiving matching funds.

(a) *General*—(1) This section applies to Presidential primary candidates receiving or expecting to receive federal matching funds pursuant to 11 CFR parts 9031 *et seq.* The expenditures described in 11 CFR 106.2(b)(2) shall be allocated to a particular State if incurred by a candidate's authorized

committee(s) for the purpose of influencing the nomination of that candidate for the office of President with respect to that State. An expenditure shall not necessarily be allocated to the State in which the expenditure is incurred or paid. In the event that the Commission disputes the candidate's allocation or claim of exemption for a particular expense, the candidate shall demonstrate, with supporting documentation, that his or her proposed method of allocation or claim of exemption was reasonable. Expenditures required to be allocated to the primary election under 11 CFR 9034.4(e) shall also be allocated to particular states in accordance with this section.

(2) Disbursements made prior to the time an individual becomes a candidate for the purpose of determining whether that individual should become a candidate pursuant to 11 CFR 100.72(a) and 100.131(a), *i.e.*, payments for testing the waters, shall be allocable expenditures under this section if the individual becomes a candidate.

(b) *Method of allocating expenditures among States*—(1) *General allocation method.* Unless otherwise specified under 11 CFR 106.2(b)(2), an expenditure described in 11 CFR 106.2(b)(2) and incurred by a candidate's authorized committee(s) for the purpose of influencing the nomination of that candidate in more than one State shall be allocated to each State on a reasonable and uniformly applied basis. The total amount allocated to a particular State may be reduced by the amount of exempt fundraising expenses for that State, as specified in 11 CFR 110.8(c)(2).

(2) *Specific allocation methods.* Expenditures that fall within the categories listed below shall be allocated based on the following methods. The method used to allocate a category of expenditures shall be based on consistent data for each State to which an allocation is made.

(i) *Media expenditures*—(A) *Print media.* Except for expenditures exempted under 11 CFR 106.2(b)(2)(i) (E) and (F), allocation of expenditures for the publication and distribution of newspaper, magazine and other types of printed advertisements distributed in more than one State shall be made using relative circulation percentages

in each State or an estimate thereof. For purposes of this section, allocation to a particular State will not be required if less than 3% of the total estimated readership of the publication is in that State.

(B) *Broadcast media.* Except for expenditures exempted under 11 CFR 106.2(b)(2)(i) (E) and (F), expenditures for radio, television and similar types of advertisements purchased in a particular media market that covers more than one State shall be allocated to each State in proportion to the estimated audience. This allocation of expenditures, shall be made using industry market data. If industry market data is not available, the committee shall obtain market data from the media carrier transmitting the advertisement(s).

(C) *Refunds for media expenditures.* Refunds for broadcast time or advertisement space, purchased but not used, shall be credited to the States on the same basis as the original allocation.

(D) *Limits on allocation of media expenditures.* No allocation of media expenditures shall be made to any State in which the primary election has already been held.

(E) *National advertising.* Expenditures incurred for advertisements on national networks, national cable or in publications distributed nationwide need not be allocated to any State.

(F) *Media production costs.* Expenditures incurred for production of media advertising, whether or not that advertising is used in more than one State, need not be allocated to any State.

(G) *Commissions.* Expenditures for commissions, fees and other compensation for the purchase of broadcast or print media need not be allocated to any State.

(ii) *Expenditures for mass mailings and other campaign materials.* Expenditures for mass mailings of more than 500 pieces to addresses in the same State, and expenditures for shipping campaign materials to a State, including pins, bumperstickers, handbills, brochures, posters and yard signs, shall be allocated to that State. For purposes of this section, *mass mailing* includes newsletters and other materials in which the content of the materials is

substantially identical. Records supporting the committee's allocations under this section shall include: For each mass mailing, documentation showing the total number of pieces mailed and the number mailed to each state or zip code; and, for other campaign materials acquired for use outside the State of purchase, records relating to any shipping costs incurred for transporting these items to each State.

(iii) *Overhead expenditures*—(A) *Overhead expenditures of State offices and other facilities.* Except for expenditures exempted under 11 CFR 106.2(b)(2)(iii)(C), overhead expenditures of committee offices whose activities are directed at a particular State, and the costs of other facilities used for office functions and campaign events, shall be allocated to that State. An amount that does not exceed 10% of office overhead expenditures for a particular State may be treated as exempt compliance expenses, and may be excluded from allocation to that State.

(B) *Overhead expenditures of regional offices.* Except for expenditures exempted under 11 CFR 106.2(b)(2)(iii)(C), overhead expenditures of a committee regional office or any committee office with responsibilities in two or more States shall be allocated to the State holding the next primary election, caucus or convention in the region. The committee shall maintain records to demonstrate that an office operated on a regional basis. These records should show, for example, the kinds of programs conducted from the office, the number and nature of contacts with other States in the region, and the amount of time devoted to regional programs by staff working in the regional office.

(C) *Overhead expenditures of national campaign headquarters.* Expenditures incurred for administrative, staff, and overhead expenditures of the national campaign headquarters need not be allocated to any State, except as provided in paragraph (b)(2)(iv) of this section.

(D) *Definition of overhead expenditures.* For purposes of 11 CFR 106.2(b)(2)(iii), overhead expenditures include, but are not limited to, rent, utilities, equipment, furniture, supplies, and tele-

phone service base charges. "Telephone service base charges" include any regular monthly charges for committee phone service, and charges for phone installation and intrastate phone calls other than charges related to a special program under 11 CFR 106.2(b)(2)(iv). Inter-state calls are not included in "telephone service base charges." Overhead expenditures also include the costs of temporary offices established while the candidate is traveling in the State or in the final weeks before the primary election, as well as expenses paid by campaign staff and subsequently reimbursed by the committee, such as miscellaneous supplies, copying, printing and telephone expenses. See 11 CFR 116.5.

(iv) *Expenditures for special telephone programs.* Expenditures for special telephone programs targeted at a particular State, including the costs of designing and operating the program, the costs of installing or renting telephone lines and equipment, toll charges, personnel costs, consultants' fees, related travel costs, and rental of office space, including a *pro rata* portion of national, regional or State office space used for such purposes, shall be allocated to that State based on the percentage of telephone calls made to that State. Special telephone programs include voter registration, get out the vote efforts, fundraising, and telemarketing efforts conducted on behalf of the candidate. A special telephone program is targeted at a particular State if 10% or more of the total telephone calls made each month are made to that State. Records supporting the committee's allocation of each special telephone program under this section shall include either the telephone bills showing the total number of calls made in that program and the number made to each State; or, a copy of the list used to make the calls, from which these numbers can be determined.

(v) *Public opinion poll expenditures.* Expenditures incurred for the taking of a public opinion poll covering only one State shall be allocated to that State. Except for expenditures incurred in conducting a public opinion poll on a nationwide basis, expenditures incurred for the taking of a public opinion poll covering two or more States

Federal Election Commission

§ 106.3

shall be allocated to those States based on the number of people interviewed in each State. Expenditures incurred for the taking of a public opinion poll include consultant's fees, travel costs and other expenses associated with designing and conducting the poll. Records supporting the committee's allocation under this section shall include documentation showing the total number of people contacted for each poll and the number contacted in each State.

(3) *National consulting fees.* Expenditures for consultants' fees need not be allocated to any State if the fees are charged for consulting on national campaign strategy. Expenditures for consultants' fees charged for conducting special telephone programs and public opinion polls shall be allocated in accordance with paragraphs (b)(2) (iv) and (v) of this section.

(c) *Reporting.* All expenditures allocated under this section shall be reported on FEC Form 3P, page 3.

(d) *Recordkeeping.* All assumptions and supporting calculations for allocations made under this section shall be documented and retained for Commission inspection. In addition to the records specified in paragraph (b) of this section, the treasurer shall retain records supporting the committee's allocations of expenditures to particular States and claims of exemption from allocation under this section. If the records supporting the allocation or claim of exemption are not retained, the expenditure shall be considered allocable and shall be allocated to the State holding the next primary election, caucus or convention after the expenditure is incurred.

§ 106.3 Allocation of expenses between campaign and non-campaign related travel.

(a) This section applies to allocation for expenses between campaign and non-campaign related travel with respect to campaigns of candidates for Federal office, other than Presidential and Vice Presidential candidates who receive federal funds pursuant to 11 CFR part 9005 or 9036. (See 11 CFR

9004.7 and 9034.7) All expenditures for campaign-related travel paid for by a candidate from a campaign account or by his or her authorized committees or by any other political committee shall be reported.

(b)(1) Travel expenses paid for by a candidate from personal funds, or from a source other than a political committee, shall constitute reportable expenditures if the travel is campaign-related.

(2) Where a candidate's trip involves both campaign-related and non-campaign-related stops, the expenditures allocable for campaign purposes are reportable, and are calculated on the actual cost-per-mile of the means of transportation actually used, starting at the point of origin of the trip, via every campaign-related stop and ending at the point of origin.

(3) Where a candidate conducts any campaign-related activity in a stop, the stop is a campaign-related stop and travel expenditures made are reportable. Campaign-related activity shall not include any incidental contacts.

(c)(1) Where an individual, other than a candidate, conducts campaign-related activities on a trip, the portion of the trip attributed to each candidate shall be allocated on a reasonable basis.

(2) Travel expenses of a candidate's spouse and family are reportable as expenditures only if the spouse or family members conduct campaign-related activities.

(d) Costs incurred by a candidate for the United States Senate or House of Representatives for travel between Washington, DC, and the State or district in which he or she is a candidate need not be reported herein unless the costs are paid by a candidate's authorized committee(s), or by any other political committee(s).

(e) Notwithstanding paragraphs (b) and (c) of this section, the reportable expenditure for a candidate who uses government accommodations for travel that is campaign-related is the rate for comparable accommodations. The reportable expenditure for a candidate who uses a government conveyance for travel that is campaign-related is the applicable rate for a comparable commercial conveyance set forth in 11 CFR

§ 106.4

11 CFR Ch. I (1–1–11 Edition)

100.93(e). In the case of a candidate authorized by law or required by national security to be accompanied by staff and equipment, the allocable expenditures are the costs of facilities sufficient to accommodate the party, less authorized or required personnel and equipment. If such a trip includes both campaign and noncampaign stops, equivalent costs are calculated in accordance with paragraphs (b) and (c) of this section.

§ 106.4 Allocation of polling expenses.

(a) The purchase of opinion poll results by a candidate or a candidate's authorized political committee or agent is an expenditure by the candidate. Regarding the purchase of opinion poll results for the purpose of determining whether an individual should become a candidate, see 11 CFR 100.131(a).

(b) The purchase of opinion poll results by a political committee or other person not authorized by the candidate to make expenditures and the subsequent acceptance of the poll results by a candidate or a candidate's authorized political committee or agent or by another unauthorized political committee is a contribution in-kind by the purchaser to the candidate or other political committee and an expenditure by the candidate or other political committee. Regarding the purchase of opinion poll results for the purpose of determining whether an individual should become a candidate, see 11 CFR 100.72(a). The poll results are accepted by a candidate or other political committee if the candidate or the candidate's authorized political committee or agent or the other unauthorized political committee—

(1) Requested the poll results before their receipt;

(2) Uses the poll results; or

(3) Does not notify the contributor that the results are refused.

(c) The acceptance of any part of a poll's results which part, prior to receipt, has been made public without any request, authorization, prearrange-

ment, or coordination by the candidate-recipient or political committee-recipient, shall not be treated as a contribution in-kind and expenditure under paragraph (b) of this section.

(d) The purchase of opinion poll results by an unauthorized political committee for its own use, in whole or in part, is an overhead expenditure by the political committee under §106.1(c)(1) to the extent of the benefit derived by the committee.

(e) The amount of a contribution under paragraph (b) of this section or of any expenditure under paragraphs (a) and (b) of this section attributable to each candidate-recipient or political committee-recipient shall be—

(1) That share of the overall cost of the poll which is allocable to each candidate (including State and local candidates) or political committee, based upon the cost allocation formula of the polling firm from which the results are purchased. Under this method the size of the sample, the number of computer column codes, the extent of computer tabulations, and the extent of written analysis and verbal consultation, if applicable, may be used to determine the shares; or

(2) An amount computed by dividing the overall cost of the poll equally among candidates (including State and local candidates) or political committees receiving the results; or

(3) A proportion of the overall cost of the poll equal to the proportion that the number of question results received by the candidate or political committee bears to the total number of question results received by all candidates (including State and local candidates) and political committees; or

(4) An amount computed by any other method which reasonably reflects the benefit derived.

(f) The first candidate(s) or committee(s) receiving poll results under paragraph (b) or (d) of this section and any candidate or political committee receiving poll results under paragraph (b) of this section within 15 days after receipt by the initial recipient(s) shall compute the amount of the contribution in-kind and the expenditure as provided in paragraph (e) of this section.

Federal Election Commission

§ 106.5

(g) The amount of the contribution and expenditure reported by a candidate or a political committee receiving poll results under paragraph (b) of this section more than 15 days after receipt of such poll results by the initial recipient(s) shall be—

(1) If the results are received during the period 16 to 60 days following receipt by the initial recipient(s), 50 percent of the amount allocated to an initial recipient of the same results;

(2) If the results are received during the period 61 to 180 days after receipt by the initial recipient(s), 5 percent of the amount allocated to an initial recipient of the same results;

(3) If the results are received more than 180 days after receipt by the initial recipient(s), no amount need be allocated.

(h) A contributor of poll results under paragraph (b) of this section shall maintain records sufficient to support the valuation of the contribution(s) in-kind and shall inform the candidate-recipient(s) or political committee-recipient(s) of the value of the contribution(s).

§ 106.5 Allocation of expenses between federal and non-federal activities by national party committees.

(a) *General rules*—(1) *Disbursements from Federal and non-Federal accounts.* National party committees that make disbursements in connection with Federal and non-Federal elections shall make those disbursements entirely from funds subject to the prohibitions and limitations of the Act, or from accounts established pursuant to 11 CFR 102.5. Political committees that have established separate Federal and non-Federal accounts under 11 CFR 102.5(a)(1)(i) shall allocate expenses between those accounts according to this section. Organizations that are not political committees but have established separate Federal and non-Federal accounts under 11 CFR 102.5(b)(1)(i), or that make Federal and non-Federal disbursements from a single account under 11 CFR 102.5(b)(1)(ii), shall also allocate their Federal and non-Federal

expenses according to this section. This section covers:

(i) General rules regarding allocation of Federal and non-Federal expenses by party committees;

(ii) Percentages to be allocated for administrative expenses and costs of generic voter drives by national party committees;

(iii) Methods for allocation of administrative expenses, costs of generic voter drives, and of fundraising costs by national party committees; and

(iv) Procedures for payment of allocable expenses. Requirements for reporting of allocated disbursements are set forth in 11 CFR 104.10.

(2) *Costs to be allocated.* National party committees that make disbursements in connection with Federal and non-Federal elections shall allocate expenses according to this section for the following categories of activity:

(i) Administrative expenses including rent, utilities, office supplies, and salaries, except for such expenses directly attributable to a clearly identified candidate;

(ii) The direct costs of a fundraising program or event including disbursements for solicitation of funds and for planning and administration of actual fundraising events, where Federal and non-Federal funds are collected by one committee through such program or event; and

(iii) [Reserved]

(iv) Generic voter drives including voter identification, voter registration, and get-out-the-vote drives, or any other activities that urge the general public to register, vote or support candidates of a particular party or associated with a particular issue, without mentioning a specific candidate.

(b) *National party committees other than Senate or House campaign committees; fixed percentages for allocating administrative expenses and costs of generic voter drives*—(1) *General rule.* Each national party committee other than a Senate or House campaign committee shall allocate a fixed percentage of its administrative expenses and costs of generic voter drives, as described in paragraph (a)(2) of this section, to its Federal and non-Federal account(s)

§ 106.5

11 CFR Ch. I (1–1–11 Edition)

each year. These percentages shall differ according to whether or not the allocable expenses were incurred in a presidential election year. Such committees shall allocate the costs of each combined Federal and non-Federal fundraising program or event according to paragraph (f) of this section, with no fixed percentages required.

(2) *Fixed percentages according to type of election year.* National party committees other than the Senate or House campaign committees shall allocate their administrative expenses and costs of generic voter drives according to paragraphs (b)(2) (i) and (ii) as follows:

(i) *Presidential election years.* In presidential election years, national party committees other than the Senate or House campaign committees shall allocate to their Federal accounts at least 65% each of their administrative expenses and costs of generic voter drives.

(ii) *Non-presidential election years.* In all years other than presidential election years, national party committees other than the Senate or House campaign committees shall allocate to their Federal accounts at least 60% each of their administrative expenses and costs of generic voter drives.

(c) *Senate and House campaign committees of a national party; method and minimum Federal percentage for allocating administrative expenses and costs of generic voter drives—(1) Method for allocating administrative expenses and costs of generic voter drives.* Subject to the minimum percentage set forth in paragraph (c)(2) of this section, each Senate or House campaign committee of a national party shall allocate its administrative expenses and costs of generic voter drives, as described in paragraph (a)(2) of this section, according to the funds expended method, described in paragraphs (c)(1)(i) and (ii) as follows:

(i) Under this method, expenses shall be allocated based on the ratio of Federal expenditures to total Federal and non-Federal disbursements made by the committee during the two-year Federal election cycle. This ratio shall be estimated and reported at the beginning of each Federal election cycle, based upon the committee's Federal and non-Federal disbursements in a prior comparable Federal election

cycle or upon the committee's reasonable prediction of its disbursements for the coming two years. In calculating its Federal expenditures, the committee shall include only amounts contributed to or otherwise spent on behalf of specific federal candidates. Calculation of total Federal and non-Federal disbursements shall also be limited to disbursements for specific candidates, and shall not include overhead or other generic costs.

(ii) On each of its periodic reports, the committee shall adjust its allocation ratio to reconcile it with the ratio of actual Federal and non-Federal disbursements made, to date. If the non-Federal account has paid more than its allocable share, the committee shall transfer funds from its Federal to its non-Federal account, as necessary, to reflect the adjusted allocation ratio. The committee shall make note of any such adjustments and transfers on its periodic reports, submitted pursuant to 11 CFR 104.5.

(2) *Minimum Federal percentage for administrative expenses and costs of generic voter drives.* Regardless of the allocation ratio calculated under paragraph (c)(1) of this section, each Senate or House campaign committee of a national party shall allocate to its Federal account at least 65% each of its administrative expenses and costs of generic voter drives each year. If the committee's own allocation calculation under paragraph (c)(1) of this section yields a Federal share greater than 65%, then the higher percentage shall be applied. If such calculation yields a Federal share lower than 65%, then the committee shall report its calculated ratio according to 11 CFR 104.10(b), and shall apply the required minimum Federal percentage.

(3) *Allocation of fundraising costs.* Senate and House campaign committees shall allocate the costs of each combined Federal and non-Federal fundraising program or event according to paragraph (f) of this section, with no minimum percentages required.

(d)–(e) [Reserved]

(f) *National party committees; method for allocating direct costs of fundraising.* (1) If Federal and non-Federal funds are collected by one committee through a

Federal Election Commission

§ 106.5

joint activity, that committee shall allocate its direct costs of fundraising, as described in paragraph (a)(2) of this section, according to the funds received method. Under this method, the committee shall allocate its fundraising costs based on the ratio of funds received into its Federal account to its total receipts from each fundraising program or event. This ratio shall be estimated prior to each such program or event based upon the committee's reasonable prediction of its Federal and non-Federal revenue from that program or event, and shall be noted in the committee's report for the period in which the first disbursement for such program or event occurred, submitted pursuant 11 CFR 104.5. Any disbursements for fundraising costs made prior to the actual program or event shall be allocated according to this estimated ratio.

(2) No later than the date 60 days after each fundraising program or event from which both Federal and non-Federal funds are collected, the committee shall adjust the allocation ratio for that program or event to reflect the actual ratio of funds received. If the non-Federal account has paid more than its allocable share, the committee shall transfer funds from its Federal to its non-Federal account, as necessary, to reflect the adjusted allocation ratio. If the Federal account has paid more than its allocable share, the committee shall make any transfers of funds from its non-federal to its federal account to reflect the adjusted allocation ratio within the 60-day time period established by this paragraph. The committee shall make note of any such adjustments and transfers in its report for any period in which a transfer was made, and shall also report the date of the fundraising program or event that serves as the basis for the transfer. In the case of a telemarketing or direct mail campaign, the date for purposes of this paragraph is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed.

(g) *Payment of allocable expenses by committees with separate Federal and non-Federal accounts*—(1) *Payment options*. Committees that have established separate Federal and non-Fed-

eral accounts under 11 CFR 102.5(a)(1)(i) or (b)(1)(i) shall pay the expenses of joint Federal and non-Federal activities described in paragraph (a)(2) of this section according to either paragraph (g)(1)(i) or (ii), as follows:

(i) *Payment by Federal account; transfers from non-Federal account to Federal account*. The committee shall pay the entire amount of an allocable expense from its Federal account and shall transfer funds from its non-Federal account to its Federal account solely to cover the non-Federal share of that allocable expense.

(ii) *Payment by separate allocation account; transfers from Federal and non-Federal accounts to allocation account*. (A) The committee shall establish a separate allocation account into which funds from its Federal and non-Federal accounts shall be deposited solely for the purpose of paying the allocable expenses of joint Federal and non-Federal activities. Once a committee has established a separate allocation account for this purpose, all allocable expenses shall be paid from that account for as long as the account is maintained.

(B) The committee shall transfer funds from its Federal and non-Federal accounts to its allocation account in amounts proportionate to the Federal or non-Federal share of each allocable expense.

(C) No funds contained in the allocation account may be transferred to any other account maintained by the committee.

(2) *Timing of transfers between accounts*. (i) Under either payment option described in paragraphs (g)(1)(i) or (ii) of this section, the committee shall transfer funds from its non-Federal account to its Federal account or from its Federal and non-Federal accounts to its separate allocation account following determination of the final cost of each joint Federal and non-Federal activity, or in advance of such determination if advance payment is required by the vendor and if such payment is based on a reasonable estimate of the activity's final cost as determined by the committee and the vendor(s) involved.

(ii) Funds transferred from a committee's non-Federal account to its

§ 106.6

Federal account or its allocation account are subject to the following requirements:

(A) For each such transfer, the committee must itemize in its reports the allocable activities for which the transferred funds are intended to pay, as required by 11 CFR 104.10(b)(3); and

(B) Except as provided in paragraph (f)(2) of this section, such funds may not be transferred more than 10 days before or more than 60 days after the payments for which they are designated are made.

(iii) Any portion of a transfer from a committee's non-Federal account to its Federal account or its allocation account that does not meet the requirements of paragraph (g)(2)(ii) of this section shall be presumed to be a loan or contribution from the non-Federal account to a Federal account, in violation of the Act.

(3) *Reporting transfers of funds and allocated disbursements.* A political committee that transfers funds between accounts and pays allocable expenses according to this section shall report each such transfer and disbursement pursuant to 11 CFR 104.10(b).

(h) *Sunset provision.* This section applies from November 6, 2002, to December 31, 2002. After December 31, 2002, see 11 CFR 106.7(a).

§ 106.6 Allocation of expenses between federal and non-federal activities by separate segregated funds and nonconnected committees.

(a) *General rule.* Separate segregated funds and nonconnected committees that make disbursements in connection with federal and non-federal elections shall make those disbursements either entirely from funds subject to the prohibitions and limitations of the Act, or from accounts established pursuant to 11 CFR 102.5. Separate segregated funds and nonconnected committees that have established separate federal and non-federal accounts under 11 CFR 102.5 (a)(1)(i), or that make federal and non-federal disbursements from a single account under 11 CFR 102.5(a)(1)(ii), shall allocate their federal and non-federal expenses according to paragraphs (c), (d), and (f) of this section. For purposes of this section, “nonconnected

committee” includes any committee which conducts activities in connection with an election, but which is not a party committee, an authorized committee of any candidate for federal election, or a separate segregated fund.

(b) *Payments for administrative expenses, voter drives and certain public communications—(1) Costs to be allocated.* Separate segregated funds and nonconnected committees that make disbursements in connection with Federal and non-Federal elections shall allocate expenses for the following categories of activity in accordance with paragraphs (c) or (d) of this section:

(i) Administrative expenses including rent, utilities, office supplies, and salaries not attributable to a clearly identified candidate, except that for a separate segregated fund such expenses may be paid instead by its connected organization;

(ii) The direct costs of a fundraising program or event including disbursements for solicitation of funds and for planning and administration of actual fundraising events, where Federal and non-Federal funds are collected through such program or event, except that for a separate segregated fund such expenses may be paid instead by its connected organization;

(iii) Generic voter drives including voter identification, voter registration, and get-out-the-vote drives, or any other activities that urge the general public to register, vote or support candidates of a particular party or associated with a particular issue, without mentioning a specific candidate; and

(iv) Public communications that refer to a political party, but do not refer to any clearly identified Federal or non-Federal candidate;

(2) *Costs not subject to allocation.* Separate segregated funds and nonconnected committees that make disbursements for the following categories of activity shall pay for those activities in accordance with paragraph (f) of this section:

(i) Voter drives, including voter identification, voter registration, and get-out-the-vote drives, in which the printed materials or scripted messages refer to, or the written instructions direct

§ 106.6

the separate segregated fund's or non-connected committee's employee or volunteer to refer to:

(A) One or more clearly identified Federal candidates, but do not refer to any clearly identified non-Federal candidates; or

(B) One or more clearly identified Federal candidates and also refer to candidates of a particular party or associated with a particular issue, but do not refer to any clearly identified non-Federal candidates;

(ii) Voter drives, including voter identification, voter registration, and get-out-the-vote drives, in which the printed materials or scripted messages refer to, or the written instructions direct the separate segregated fund's or nonconnected committee's employee or volunteer to refer to:

(A) One or more clearly identified non-Federal candidates, but do not refer to any clearly identified Federal candidates; or

(B) One or more clearly identified non-Federal candidates and also refer to candidates of a particular party or associated with a particular issue, but do not refer to any clearly identified Federal candidates;

(iii) Public communications that refer to one or more clearly identified Federal candidates, regardless of whether there is reference to a political party, but do not refer to any clearly identified non-Federal candidates; and

(iv) Public communications that refer to a political party, and refer to one or more clearly identified non-Federal candidates, but do not refer to any clearly identified Federal candidates.

(c) [Reserved]

(d) *Method for allocating direct costs of fundraising.* (1) If federal and non-federal funds are collected by one committee through a joint activity, that committee shall allocate its direct costs of fundraising, as described in paragraph (a)(2) of this section, according to the funds received method. Under this method, the committee shall allocate its fundraising costs based on the ratio of funds received into its federal account to its total receipts from each fundraising program or event. This ratio shall be estimated prior to each such program or event

based upon the committee's reasonable prediction of its federal and non-federal revenue from that program or event, and shall be noted in the committee's report for the period in which the first disbursement for such program or event occurred, submitted pursuant to 11 CFR 104.5. Any disbursements for fundraising costs made prior to the actual program or event shall be allocated according to this estimated ratio.

(2) No later than the date 60 days after each fundraising program or event from which both federal and non-federal funds are collected, the committee shall adjust the allocation ratio for that program or event to reflect the actual ratio of funds received. If the non-federal account has paid more than its allocable share, the committee shall transfer funds from its federal to its non-federal account, as necessary, to reflect the adjusted allocation ratio. If the federal account has paid more than its allocable share, the committee shall make any transfers of funds from its non-federal to its federal account to reflect the adjusted allocation ratio within the 60-day time period established by this paragraph. The committee shall make note of any such adjustments and transfers in its report for any period in which a transfer was made, and shall also report the date of the fundraising program or event which serves as the basis for the transfer. In the case of a telemarketing or direct mail campaign, the "date" for purposes of this paragraph is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed.

(e) *Payment of allocable expenses by committees with separate federal and non-federal accounts*—(1) *Payment options.* Nonconnected committees and separate segregated funds that have established separate federal and non-federal accounts under 11 CFR 102.5 (a)(1)(i) shall pay the expenses of joint federal and non-federal activities described in paragraph (b) of this section according to either paragraph (e)(1)(i) or (ii), as follows:

(i) *Payment by federal account; transfers from non-federal account to federal account.* The committee shall pay the entire amount of an allocable expense

§ 106.7

11 CFR Ch. I (1–1–11 Edition)

from its federal account and shall transfer funds from its non-federal account to its federal account solely to cover the non-federal share of that allocable expense.

(ii) *Payment by separate allocation account; transfers from federal and non-federal accounts to allocation account.* (A) The committee shall establish a separate allocation account into which funds from its federal and non-federal accounts shall be deposited solely for the purpose of paying the allocable expenses of joint federal and non-federal activities. Once a committee has established an allocation account for this purpose, all allocable expenses shall be paid from that account for as long as the account is maintained.

(B) The committee shall transfer funds from its federal and non-federal accounts to its allocation account in amounts proportionate to the federal or non-federal share of each allocable expense.

(C) No funds contained in the allocation account may be transferred to any other account maintained by the committee.

(2) *Timing of transfers between accounts.* (i) Under either payment option described in paragraphs (e)(1) (i) or (ii) of this section, the committee shall transfer funds from its non-federal account or from its federal and non-federal accounts to its separate allocation account following determination of the final cost of each joint federal and non-federal activity, or in advance of such determination if advance payment is required by the vendor and if such payment is based on a reasonable estimate of the activity's final cost as determined by the committee and the vendor(s) involved.

(ii) Funds transferred from a committee's non-federal account to its federal account or its allocation account are subject to the following requirements:

(A) For each such transfer, the committee must itemize in its reports the allocable activities for which the transferred funds are intended to pay, as required by 11 CFR 104.10(b)(3); and

(B) Except as provided in paragraph (d)(2) of this section, such funds may not be transferred more than 10 days before or more than 60 days after the

payments for which they are designated are made.

(iii) Any portion of a transfer from a committee's non-federal account to its federal account or its allocation account that does not meet the requirements of paragraph (e)(2)(ii) of this section shall be presumed to be a loan or contribution from the non-federal account to a federal account, in violation of the Act.

(3) *Reporting transfers of funds and allocated disbursements.* A political committee that transfers funds between accounts and pays allocable expenses according to this section shall report each such transfer and disbursement pursuant to 11 CFR 104.10(b).

§ 106.7 Allocation of expenses between Federal and non-Federal accounts by party committees, other than for Federal election activities.

(a) National party committees are prohibited from raising or spending non-Federal funds. Therefore, these committees shall not allocate expenditures and disbursements between Federal and non-Federal accounts. All disbursements by a national party committee must be made from a Federal account.

(b) State, district, and local party committees that make expenditures and disbursements in connection with both Federal and non-Federal elections for activities that are not Federal election activities pursuant to 11 CFR 100.24 may use only funds subject to the prohibitions and limitations of the Act, or they may allocate such expenditures and disbursements between their Federal and their non-Federal accounts. State, district, and local party committees that are political committees that have established separate Federal and non-Federal accounts under 11 CFR 102.5(a)(1)(i) shall allocate expenses between those accounts according to

Federal Election Commission

§ 106.7

paragraphs (c) and (d) of this section. Party organizations that are not political committees but have established separate Federal and non-Federal accounts, or that make Federal and non-Federal disbursements from a single account, shall also allocate their Federal and non-Federal expenses according to paragraphs (c) and (d) of this section. In lieu of establishing separate accounts, party organizations that are not political committees may choose to use a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) pursuant to 11 CFR 102.5 and 300.30.

(c) *Costs allocable by State, district, and local party committees between Federal and non-Federal accounts.*

(1) *Salaries, wages, and fringe benefits.* State, district, and local party committees must either pay salaries, wages, and fringe benefits for employees who spend 25% or less of their time in a given month on Federal election activity or activity in connection with a Federal election with funds from their Federal account, or with a combination of funds from their Federal and non-Federal accounts, in accordance with paragraph (d)(2) of this section. See 11 CFR 300.33(d)(1).

(2) *Administrative costs.* State, district, and local party committees may either pay administrative costs, including rent, utilities, office equipment, office supplies, postage for other than mass mailings, and routine building maintenance, upkeep and repair, from their Federal account, or allocate such expenses between their Federal and non-Federal accounts, except that any such expenses directly attributable to a clearly identified Federal candidate must be paid only from the Federal account.

(3) *Exempt party activities that are not Federal election activities.* State, district, and local party committees may pay expenses for party activities that are exempt from the definitions of contribution and expenditure under 11 CFR 100.80, 100.87 or 100.89, and 100.140, 100.147 or 100.149, that are conducted in conjunction with non-Federal activity, and that are not Federal election activities pursuant to 11 CFR 100.24, from their Federal accounts, or may allocate

these expenses between their Federal and non-Federal accounts.

(4) *Certain fundraising costs.* State, district, and local party committees may allocate the direct costs of joint fundraising programs or events between their Federal and non-Federal accounts according to the funds received method described in paragraph (d)(4) of this section. The direct costs of a fundraising program or event include expenses for the solicitation of funds and for the planning and administration of actual fundraising programs and events.

(5) *Voter-drive activities that do not qualify as Federal election activities and that are not party exempt activities.* Expenses for voter identification, voter registration, and get-out-the-vote drives, and any other activities that urge the general public to register or vote, or that promote or oppose a political party, without promoting or opposing a candidate or non-Federal candidate, that do not qualify as Federal election activities and that are not exempt party activities, must be paid with Federal funds or may be allocated between the committee's Federal and non-Federal accounts.

(d) *Allocation percentages, ratios, and record-keeping—(1) Salaries and wages.* Committees must keep a monthly log of the percentage of time each employee spends in connection with a Federal election. Allocations of salaries and wages shall be undertaken as follows:

(i) Except as provided in paragraph (d)(1)(iii) of this section, salaries, wages, and fringe benefits paid for employees who spend 25% or less of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election must either be paid only from the Federal account or be allocated as administrative costs under paragraph (d)(2) of this section.

(ii) Salaries, wages, and fringe benefits paid for employees who spend more than 25% of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election must be paid only from a Federal account. See 11 CFR 300.33(d)(1), and paragraph (e)(2) of this section.

§ 106.7

11 CFR Ch. I (1-1-11 Edition)

(iii) Salaries, wages, and fringe benefits paid for employees who spend none of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election may be paid entirely with funds that comply with State law.

(2) *Administrative costs.* State, district, and local party committees that choose to allocate administrative expenses may do so subject to the following requirements:

(i) *Presidential election years.* In any even year in which a Presidential candidate, but no Senate candidate appears on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 28% of administrative expenses to their Federal accounts.

(ii) *Presidential and Senate election year.* In any even year in which a Presidential candidate and a Senate candidate appear on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 36% of administrative expenses to their Federal accounts.

(iii) *Senate election year.* In any even year in which a Senate candidate, but no Presidential candidate, appears on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 21% of administrative expenses to their Federal account.

(iv) *Non-Presidential and non-Senate year.* In any even year in which neither a Presidential nor a Senate candidate appears on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 15% of administrative expenses to their Federal account.

(3) *Exempt party activities and voter drive activities that are not Federal election activities.* State, district, and local party committees that choose to allocate expenses for exempt activities conducted in conjunction with non-Federal activities and voter drive activities, that are not Federal election activities, must do so subject to the following requirements:

(i) *Presidential election years.* In any even year in which a Presidential candidate, but no Senate candidate appears on the ballot, and in the preceding year, State, district, and local

party committees must allocate at least 28% of these expenses to their Federal accounts.

(ii) *Presidential and Senate election year.* In any even year in which a Presidential candidate and a Senate candidate appear on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 36% of these expenses to their Federal accounts.

(iii) *Senate election year.* In any even year in which a Senate candidate, but no Presidential candidate, appears on the ballot, and in the preceding year, State, district, and local party committees must allocate at least 21% of these expenses to their Federal account.

(iv) *Non-Presidential and non-Senate year.* In any even year in which neither a Presidential nor a Senate candidate appears on the ballot, and in the preceding year, State, district, and local party committee must allocate at least 15% of these expenses to their Federal account.

(4) *Fundraising for Federal and non-Federal accounts.* If Federal and non-Federal funds are collected by a State, district, or local party committee through a joint fundraising activity, that committee must allocate its direct fundraising costs using the funds received method and according to the following procedures:

(i) The committee must allocate its fundraising costs based on the ratio of funds received into its Federal account to its total receipts from each fundraising program or event. This ratio shall be estimated prior to each such program or event based upon the committee's reasonable prediction of its Federal and non-Federal revenue from that program or event, and must be noted in the committee's report for the period in which the first disbursement for such program or event occurred, submitted pursuant to 11 CFR 104.5. Any disbursements for fundraising costs made prior to the actual program or event must be allocated according to this estimated ratio.

(ii) No later than the date 60 days after each fundraising program or event from which both Federal and non-Federal funds are collected, the committee shall adjust the allocation

Federal Election Commission

§ 106.8

ratio for that program or event to reflect the actual ratio of funds received. If the non-Federal account has paid more than its allocable share, the committee shall transfer funds from its Federal to its non-Federal account, as necessary, to reflect the adjusted allocation ratio. If the Federal account has paid more than its allocable share, the committee shall make any transfers of funds from its non-Federal to its Federal account to reflect the adjusted allocation ratio within the 60-day time period established by this paragraph. The committee shall make note of any such adjustments and transfers in its report for any period in which a transfer was made, and shall also report the date of the fundraising program or event that serves as the basis for the transfer. In the case of a telemarketing or direct mail campaign, the date for purposes of this paragraph is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed.

(e) *Costs not allocable by State, district, and local party committees between Federal and non-Federal accounts.* The following costs incurred by State, district, and local party committees shall be paid only with Federal funds:

(1) Disbursements for State, district, and local party committees for activities that refer only to one or more candidates for Federal office must not be allocated. All such disbursements must be made from a Federal account.

(2) *Salaries and wages.* Salaries and wages for employees who spend more than 25% of their compensated time in a given month on activities in connection with a Federal election must not be allocated. All such disbursements must be made from a Federal account. See 11 CFR 300.33(d)(2).

(3) *Federal election activities.* Activities that are Federal election activities pursuant to 11 CFR 100.24 must not be allocated between Federal and non-Federal accounts. Only Federal funds, or a mixture of Federal funds and Levin funds, as provided in 11 CFR 300.33, may be used.

(f) *Transfers between accounts to cover allocable expenses.* State, district, and local party committees may transfer funds from their non-Federal to their Federal accounts or to an allocation

account solely to meet allocable expenses under this section and only pursuant to the following requirements:

(1) *Payments from Federal accounts or from allocation accounts.* (i) State, district, and local party committees must pay the entire amount of an allocable expense from their Federal accounts and transfer funds from their non-Federal account to the Federal account solely to cover the non-Federal share of that allocable expense; or

(ii) State, district, or local party committees may establish a separate allocation account into which funds from its Federal and non-Federal accounts may be deposited solely for the purpose of paying the allocable expenses of joint Federal and non-Federal activities.

(2) *Timing.* (i) If a Federal or allocation account is used to make allocable expenditures and disbursements, State, district, and local party committees must transfer funds from their non-Federal to their Federal or allocation account to meet allocable expenses no more than 10 days before and no more than 60 days after the payments for which they are designated are made from a Federal or allocation account, except that transfers may be made more than 10 days before a payment is made from the Federal or allocation account if advance payment is required by the vendor(s) and if such payment is based on a reasonable estimate of the activity's final costs as determined by the committee and the vendor(s) involved.

(ii) Any portion of a transfer from a committee's non-Federal account to its Federal or allocation account that does not meet the requirement of paragraph (f)(2)(i) of this section shall be presumed to be a loan or contribution from the non-Federal account to the Federal or allocation account, in violation of the Act.

(b) Any expenditure that is coordinated within the meaning of paragraph (a) of this section, but that is not made for a coordinated communication under 11 CFR 109.21 or a party coordinated communication under 11 CFR 109.37, is either an in-kind contribution to, or a coordinated party expenditure with respect to, the candidate or political party committee with whom or with which it was coordinated and must be reported as an expenditure made by that candidate or political party committee, unless otherwise exempted under 11 CFR part 100, subparts C or E.

[68 FR 451, Jan. 3, 2003, as amended at 71 FR 33208, June 8, 2006]

§ 109.21 What is a “coordinated communication”?

(a) *Definition.* A communication is coordinated with a candidate, an authorized committee, a political party committee, or an agent of any of the foregoing when the communication:

(1) Is paid for, in whole or in part, by a person other than that candidate, authorized committee, or political party committee;

(2) Satisfies at least one of the content standards in paragraph (c) of this section; and

(3) Satisfies at least one of the conduct standards in paragraph (d) of this section.

(b) *Treatment as an in-kind contribution and expenditure; Reporting—(1) General rule.* A payment for a coordinated communication is made for the purpose of influencing a Federal election, and is an in-kind contribution under 11 CFR 100.52(d) to the candidate, authorized committee, or political party committee with whom or which it is coordinated, unless excepted under 11 CFR part 100, subpart C, and must be reported as an expenditure made by that candidate, authorized committee, or political party committee under 11 CFR 104.13, unless excepted under 11 CFR part 100, subpart E.

(2) *In-kind contributions resulting from conduct described in paragraphs (d)(4) or (d)(5) of this section.* Notwithstanding paragraph (b)(1) of this section, the candidate, authorized committee, or political party committee with whom or which a communication is coordinated does not receive or accept an in-

kind contribution, and is not required to report an expenditure, that results from conduct described in paragraphs (d)(4) or (d)(5) of this section, unless the candidate, authorized committee, or political party committee engages in conduct described in paragraphs (d)(1) through (d)(3) of this section.

(3) *Reporting of coordinated communications.* A political committee, other than a political party committee, that makes a coordinated communication must report the payment for the communication as a contribution made to the candidate or political party committee with whom or which it was coordinated and as an expenditure in accordance with 11 CFR 104.3(b)(1)(v). A candidate, authorized committee, or political party committee with whom or which a communication paid for by another person is coordinated must report the usual and normal value of the communication as an in-kind contribution in accordance with 11 CFR 104.13, meaning that it must report the amount of the payment as a receipt under 11 CFR 104.3(a) and as an expenditure under 11 CFR 104.3(b).

(c) *Content standards.* Each of the types of content described in paragraphs (c)(1) through (c)(5) of this section satisfies the content standard of this section.

(1) A communication that is an electioneering communication under 11 CFR 100.29.

(2) A public communication, as defined in 11 CFR 100.26, that disseminates, distributes, or republishes, in whole or in part, campaign materials prepared by a candidate or the candidate’s authorized committee, unless the dissemination, distribution, or republication is excepted under 11 CFR 109.23(b). For a communication that satisfies this content standard, see paragraph (d)(6) of this section.

(3) A public communication, as defined in 11 CFR 100.26, that expressly advocates, as defined in 11 CFR 100.22, the election or defeat of a clearly identified candidate for Federal office.

(4) A public communication, as defined in 11 CFR 100.26, that satisfies paragraph (c)(4)(i), (ii), (iii), or (iv) of this section:

Federal Election Commission

§ 109.21

(i) *References to House and Senate candidates.* The public communication refers to a clearly identified House or Senate candidate and is publicly distributed or otherwise publicly disseminated in the clearly identified candidate's jurisdiction 90 days or fewer before the clearly identified candidate's general, special, or runoff election, or primary or preference election, or nominating convention or caucus.

(ii) *References to Presidential and Vice Presidential candidates.* The public communication refers to a clearly identified Presidential or Vice Presidential candidate and is publicly distributed or otherwise publicly disseminated in a jurisdiction during the period of time beginning 120 days before the clearly identified candidate's primary or preference election in that jurisdiction, or nominating convention or caucus in that jurisdiction, up to and including the day of the general election.

(iii) *References to political parties.* The public communication refers to a political party, does not refer to a clearly identified Federal candidate, and is publicly distributed or otherwise publicly disseminated in a jurisdiction in which one or more candidates of that political party will appear on the ballot.

(A) When the public communication is coordinated with a candidate and it is publicly distributed or otherwise publicly disseminated in that candidate's jurisdiction, the time period in paragraph (c)(4)(i) or (ii) of this section that would apply to a communication containing a reference to that candidate applies;

(B) When the public communication is coordinated with a political party committee and it is publicly distributed or otherwise publicly disseminated during the two-year election cycle ending on the date of a regularly scheduled non-Presidential general election, the time period in paragraph (c)(4)(i) of this section applies;

(C) When the public communication is coordinated with a political party committee and it is publicly distributed or otherwise publicly disseminated during the two-year election cycle ending on the date of a Presidential general election, the time pe-

riod in paragraph (c)(4)(ii) of this section applies.

(iv) *References to both political parties and clearly identified Federal candidates.* The public communication refers to a political party and a clearly identified Federal candidate, and is publicly distributed or otherwise publicly disseminated in a jurisdiction in which one or more candidates of that political party will appear on the ballot.

(A) When the public communication is coordinated with a candidate and it is publicly distributed or otherwise publicly disseminated in that candidate's jurisdiction, the time period in paragraph (c)(4)(i) or (ii) of this section that would apply to a communication containing a reference to that candidate applies;

(B) When the public communication is coordinated with a political party committee and it is publicly distributed or otherwise publicly disseminated in the clearly identified candidate's jurisdiction, the time period in paragraph (c)(4)(i) or (ii) of this section that would apply to a communication containing only a reference to that candidate applies;

(C) When the public communication is coordinated with a political party committee and it is publicly distributed or otherwise publicly disseminated outside the clearly identified candidate's jurisdiction, the time period in paragraph (c)(4)(iii)(B) or (C) of this section that would apply to a communication containing only a reference to a political party applies.

(5) A public communication, as defined in 11 CFR 100.26, that is the functional equivalent of express advocacy. For purposes of this section, a communication is the functional equivalent of express advocacy if it is susceptible of no reasonable interpretation other than as an appeal to vote for or against a clearly identified Federal candidate.

(d) *Conduct standards.* Any one of the following types of conduct satisfies the conduct standard of this section whether or not there is agreement or formal collaboration, as defined in paragraph (e) of this section:

(1) *Request or suggestion.* (i) The communication is created, produced, or distributed at the request or suggestion of

§ 109.21

11 CFR Ch. I (1–1–11 Edition)

a candidate, authorized committee, or political party committee; or

(ii) The communication is created, produced, or distributed at the suggestion of a person paying for the communication and the candidate, authorized committee, or political party committee assents to the suggestion.

(2) *Material involvement.* This paragraph, (d)(2), is not satisfied if the information material to the creation, production, or distribution of the communication was obtained from a publicly available source. A candidate, authorized committee, or political party committee is materially involved in decisions regarding:

(i) The content of the communication;

(ii) The intended audience for the communication;

(iii) The means or mode of the communication;

(iv) The specific media outlet used for the communication;

(v) The timing or frequency of the communication; or

(vi) The size or prominence of a printed communication, or duration of a communication by means of broadcast, cable, or satellite.

(3) *Substantial discussion.* This paragraph, (d)(3), is not satisfied if the information material to the creation, production, or distribution of the communication was obtained from a publicly available source. The communication is created, produced, or distributed after one or more substantial discussions about the communication between the person paying for the communication, or the employees or agents of the person paying for the communication, and the candidate who is clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee. A discussion is substantial within the meaning of this paragraph if information about the candidate's or political party committee's campaign plans, projects, activities, or needs is conveyed to a person paying for the communication, and that information is material to the creation, production, or distribution of the communication.

(4) *Common vendor.* All of the following statements in paragraphs (d)(4)(i) through (d)(4)(iii) of this section are true:

(i) The person paying for the communication, or an agent of such person, contracts with or employs a commercial vendor, as defined in 11 CFR 116.1(c), to create, produce, or distribute the communication;

(ii) That commercial vendor, including any owner, officer, or employee of the commercial vendor, has provided any of the following services to the candidate who is clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee, during the previous 120 days:

(A) Development of media strategy, including the selection or purchasing of advertising slots;

(B) Selection of audiences;

(C) Polling;

(D) Fundraising;

(E) Developing the content of a public communication;

(F) Producing a public communication;

(G) Identifying voters or developing voter lists, mailing lists, or donor lists;

(H) Selecting personnel, contractors, or subcontractors; or

(I) Consulting or otherwise providing political or media advice; and

(iii) This paragraph, (d)(4)(iii), is not satisfied if the information material to the creation, production, or distribution of the communication used or conveyed by the commercial vendor was obtained from a publicly available source. That commercial vendor uses or conveys to the person paying for the communication:

(A) Information about the campaign plans, projects, activities, or needs of the clearly identified candidate, the candidate's opponent, or a political party committee, and that information is material to the creation, production, or distribution of the communication; or

(B) Information used previously by the commercial vendor in providing services to the candidate who is clearly identified in the communication, or the candidate's authorized committee,

Federal Election Commission

§ 109.21

the candidate's opponent, the opponent's authorized committee, or a political party committee, and that information is material to the creation, production, or distribution of the communication.

(5) *Former employee or independent contractor.* Both of the following statements in paragraphs (d)(5)(i) and (d)(5)(ii) of this section are true:

(i) The communication is paid for by a person, or by the employer of a person, who was an employee or independent contractor of the candidate who is clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee, during the previous 120 days; and

(ii) This paragraph, (d)(5)(ii), is not satisfied if the information material to the creation, production, or distribution of the communication used or conveyed by the former employee or independent contractor was obtained from a publicly available source. That former employee or independent contractor uses or conveys to the person paying for the communication:

(A) Information about the campaign plans, projects, activities, or needs of the clearly identified candidate, the candidate's opponent, or a political party committee, and that information is material to the creation, production, or distribution of the communication; or

(B) Information used by the former employee or independent contractor in providing services to the candidate who is clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee, and that information is material to the creation, production, or distribution of the communication.

(6) *Dissemination, distribution, or republication of campaign material.* A communication that satisfies the content standard of paragraph (c)(2) of this section or 11 CFR 109.37(a)(2)(i) shall only satisfy the conduct standards of paragraphs (d)(1) through (d)(3) of this section on the basis of conduct by the candidate, the candidate's authorized committee, or the agents of any of the fore-

going, that occurs after the original preparation of the campaign materials that are disseminated, distributed, or republished. The conduct standards of paragraphs (d)(4) and (d)(5) of this section may also apply to such communications as provided in those paragraphs.

(e) *Agreement or formal collaboration.* Agreement or formal collaboration between the person paying for the communication and the candidate clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee, is not required for a communication to be a coordinated communication. *Agreement* means a mutual understanding or meeting of the minds on all or any part of the material aspects of the communication or its dissemination. *Formal collaboration* means planned, or systematically organized, work on the communication.

(f) *Safe harbor for responses to inquiries about legislative or policy issues.* A candidate's or a political party committee's response to an inquiry about that candidate's or political party committee's positions on legislative or policy issues, but not including a discussion of campaign plans, projects, activities, or needs, does not satisfy any of the conduct standards in paragraph (d) of this section.

(g) *Safe harbor for endorsements and solicitations by Federal candidates.* (1) A public communication in which a candidate for Federal office endorses another candidate for Federal or non-Federal office is not a coordinated communication with respect to the endorsing Federal candidate unless the public communication promotes, supports, attacks, or opposes the endorsing candidate or another candidate who seeks election to the same office as the endorsing candidate.

(2) A public communication in which a candidate for Federal office solicits funds for another candidate for Federal or non-Federal office, a political committee, or organizations as permitted by 11 CFR 300.65, is not a coordinated communication with respect to the soliciting Federal candidate unless the

§ 109.22

public communication promotes, supports, attacks, or opposes the soliciting candidate or another candidate who seeks election to the same office as the soliciting candidate.

(h) *Safe harbor for establishment and use of a firewall.* The conduct standards in paragraph (d) of this section are not met if the commercial vendor, former employee, or political committee has established and implemented a firewall that meets the requirements of paragraphs (h)(1) and (h)(2) of this section. This safe harbor provision does not apply if specific information indicates that, despite the firewall, information about the candidate's or political party committee's campaign plans, projects, activities, or needs that is material to the creation, production, or distribution of the communication was used or conveyed to the person paying for the communication.

(1) The firewall must be designed and implemented to prohibit the flow of information between employees or consultants providing services for the person paying for the communication and those employees or consultants currently or previously providing services to the candidate who is clearly identified in the communication, or the candidate's authorized committee, the candidate's opponent, the opponent's authorized committee, or a political party committee; and

(2) The firewall must be described in a written policy that is distributed to all relevant employees, consultants, and clients affected by the policy.

(i) *Safe harbor for commercial transactions.* A public communication in which a Federal candidate is clearly identified only in his or her capacity as the owner or operator of a business that existed prior to the candidacy is not a coordinated communication with respect to the clearly identified candidate if:

(1) The medium, timing, content, and geographic distribution of the public communication are consistent with public communications made prior to the candidacy; and

(2) The public communication does not promote, support, attack, or oppose that candidate or another can-

didate who seeks the same office as that candidate.

§ 109.22 Who is prohibited from making coordinated communications?

Any person who is otherwise prohibited from making contributions or expenditures under any part of the Act or Commission regulations is prohibited from paying for a coordinated communication.

§ 109.23 Dissemination, distribution, or republication of candidate campaign materials.

(a) *General rule.* The financing of the dissemination, distribution, or republication, in whole or in part, of any broadcast or any written, graphic, or other form of campaign materials prepared by the candidate, the candidate's authorized committee, or an agent of either of the foregoing shall be considered a contribution for the purposes of contribution limitations and reporting responsibilities of the person making the expenditure. The candidate who prepared the campaign material does not receive or accept an in-kind contribution, and is not required to report an expenditure, unless the dissemination, distribution, or republication of campaign materials is a coordinated communication under 11 CFR 109.21 or a party coordinated communication under 11 CFR 109.37.

(b) *Exceptions.* The following uses of campaign materials do not constitute a contribution to the candidate who originally prepared the materials:

(1) The campaign material is disseminated, distributed, or republished by the candidate or the candidate's authorized committee who prepared that material;

(2) The campaign material is incorporated into a communication that advocates the defeat of the candidate or party that prepared the material;

(3) The campaign material is disseminated, distributed, or republished in a news story, commentary, or editorial exempted under 11 CFR 100.73 or 11 CFR 100.132;

(4) The campaign material used consists of a brief quote of materials that demonstrate a candidate's position as

part of a person's expression of its own views; or

(5) A national political party committee or a State or subordinate political party committee pays for such dissemination, distribution, or republication of campaign materials using coordinated party expenditure authority under 11 CFR 109.32.

[69 FR 63920, Nov. 3, 2004]

§ 109.31 [Reserved]

§ 109.32 What are the coordinated party expenditure limits?

(a) *Coordinated party expenditures in Presidential elections.* (1) The national committee of a political party may make coordinated party expenditures in connection with the general election campaign of any candidate for President of the United States affiliated with the party.

(2) The coordinated party expenditures shall not exceed an amount equal to two cents multiplied by the voting age population of the United States. *See* 11 CFR 110.18. This limitation shall be increased in accordance with 11 CFR 110.17.

(3) Any coordinated party expenditure under paragraph (a) of this section shall be in addition to—

(i) Any expenditure by a national committee of a political party serving as the principal campaign committee of a candidate for President of the United States; and

(ii) Any contribution by the national committee to the candidate permissible under 11 CFR 110.1 or 110.2.

(4) Any coordinated party expenditures made by the national committee of a political party pursuant to paragraph (a) of this section, or made by any other party committee under authority assigned by a national committee of a political party under 11 CFR 109.33, on behalf of that party's Presidential candidate shall not count against the candidate's expenditure limitations under 11 CFR 110.8.

(b) *Coordinated party expenditures in other Federal elections.* (1) The national committee of a political party, and a State committee of a political party, including any subordinate committee of a State committee, may each make coordinated party expenditures in connection with the general election campaign of a candidate for Federal office in that State who is affiliated with the party.

(2) The coordinated party expenditures shall not exceed:

(i) In the case of a candidate for election to the office of Senator, or of Representative from a State which is entitled to only one Representative, the greater of—

§ 109.33 May a political party committee assign its coordinated party expenditure authority to another political party committee?

(a) *Assignment.* The national committee of a political party and a State committee of a political party, including any subordinate committee of a

§ 109.34

State committee, may assign its authority to make coordinated party expenditures authorized by 11 CFR 109.32 to another political party committee. Such an assignment must be made in writing, must state the amount of the authority assigned, and must be received by the assignee committee before any coordinated party expenditure is made pursuant to the assignment.

(b) *Compliance.* For purposes of the coordinated party expenditure limits, *State committee* includes a subordinate committee of a State committee and includes a district or local committee to which coordinated party expenditure authority has been assigned. State committees and subordinate State committees and such district or local committees combined shall not exceed the coordinated party expenditure limits set forth in 11 CFR 109.32. The State committee shall administer the limitation in one of the following ways:

(1) The State committee shall be responsible for insuring that the coordinated party expenditures of the entire party organization are within the coordinated party expenditure limits, including receiving reports from any subordinate committee of a State committee or district or local committee making coordinated party expenditures under 11 CFR 109.32, and filing consolidated reports showing all coordinated party expenditures in the State with the Commission; or

(2) Any other method, submitted in advance and approved by the Commission, that permits control over coordinated party expenditures.

(c) *Recordkeeping.* (1) A political party committee that assigns its authority to make coordinated party expenditures under this section must maintain the written assignment for at least three years in accordance with 11 CFR 104.14.

(2) A political party committee that is assigned authority to make coordinated party expenditures under this section must maintain the written assignment for at least three years in accordance with 11 CFR 104.14.

11 CFR Ch. I (1–1–11 Edition)

§ 109.34 When may a political party committee make coordinated party expenditures?

A political party committee authorized to make coordinated party expenditures may make such expenditures in connection with the general election campaign before or after its candidate has been nominated. All pre-nomination coordinated party expenditures shall be subject to the coordinated party expenditure limitations of this subpart, whether or not the candidate on whose behalf they are made receives the party's nomination.

§ 109.35 [Reserved]

§ 109.36 Are there circumstances under which a political party committee is prohibited from making independent expenditures?

The national committee of a political party must not make independent expenditures in connection with the general election campaign of a candidate for President of the United States if the national committee of that political party is designated as the authorized committee of its Presidential candidate pursuant to 11 CFR 9002.1(c).

§ 109.37 What is a “party coordinated communication”?

(a) *Definition.* A political party communication is coordinated with a candidate, a candidate's authorized committee, or agent of any of the foregoing, when the communication satisfies the conditions set forth in paragraphs (a)(1), (a)(2), and (a)(3) of this section.

(1) The communication is paid for by a political party committee or its agent.

(2) The communication satisfies at least one of the content standards described in paragraphs (a)(2)(i) through (a)(2)(iii) of this section.

(i) A public communication that disseminates, distributes, or republishes, in whole or in part, campaign materials prepared by a candidate, the candidate's authorized committee, or an agent of any of the foregoing, unless the dissemination, distribution, or republication is excepted under 11 CFR 109.23(b). For a communication that

satisfies this content standard, see 11 CFR 109.21(d)(6).

(ii) A public communication that expressly advocates the election or defeat of a clearly identified candidate for Federal office.

(iii) A public communication, as defined in 11 CFR 100.26, that satisfies paragraphs (a)(2)(iii)(A) or (B) of this section:

(A) *References to House and Senate candidates.* The public communication refers to a clearly identified House or Senate candidate and is publicly distributed or otherwise publicly disseminated in the clearly identified candidate's jurisdiction 90 days or fewer before the clearly identified candidate's general, special, or runoff election, or primary or preference election, or nominating convention or caucus.

(B) *References to Presidential and Vice Presidential candidates.* The public communication refers to a clearly identified Presidential or Vice Presidential candidate and is publicly distributed or otherwise publicly disseminated in a jurisdiction during the period of time beginning 120 days before the clearly identified candidate's primary or preference election in that jurisdiction, or nominating convention or caucus in that jurisdiction, up to and including the day of the general election.

(3) The communication satisfies at least one of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6), subject to the provisions of 11 CFR 109.21(e), (g), and (h). A candidate's response to an inquiry about that candidate's positions on legislative or policy issues, but not including a discussion of campaign plans, projects, activities, or needs, does not satisfy any of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6). Notwithstanding paragraph (b)(1) of this section, the candidate with whom a party coordinated communication is coordinated does not receive or accept an in-kind contribution, and is not required to report an expenditure that results from conduct described in 11 CFR 109.21(d)(4) or (d)(5), unless the candidate, authorized committee, or an agent of any of the foregoing, engages in conduct described in 11 CFR 109.21(d)(1) through (d)(3).

(b) *Treatment of a party coordinated communication.* A payment by a polit-

ical party committee for a communication that is coordinated with a candidate, and that is not otherwise exempted under 11 CFR part 100, subpart C or E, must be treated by the political party committee making the payment as either:

(1) An in-kind contribution for the purpose of influencing a Federal election under 11 CFR 100.52(d) to the candidate with whom it was coordinated, which must be reported under 11 CFR part 104; or

(2) A coordinated party expenditure pursuant to coordinated party expenditure authority under 11 CFR 109.32 in connection with the general election campaign of the candidate with whom it was coordinated, which must be reported under 11 CFR part 104.

§ 110.1 Contributions by persons other than multicandidate political committees (2 U.S.C. 441a(a)(1)).

(a) *Scope.* This section applies to all contributions made by any person as defined in 11 CFR 100.1, except multicandidate political committees as defined in 11 CFR 100.5(e)(3) or entities and individuals prohibited from making contributions under 11 CFR 110.20 and 11 CFR parts 114 and 115.

(b) *Contributions to candidates; designations; and redesignations.* (1) No person shall make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office that, in the aggregate, exceed \$2,000.

(i) The contribution limitation in the introductory text of paragraph (b)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17.

(ii) In the case of a contribution not designated in writing by the contrib-

utor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.1(b)(5); or

(C) Obtain a written reattribution to another contributor in accordance with 11 CFR 110.1(k)(3).

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.1(b)(5), or reattributed in accordance with 11 CFR 110.1(k)(3), as appropriate.

(ii) In order to determine whether there are net debts outstanding from a particular election, the treasurer of the candidate's authorized political committee shall calculate net debts outstanding as of the date of the election. For purposes of this section, *net debts outstanding* means the total amount of unpaid debts and obligations incurred with respect to an election, including the estimated cost of raising funds to liquidate debts incurred with respect to the election and, if the candidate's authorized committee terminates or if the candidate will not be a candidate for the next election, estimated necessary costs associated with termination of political activity, such as the costs of complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign,

including office space rental, staff salaries and office supplies, less the sum of:

(A) The total cash on hand available to pay those debts and obligations, including: currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(B) The total amounts owed to the candidate or political committee in the form of credits, refunds of deposits, returns, or receivables, or a commercially reasonable amount based on the collectibility of those credits, refunds, returns, or receivables; and

(C) The amount of personal loans, as defined in 11 CFR 116.11(b), that in the aggregate exceed \$250,000 per election.

(iii) The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if:

(A) Such contributions are designated in writing by the contributor for that election;

(B) Such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received; and

(C) Such contributions do not exceed the contribution limitations in effect on the date of such election.

(iv) This paragraph shall not be construed to prevent a candidate who is a candidate in the general election or his or her authorized political committee(s) from paying primary election debts and obligations with funds which represent contributions made with respect to the general election.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular

election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accordance with 11 CFR 110.1(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(A) The contribution was designated in writing for a particular election, and the contribution, either on its face or when aggregated with other contributions from the same contributor for the same election, exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1);

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1); or

(D) The contribution was not designated in writing for a particular election, and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii)(A) A contribution shall be considered to be redesignated for another election if—

(1) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and

(2) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(B) Notwithstanding paragraph (b)(5)(ii)(A) of this section or any other provision of this section, the treasurer of the recipient authorized political committee may treat all or part of the

amount of the contribution that exceeds the contribution limits in paragraph (b)(1) of this section as made with respect to the general election, provided that:

(1) The contribution was made before the primary election;

(2) The contribution was not designated for a particular election;

(3) The contribution would exceed the limitation on contributions set forth in paragraph (b)(1) of this section if it were treated as a contribution made for the primary election;

(4) Such redesignation would not cause the contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section;

(5) The treasurer of the recipient authorized political committee notifies the contributor of the amount of the contribution that was redesignated and that the contributor may request a refund of the contribution; and

(6) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide notification required in paragraph (b)(5)(ii)(B)(5) of this section to the contributor by any written method including electronic mail.

(C) Notwithstanding paragraph (b)(5)(ii)(A) of this section or any other provision of this section, the treasurer of the recipient authorized political committee may treat all or part of the amount of the contribution that exceeds the contribution limits in paragraph (b)(1) of this section as made with respect to the primary election, provided that:

(1) The contribution was made after the primary election but before the general election;

(2) The contribution was not designated for a particular election;

(3) The contribution would exceed the limitation on contributions set forth in paragraph (b)(1) of this section if it were treated as a contribution made for the general election;

(4) Such redesignation would not cause the contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section;

(5) The contribution does not exceed the committee's net debts outstanding for the primary election;

(6) The treasurer of the recipient authorized political committee notifies the contributor of how the contribution was redesignated and that the contributor may request a refund of the contribution; and

(7) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide notification required in paragraph (b)(5)(ii)(C)(6) of this section to the contributor by any written method, including electronic mail.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.1(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(1)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) *Contributions to political party committees.* (1) No person shall make contributions to the political committees established and maintained by a national political party in any calendar year that in the aggregate exceed \$25,000.

(i) The contribution limitation in paragraph (c)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17.

- (ii) The House campaign committee; and
- (iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.1(c)(2) may receive up to the \$25,000 limitation from a contributor, but the limits of 11 CFR 110.5 shall also apply to contributions made by an individual.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(2) By agreement of the partners, as long as—

(i) Only the profits of the partners to whom the contribution is attributed are reduced (or losses increased), and

(ii) These partners' profits are reduced (or losses increased) in proportion to the contribution attributed to each of them.

A contribution by a partnership shall not exceed the limitations on contributions in 11 CFR 110.1 (b), (c), and (d). No portion of such contribution may be

made from the profits of a corporation that is a partner.

(f) *Contributions to candidates for more than one Federal office.* If an individual is a candidate for more than one Federal office, a person may make contributions which do not exceed \$2,000 to the candidate, or his or her authorized political committees for each election for each office, as long as—

(1) Each contribution is designated in writing by the contributor for a particular office;

(2) The candidate maintains separate campaign organizations, including separate principal campaign committees and separate accounts; and

(3) No principal campaign committee or other authorized political committee of that candidate for one election for one Federal office transfers funds to, loans funds to, makes contributions to, or makes expenditures on behalf of another principal campaign committee or other authorized political committee of that candidate for another election for another Federal office, except as provided in 11 CFR 110.3(c)(4).

(g) *Contributions by limited liability companies ("LLC")—(1) Definition.* A limited liability company is a business entity that is recognized as a limited liability company under the laws of the State in which it is established.

(2) A contribution by an LLC that elects to be treated as a partnership by the Internal Revenue Service pursuant to 26 CFR 301.7701-3, or does not elect treatment as either a partnership or a corporation pursuant to that section, shall be considered a contribution from a partnership pursuant to 11 CFR 110.1(e).

(3) An LLC that elects to be treated as a corporation by the Internal Revenue Service, pursuant to 26 CFR 301.7701-3, or an LLC with publicly-traded shares, shall be considered a corporation pursuant to 11 CFR Part 114.

§ 110.1

11 CFR Ch. I (1–11 Edition)

(5) An LLC that makes a contribution pursuant to paragraph (g)(2) or (g)(4) of this section shall, at the time it makes the contribution, provide information to the recipient committee as to how the contribution is to be attributed, and affirm to the recipient committee that it is eligible to make the contribution.

(h) *Contributions to committees supporting the same candidate.* A person may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The contributor does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The contributor does not retain control over the funds.

(i) *Contributions by spouses.* The limitations on contributions of this section shall apply separately to contributions made by each spouse even if only one spouse has income.

(j) *Application of limitations to elections.* (1) The limitations on contributions of this section shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(k) *Joint contributions and reattributions.* (1) Any contribution made by more than one person, except for a contribution made by a partnership, shall include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing.

(2) If a contribution made by more than one person does not indicate the amount to be attributed to each contributor, the contribution shall be attributed equally to each contributor.

(3)(i) If a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 CFR 110.1 (b), (c) or (d), as appropriate, the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person.

(ii)(A) A contribution shall be considered to be reattributed to another contributor if—

(1) The treasurer of the recipient political committee asks the contributor whether the contribution is intended to be a joint contribution by more than one person, and informs the contributor that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution; and

(2) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended.

(B)(1) Notwithstanding paragraph (k)(3)(ii)(A) of this section or any other provision of this section, any excessive portion of a contribution described in paragraph (k)(3)(i) of this section that was made by a written instrument that is imprinted with the names of more

than one individual may be attributed among the individuals listed unless a different instruction is on the instrument or in a separate writing signed by the contributor(s), provided that such attribution would not cause any contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section.

(2) The treasurer of the recipient political committee shall notify each contributor of how the contribution was attributed and that the contributor may request the refund of the excessive portion of the contribution if it is not intended to be a joint contribution.

(3) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide such notification to each contributor by any written method, including electronic mail.

(1) *Supporting evidence.* (1) If a political committee receives a contribution designated in writing for a particular election, the treasurer shall retain a copy of the written designation, as required by 11 CFR 110.1(b)(4) or 110.2(b)(4), as appropriate. If the written designation is made on a check or other written instrument, the treasurer shall retain a full-size photocopy of the check or written instrument.

(2) If a political committee receives a written redesignation of a contribution for a different election, the treasurer shall retain the written redesignation provided by the contributor, as required by 11 CFR 110.1(b)(5) or 110.2(b)(5), as appropriate.

(3) If a political committee receives a written reattribution of a contribution to a different contributor, the treasurer shall retain the written reattribution signed by each contributor, as required by 11 CFR 110.1(k).

(4)(i) If a political committee chooses to rely on a postmark as evidence of the date on which a contribution was made, the treasurer shall retain the envelope or a copy of the envelope containing the postmark and other identifying information; and

(ii) If a political committee chooses to rely on the redesignation presumption in 11 CFR 110.1(b)(5)(ii)(B) or (C) or the reattribution presumption in 11 CFR 110.1(k)(3)(ii)(B), the treasurer

shall retain a full-size photocopy of the check or written instrument, of any signed writings that accompanied the contribution, and of the notices sent to the contributors as required by 11 CFR 110.1(b)(5)(ii)(B) and (k)(3)(ii)(B).

(5) If a political committee does not retain the written records concerning designation required under 11 CFR 110.1(l)(1), the contribution shall not be considered designated in writing for a particular election, and the provisions of 11 CFR 110.1(b)(2)(ii) or 11 CFR 110.2(b)(2)(ii) shall apply. If a political committee does not retain the written records concerning redesignation or reattribution required under 11 CFR 110.1(l)(2), (3), (4)(ii) or (6), including the contributor notices, the redesignation or reattribution shall not be effective, and the original designation or attribution shall control.

(6) For each written redesignation or written reattribution of a contribution described in paragraph (b)(5) or paragraph (k)(3) of this section, the political committee shall retain documentation demonstrating when the written redesignation or written reattribution was received. Such documentation shall consist of:

(i) A copy of the envelope bearing the postmark and the contributor's name, or return address or other identifying code; or

(ii) A copy of the written redesignation or written reattribution with a date stamp indicating the date of the committee's receipt; or

(iii) A copy of the written redesignation or written reattribution dated by the contributor.

(n) *Contributions to committees making independent expenditures.* The limitations on contributions of this section also apply to contributions made to political committees making independent expenditures under 11 CFR Part 109.

See 11 CFR 102.2(a)(3) for multicandidate political committee certification requirements. A political committee becomes a multicandidate committee at the time the political committee meets the requirements of 11 CFR 100.5(e)(3) or becomes affiliated with an existing multicandidate committee, whether or not the political committee has certified its status as a multicandidate committee with the Commission in accordance with 11 CFR 102.2(a)(3).

The increased contribution limitation shall be in effect for the two calendar years starting on January 1 of the year in which the contribution limitation is increased. In every odd-numbered year, the Commission will publish in the FEDERAL REGISTER the amount of the contribution limitation in effect and place such information on the Commission's Web site.

(D) Expenses of individuals seeking to become delegates in the Presidential nomination process.

(2) Notwithstanding paragraph (1)(1) of this section, if the candidate, through an authorized committee, reimburses the multicandidate political committee within 30 days of becoming a candidate, the payment shall not be deemed an in-kind contribution for either entity, and the reimbursement shall be an expenditure of the candidate.

§ 110.3 Contribution limitations for affiliated committees and political party committees; Transfers (2 U.S.C. 441a(a)(5), 441a(a)(4)).

(a) *Contribution limitations for affiliated committees.* (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by more than one affiliated committee, regardless of whether they are political committees under 11 CFR 100.5, shall be considered to be made or received by a single political committee. *See* 11 CFR 100.5(g). Application of this paragraph means that all contributions made or received by the following committees shall be considered to be made or received by a single political committee—

(i) Authorized committees of the same candidate for the same election to Federal office; or

(ii) Committees (including a separate segregated fund, *see* 11 CFR part 114) established, financed, maintained or controlled by the same corporation, labor organization, person or group of persons, including any parent, subsidiary, branch, division, department or local unit thereof. For the purposes of this section, *local unit* may include, in appropriate cases, a franchisee, licensee, or State or regional association.

(2) Affiliated committees sharing a single contribution limitation under paragraph (a)(1)(ii) of this section include all of the committees established, financed, maintained or controlled by—

(i) A single corporation and/or its subsidiaries;

(ii) A single national or international union and/or its local unions or other subordinate organizations;

(iii) An organization of national or international unions and/or all its State and local central bodies;

(iv) A membership organization, (other than political party committees, *see* paragraph (b) of this section) including trade or professional associations, *see* 11 CFR 114.8(a), and/or related State and local entities of that organization or group; or

(v) The same person or group of persons.

(3)(i) The Commission may examine the relationship between organizations

§ 110.3

11 CFR Ch. I (1–1–11 Edition)

that sponsor committees, between the committees themselves, or between one sponsoring organization and a committee established by another organization to determine whether committees are affiliated.

(ii) In determining whether committees not described in paragraphs (a)(2)(i)–(iv) of this section are affiliated, the Commission will consider the circumstantial factors described in paragraphs (a)(3)(ii) (A) through (J) of this section. The Commission will examine these factors in the context of the overall relationship between committees or sponsoring organizations to determine whether the presence of any factor or factors is evidence of one committee or organization having been established, financed, maintained or controlled by another committee or sponsoring organization. Such factors include, but are not limited to:

(A) Whether a sponsoring organization owns a controlling interest in the voting stock or securities of the sponsoring organization of another committee;

(B) Whether a sponsoring organization or committee has the authority or ability to direct or participate in the governance of another sponsoring organization or committee through provisions of constitutions, bylaws, contracts, or other rules, or through formal or informal practices or procedures;

(C) Whether a sponsoring organization or committee has the authority or ability to hire, appoint, demote or otherwise control the officers, or other decisionmaking employees or members of another sponsoring organization or committee;

(D) Whether a sponsoring organization or committee has a common or overlapping membership with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(E) Whether a sponsoring organization or committee has common or overlapping officers or employees with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(F) Whether a sponsoring organization or committee has any members, officers or employees who were members, officers or employees of another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees, or which indicates the creation of a successor entity;

(G) Whether a sponsoring organization or committee provides funds or goods in a significant amount or on an ongoing basis to another sponsoring organization or committee, such as through direct or indirect payments for administrative, fundraising, or other costs, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(H) Whether a sponsoring organization or committee causes or arranges for funds in a significant amount or on an ongoing basis to be provided to another sponsoring organization or committee, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(I) Whether a sponsoring organization or a committee or its agent had an active or significant role in the formation of another sponsoring organization or committee; and

(J) Whether the sponsoring organizations or committees have similar patterns of contributions or contributors which indicates a formal or ongoing relationship between the sponsoring organizations or committees.

(b) *Contribution limitations for political party committees.* (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by the following political committees shall be considered to be made or received by separate political committees—

(i) The national committee of a political party and any political committees established, financed, maintained, or controlled by the same national committee; and

(ii) The State committee of the same political party.

(2) Application of paragraph (b)(1)(i) of this section means that—

Federal Election Commission

§ 110.3

(i) The House campaign committee and the national committee of a political party shall have separate limitations on contributions under 11 CFR 110.1 and 110.2.

(ii) The Senate campaign committee and the national committee of a political party shall have separate limitations on contributions, except that contributions to a senatorial candidate made by the Senate campaign committee and the national committee of a political party are subject to a single contribution limitation under 11 CFR 110.2(e).

(3) All contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee. This presumption shall not apply if—

(i) The political committee of the party unit in question has not received funds from any other political committee established, financed, maintained, or controlled by any party unit; and

(ii) The political committee of the party unit in question does not make its contributions in cooperation, consultation or concert with, or at the request or suggestion of any other party unit or political committee established, financed, maintained, or controlled by another party unit.

(c) *Permissible Transfers.* The contribution limitations of 11 CFR 110.1 and 110.2 shall not limit the transfers set forth below in 11 CFR 110.3(c) (1) through (6)—

(1) Transfers of funds between affiliated committees or between party committees of the same political party whether or not they are affiliated or by collecting agents to a separate segregated fund made pursuant to 11 CFR 102.6;

(2) Transfers of joint fundraising proceeds between organizations or committees participating in the joint fundraising activity provided that no participating committee or organization governed by 11 CFR 102.17 received more than its allocated share of the funds raised;

(3) Transfers of funds between the primary campaign and general election

campaign of a candidate of funds unused for the primary;

(4) Transfers of funds between a candidate's previous Federal campaign committee and his or her current Federal campaign committee, or between previous Federal campaign committees, provided that the candidate is not a candidate for more than one Federal office at the same time, and provided that the funds transferred are not composed of contributions that would be in violation of the Act. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred.

(i) *Previous Federal campaign committee* means a principal campaign committee, or other authorized committee, that was organized to further the candidate's campaign in a Federal election that has already been held.

(ii) *Current Federal campaign committee* means a principal campaign committee, or other authorized committee, organized to further the candidate's campaign in a future Federal election.

(iii) For purposes of the contribution limits, a contribution made after an election has been held, or after an individual ceases to be a candidate in an election, shall be aggregated with other contributions from the same contributor for the next election unless the contribution is designated for the previous election, or is designated for another election, and the candidate has net debts outstanding for the election so designated pursuant to 11 CFR 110.1(b)(3).

(iv) For purposes of this section, an individual ceases to be a candidate in an election as of the earlier of the following dates—

(A) The date on which the candidate publicly announces that he or she will no longer be a candidate in that election for that office and ceases to conduct campaign activities with respect to that election; or

§ 110.4

(B) The date on which the candidate is or becomes ineligible for nomination or election to that office by operation of law;

(5) Transfers of funds between the principal campaign committees of an individual seeking nomination or election to more than one Federal office, as long as the conditions in 11 CFR 110.3(c)(5) (i), (ii) and (iii) are met. An individual will be considered to be seeking nomination or election to more than one Federal office if the individual is concurrently a candidate for more than one Federal office during the same or overlapping election cycles.

(i) The transfer shall not be made when the individual is actively seeking nomination or election to more than one Federal office. An individual will not be considered to be actively seeking nomination or election to a Federal office if:

(A) The individual publicly announces that he or she will no longer seek nomination or election to that office and ceases to conduct campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the announcement;

(B) The individual is or becomes ineligible for nomination or election to that office by operation of law;

(C) The individual has filed a proper termination report with the Commission under 11 CFR 102.3; or

(D) The individual has notified the Commission in writing that the individual and his or her authorized committees will conduct no further campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the notification;

(ii) The limitations on contributions by persons shall not be exceeded by the transfer. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred. A contribution shall be excluded from the

11 CFR Ch. I (1–1–11 Edition)

amount transferred to the extent that such contribution, when aggregated with other contributions from the same contributor to the transferee principal campaign committee, exceeds the contribution limits set forth at 11 CFR 110.1 or 110.2, as appropriate; and

(iii) The candidate has not elected to receive funds under 26 U.S.C. 9006 or 9037 for either election; or

(6) [Reserved]

(7) The authorized committees of a candidate for more than one Federal office, or for a Federal office and a non-federal office, shall follow the requirements for separate campaign organizations set forth at 11 CFR 110.8(d).

(d) *Transfers from nonfederal to federal campaigns.* Transfers of funds or assets from a candidate's campaign committee or account for a nonfederal election to his or her principal campaign committee or other authorized committee for a federal election are prohibited. However, at the option of the nonfederal committee, the non-federal committee may refund contributions, and may coordinate arrangements with the candidate's principal campaign committee or other authorized committee for a solicitation by such committee(s) to the same contributors. The full cost of this solicitation shall be paid by the Federal committee.

(ii) Making a contribution of money or anything of value and attributing as the source of the money or thing of value another person when in fact the contributor is the source.

(c) *Cash contributions.* (1) With respect to any campaign for nomination for election or election to Federal office, no person shall make contributions to a candidate or political committee of currency of the United States, or of any foreign country, which in the aggregate exceed \$100.

(2) A candidate or committee receiving a cash contribution in excess of \$100 shall promptly return the amount over \$100 to the contributor.

(2) [Reserved]

(3) The contribution limitations in paragraph (b)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17. The increased contribution limitations shall be in effect for the two calendar years starting on January 1 of the year in which the contribution limitations are increased.

(4) In every odd-numbered year, the Commission will publish in the FEDERAL REGISTER the amount of the contribution limitations in effect and place such information on the Commission's Web site.

(c)(1) Contributions made on or after January 1, 2004. Any contribution subject to this paragraph (c)(1) to a candidate or his or her authorized committee with respect to a particular election shall be considered to be made during the two-year period described in paragraph (b)(1) of this section in which the contribution is actually made, regardless of the year in which the particular election is held. See 11 CFR 110.1(b)(6). This paragraph (c)(1) also applies to earmarked contributions and contributions to a single candidate committee that has supported or anticipates supporting the candidate.

(2) Contributions made prior to January 1, 2004.

(a) *General.* All contributions by a person made on behalf of or to a candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate.

(b) *Definitions.* (1) For purposes of this section, *earmarked* means a designation, instruction, or encumbrance, whether direct or indirect, express or implied, oral or written, which results in all or any part of a contribution or expenditure being made to, or expended on behalf of, a clearly identified candidate or a candidate's authorized committee.

(2) For purposes of this section, *conduit or intermediary* means any person who receives and forwards an earmarked contribution to a candidate or a candidate's authorized committee, except as provided in paragraph (b)(2)(i) of this section.

(i) For purposes of this section, the following persons shall not be considered to be conduits or intermediaries:

(ii) Any person who is prohibited from making contributions or expenditures in connection with an election for Federal office shall be prohibited from acting as a conduit for contributions earmarked to candidates or their authorized committees. The provisions of this section shall not restrict the ability of an organization or committee to serve as a collecting agent for a separate segregated fund pursuant to 11 CFR 102.6.

(iii) Any person who receives an earmarked contribution shall forward such earmarked contribution to the candidate or authorized committee in accordance with 11 CFR 102.8, except that—

Federal Election Commission

§ 110.8

(iii) The report to the recipient candidate or authorized committee shall be made when the earmarked contribution is forwarded to the recipient candidate or authorized committee pursuant to 11 CFR 102.8.

(iv) The report by the conduit or intermediary shall contain the following information:

(A) The name and mailing address of each contributor and, for each earmarked contribution in excess of \$200, the contributor's occupation and the name of his or her employer;

(C) The date each earmarked contribution was forwarded to the recipient candidate or authorized committee and whether the earmarked contribution was forwarded in cash or by the contributor's check or by the conduit's check.

(v) For each earmarked contribution passed through the conduit's or intermediary's account, the information specified in paragraph (c)(1)(iv) (A) through (C) of this section shall be itemized on the appropriate schedules of receipts and disbursements attached to the conduit's or intermediary's report, or shall be disclosed by letter, as appropriate. For each earmarked contribution forwarded in the form of the contributor's check or other written instrument, the information specified in paragraph (c)(1)(iv) (A) through (C) of this section shall be disclosed as a memo entry on the appropriate schedules of receipts and disbursements attached to the conduit's or intermediary's report, or shall be disclosed by letter, as appropriate.

(2) *Reports by recipient candidates and authorized committees.* (i) The recipient candidate or authorized committee shall report each conduit or intermediary who forwards one or more earmarked contributions which in the aggregate exceed \$200 in any calendar year.

(d) *Direction or control.* (1) A conduit's or intermediary's contribution limits are not affected by the forwarding of an earmarked contribution except where the conduit or intermediary exercises any direction or control over the choice of the recipient candidate.

(2) If a conduit or intermediary exercises any direction or control over the choice of the recipient candidate, the earmarked contribution shall be considered a contribution by both the original contributor and the conduit or intermediary. If the conduit or intermediary exercises any direction or control over the choice of the recipient candidate, the report filed by the conduit or intermediary and the report filed by the recipient candidate or authorized committee shall indicate that the earmarked contribution is made by both the original contributor and the conduit or intermediary, and that the entire amount of the contribution is attributed to each.

(a)(1) No candidate for the office of President of the United States who is eligible under 26 U.S.C. 9003 (relating to conditions for eligibility for payments) or under 26 U.S.C. 9033 (relating to eligibility for payments) to receive payments from the Secretary of the Treasury and has received payments, may make expenditures in excess of—

(i) \$10,000,000 in the case of a campaign for nomination for election to

§ 110.8

11 CFR Ch. I (1–1–11 Edition)

the office, except the aggregate of expenditures under this paragraph in any one State shall not exceed the greater of 16 cents multiplied by the voting age population of the State or \$200,000; or

(ii) \$20,000,000 in the case of a campaign for election to the office.

(2) The expenditure limitations in paragraph (a)(1) of this section shall be increased in accordance with 11 CFR 110.17.

(3) Voting age population is defined at 11 CFR 110.18.

(b) The expenditure limitations shall not be considered violated if, after the date of the primary or general election, convention or caucus, receipt of refunds and rebates causes a candidate's expenditures to be within the limitations.

(c) For the State limitations in paragraph (a)(1) of this section—

(1) Expenditures made in a State after the date of the primary election, convention or caucus relating to the primary election, convention or caucus count toward that State's expenditure limitation;

(2) The candidate may treat an amount that does not exceed 50% of the candidate's total expenditures allocable to a particular State under 11 CFR 106.2 as exempt fundraising expenses, and may exclude this amount from the candidate's total expenditures attributable to the expenditure limitations for that State. The candidate may treat 100% of the cost of mass mailings as exempt fundraising expenses, unless the mass mailings were mailed within 28 days before the state's primary election, convention or caucus. The total of all amounts excluded for exempt fundraising expenses shall not exceed 20% of the overall expenditure limitation under 11 CFR 9035.1.

(d)(1) If an individual is a candidate for more than one Federal office, or for a Federal office and a State office, he or she must designate separate principal campaign committees and establish completely separate campaign organizations.

(2) No funds, goods, or services, including loans and loan guarantees, may be transferred between or used by the separate campaigns, except as provided in 11 CFR 110.3(c)(5).

(3) Except for Presidential candidates receiving Presidential Primary Matching Funds, see 26 U.S.C. 9032, or General Election Public Financing, see 26 U.S.C. 9002, campaigns may share personnel and facilities, as long as expenditures are allocated between the campaigns, and the payment made from each campaign account reflects the allocation.

(e)(1) A political party may make reimbursement for the expenses of a candidate who is engaging in party-building activities, without the payment being considered a contribution to the candidate, and without the unreimbursed expense being considered an expenditure counting against the limitations in paragraph (a) (1) or (2) of this section, as long as—

(i) The event is a bona fide party event or appearance; and

(ii) No aspect of the solicitation for the event, the setting of the event, and the remarks or activities of the candidate in connection with the event were for the purpose of influencing the candidate's nomination or election.

(2)(i) An event or appearance meeting the requirements of paragraph (e)(1) of this section and occurring prior to January 1 of the year of the election for which the individual is a candidate is presumptively party-related;

(ii) Notwithstanding the requirements of paragraph (e)(1) of this section, an event or appearance occurring on or after January 1 of the year of the election for which the individual is a candidate is presumptively for the purpose of influencing the candidate's election, and any contributions or expenditures are governed by the contribution and expenditure limitations of this part 110.

(iii) The presumptions in paragraphs (e)(2) (i) and (ii) of this section may be rebutted by a showing to the Commission that the appearance or event was, or was not, party-related, as the case may be.

(f)(1) Expenditures made by or on behalf of any candidate nominated by a political party for election to the office of Vice President of the United States shall be considered to be expenditures made by or on behalf of the candidate of such party for election to the office of President of the United States.

Federal Election Commission

§ 110.11

(2) Expenditures from personal funds made by a candidate for Vice President shall be considered to be expenditures by the candidate for President, if the candidate is receiving General Election Public Financing, see § 9003.2(c).

(1) An authorized committee or any other agent of the candidate for purposes of making any expenditure;

(2) Any person authorized or requested by the candidate, an authorized committee of the candidate, or an agent of the candidate to make the expenditure; or

(3) A committee not authorized in writing, so long as it is requested by the candidate, an authorized committee of the candidate, or an agent of the candidate to make the expenditure.

(4) All electioneering communications by any person.

(b) *General content requirements.* A disclaimer required by paragraph (a) of this section must contain the following information:

(1) If the communication, including any solicitation, is paid for and authorized by a candidate, an authorized committee of a candidate, or an agent of either of the foregoing, the disclaimer must clearly state that the communication has been paid for by the authorized political committee;

(2) If the communication, including any solicitation, is authorized by a candidate, an authorized committee of a candidate, or an agent of either of the foregoing, but is paid for by any other person, the disclaimer must clearly state that the communication is paid for by such other person and is authorized by such candidate, authorized committee, or agent; or

(3) If the communication, including any solicitation, is not authorized by a candidate, authorized committee of a candidate, or an agent of either of the foregoing, the disclaimer must clearly state the full name and permanent street address, telephone number, or World Wide Web address of the person who paid for the communication, and that the communication is not authorized by any candidate or candidate's committee.

(c) *Disclaimer specifications*—(1) *Specifications for all disclaimers.* A disclaimer required by paragraph (a) of this section must be presented in a clear and conspicuous manner, to give the reader, observer, or listener adequate notice of the identity of the person or political committee that paid for and, where required, that authorized the communication. A disclaimer is not

§ 110.11

11 CFR Ch. I (1-1-11 Edition)

clear and conspicuous if it is difficult to read or hear, or if the placement is easily overlooked.

(2) *Specific requirements for printed communications.* In addition to the general requirement of paragraphs (b) and (c)(1) of this section, a disclaimer required by paragraph (a) of this section that appears on any printed public communication must comply with all of the following:

(i) The disclaimer must be of sufficient type size to be clearly readable by the recipient of the communication. A disclaimer in twelve (12)-point type size satisfies the size requirement of this paragraph (c)(2)(i) when it is used for signs, posters, flyers, newspapers, magazines, or other printed material that measure no more than twenty-four (24) inches by thirty-six (36) inches.

(ii) The disclaimer must be contained in a printed box set apart from the other contents of the communication.

(iii) The disclaimer must be printed with a reasonable degree of color contrast between the background and the printed statement. A disclaimer satisfies the color contrast requirement of this paragraph (c)(2)(iii) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the disclaimer is no less than the color contrast between the background and the largest text used in the communication.

(iv) The disclaimer need not appear on the front or cover page of the communication as long as it appears within the communication, except on communications, such as billboards, that contain only a front face.

(v) A communication that would require a disclaimer if distributed separately, that is included in a package of materials, must contain the required disclaimer.

(3) *Specific requirements for radio and television communications authorized by candidates.* In addition to the general requirements of paragraphs (b) and (c)(1) of this section, a communication that is authorized or paid for by a candidate or the authorized committee of a candidate (see paragraph (b)(1) or (b)(2) of this section) that is transmitted through radio or television, or

through any broadcast, cable, or satellite transmission, must comply with the following:

(i) A communication transmitted through radio must include an audio statement by the candidate that identifies the candidate and states that he or she has approved the communication; or

(ii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must include a statement that identifies the candidate and states that he or she has approved the communication. The candidate shall convey the statement either:

(A) Through an unobscured, full-screen view of himself or herself making the statement, or

(B) Through a voice-over by himself or herself, accompanied by a clearly identifiable photographic or similar image of the candidate. A photographic or similar image of the candidate shall be considered clearly identified if it is at least eighty (80) percent of the vertical screen height.

(iii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must also include a similar statement that must appear in clearly readable writing at the end of the television communication. To be clearly readable, this statement must meet all of the following three requirements:

(A) The statement must appear in letters equal to or greater than four (4) percent of the vertical picture height;

(B) The statement must be visible for a period of at least four (4) seconds; and

(C) The statement must appear with a reasonable degree of color contrast between the background and the text of the statement. A statement satisfies the color contrast requirement of this paragraph (c)(3)(iii)(C) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the statement is no less than the color contrast between the background and the largest type size used in the communication.

(iv) The following are examples of acceptable statements that satisfy the spoken statement requirements of

Federal Election Commission

§ 110.11

paragraph (c)(3) of this section with respect to a radio, television, or other broadcast, cable, or satellite communication, but they are not the only allowable statements:

(A) "I am [insert name of candidate], a candidate for [insert Federal office sought], and I approved this advertisement."

(B) "My name is [insert name of candidate]. I am running for [insert Federal office sought], and I approved this message."

(4) *Specific requirements for radio and television communications paid for by other persons and not authorized by a candidate.* In addition to the general requirements of paragraphs (b) and (c)(1) of this section, a communication not authorized by a candidate or a candidate's authorized committee that is transmitted through radio or television or through any broadcast, cable, or satellite transmission, must comply with the following:

(i) A communication transmitted through radio or television or through any broadcast, cable, or satellite transmission, must include the following audio statement, "XXX is responsible for the content of this advertising," spoken clearly, with the blank to be filled in with the name of the political committee or other person paying for the communication, and the name of the connected organization, if any, of the payor unless the name of the connected organization is already provided in the "XXX is responsible" statement; and

(ii) A communication transmitted through television, or through any broadcast, cable, or satellite transmission, must include the audio statement required by paragraph (c)(4)(i) of this section. That statement must be conveyed by an unobscured full-screen view of a representative of the political committee or other person making the statement, or by a representative of such political committee or other person in voice-over.

(iii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must also include a similar statement that must appear in clearly readable writing at the end of the communication. To be clearly readable, the

statement must meet all of the following three requirements:

(A) The statement must appear in letters equal to or greater than four (4) percent of the vertical picture height;

(B) The statement must be visible for a period of at least four (4) seconds; and

(C) The statement must appear with a reasonable degree of color contrast between the background and the disclaimer statement. A disclaimer satisfies the color contrast requirement of this paragraph (c)(4)(iii)(C) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the disclaimer is no less than the color contrast between the background and the largest type size used in the communication.

(d) *Coordinated party expenditures and independent expenditures by political party committees.* (1)(i) For a communication paid for by a political party committee pursuant to 2 U.S.C. 441a(d), the disclaimer required by paragraph (a) of this section must identify the political party committee that makes the expenditure as the person who paid for the communication, regardless of whether the political party committee was acting in its own capacity or as the designated agent of another political party committee.

(ii) A communication made by a political party committee pursuant to 2 U.S.C. 441a(d) and distributed prior to the date the party's candidate is nominated shall satisfy the requirements of this section if it clearly states who paid for the communication.

(2) For purposes of this section, a communication paid for by a political party committee, other than a communication covered by paragraph (d)(1)(ii) of this section, that is being treated as a coordinated expenditure under 2 U.S.C. 441a(d) and that was made with the approval of a candidate, a candidate's authorized committee, or the agent of either shall identify the political party that paid for the communication and shall state that the communication is authorized by the candidate or candidate's authorized committee.

(3) For a communication paid for by a political party committee that constitutes an independent expenditure

§ 110.12

11 CFR Ch. I (1–1–11 Edition)

(e) *Exempt activities.* A public communication authorized by a candidate, authorized committee, or political party committee, that qualifies as an exempt activity under 11 CFR 100.140, 100.147, 100.148, or 100.149, must comply with the disclaimer requirements of paragraphs (a), (b), (c)(1), and (c)(2) of this section, unless excepted under paragraph (f)(1) of this section, but the disclaimer does not need to state whether the communication is authorized by a candidate, or any authorized committee or agent of any candidate.

(f) *Exceptions.* (1) The requirements of paragraphs (a) through (e) of this section do not apply to the following:

(i) Bumper stickers, pins, buttons, pens, and similar small items upon which the disclaimer cannot be conveniently printed;

(ii) Skywriting, water towers, wearing apparel, or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable; or

(iii) Checks, receipts, and similar items of minimal value that are used for purely administrative purposes and do not contain a political message.

(2) For purposes of this section, whenever a separate segregated fund or its connected organization solicits contributions to the fund from those persons it may solicit under the applicable provisions of 11 CFR part 114, or makes a communication to those persons, such communication shall not be considered a type of public communication and need not contain the disclaimer required by paragraphs (a) through (c) of this section.

(g) *Comparable rate for campaign purposes.* (1) No person who sells space in a newspaper or magazine to a candidate, an authorized committee of a candidate, or an agent of the candidate, for use in connection with the candidate's campaign for nomination or for election, shall charge an amount for the space which exceeds the com-

parable rate for the space for non-campaign purposes.

(2) For purposes of this section, comparable rate means the rate charged to a national or general rate advertiser, and shall include discount privileges usually and normally available to a national or general rate advertiser.

§ 110.13 Candidate debates.

(a) *Staging organizations.* (1) Nonprofit organizations described in 26 U.S.C. 501 (c)(3) or (c)(4) and which do not endorse, support, or oppose political candidates or political parties may stage candidate debates in accordance with this section and 11 CFR 114.4(f).

(2) Broadcasters (including a cable television operator, programmer or producer), *bona fide* newspapers, magazines and other periodical publications may stage candidate debates in accordance with this section and 11 CFR 114.4(f), provided that they are not owned or controlled by a political party, political committee or candidate. In addition, broadcasters (including a cable television operator, programmer or producer), *bona fide* newspapers, magazines and other periodical publications, acting as press entities, may also cover or carry candidate debates in accordance with 11 CFR part 100, subparts B and C and part 100, subparts D and E.

(b) *Debate structure.* The structure of debates staged in accordance with this section and 11 CFR 114.4(f) is left to the discretion of the staging organizations(s), provided that:

(1) Such debates include at least two candidates; and

(2) The staging organization(s) does not structure the debates to promote or advance one candidate over another.

(c) *Criteria for candidate selection.* For all debates, staging organization(s) must use pre-established objective criteria to determine which candidates may participate in a debate. For general election debates, staging organizations(s) shall not use nomination by a particular political party as the sole objective criterion to determine whether to include a candidate in a debate. For debates held prior to a primary election, caucus or convention, staging organizations may restrict candidate participation to candidates seeking the nomination of one party, and need not stage a debate for candidates seeking the nomination of any other political party or independent candidates.

§ 111.30 When will subpart B apply?

Subpart B applies to violations of the reporting requirements of 2 U.S.C. 434(a) committed by political committees and their treasurers that relate to the reporting periods that begin on or after July 14, 2000 and end on or before December 31, 2013.

[73 FR 72688, Dec. 1, 2008]

§ 111.31 Does this subpart replace subpart A of this part for violations of the reporting requirements of 2 U.S.C. 434(a)?

(a) No; §§ 111.1 through 111.8 and 111.20 through 111.24 shall apply to all compliance matters. This subpart will apply, rather than §§ 111.9 through 111.19, when the Commission, on the basis of information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities, and when appropriate, determines that the compliance matter should be subject to this subpart. If the Commission determines that the violation should not be subject to this subpart, then the violation will be subject to all sections of subpart A of this part.

(b) Subpart B will apply to compliance matters resulting from a complaint filed pursuant to 11 CFR 111.4 through 111.7 if the complaint alleges a violation of 2 U.S.C. 434(a). If the complaint alleges violations of any other provision of any statute or regulation over which the Commission has jurisdiction, subpart A will apply to the alleged violations of these other provisions.

§ 111.32 How will the Commission notify respondents of a reason to believe finding and a proposed civil money penalty?

If the Commission determines, by an affirmative vote of at least four (4) of its members, that it has reason to believe that a respondent has violated 2 U.S.C. 434(a), the Chairman or Vice-Chairman shall notify such respondent of the Commission's finding. The written notification shall set forth the following:

(a) The alleged factual and legal basis supporting the finding including the type of report that was due, the filing deadline, the actual date filed (if filed), and the number of days the report was late (if filed);

(b) The applicable schedule of penalties;

(c) The number of times the respondent has been assessed a civil money penalty under this subpart during the current two-year election cycle and the prior two-year election cycle;

(d) The amount of the proposed civil money penalty based on the schedules of penalties set forth in 11 CFR 111.43 or 111.44; and

(e) An explanation of the respondent's right to challenge both the reason to believe finding and the proposed civil money penalty.

§ 111.33 What are the respondent's choices upon receiving the reason to believe finding and the proposed civil money penalty?

The respondent must either send payment in the amount of the proposed civil money penalty pursuant to 11 CFR 111.34 or submit a written response pursuant to 11 CFR 111.35.

§ 111.34 If the respondent decides to pay the civil money penalty and not to challenge the reason to believe finding, what should the respondent do?

(a) The respondent shall transmit payment in the amount of the civil money penalty to the Commission within forty (40) days of the Commission's reason to believe finding.

(b) Upon receipt of the respondent's payment, the Commission shall send the respondent a final determination that the respondent has violated the statute or regulations and the amount

§ 111.35

of the civil money penalty and an acknowledgment of the respondent's payment.

§ 111.35 If the respondent decides to challenge the alleged violation or proposed civil money penalty, what should the respondent do?

(a) To challenge a reason to believe finding or proposed civil money penalty, the respondent must submit a written response to the Commission within forty (40) days of the Commission's reason to believe finding.

(b) The respondent's written response must assert at least one of the following grounds for challenging the reason to believe finding or proposed civil money penalty:

(1) The Commission's reason to believe finding is based on a factual error including, but not limited to, the committee was not required to file the report, or the committee timely filed the report in accordance with 11 CFR 100.19;

(2) The Commission improperly calculated the civil money penalty; or

(3) The respondent used best efforts to file in a timely manner in that:

(i) The respondent was prevented from filing in a timely manner by reasonably unforeseen circumstances that were beyond the control of the respondent; and

(ii) The respondent filed no later than 24 hours after the end of these circumstances.

(c) Circumstances that will be considered reasonably unforeseen and beyond the control of respondent include, but are not limited to:

(1) A failure of Commission computers or Commission-provided software despite the respondent seeking technical assistance from Commission personnel and resources;

(2) A widespread disruption of information transmissions over the Internet not caused by any failure of the Commission's or respondent's computer systems or Internet service provider; and

(3) Severe weather or other disaster-related incident.

(d) Circumstances that will not be considered reasonably unforeseen and beyond the control of respondent include, but are not limited to:

(1) Negligence;

11 CFR Ch. I (1-1-11 Edition)

(2) Delays caused by committee vendors or contractors;

(3) Illness, inexperience, or unavailability of the treasurer or other staff;

(4) Committee computer, software or Internet service provider failures;

(5) A committee's failure to know filing dates; and

(6) A committee's failure to use filing software properly.

(e) Respondent's written response must detail the factual basis supporting its challenge and include supporting documentation.

[72 FR 14667, Mar. 29, 2007]

§ 111.36 Who will review the respondent's written response?

(a) A reviewing officer shall review the respondent's written response. The reviewing officer shall be a person who has not been involved in the reason to believe finding.

(b) The reviewing officer shall review the reason to believe finding with supporting documentation and the respondent's written response with supporting documentation. The reviewing officer may request supplemental information from the respondent and/or the Commission staff. The respondent shall submit the supplemental information to the reviewing officer within a time specified by the reviewing officer. The reviewing officer will be entitled to draw an adverse inference from the failure by the respondent to submit the supplemental information.

(c) All documents required to be submitted by the respondents pursuant to this section and § 111.35 should be submitted in the form of affidavits or declarations.

(d) If the Commission staff, after the respondent files a written response pursuant to § 111.35, forwards any additional documents pertaining to the matter to the reviewing officer for his or her examination, the reviewing officer shall also furnish a copy of the document(s) to the respondents.

(e) Upon completion of the review, the reviewing officer shall forward a written recommendation to the Commission along with all documents required under this section and 11 CFR 111.32 and 111.35.

(f) The reviewing office shall also forward a copy of the recommendation to

Federal Election Commission

§ 111.39

the respondent. The respondent may file with the Commission Secretary a written response to the recommendation within ten (10) days of transmittal of the recommendation. This response may not raise any arguments not raised in the respondent's original written response or not directly responsive to the reviewing officer's recommendation.

§ 111.37 What will the Commission do once it receives the respondent's written response and the reviewing officer's recommendation?

(a) If the Commission, after having found reason to believe and after reviewing the respondent's written response and the reviewing officer's recommendation, determines by an affirmative vote of at least four (4) of its members, that the respondent has violated 2 U.S.C. 434(a) and the amount of the civil money penalty, the Commission shall authorize the reviewing officer to notify the respondent by letter of its final determination.

(b) If the Commission, after reviewing the reason to believe finding, the respondent's written response, and the reviewing officer's written recommendation, determines by an affirmative vote of at least four (4) of its members, that no violation has occurred (either because the Commission had based its reason to believe finding on a factual error or because the respondent used best efforts to file in a timely manner) or otherwise terminates its proceedings, the Commission shall authorize the reviewing officer to notify the respondent by letter of its final determination.

(c) The Commission will modify the proposed civil money penalty only if the respondent is able to demonstrate that the amount of the proposed civil money penalty was calculated on an incorrect basis.

(d) When the Commission makes a final determination under this section, the statement of reasons for the Commission action will, unless otherwise indicated by the Commission, consist of the reasons provided by the reviewing officer for the recommendation, if approved by the Commission, although statements setting forth additional or different reasons may also be issued. If

the reviewing officer's recommendation is modified or not approved, the Commission will indicate the grounds for its action and one or more statements of reasons may be issued.

[65 FR 31794, May 19, 2000, as amended at 72 FR 14668, Mar. 29, 2007]

§ 111.38 Can the respondent appeal the Commission's final determination?

Yes; within thirty (30) days of receipt of the Commission's final determination under 11 CFR 111.37, the respondent may submit a written petition to the district court of the United States for the district in which the respondent resides, or transacts business, requesting that the final determination be modified or set aside. The respondent's failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver of the respondent's right to present such argument in a petition to the district court under 2 U.S.C. 437g.

§ 111.39 When must the respondent pay the civil money penalty?

(a) If the respondent does not submit a written petition to the district court of the United States, the respondent must remit payment of the civil money penalty within thirty (30) days of receipt of the Commission's final determination under 11 CFR 111.37.

(b) If the respondent submits a written petition to the district court of the United States and, upon the final disposition of the civil action, is required to pay a civil money penalty, the respondent shall remit payment of the civil money penalty to the Commission within thirty (30) days of the final disposition of the civil action. The final disposition may consist of a judicial decision which is not reviewed by a higher court.

(c) Failure to pay the civil money penalty may result in the commencement of collection action under 31 U.S.C. 3701 *et seq.* (1996), or a civil suit pursuant to 2 U.S.C. 437g(a)(6)(A), or any other legal action deemed necessary by the Commission.

(a) If the Commission, after the respondent has failed to pay the civil money penalty and has failed to submit a written response, determines by an affirmative vote of at least four (4) of its members that the respondent has violated 2 U.S.C. 434(a) and determines the amount of the civil money penalty, the respondent shall be notified by letter of its final determination.

(b) The respondent shall transmit payment of the civil money penalty to the Commission within thirty (30) days of receipt of the Commission’s final determination.

(c) Failure to pay the civil money penalty may result in the commencement of collection action under 31 U.S.C. 3701 *et seq.* (1996), or a civil suit pursuant to 2 U.S.C. 437g(a)(6)(A), or any other legal action deemed necessary by the Commission.

(c) If the respondent fails to file a required report and the Commission cannot calculate the level of activity under paragraph (d) of this section, then the civil money penalty shall be \$6,050.

(d) *Definitions.* For this section only, the following definitions will apply:

(1) *Election Sensitive Reports* means third quarter reports due on October 15th before the general election (for all committees required to file this report except committees of candidates who do not participate in that general election); monthly reports due October 20th before the general election (for all committees required to file this report except committees of candidates who do not participate in that general election); and pre-election reports for primary, general, and special elections under 11 CFR 104.5.

(2) *Estimated level of activity* means:

(i) For an authorized committee, total receipts and disbursements reported in the current two-year election cycle divided by the number of reports filed to date covering the activity in the current two-year election cycle. If the respondent has not filed a report covering activity in the current two-year election cycle, estimated level of activity for an authorized committee means total receipts and disbursements reported in the prior two-year election cycle divided by the number of reports filed covering the activity in the prior two-year election cycle.

(ii)(A) For an unauthorized committee, estimated level of activity is calculated as follows: [(Total receipts and disbursements reported in the current two-year cycle)—(Transfers received from non-Federal account(s) as reported on Line 18(a) of FEC Form 3X Disbursements for the non-Federal share of operating expenditures attributable to allocated Federal/non-Federal activity as reported on Line 21(a)(ii) of FEC Form 3X)] ÷ Number of reports filed to date covering the activity in the current two-year election cycle.

(B) If the unauthorized committee has not filed a report covering activity in the current two-year election cycle, the estimated level of activity is calculated as follows: [(Total receipts and disbursements reported in the prior

two-year election cycle)—(Transfers received from non-Federal account(s) as reported on Line 18(a) of FEC Form 3X Disbursements for the non-Federal share of operating expenditures attributable to allocated Federal/non-Federal activity as reported on Line 21(a)(ii) of FEC Form 3X)] ÷ Number of reports filed covering the activity in the prior two-year election cycle.

(3) *Level of activity* means:

(i) For an authorized committee, the total amount of receipts and disbursements for the period covered by the late report. If the report is not filed, the level of activity is the estimated level of activity as set forth in paragraph (d)(2)(i) of this section.

(ii) For an unauthorized committee, the total amount of receipts and disbursements for the period covered by the late report minus the total of: Transfers received from non-Federal account(s) as reported on Line 18(a) of FEC Form 3X and disbursements for the non-Federal share of operating expenditures attributable to allocated Federal/non-Federal activity as reported on Line 21(a)(ii) of FEC Form 3X for the period covered by the late report. (1) Is submitted by any candidate, including any authorized committee of the candidate (or agent of either),

within the 60 calendar days preceding the date of any election for Federal office in which the candidate is seeking nomination or election; and

(2) Presents a specific transaction or activity related to the election that may invoke the 20 day period if the connection is explained in the request.

(c) The 60 day and 20 day periods referred to in 11 CFR 112.4 (a) and (b) only apply when the Commission has received a qualified and complete advisory opinion request under 11 CFR 112.1, and when the 60th or 20th day occurs on a Saturday, Sunday or Federal holiday, the respective period ends at the close of the business day next following the weekend or holiday.

Federal Election Commission

§ 113.1

(2) Any person involved in any specific transaction or activity which is indistinguishable in all its material aspects from the transaction or activity with respect to which such advisory opinion is rendered.

(b) Notwithstanding any other provision of law, any person who relies upon an advisory opinion in accordance with 11 CFR 112.5(a) and who acts in good faith in accordance with that advisory opinion shall not, as a result of any such act, be subject to any sanction provided by the Federal Election Campaign Act of 1971, as amended, or by chapters 95 or 96 of the Internal Revenue Code of 1954.

§ 112.6 Reconsideration of advisory opinions.

(a) The Commission may reconsider an advisory opinion previously issued if the person to whom the opinion was issued submits a written request for reconsideration within 30 calendar days of receipt of the opinion and if, upon the motion of a Commissioner who voted with the majority that originally approved the opinion, the Commission adopts the motion to reconsider by the affirmative vote of 4 members.

SOURCE: 45 FR 15124, Mar. 7, 1980, unless otherwise noted.

§ 113.1 Definitions (2 U.S.C. 439a).

When used in this part—

(a) *Funds donated.* *Funds donated* means all funds, including, but not limited to, gifts, loans, advances, credits or deposits of money which are donated for the purpose of supporting the activities of a Federal or State officeholder; but does not mean funds appropriated by Congress, a State legislature, or another similar public appropriating body, or personal funds of the officeholder donated to an account containing only those personal funds.

(b) *Office account.* *Office account* means an account established for the purposes of supporting the activities of a Federal or State officeholder which contains campaign funds and funds donated, but does not include an account used exclusively for funds appropriated by Congress, a State legislature, or another similar public appropriating body, or an account of the officeholder which contains only the personal funds of the officeholder.

(c) *Federal officeholder.* *Federal officeholder* means an individual elected to or serving in the office of President or Vice President of the United States; or a Senator or a Representative in, or Delegate or Resident Commissioner to, the Congress of the United States.

(d) *State officeholder.* *State officeholder* means an individual elected to or serving in any elected public office within a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico or any subdivision thereof.

§ 113.1

11 CFR Ch. I (1–1–11 Edition)

(e) [Reserved]

(f) *Qualified Member. Qualified Member* means an individual who was serving as a Senator or Representative in, or Delegate or Resident Commissioner to, Congress, on January 8, 1980.

(g) *Personal use. Personal use* means any use of funds in a campaign account of a present or former candidate to fulfill a commitment, obligation or expense of any person that would exist irrespective of the candidate's campaign or duties as a Federal officeholder.

(1)(i) Personal use includes but is not limited to the use of funds in a campaign account for any item listed in paragraphs (g)(1)(i)(A) through (J) of this section:

(A) Household food items or supplies.

(B) Funeral, cremation or burial expenses except those incurred for a candidate (as defined in 11 CFR 100.3) or an employee or volunteer of an authorized committee whose death arises out of, or in the course of, campaign activity.

(C) Clothing, other than items of *de minimis* value that are used in the campaign, such as campaign "T-shirts" or caps with campaign slogans.

(D) Tuition payments, other than those associated with training campaign staff.

(E) Mortgage, rent or utility payments—

(1) For any part of any personal residence of the candidate or a member of the candidate's family; or

(2) For real or personal property that is owned by the candidate or a member of the candidate's family and used for campaign purposes, to the extent the payments exceed the fair market value of the property usage.

(F) Admission to a sporting event, concert, theater or other form of entertainment, unless part of a specific campaign or officeholder activity.

(G) Dues, fees or gratuities at a country club, health club, recreational facility or other nonpolitical organization, unless they are part of the costs of a specific fundraising event that takes place on the organization's premises.

(H) Salary payments to a member of the candidate's family, unless the family member is providing *bona fide* services to the campaign. If a family member provides *bona fide* services to the

campaign, any salary payment in excess of the fair market value of the services provided is personal use.

(I) Salary payments by a candidate's principal campaign to a candidate in excess of the lesser of: the minimum salary paid to a Federal officeholder holding the Federal office that the candidate seeks; or the earned income that the candidate received during the year prior to becoming a candidate. Any earned income that a candidate receives from salaries or wages from any other source shall count against the foregoing limit of the minimum salary paid to a Federal officeholder holding the Federal office that the candidate seeks. The candidate must provide income tax records from the relevant years and other evidence of earned income upon the request of the Commission. Salary shall not be paid to a candidate before the filing deadline for access to the primary election ballot for the Federal office that the candidate seeks, as determined by State law, or in those states that do not conduct primaries, on January 1 of each even-numbered year. See 11 CFR 100.24(a)(1)(i). If the candidate wins the primary election, his or her principal campaign committee may pay him or her a salary from campaign funds through the date of the general election, up to and including the date of any general election runoff. If the candidate loses the primary, withdraws from the race, or otherwise ceases to be a candidate, no salary payments may be paid beyond the date he or she is no longer a candidate. In odd-numbered years in which a special election for a Federal office occurs, the principal campaign committee of a candidate for that office may pay him or her a salary from campaign funds starting on the date the special election is set and ending on the day of the special election. See 11 CFR 100.24(a)(1)(ii). During the time period in which a principal campaign committee may pay a salary to a candidate under this paragraph, such payment must be computed on a pro-rata basis. A Federal officeholder, as defined in 11 CFR 100.5(f)(1), must not receive salary payments as a candidate from campaign funds.

(J) A vacation.

Federal Election Commission

§ 113.1

(ii) The Commission will determine, on a case-by-case basis, whether other uses of funds in a campaign account fulfill a commitment, obligation or expense that would exist irrespective of the candidate's campaign or duties as a Federal officeholder, and therefore are personal use. Examples of such other uses include:

(A) Legal expenses;

(B) Meal expenses;

(C) Travel expenses, including subsistence expenses incurred during travel. If a committee uses campaign funds to pay expenses associated with travel that involves both personal activities and campaign or officeholder-related activities, the incremental expenses that result from the personal activities are personal use, unless the person(s) benefiting from this use reimburse(s) the campaign account within thirty days for the amount of the incremental expenses, and

(D) Vehicle expenses, unless they are a *de minimis* amount. If a committee uses campaign funds to pay expenses associated with a vehicle that is used for both personal activities beyond a *de minimis* amount and campaign or officeholder-related activities, the portion of the vehicle expenses associated with the personal activities is personal use, unless the person(s) using the vehicle for personal activities reimburse(s) the campaign account within thirty days for the expenses associated with the personal activities.

(2) *Charitable donations.* Donations of campaign funds or assets to an organization described in section 170(c) of Title 26 of the United States Code are not personal use, unless the candidate receives compensation from the organization before the organization has expended the entire amount donated for purposes unrelated to his or her personal benefit.

(3) *Transfers of campaign assets.* The transfer of a campaign committee asset is not personal use so long as the transfer is for fair market value. Any depreciation that takes place before the transfer must be allocated between the committee and the purchaser based on the useful life of the asset.

(4) *Gifts.* Gifts of nominal value and donations of a nominal amount made on a special occasion such as a holiday,

graduation, marriage, retirement, or death are not personal use, unless made to a member of the candidate's family.

(5) *Political or officially connected expenses.* The use of campaign funds for an expense that would be a political expense under the rules of the United States House of Representatives or an officially connected expense under the rules of the United States Senate is not personal use to the extent that the expense is an expenditure under subpart D of part 100 or an ordinary and necessary expense incurred in connection with the duties of a holder of Federal office. Any use of funds that would be personal use under paragraph (g)(1) of this section will not be considered an expenditure under subpart D of part 100 or an ordinary and necessary expense incurred in connection with the duties of a holder of Federal office.

(6) *Third party payments.* Notwithstanding that the use of funds for a particular expense would be a personal use under this section, payment of that expense by any person other than the candidate or the campaign committee shall be a contribution under subpart B of part 100 to the candidate unless the payment would have been made irrespective of the candidacy. Examples of payments considered to be irrespective of the candidacy include, but are not limited to, situations where—

(i) The payment is a donation to a legal expense trust fund established in accordance with the rules of the United States Senate or the United States House of Representatives;

(ii) The payment is made from funds that are the candidate's personal funds as defined in 11 CFR 100.33, including an account jointly held by the candidate and a member of the candidate's family;

(iii) Payments for that expense were made by the person making the payment before the candidate became a candidate. Payments that are compensation shall be considered contributions unless—

(A) The compensation results from *bona fide* employment that is genuinely independent of the candidacy;

(B) The compensation is exclusively in consideration of services provided by

§ 113.2

11 CFR Ch. I (1–1–11 Edition)

the employee as part of this employment; and

(C) The compensation does not exceed the amount of compensation which would be paid to any other similarly qualified person for the same work over the same period of time.

(7) *Members of the candidate's family.* For the purposes of paragraph (g) of this section, the candidate's family includes:

- (i) The spouse of the candidate;
- (ii) Any child, step-child, parent, grandparent, sibling, half-sibling or step-sibling of the candidate or the candidate's spouse;
- (iii) The spouse of any child, step-child, parent, grandparent, sibling, half-sibling or step-sibling of the candidate; and
- (iv) A person who shares a residence with the candidate.

(8) *Recordkeeping.* For those uses of campaign funds described in paragraphs (g)(1)(i) and (g)(1)(ii) of this section that involve both personal use and either campaign or office-holder use, a contemporaneous log or other record must be kept to document the dates and expenses related to the personal use of the campaign funds. The log must be updated whenever campaign funds are used for personal expenses, as described in paragraph (g)(1) of this section, rather than for campaign or office-holder expenses. The log or other record must also be maintained and preserved for 3 years after the report disclosing the disbursement is filed, pursuant to 11 CFR 102.9 and 104.14(b).

(a) May be used to defray any ordinary and necessary expenses incurred in connection with the recipient's duties as a holder of Federal office, if applicable, including:

(1) The costs of travel by the recipient Federal officeholder and an accom-

panying spouse to participate in a function directly connected to *bona fide* official responsibilities, such as a fact-finding meeting or an event at which the officeholder's services are provided through a speech or appearance in an official capacity; and

(2) The costs of winding down the office of a former Federal officeholder for a period of 6 months after he or she leaves office; or

(b) May be contributed to any organization described in section 170(c) of Title 26, of the United States Code; or

(c) May be transferred without limitation to any national, State, or local committee of any political party; or

(d) May be donated to State and local candidates subject to the provisions of State law; or

(e) May be used for any other lawful purpose, unless such use is personal use under 11 CFR 113.1(g).

(f)(1) Except as limited by paragraph (f)(5) of this section, a qualified Member who serves in the 102d or an earlier Congress may convert to personal use no more than the unobligated balance of excess funds as of November 30, 1989. This unobligated balance shall be calculated under either paragraph (f)(1)(i) or (ii) of this section.

(i) Cash assets the Member may convert any excess campaign or donated funds in an amount up to the Member's authorized committee(s)' cash on hand, determined under 11 CFR 104.3(a)(1), as of November 30, 1989, less the committee(s)' total outstanding debts as of that date.

(ii) *Cash Plus Nonliquid Assets.* (A) The Member may convert unliquidated committee assets held by his or her authorized committee(s) on November 30, 1989; or the value of such assets may be added to the value of the committee(s)' cash assets under paragraph (f)(1)(i) of this section to determine the amount which is eligible for conversion. In either case, prior to conversion, the committee shall amend its 1989 year end reports to indicate, as memo entries to Schedule A, the assets to be converted. These amendments shall list each asset, give its date of acquisition, its fair market value as of November 30, 1989, and a brief narrative description of how this value was ascertained. The

Federal Election Commission

§ 113.5

committee shall also disclose the disposition made of each such asset, including its fair market value on the date of sale or other disposition, in its termination report, unless the asset was sold or otherwise disposed of during an earlier period and included in the report covering that period.

(B) The Member may add the value of debts and loans reported as owed to the Member's authorized committee(s) as of November 30, 1989, and itemized on the committee(s)' year end reports for 1989, to the unobligated balance, provided that such receivables are actually collected by the committee(s) prior to their termination.

(C) The Member may add to the unobligated balance the value of vendor credits and deposit refunds to which authorized campaign committee(s) are entitled, if these receivables are itemized on Schedule C or D of the committee(s)' 1989 year end reports or in amendment(s) thereto.

(2) If the unobligated balance subsequently falls below its November 30, 1989, level, a qualified Member may use contributions lawfully received or other lawful committee income received after that date to restore the account up to that level.

(3) A qualified Member may convert committee assets which were not held on November 30, 1989, to personal use; however, the fair market value of such assets at the time of conversion shall be counted against the unobligated balance.

(4) Under no circumstances may an amount greater than the unobligated balance on November 30, 1989, be converted to personal use. Should money from subsequent contributions, other committee income, and/or the sale of campaign assets exceed the amount needed to restore the unobligated balance to its November 30, 1989, level, such additional funds shall not be converted to personal use but may be used for the purposes set forth in paragraphs (a), (b), and (c) of this section.

(5) 103d Congress or later Congress: A qualified Member who serves in the 103d Congress or a later Congress may not convert to personal use any campaign or donated funds, as of the first day of such service.

(g) Nothing in this section modifies or supersedes other Federal statutory restrictions or relevant State laws that may apply to the use of campaign or donated funds by candidates or Federal officeholders.

(b) If any treasury funds of a corporation or labor organization are donated to an office account, no funds from that office account may be transferred to a political committee account or otherwise used in connection with a federal election.

§ 113.5 Restrictions on use of campaign funds for flights on non-commercial aircraft (2 U.S.C. 439a(c)).

(a) *Presidential, vice-presidential and Senate candidates.* Notwithstanding any other provision of the Act or Commission regulations, a presidential, vice-presidential, or Senate candidate, and any authorized committee of such candidate, shall not make any expenditure for travel on an aircraft unless the flight is:

(2) Noncommercial travel as provided in 11 CFR 100.93(a)(3)(v), and the pro rata share per campaign traveler of the normal and usual charter fare or rental charge for travel on a comparable aircraft of comparable size, as provided in 11 CFR 100.93(c), is paid by the candidate, the authorized committee, or other political committee on whose behalf the travel is conducted, to the owner, lessee, or other person who provides the aircraft within seven calendar days after the date the flight began, except as provided in 11 CFR 100.93(b)(3); or

(3) Provided by the Federal government or by a State or local government.

(b) *House candidates and their leadership PACs.* Notwithstanding any other provision of the Act or Commission regulations, a candidate for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, and any authorized committee or leadership PAC of such candidate, shall not make any expenditures, or receive any in-kind contribution, for travel on an aircraft unless the flight is:

(1) Commercial travel as provided in 11 CFR 100.93(a)(3)(iv); or

(2) Provided by the Federal government or by a State or local government.

(c) *Exception for aircraft owned or leased by candidates and immediate family members of candidates.*(1) Paragraphs (a) and (b) of this section do not apply to flights on aircraft owned or leased by the candidate, or by an immediate family member of the candidate, provided that the candidate does not use the aircraft more than the candidate's or immediate family member's proportional share of ownership, as defined by 11 CFR 100.93(g)(3), allows.

(2) A candidate, or an immediate family member of the candidate, will be considered to own or lease an aircraft under the conditions described in 11 CFR 100.93(g)(2).

(3) An "immediate family member" is defined in 11 CFR 100.93(g)(4).

(d) *In-kind contribution.* Except as provided in 11 CFR 100.79, the unreimbursed value of transportation provided to any campaign traveler is an in-kind

contribution from the service provider to the candidate or political committee on whose behalf, or with whom, the campaign traveler traveled. Such contributions are subject to the reporting requirements, limitations and prohibitions of the Act.

11 CFR Ch. I (1-1-11 Edition)

managerial, professional, or supervisory responsibilities.

(1) This definition includes—

(i) The individuals who run the corporation's business such as officers, other executives, and plant, division, and section managers; and

(ii) Individuals following the recognized professions, such as lawyers and engineers.

(2) This definition does *not* include—

(i) Professionals who are represented by a labor organization;

(ii) Salaried foremen and other salaried lower level supervisors having direct supervision over hourly employees;

(iii) Former or retired personnel who are not stockholders; or

(iv) Individuals who may be paid by the corporation or labor organization, such as consultants, but who are not employees, within the meaning of 26 CFR 31.3401(c)-1, of the corporation or labor organization for the purpose of income withholding tax on employee wages under Internal Revenue Code of 1954, section 3402.

(3) Individuals on commission may be considered executive or administrative personnel if they have policymaking, managerial, professional, or supervisory responsibility and if the individuals are employees, within the meaning of 26 CFR 31.3401(c)-1 of the corporation for the purpose of income withholding tax on employee wages under the Internal Revenue Code of 1954, section 3402.

(4) The Fair Labor Standards Act, 29 U.S.C. 201, *et seq.* and the regulations issued pursuant to that Act, 29 CFR part 541, may serve as a guideline in determining whether individuals have policymaking, managerial, professional, or supervisory responsibilities.

(d) *Labor organization* means any organization of any kind, or any agency or employee representative committee or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

(ii) Expressly states the qualifications and requirements for membership in its articles, bylaws, constitution or other formal organizational documents;

(iii) Makes its articles, bylaws, constitution, or other formal organizational documents available to its members upon request;

(iv) Expressly solicits persons to become members;

(v) Expressly acknowledges the acceptance of membership, such as by sending a membership card or including the member's name on a membership newsletter list; and

(vi) Is not organized primarily for the purpose of influencing the nomination for election, or election, of any individual to Federal office.

(2) For purposes of this part, the term *members* includes all persons who are currently satisfying the requirements for membership in a membership organization, affirmatively accept the membership organization's invitation to become a member, and either:

(i) Have some significant financial attachment to the membership organization, such as a significant investment or ownership stake; or

(ii) Pay membership dues at least annually, of a specific amount predetermined by the organization; or

(iii) Have a significant organizational attachment to the membership organization which includes: affirmation of membership on at least an annual basis; and direct participatory rights in the governance of the organization. For example, such rights could include the right to vote directly or indirectly for at least one individual on the membership organization's highest governing board; the right to vote directly for organization officers; the right to vote on policy questions where the highest governing body of the membership organization is obligated to abide by the results; the right to approve the

Federal Election Commission

§ 114.1

organization's annual budget; or the right to participate directly in similar aspects of the organization's governance.

(3) Notwithstanding the requirements of paragraph (e)(2) of this section, the Commission may determine, on a case-by-case basis, that persons who do not precisely meet the requirements on the general rule, but have a relatively enduring and independently significant financial or organizational attachment to the organization, may be considered members for purposes of this section. For example, student members who pay a lower amount of dues while in school, long term dues paying members who qualify for lifetime membership status with little or no dues obligation, and retired members of the organization may be considered members for purposes of these rules.

(4) Notwithstanding the requirements of paragraphs (e)(2)(i) through (iii) of this section, members of a local union are considered to be members of any national or international union of which the local union is a part and of any federation with which the local, national, or international union is affiliated.

(5) In the case of a membership organization which has a national federation structure or has several levels, including, for example, national, state, regional and/or local affiliates, a person who qualifies as a member of any entity within the federation or of any affiliate by meeting the requirements of paragraphs (e)(2)(i), (ii), or (iii) of this section shall also qualify as a member of all affiliates for purposes of this part. The factors set forth at 11 CFR 100.5 (g)(2), (3) and (4) shall be used to determine whether entities are affiliated for purposes of this paragraph.

(6) The status of a membership organization, and of members, for purposes of this part, shall be determined pursuant to paragraph (e)(1) of this section and not by provisions of state law governing trade associations, cooperatives, corporations without capital stock, or labor organizations.

(f) *Method of facilitating the making of contributions* means the manner in which the contributions are received or collected such as, but not limited to, payroll deduction or checkoff systems,

(j) *Restricted class*. A corporation's restricted class is its stockholders and executive or administrative personnel, and their families, and the executive and administrative personnel of its subsidiaries, branches, divisions, and departments and their families. A labor organization's restricted class is its members and executive or administrative personnel, and their families. For communications under 11 CFR 114.3, the restricted class of an incorporated membership organization, incorporated trade association, incorporated cooperative or corporation without capital stock is its members and executive or administrative personnel, and their families. (The solicitable class of a membership organization, cooperative, corporation without capital stock or trade association, as described in 11 CFR 114.7 and 114.8, may include some persons who are not considered part of the organization's restricted class, and may exclude some persons who are in the restricted class.)

§ 114.2

11 CFR Ch. I (1–1–11 Edition)

§ 114.2 Prohibitions on contributions, expenditures and electioneering communications.

(a) National banks and corporations organized by authority of any law of Congress are prohibited from making a contribution, as defined in 11 CFR 114.1(a), in connection with any election to any political office, including local, State and Federal offices, or in connection with any primary election or political convention or caucus held to select candidates for any political office, including any local, State or Federal office. National banks and corporations organized by authority of any law of Congress are prohibited from making expenditures as defined in 11 CFR 114.1(a) for communications to those outside the restricted class expressly advocating the election or defeat of one or more clearly identified candidate(s) or the candidates of a clearly identified political party, with respect to an election to any political office, including any local, State, or Federal office.

(1) Such national banks and corporations may engage in the activities permitted by 11 CFR part 114, except to the extent that such activity is foreclosed by provisions of law other than the Act.

(2) The provisions of 11 CFR part 114 apply to the activities of a national bank, or a corporation organized by any law of Congress, in connection with local, State and Federal elections.

(b)(1) Any corporation whatever or any labor organization is prohibited from making a contribution as defined in 11 CFR part 100, subpart B. Any corporation whatever or any labor organization is prohibited from making a contribution as defined in 11 CFR 114.1(a) in connection with any Federal election.

(2) Except as provided at 11 CFR 114.10, corporations and labor organizations are prohibited from:

(i) Making expenditures as defined in 11 CFR part 100, subpart D; or

(ii) Making expenditures with respect to a Federal election (as defined in 11 CFR 114.1(a)), for communications to those outside the restricted class that expressly advocate the election or defeat of one or more clearly identified

candidate(s) or the candidates of a clearly identified political party.

(3) Corporations and labor organizations are prohibited from making payments for an electioneering communication to those outside the restricted class unless permissible under 11 CFR 114.10 or 114.15. However, this paragraph (b)(3) shall not apply to State party committees and State candidate committees that incorporate under 28 U.S.C. 527(e)(1), provided that:

(i) The committee is not a political committee as defined in 11 CFR 100.5;

(ii) The committee incorporated for liability purposes only;

(iii) The committee does not use any funds donated by corporations or labor organizations to make electioneering communications; and

(iv) The committee complies with the reporting requirements for electioneering communications at 11 CFR part 104.

(c) Disbursements by corporations and labor organizations for the election-related activities described in 11 CFR 114.3 and 114.4 will not cause those activities to be contributions or expenditures, even when coordinated with any candidate, candidate's agent, candidate's authorized committee(s) or any party committee to the extent permitted in those sections. Coordination beyond that described in 11 CFR 114.3 and 114.4 shall not cause subsequent activities directed at the restricted class to be considered contributions or expenditures. However, such coordination may be considered evidence that could negate the independence of subsequent communications to those outside the restricted class by the corporation, labor organization or its separate segregated fund, and could result in an in-kind contribution. *See* 11 CFR 100.16 regarding independent expenditures and coordination with candidates.

(d) A candidate, political committee, or other person is prohibited from knowingly accepting or receiving any contribution prohibited by this section.

(e) No officer or director of any corporation or any national bank, and no officer of any labor organization shall consent to any contribution or expenditure by the corporation, national bank, or labor organization prohibited by this section.

(f) *Facilitating the making of contributions.* (1) Corporations and labor organizations (including officers, directors or other representatives acting as agents of corporations and labor organizations) are prohibited from facilitating the making of contributions to candidates or political committees, other than to the separate segregated funds of the corporations and labor organizations. Facilitation means using corporate or labor organization resources or facilities to engage in fundraising activities in connection with any federal election, such as activities which go beyond the limited exemptions set forth in 11 CFR part 100, subparts B and C, part 100, subparts D and E, 114.9(a) through (c) and 114.13. A corporation does not facilitate the making of a contribution to a candidate or political committee if it provides goods or services in the ordinary course of its business as a commercial vendor in accordance with 11 CFR part 116 at the usual and normal charge.

(2) Examples of facilitating the making of contributions include but are not limited to—

(i) Fundraising activities by corporations (except commercial vendors) or labor organizations that involve—

(A) Officials or employees of the corporation or labor organization ordering or directing subordinates or support staff (who therefore are not acting as volunteers) to plan, organize or carry out the fundraising project as a part of their work responsibilities using corporate or labor organization resources, unless the corporation or labor organization receives advance payment for the fair market value of such services;

(B) Failure to reimburse a corporation or labor organization within a commercially reasonable time for the use of corporate facilities described in 11 CFR 114.9(d) in connection with such fundraising activities;

(C) Using a corporate or labor organization list of customers, clients, vendors or others who are not in the restricted class to solicit contributions or distribute invitations to the fundraiser, unless the corporation or labor organization receives advance payment for the fair market value of the list;

(D) Using meeting rooms that are not customarily made available to clubs,

civic or community organizations or other groups; or

(E) Providing catering or other food services operated or obtained by the corporation or labor organization, unless the corporation or labor organization receives advance payment for the fair market value of the services;

(ii) Providing materials for the purpose of transmitting or delivering contributions, such as stamps, envelopes addressed to a candidate or political committee other than the corporation's or labor organization's separate segregated fund, or other similar items which would assist in transmitting or delivering contributions, but not including providing the address of the candidate or political committee;

(iii) Soliciting contributions earmarked for a candidate that are to be collected and forwarded by the corporation's or labor organization's separate segregated fund, except to the extent such contributions also are treated as contributions to and by the separate segregated fund; or

(iv) Using coercion, such as the threat of a detrimental job action, the threat of any other financial reprisal, or the threat of force, to urge any individual to make a contribution or engage in fundraising activities on behalf of a candidate or political committee.

(3) Facilitating the making of contributions does not include the following activities if conducted by a separate segregated fund—

(i) Any activity specifically permitted under 11 CFR 110.1, 110.2, or 114.5 through 114.8, including soliciting contributions to a candidate or political committee, and making in kind contributions to a candidate or political committee; and

(ii) Collecting and forwarding contributions earmarked to a candidate in accordance with 11 CFR 110.6.

(4) Facilitating the making of contributions also does not include the following activities if conducted by a corporation or labor organization—

(i) Enrolling members of a corporation's or labor organization's restricted class in a payroll deduction plan or check-off system which deducts contributions from dividend or payroll checks to make contributions to the corporation's or labor organization's

§ 114.3

11 CFR Ch. I (1–1–11 Edition)

separate segregated fund or an employee participation plan pursuant to 11 CFR 114.11;

(ii) Soliciting contributions to be sent directly to candidates if the solicitation is directed to the restricted class, *see* 11 CFR 114.1(a)(2)(i); and

(iii) Soliciting contributions earmarked for a candidate that are to be collected and forwarded by the corporation's or labor organization's separate segregated fund, to the extent such contributions also are treated as contributions to and by the separate segregated fund.

(5) Facilitating the making of contributions also does not include the provision of incidental services by a corporation to collect and forward contributions from its employee stockholders and executive and administrative personnel to the separate segregated fund of a trade association of which the corporation is a member, including collection through a payroll deduction or check-off system, pursuant to 11 CFR 114.8(e)(4).

[60 FR 64274, Dec. 14, 1995, as amended at 67 FR 65211, Oct. 23, 2002; 67 FR 78681, Dec. 26, 2002; 70 FR 41944, July 21, 2005; 72 FR 72913, Dec. 26, 2007]

§ 114.3 Disbursements for communications to the restricted class in connection with a Federal election.

(a) *General.* (1) Corporations and labor organizations may make communications on any subject, including communications containing express advocacy, to their restricted class or any part of that class. Corporations and labor organizations may also make the communications permitted under 11 CFR 114.4 to their restricted class or any part of that class. The activities permitted under this section may involve election-related coordination with candidates and political committees. *See* 11 CFR 100.16 and 114.2(c) regarding independent expenditures and coordination with candidates.

(2) Incorporated membership organizations, incorporated trade associations, incorporated cooperatives and corporations without capital stock may make communications to their restricted class, or any part of that class as permitted in paragraphs (a)(1) and (c) of this section.

(b) *Reporting communications containing express advocacy.* Disbursements for communications expressly advocating the election or defeat of one or more clearly identified candidate(s) made by a corporation, including a corporation described in paragraph (a)(2) of this section, or labor organization to its restricted class shall be reported in accordance with 11 CFR 100.134(a) and 104.6.

(c) *Communications containing express advocacy.* Communications containing express advocacy which may be made to the restricted class include, but are not limited to, the examples set forth in paragraphs (c)(1) through (c)(4) of this section.

(1) *Publications.* Printed material expressly advocating the election or defeat of one or more clearly identified candidate(s) or candidates of a clearly identified political party may be distributed by a corporation or by a labor organization to its restricted class, provided that:

(i) The material is produced at the expense of the corporation or labor organization; and

(ii) The material constitutes a communications of the views of the corporation or the labor organization, and is not the republication or reproduction, in whole or in part, of any broadcast, transcript or tape or any written, graphic, or other form of campaign materials prepared by the candidate, his or her campaign committees, or their authorized agents. A corporation or labor organization may, under this section, use brief quotations from speeches or other materials of a candidate that demonstrate the candidate's position as part of the corporation's or labor organization's expression of its own views.

(2) *Candidate and party appearances.*

(i) A corporation may allow a candidate, candidate's representative or party representative to address its restricted class at a meeting, convention or other function of the corporation, but is not required to do so. A labor organization may allow a candidate or party representative to address its restricted class at a meeting, convention, or other function of the labor organization, but is not required to do so. A corporation or labor organization may

bar other candidates for the same office or a different office and their representatives, and representatives of other parties addressing the restricted class. A corporation or labor organization may allow the presence of employees outside the restricted class of the corporation or labor organization who are necessary to administer the meeting, other guests of the corporation or labor organization who are being honored or speaking or participating in the event, and representatives of the news media.

(ii) The candidate, candidate's representative or party representative may ask for contributions to his or her campaign or party, or ask that contributions to the separate segregated fund of the corporation or labor organization be designated for his or her campaign or party. The incidental solicitation of persons outside the corporation's or labor organization's restricted class who may be present at the meeting as permitted by this section will not be a violation of 11 CFR part 114. The candidate's representative or party representative (other than an officer, director or other representative of a corporation or official, member or employee of a labor organization) or the candidate, may accept contributions before, during or after the appearance at the meeting, convention or other function of the corporation or labor organization.

(iii) The corporation or labor organization may suggest that members of its restricted class contribute to the candidate or party committee, but the collection of contributions by any officer, director or other representative of the corporation or labor organization before, during, or after the appearance while at the meeting, is an example of a prohibited facilitation of contributions under 11 CFR 114.2(f).

(iv) If the corporation or labor organization permits more than one candidate for the same office, or more than one candidate's representative or party representative, to address its restricted class, and permits the news media to cover or carry an appearance by one candidate or candidate's representative or party representative, the corporation or labor organization shall also permit the news media to

cover or carry the appearances by the other candidate(s) for that office, or the other candidates' representatives or party representatives. If the corporation or labor organization permits a representative of the news media to cover or carry a candidate or candidate's representative or party representative appearance, the corporation or labor organization shall provide all other representatives of the news media with equal access for covering or carrying that appearance. Equal access is provided by—

(A) Providing advance information regarding the appearance to the representatives of the news media whom the corporation or labor organization customarily contacts and other representatives of the news media upon request; and

(B) Allowing all representatives of the news media to cover or carry the appearance, through the use of pooling arrangements if necessary.

(3) *Phone banks.* A corporation or a labor organization may establish and operate phone banks to communicate with its restricted class, urging them to register and/or vote for a particular candidate or candidates, or to register with a particular political party.

(4) *Registration and get-out-the-vote drives.* A corporation or a labor organization may conduct registration and get-out-the-vote drives aimed at its restricted class. Registration and get-out-the-vote drives include providing transportation to the place of registration and to the polls. Such drives may include communications containing express advocacy, such as urging individuals to register with a particular party or to vote for a particular candidate or candidates. Information and other assistance regarding registering or voting, including transportation and other services offered, shall not be withheld or refused on the basis of support for or opposition to particular candidates, or a particular political party.

11 CFR Ch. I (1–1–11 Edition)

the restricted class in accordance with this section. Any communications which a corporation or labor organization may make to the general public under paragraph (c) of this section may also be made to the corporation's or labor organization's restricted class and to other employees and their families. Communications which a corporation or labor organization may make only to its employees (including its restricted class) and their families, but not to the general public, are found in paragraph (b) of this section. Communications which a corporation or labor organization may make only to its restricted class are found at 11 CFR 114.3. The activities permitted under paragraphs (b) and (c) of this section may involve election-related coordination with candidates and political committees only to the extent permitted by this section. See 11 CFR 100.16 and 114.2(c) regarding independent expenditures and coordination with candidates. Incorporated membership organizations, incorporated trade associations, incorporated cooperatives and corporations without capital stock will be treated as corporations for the purpose of making communications beyond the restricted class under this section.

Other guests of the corporation who are being honored or speaking or participating in the event and representatives of the news media may be present. A corporation may bar all candidates, candidates' representatives and representatives of political parties from addressing or meeting its restricted class and other employees of the corporation and their families on corporate premises or at

any meeting, convention or other function of the corporation.

(i) If a candidate for the House or Senate or a candidate's representative is permitted to address or meet employees, all candidates for that seat who request to appear must be given a similar opportunity to appear;

(ii) If a Presidential or Vice Presidential candidate or candidate's representative is permitted to address or meet employees, all candidates for that office who are seeking the nomination or election, and who meet pre-established objective criteria under 11 CFR 110.13(c), and who request to appear must be given a similar opportunity to appear;

(iii) If representatives of a political party are permitted to address or meet employees, representatives of all political parties which had a candidate or candidates on the ballot in the last general election or which are actively engaged in placing or will have a candidate or candidates on the ballot in the next general election and who request to appear must be given a similar opportunity to appear;

(iv) The candidate's representative or party representative (other than an officer, director or other representative of a corporation) or the candidate, may ask for contributions to his or her campaign or party, or ask that contributions to the separate segregated fund of the corporation be designated for his or her campaign or party. The candidate, candidate's representative or party representative shall not accept contributions before, during or after the appearance while at the meeting, convention or other function of the corporation, but may leave campaign materials or envelopes for members of the audience. A corporation, its restricted class, or other employees of the corporation or its separate segregated fund shall not, either orally or in writing, solicit or direct or control contributions by members of the audience to any candidate or party in conjunction with any appearance by any candidate or party representative under this section, and shall not facilitate the making of contributions to any such candidate or party (see 11 CFR 114.2(f));

(v) A corporation or its separate segregated fund shall not, in conjunction with any candidate, candidate representative or party representative appearance under this section, expressly advocate the election or defeat of any clearly identified candidate(s) or candidates of a clearly identified political party and shall not promote or encourage express advocacy by employees;

(vi) No candidate, candidate's representative or party representative shall be provided with more time or a substantially better location than other candidates, candidates' representatives or party representatives who appear, unless the corporation is able to demonstrate that it is clearly impractical to provide all candidates, candidates' representatives and party representatives with similar times or locations;

(vii) Coordination with each candidate, candidate's agent, and candidate's authorized committee(s) may include discussions of the structure, format and timing of the candidate appearance and the candidate's positions on issues, but shall not include discussions of the candidate's plans, projects, or needs relating to the campaign; and

(viii) Representatives of the news media may be allowed to be present during a candidate, candidate representative or party representative appearance under this section, in accordance with the procedures set forth at 11 CFR 114.3(c)(2)(iv).

(2) *Candidate and party appearances on labor organization premises or at a meeting, convention or other function.* A labor organization may permit candidates, candidates' representatives or representatives of political parties on the labor organization's premises or at a meeting, convention, or other function of the labor organization to address or meet its restricted class and other employees of the labor organization, and their families, in accordance with the conditions set forth in paragraphs (b)(1) (i) through (iii), (vi) through (viii), and paragraphs (b)(2) (i) and (ii) of this section. Other guests of the labor organization who are being honored or speaking or participating in the event and representatives of the news media may be present. A labor organization may bar all candidates, can-

didates' representatives and representatives of political parties from addressing or meeting its restricted class and other employees of the labor organization and their families on the labor organization's premises or at any meeting, convention or other function of the labor organization.

(i) The candidate's representative or party representative (other than an official, member or employee of a labor organization) or the candidate, may ask for contributions to his or her campaign or party, or ask that contributions to the separate segregated fund of the labor organization be designated for his or her campaign or party. The candidate, candidate's representative or party representative shall not accept contributions before, during or after the appearance while at the meeting, convention or other function of the labor organization, but may leave campaign materials or envelopes for members of the audience. No official, member, or employee of a labor organization or its separate segregated fund shall, either orally or in writing, solicit or direct or control contributions by members of the audience to any candidate or party representative under this section, and shall not facilitate the making of contributions to any such candidate or party. See 11 CFR 114.2(f).

(ii) A labor organization or its separate segregated fund shall not, in conjunction with any candidate or party representative appearance under this section, expressly advocate the election or defeat of any clearly identified candidate(s), and shall not promote or encourage express advocacy by its members or employees.

(c) *Communications by a corporation or labor organization to the general public—*

(1) *General.* A corporation or labor organization may make the communications described in paragraphs (c)(2) through (c)(5) and (c)(8) of this section to the general public. The general public includes anyone who is not in the corporation's or labor organization's restricted class. The provisions of paragraph (c) of this section shall not prevent a qualified nonprofit corporation under 11 CFR 114.10(c) from including express advocacy in any communication made to the general public under

§ 114.4

11 CFR Ch. I (1-1-11 Edition)

paragraphs (c)(2) through (c)(5)(i) of this section.

The preparation and distribution or registration and get-out-the-vote communications shall not be coordinated with any candidate(s) or political party. A corporation or labor organization may make communications permitted under this section through posters, billboards, broadcasting media, newspapers, newsletter, brochures, or similar means of communication with the general public.

(3) *Official registration and voting information.* (i) A corporation or labor organization may distribute to the general public, or reprint in whole and distribute to the general public, any registration or voting information, such as instructional materials, which has been produced by the official election administrators.

(ii) A corporation or labor organization may distribute official registration-by-mail forms to the general public. A corporation or labor organization may distribute absentee ballots to the general public if permitted by the applicable State law.

(iii) A corporation or labor organization may donate funds to State or local government agencies responsible for the administration of elections to help defray the costs of printing or distributing registration or voting information and forms.

(iv) The corporation or labor organization shall not, in connection with any such distribution, expressly advocate the election or defeat of any clearly identified candidate(s) or candidates of a clearly identified political party and shall not encourage registration with any particular political party.

(v) The reproduction and distribution of registration or voting information and forms shall not be coordinated with any candidate(s) or political party.

(4) *Voting records.* A corporation or labor organization may prepare and distribute to the general public the voting records of Members of Congress, provided that the voting record and all communications distributed with it do not expressly advocate the election or defeat of any clearly identified candidate, clearly identified group of candidates or candidates of a clearly identified political party. The decision on content and the distribution of voting records shall not be coordinated with any candidate, group of candidates or political party.

(5) *Voter guides.* A corporation or labor organization may prepare and distribute to the general public voter guides consisting of two or more candidates' positions on campaign issues, including voter guides obtained from a nonprofit organization which is described in 26 U.S.C. 501 (c)(3) or (c)(4), provided that the voter guides comply with either paragraph (c)(5)(i) or (c)(5)(ii) (A) through (E) of this section. The sponsor may include in the voter guide biographical information on each candidate, such as education, employment positions, offices held, and community involvement.

(i) The corporation or labor organization must not act in cooperation, consultation, or concert with or at the request or suggestion of the candidates, the candidates' committees or agents regarding the preparation, contents and distribution of the voter guide, and no portion of the voter guide may expressly advocate the election or defeat of one or more clearly identified candidate(s) or candidates of any clearly identified political party.

(ii) (A) The corporation or labor organization must not act in cooperation, consultation, or concert with or at the request or suggestion of the candidates, the candidates' committees or agents regarding the preparation, contents and distribution of the voter guide;

Federal Election Commission

§ 114.4

(1) Are seeking the nomination of a particular political party in a contested primary election; or

(2) Appear on the general election ballot in the state(s) where the voter guide is distributed or appear on the general election ballot in enough states to win a majority of the electoral votes;

(C) No candidate may receive greater prominence in the voter guide than other participating candidates, or substantially more space for responses;

(D) The voter guide and its accompanying materials shall not contain an electioneering message; and

(E) The voter guide and its accompanying materials shall not score or rate the candidates' responses in such a way as to convey an electioneering message.

(6) *Endorsements.* A corporation or labor organization may endorse a candidate and may communicate the endorsement to its restricted class through the publications described in 11 CFR 114.3(c)(1) or during a candidate appearance under 11 CFR 114.3(c)(2), provided that no more than a de minimis number of copies of the publication which includes the endorsement are circulated beyond the restricted class. The corporation or labor organization may publicly announce the endorsement and state the reasons therefor, in accordance with the conditions set forth in paragraphs (c)(6) (i) and (ii) of this section. The Internal Revenue Code and regulations promulgated thereunder should be consulted regarding restrictions or prohibitions on endorsements by nonprofit corporations described in 26 U.S.C. 501(c)(3).

(i) The public announcement of the endorsement may be made through a press release and press conference. Disbursements for the press release and press conference shall be de minimis. The disbursements shall be considered de minimis if the press release and notice of the press conference is distributed only to the representatives of the news media that the corporation or labor organization customarily contacts when issuing non-political press releases or holding press conferences for other purposes.

(ii) The public announcement of the endorsement may not be coordinated

with the candidate, the candidate's agents or the candidate's authorized committee(s).

(7) *Candidate appearances on educational institution premises—*(i) *Rental of facilities at usual and normal charge.* Any incorporated nonprofit educational institution exempt from federal taxation under 26 U.S.C. 501(c)(3), such as a school, college or university, may make its facilities available to any candidate or political committee in the ordinary course of business and at the usual and normal charge. In this event, the requirements of paragraph (c)(7)(ii) of this section are not applicable.

(ii) *Use of facilities at no charge or at less than the usual and normal charge.* An incorporated nonprofit educational institution exempt from federal taxation under 26 U.S.C. 501(c)(3), such as a school, college or university, may sponsor appearances by candidates, candidates' representatives or representatives of political parties at which such individuals address or meet the institution's academic community or the general public (whichever is invited) on the educational institution's premises at no charge or at less than the usual and normal charge, if:

(A) The educational institution makes reasonable efforts to ensure that the appearances constitute speeches, question and answer sessions, or similar communications in an academic setting, and makes reasonable efforts to ensure that the appearances are not conducted as campaign rallies or events; and

(B) The educational institution does not, in conjunction with the appearance, expressly advocate the election or defeat of any clearly identified candidate(s) or candidates of a clearly identified political party, and does not favor any one candidate or political party over any other in allowing such appearances.

(8) *Electioneering communications.* Any corporation or labor organization may make electioneering communications to the general public that are permissible under 11 CFR 114.15. Qualified nonprofit corporations, as defined in 11 CFR 114.10(c), may make electioneering communications in accordance with 11 CFR 114.10(d).

§ 114.5

11 CFR Ch. I (1–1–11 Edition)

(d) *Registration and get-out-the-vote drives.* A corporation or labor organization may support or conduct voter registration and get-out-the-vote drives which are aimed at employees outside its restricted class and the general public in accordance with the conditions set forth in paragraphs (d)(1) through (d)(6) of this section. Registration and get-out-the-vote drives include providing transportation to the polls or to the place of registration.

(1) The corporation or labor organization shall not make any communication expressly advocating the election or defeat of any clearly identified candidate(s) or candidates of a clearly identified political party as part of the voter registration or get-out-the-vote drive.

(2) The registration or get-out-the-vote drive shall not be coordinated with any candidate(s) or political party.

(3) The registration drive shall not be directed primarily to individuals previously registered with, or intending to register with, the political party favored by the corporation or labor organization. The get-out-the-vote drive shall not be directed primarily to individuals currently registered with the political party favored by the corporation or labor organization.

(4) These services shall be made available without regard to the voter's political preference. Information and other assistance regarding registering or voting, including transportation and other services offered, shall not be withheld or refused on the basis of support for or opposition to particular candidates or a particular political party.

(5) Individuals conducting the registration or get-out-the-vote drive shall not be paid on the basis of the number of individuals registered or transported who support one or more particular candidates or political party.

(6) The corporation or labor organization shall notify those receiving information or assistance of the requirements of paragraph (d)(4) of this section. The notification shall be made in writing at the time of the registration or get-out-the-vote drive.

(e) *Incorporated membership organizations, incorporated trade associations, incorporated cooperatives and corporations without capital stock.* An incorporated membership organization, incorporated trade association, incorporated cooperative or corporation without capital stock may permit candidates, candidates' representatives or representatives of political parties to address or meet members and employees of the organization, and their families, on the organization's premises or at a meeting, convention or other function of the organization, in accordance with the conditions set forth in paragraphs (b)(1) (i) through (viii) of this section.

[60 FR 64276, Dec. 14, 1995, as amended at 61 FR 18051, Apr. 24, 1996; 67 FR 78681, Dec. 26, 2002; 68 FR 457, Jan. 3, 2003; 72 FR 72913, Dec. 26, 2007]

§ 114.5 Separate segregated funds.

(a) *Voluntary contributions to a separate segregated fund.* (1) A separate segregated fund is prohibited from making a contribution or expenditure by utilizing money or anything of value secured by physical force, job discrimination, financial reprisals, or the threat of force, job discrimination, or financial reprisal; or by dues, fees, or other monies required as a condition of membership in a labor organization or as a condition of employment or by monies

Federal Election Commission

§ 114.5

obtained in any commercial transaction. For purposes of this section, fees or monies paid as a condition of acquiring or retaining membership or employment are monies required as a condition of membership or employment even though they are refundable upon request of the payor.

(2) A guideline for contributions may be suggested by a corporation or a labor organization, or the separate segregated fund of either, provided that the person soliciting or the solicitation informs the persons being solicited—

(i) That the guidelines are merely suggestions; and

(ii) That an individual is free to contribute more or less than the guidelines suggest and the corporation or labor organization will not favor or disadvantage anyone by reason of the amount of their contribution or their decision not to contribute.

A corporation or labor organization or the separate segregated fund of either may not enforce any guideline for contributions.

(3) Any person soliciting an employee or member for a contribution to a separate segregated fund must inform such employee or member of the political purposes of the fund at the time of the solicitation.

(4) Any person soliciting an employee or member for a contribution to a separate segregated fund must inform the employee or member at the time of such solicitation of his or her right to refuse to so contribute without any reprisal.

(5) Any written solicitation for a contribution to a separate segregated fund which is addressed to an employee or member must contain statements which comply with the requirements of paragraphs (a) (3) and (4) of this section, and if a guideline is suggested, statements which comply with the requirements of paragraph (a)(2) of this section.

(b) *Use of treasury monies.* Corporations, labor organizations, membership organizations, cooperatives, or corporations without capital stock may use general treasury monies, including monies obtained in commercial transactions and dues monies or membership fees, for the establishment, administration, and solicitation of contribu-

tions to its separate segregated fund. A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may not use the establishment, administration, and solicitation process as a means of exchanging treasury monies for voluntary contributions.

(1) A contributor may not be paid for his or her contribution through a bonus, expense account, or other form of direct or indirect compensation.

(2) A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may, subject to the provisions of 39 U.S.C. 3005 and chapter 61, title 18, United States Code, utilize a raffle or other fundraising device which involves a prize, so long as State law permits and the prize is not disproportionately valuable. Dances, parties, and other types of entertainment may also be used as fundraising devices. When using raffles or entertainment to raise funds, a reasonable practice to follow is for the separate segregated fund to reimburse the corporation or labor organization for costs which exceed one-third of the money contributed.

(3) If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expense could be paid for as an administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than 30 calendar days after the expense was paid by the separate segregated fund.

(c) *Membership in separate segregated funds.* (1) A separate segregated fund established by a corporation, labor organization, membership organization, cooperative, or corporation without capital stock may provide that persons who contribute a certain amount to its separate segregated fund will become *members* of its separate segregated fund, so long as—

(i) The fund accepts contributions of all amounts, subject to the limitations of part 110;

(ii) Subject to paragraph (c)(1)(iii) of this section, nothing of value may be given in return for or in the course of membership;

(iii) The fund may use membership status for intangible privileges such as

§ 114.5

11 CFR Ch. I (1–11 Edition)

allowing members only to choose the candidates to whom the fund will contribute.

(2) The fact that the separate segregated fund of a corporation, labor organization, membership organization, cooperative, or corporation without capital stock is a *membership group* does not provide the corporation, labor organization, membership organization, cooperative, or corporation without capital stock with any greater right of communication or solicitation than the corporation, labor organization, membership organization, cooperative, or corporation without capital stock is otherwise granted under this part.

(d) *Control of funds.* A corporation, membership organization, cooperative, corporation without capital stock, or labor organization may exercise control over its separate segregated fund.

(e) *Disclosure.* Separate segregated funds are subject to the following disclosure requirements:

(1) A corporation or labor organization is not required to report any payment made or obligation incurred which is not a contribution or expenditure, as defined in § 114.1(a), except those reporting requirements specifically set forth in this section.

(2) A membership organization or corporation is not required to report the cost of any communication to its members or stockholders or executive or administrative personnel, if such membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election, or election, of any person to Federal office, except that—

(i) The costs incurred by a membership organization, including a labor organization, or by a corporation, directly attributable to a communication expressly advocating the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the express advocacy of the election or defeat of a clearly identified candidate) shall, if those costs exceed \$2,000 per election, be reported in accordance with 11 CFR 100.134(a); and

(ii) The amounts paid or incurred for legal or accounting services rendered to or on behalf of a candidate or political committee solely for the purpose

of ensuring compliance with the provisions of the Act or chapter 95 or 96 of the Internal Revenue Code of 1954 paid by a corporation or labor organization which is the regular employer of the individual rendering such services, shall be reported in accordance with the provisions of part 104.

(3) A separate segregated fund is subject to all other disclosure requirements of political committees as set forth in part 104.

(f) *Contribution limits.* Separate segregated funds are subject to the contribution limitations for political committees set forth in part 110. (See particularly § 110.3).

(g) *Solicitations.* Except as specifically provided in §§ 114.6, 114.7, and 114.8, a corporation and/or its separate segregated fund or a labor organization and/or its separate segregated fund is subject to the following limitations on solicitations:

(1) A corporation or a separate segregated fund established by a corporation is prohibited from soliciting contributions to such fund from any person other than its stockholders and their families and its executive or administrative personnel and their families. A corporation may solicit the executive or administrative personnel of its subsidiaries, branches, divisions, and affiliates and their families. For purposes of this section, the factors set forth at 11 CFR 100.5(g)(4) shall be used to determine whether an organization is an affiliate of a corporation.

(2) A labor organization, or a separate segregated fund established by a labor organization is prohibited from soliciting contributions to such a fund from any person other than its members and executive or administrative personnel, and their families.

(h) *Accidental or inadvertent solicitation.* Accidental or inadvertent solicitation by a corporation or labor organization, or the separate segregated fund of either, of persons apart from and beyond those whom it is permitted to solicit will not be deemed a violation, provided that such corporation or labor organization or separate segregated fund has used its best efforts to comply with the limitations regarding the persons it may solicit and that the method of solicitation is corrected

Federal Election Commission

§ 114.5

forthwith after the discovery of such erroneous solicitation.

(i) *Communications paid for with voluntary contributions.* A separate segregated fund may, using voluntary contributions, communicate with the general public, except that such communications may not solicit contributions to a separate segregated fund established by a corporation, labor organization, membership organization, cooperative, or corporation without capital stock, unless such solicitation is permitted under paragraph (g) of this section.

(j) *Acceptance of contributions.* A separate segregated fund may accept contributions from persons otherwise permitted by law to make contributions.

(k) *Availability of methods.* Any corporation, including its subsidiaries, branches, divisions, and affiliates, that uses a method of soliciting voluntary contributions or facilitating the making of voluntary contributions from its stockholders or executive or administrative personnel and their families, shall make that method available to a labor organization representing any members working for the corporation, its subsidiaries, branches, divisions, and affiliates for soliciting voluntary contributions or facilitating the making of voluntary contributions from its members and their families. Such method shall be made available on the written request of the labor organization and at a cost sufficient only to reimburse the corporation for the expenses incurred thereby. For example—

(1) If a corporation, including its subsidiaries, branches, divisions, or affiliates utilizes a payroll deduction plan, check-off system, or other plan which deducts contributions from the dividend or payroll checks of stockholders or executive or administrative personnel, the corporation shall, upon written request of the labor organization, make that method available to members of the labor organization working for the corporation, its subsidiaries, branches, divisions, or affiliates, who wish to contribute to the separate segregated fund of the labor organization representing any members working for the corporation, or any of its subsidiaries, branches, divisions, or affiliates. The corporation shall make

the payroll deduction plan available to the labor organization at a cost sufficient only to reimburse the corporation for the actual expenses incurred thereby.

(2) If a corporation uses a computer for addressing envelopes or labels for a solicitation to its stockholders or executive or administrative personnel, the corporation shall, upon written request, program the computer to enable the labor organization to solicit its members. The corporation shall charge the labor organization a cost sufficient only to reimburse the corporation for the actual expenses incurred in programming the computers and the allocated cost of employee time relating to the work, and the materials used.

(3) If a corporation uses corporate facilities, such as a company dining room or cafeteria, for meetings of stockholders or executive or administrative personnel at which solicitations are made, the corporation shall upon written request of the labor organization allow that labor organization to use existing corporate facilities for meetings to solicit its members. The labor organization shall be required to reimburse the corporation for any actual expenses incurred thereby, such as any increase in the overhead to the corporation and any cost involved in setting up the facilities.

(4) If a corporation uses no method to solicit voluntary contributions or to facilitate the making of voluntary contributions from stockholders or executive or administrative personnel, it is not required by law to make any method available to the labor organization for its members. The corporation and the labor organization may agree upon making any lawful method available even though such agreement is not required by the Act.

(5) The availability of methods of twice yearly solicitations is subject to the provisions of § 114.6(e).

(1) *Methods permitted by law to labor organizations.* Notwithstanding any other law, any method of soliciting voluntary contributions or of facilitating the making of voluntary contributions to a separate segregated fund established by a corporation, permitted by law to corporations with regard to

§ 114.6

stockholders and executive or administrative personnel, shall also be permitted to labor organizations with regard to their members and executive or administrative personnel.

§ 114.6 Twice yearly solicitations.

(a) A corporation and/or its separate segregated fund may make a total of two written solicitations for contributions to its separate segregated fund per calendar year of its employees other than stockholders, executive or administrative personnel, and their families. Employees as used in this section does not include former or retired employees who are not stockholders. Nothing in this paragraph shall limit the number of solicitations a corporation may make of its stockholders and executive or administrative personnel under § 114.5(g).

(b) A labor organization and/or its separate segregated fund may make a total of two written solicitations per calendar year of employees who are not members of the labor organization, executive or administrative personnel, or stockholders (and their families) of a corporation in which the labor organization represents members working for the corporation. Nothing in this paragraph shall limit the number of solicitations a labor organization may make of its members under § 114.5(g).

(c) *Written solicitation.* A solicitation under this section may be made only by mail addressed to stockholders, executive or administrative personnel, or employees at their residences. All written solicitations must inform the recipient—

(1) Of the existence of the custodial arrangement described hereinafter;

(2) That the corporation, labor organization, or the separate segregated fund of either cannot be informed of persons who do not make contributions; and

(3) That persons who, in a calendar year make a single contribution of \$50 or less, or multiple contributions aggregating \$200 or less may maintain

11 CFR Ch. I (1–1–11 Edition)

their anonymity by returning their contributions to the custodian.

(d) *The custodial arrangement.* In order to maintain the anonymity of persons who do not wish to contribute and of persons who wish to respond with a single contribution of \$50 or less, or multiple contributions aggregating \$200 or less in a calendar year, and to satisfy the recordkeeping provisions, the corporation, labor organization, or separate segregated fund of either shall establish a custodial arrangement for collecting the contributions under this section.

(1) The custodian for a separate segregated fund established by a corporation shall not be a stockholder, officer, executive or administrative personnel, or employee of the corporation, or an officer, or employee of its separate segregated fund. The custodian for a separate segregated fund established by a labor organization shall not be a member, officer or employee of the labor organization or its separate segregated fund.

(2) The custodian shall keep the records of contributions received in accordance with the requirements of part 102 and shall also—

(i) Establish a separate account and deposit contributions in accordance with the provisions of part 103;

(ii) Provide the fund with the identification of any person who makes a single contribution of more than \$50 and the identification of any person who makes multiple contributions aggregating more than \$200. The custodian must provide this information within a reasonable time prior to the reporting date of the fund under part 104;

(iii) Periodically forward all funds in the separate account, by check drawn on that account, to the separate segregated fund; and

(iv) Treat all funds which appear to be illegal in accordance with the provisions of § 103.3(b).

(3) The custodian shall not—

(i) Make the records of persons making a single contribution of \$50 or less, or multiple contributions aggregating \$200 or less, in a calendar year, available to any person other than representatives of the Federal Election Commission or the Secretary of the

Federal Election Commission

§ 114.6

Senate, as appropriate, and law enforcement officials or judicial bodies.

(ii) Provide the corporation or labor organization or the separate segregated fund of either with any information pertaining to persons who, in a calendar year, make a single contribution of \$50 or less or multiple contributions aggregating \$200 or less except that the custodian may forward to the corporation, labor organization or separate segregated fund of either the total number of contributions received; or

(iii) Provide the corporation, labor organization, or the separate segregated fund of either with any information pertaining to persons who have not contributed.

(4) The corporation, labor organization, or the separate segregated fund of either shall provide the custodian with a list of all contributions, indicating the contributor's identification and amount contributed, which have been made directly to the separate segregated fund by any person within the group of persons solicited under this section.

(5) Notwithstanding the prohibitions of paragraph (d)(1) of this section, the custodian may be employed by the separate segregated fund as its treasurer and may handle all of its contributions, provided that the custodian preserves the anonymity of the contributors as required by this section. The custodian shall file the required reports with the Federal Election Commission or the Secretary of the Senate, as appropriate. A custodian who serves as treasurer is subject to all of the duties, responsibilities, and liabilities of a treasurer under the Act, and may not participate in the decision making process whereby the separate segregated fund makes contributions and expenditures.

(e) *Availability of methods.* (1) A corporation or labor organization or the separate segregated fund of either may not use a payroll deduction plan, a check-off system, or other plan which deducts contributions from an employee's paycheck as a method of facilitating the making of contributions under this section.

(2) The twice yearly solicitation may only be used by a corporation or labor organization to solicit contributions to

its separate segregated fund and may not be used for any other purpose.

(3) A corporation is required to make available to a labor organization representing any members working for the corporation or its subsidiaries, branches, divisions, or affiliates the method which the corporation uses to solicit employees under this section during any calendar year.

(i) If the corporation uses a method to solicit any employees under this section, the corporation is required to make that method available to the labor organization to solicit the employees of the corporation who are not represented by that labor organization, and the executive or administrative personnel and the stockholders of the corporation and their families.

(ii) If the corporation does not wish to disclose the names and addresses of stockholders or employees, the corporation shall make the names and addresses of stockholders and employees available to an independent mailing service which shall be retained to make the mailing for *both* the corporation and the labor organization for any mailings under this section.

(iii) If the corporation makes no solicitation of employees under this section during the calendar year, the corporation is not required to make any method or any names and addresses available to any labor organization.

(4) The corporation shall notify the labor organization of its intention to make a solicitation under this section during a calendar year and of the method it will use, within a reasonable time prior to the solicitation, in order to allow the labor organization opportunity to make a similar solicitation.

(5) If there are several labor organizations representing members employed at a single corporation, its subsidiaries, branches, divisions, or affiliates, the labor organizations, either singularly or jointly, may not make a combined total of more than two written solicitations per calendar year. A written solicitation may contain a request for contributions to each separate fund established by the various

§ 114.7

labor organizations making the combined mailing.

§ 114.7 Membership organizations, cooperatives, or corporations without capital stock.

(a) Membership organizations, cooperatives, or corporations without capital stock, or separate segregated funds established by such persons may solicit contributions to the fund from members and executive or administrative personnel, and their families, of the organization, cooperative, or corporation without capital stock.

(b) Nothing in this section waives the prohibition on contributions to the separate segregated fund by corporations, national banks, or labor organizations which are members of a membership organization, cooperative, or corporation without capital stock.

(c) A trade association whose membership is made up in whole or in part of corporations is subject to the provisions of § 114.8 when soliciting any stockholders or executive or administrative personnel of member corporations. A trade association which is a membership organization may solicit its noncorporate members under the provisions of this section.

(d) The question of whether a professional organization is a corporation is determined by the law of the State in which the professional organization exists.

(e) There is no limitation upon the number of times an organization under this section may solicit its members and executive or administrative personnel, and their families.

(f) There is no limitation under this section on the method of solicitation or the method of facilitating the making of voluntary contributions which may be used.

(g) A membership organization, cooperative, or corporation without capital stock and the separate segregated funds of the organizations are subject to the provisions in § 114.5(a).

(h) A membership organization, cooperative, or corporation without capital stock may communicate with its members and executive or administrative

11 CFR Ch. I (1-1-11 Edition)

personnel, and their families, under the provisions of § 114.3.

(i) A mutual life insurance company may solicit its policyholders if the policyholders are members within the organizational structure.

(j) A membership organization, including a trade association, cooperative, or corporation without capital stock or a separate segregated fund established by such organization may not solicit contributions from the separate segregated funds established by its members. The separate segregated fund established by a membership organization, including a trade association, cooperative, or corporation without capital stock may, however, accept unsolicited contributions from the separate segregated funds established by its members.

(k)(1) A federated cooperative as defined in the Agricultural Marketing Act of 1929, 12 U.S.C. 1141j, or a rural cooperative eligible for assistance under chapter 31 or title 7 of the United States Code, may solicit the members of the cooperative's regional, state or local affiliates, provided that all of the political committees established, financed, maintained or controlled by the cooperative and its regional, State or local affiliates are considered one political committee for the purposes of the limitations in 11 CFR 110.1 and 110.2.

(2) A cooperative as described in paragraph (k)(1) of this section may make communications to its members under the provisions of 11 CFR 114.3.

[41 FR 35955, Aug. 25, 1976, as amended at 48 FR 50508, Nov. 2, 1983; 58 FR 45775, Aug. 30, 1993]

§ 114.8 Trade associations.

(a) *Definition.* A trade association is generally a membership organization of persons engaging in a similar or related line of commerce, organized to promote and improve business conditions in that line of commerce and not to engage in a regular business of a kind ordinarily carried on for profit, and no part of the net earnings of which inures to the benefit of any member.

(b) *Prohibition.* Nothing in this section waives the prohibition on contributions by corporations which are members of a trade association.

(c) *Limitations.* A trade association or a separate segregated fund established by a trade association may solicit contributions from the stockholders and executive or administrative personnel of the member corporations of such trade association and the families of such stockholders and personnel if—

(1) The member corporation involved has separately and specifically approved the solicitations; and

(2) The member corporation has not approved a solicitation by any other trade association for the same calendar year.

(d) *Separate and specific approval.* (1) The member corporation must knowingly and specifically approve any solicitation for a trade association, whether the solicitation is done by the trade association, its separate segregated fund, or the corporation or any of its personnel, for contributions to the trade association's separate segregated fund.

(2) A copy of each approved request received by a trade association or its separate segregated fund shall be maintained by the trade association or its fund for three years from the year for which the approval is given.

(3) The request for approval may contain a copy of solicitation materials which will be used if approval is granted. Such a mailing must specifically indicate the requirement of approval and the limitation of paragraph (c)(2) of this section, and approval must be granted to the trade association or its separate segregated fund prior to the time any solicitation is made of the stockholders or executive or administrative personnel by the trade association, its separate segregated fund, or by the corporation for contributions to the separate segregated fund of the trade association. (The request for approval may be sent to the representatives of the corporation with whom the trade association normally conducts the association's activities.)

(4) A separate authorization specifically allowing a trade association to solicit its corporate member's stockholders, and executive or administra-

tive personnel applies through the calendar year for which it is designated. A separate authorization by the corporate member must be designated for each year during which the solicitation is to occur. This authorization may be requested and may also be received prior to the calendar year in which the solicitation is to occur.

(5) In its request to a member corporation, a trade association may indicate that it intends to solicit, for example, a limited class of the executive or administrative personnel of the member corporation, or only the executive or administrative personnel but not the stockholders of the member corporation. Moreover, in its approval, a member corporation may similarly limit any solicitation by the trade association or its separate segregated fund. In any event, a member corporation, once it has approved any solicitation—even to a limited extent—of its personnel or stockholders by a trade association or its separate segregated fund, is precluded from approving any such solicitation by another trade association or its separate segregated fund and the corporation and its personnel are precluded from soliciting the corporation's executive or administrative personnel or stockholders on behalf of another trade association or its separate segregated fund.

(e) *Solicitation.* (1) After a trade association has obtained the approval required in paragraph (c) of this section, there is no limit on the number of times the trade association or its separate segregated fund may solicit the persons approved by the member corporation during the calendar year to which the approval applies. The member corporation may, however, in its approval limit the number of times solicitations may be made.

(2) A member corporation which grants permission to a trade association to solicit is in no way restricted in its rights under § 114.5(g) to solicit its stockholders or executive or administrative personnel and their families for contributions to the corporation's own separate segregated fund.

(3) There is no limitation on the method of soliciting voluntary contributions or the method of facilitating

§ 114.8

11 CFR Ch. I (1–11 Edition)

the making of voluntary contributions which a trade association may use.

(4) A corporation may provide incidental services to collect and forward contributions from its employee stockholders and executive and administrative personnel to the separate segregated fund of a trade association of which the corporation is a member, including a payroll deduction or check-off system, upon written request of the trade association. Any corporation that provides such incidental services, and the corporation's subsidiaries, branches, divisions, and affiliates, shall make those incidental services available to a labor organization representing any members working for the corporation or the corporation's subsidiaries, branches, divisions, or affiliates, upon written request of the labor organization and at a cost sufficient only to reimburse the corporation or the corporation's subsidiaries, branches, divisions, and affiliates, for the expenses incurred thereby.

(5) A trade association and/or its separate segregated fund is subject to the provisions of § 114.5(a).

(f) *Solicitation of a subsidiary corporation.* If a parent corporation is a member of the trade association but its subsidiary is not, the trade association or its separate segregated fund may only solicit the parent's executive or administrative personnel and their families and the parent's stockholders and their families; it may not solicit the subsidiary's executive or administrative personnel or stockholders or their families. If a subsidiary is a member of the trade association but the parent corporation is not, the trade association or its separate segregated fund may only solicit the subsidiary's executive or administrative personnel and their families and the subsidiary's stockholders and their families; it may not solicit the parent's executive or administrative personnel or stockholders or their families. If both parent and subsidiary are members of the trade association, the executive or administrative personnel and their families and

the stockholders and their families of each may be solicited.

(g) *Federations of trade associations.* (1) A federation of trade associations is an organization representing trade associations involved in the same or allied line of commerce. Such a federation may, subject to the following limitations, solicit the members of the federation's regional, State or local affiliates or members, provided that all of the political committees established, financed, maintained or controlled by the federation and its regional, State, or local affiliates or members are considered one political committee for the purposes of the limitations in §§ 110.1 and 110.2. The factors set forth at § 100.5(g)(4) shall be used to determine whether an entity is a regional, State or local affiliate of a federation of trade associations.

(i) The federation and its member associations may engage in a joint solicitation; or

(ii) The member association may delegate its solicitation rights to the federation.

(2) A federation is subject to the provisions of this section when soliciting the stockholders and executive or administrative personnel of the corporate members of its member associations.

(h) *Communications other than solicitations.* A trade association may make communications, other than solicitations, to its members and their families under the provisions of § 114.3. When making communications to a member which is a corporation, the trade association may communicate with the representatives of the corporation with whom the trade association normally conducts the association's activities.

(i) *Trade association employees.* (1) A trade association may communicate with its executive or administrative personnel and their families under the provisions of § 114.3; a trade association may communicate with its other employees under the provisions of § 114.4.

(2) A trade association may solicit its executive or administrative personnel and their families under the provisions

Federal Election Commission

§ 114.9

of § 114.5(g); a trade association may solicit its other employees under the provisions of § 114.6.

§ 114.9 Use of corporate or labor organization facilities.

(a) *Use of corporate facilities for individual volunteer activity by stockholders and employees.*

(1) Stockholders and employees of the corporation may, subject to the rules and practices of the corporation and 11 CFR 100.54, make occasional, isolated, or incidental use of the facilities of a corporation for individual volunteer activity in connection with a Federal election and will be required to reimburse the corporation only to the extent that the overhead or operating costs of the corporation are increased. A corporation may not condition the availability of its facilities on their being used for political activity, or on support for or opposition to any particular candidate or political party. As used in this paragraph, *occasional, isolated, or incidental use* generally means—

(i) When used by employees during working hours, an amount of activity which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

(ii) When used by stockholders other than employees during the working period, such use does not interfere with the corporation in carrying out its normal activities.

(2) *Safe harbor.* For the purposes of paragraph (a)(1) of this section, the following shall be considered occasional, isolated, or incidental use of corporate facilities:

(i) Any individual volunteer activity that does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours; or

(ii) Any such activity that constitutes voluntary individual Internet

activities (as defined in 11 CFR 100.94), in excess of one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, provided that:

(A) As specified in 11 CFR 100.54, the activity does not prevent the employee from completing the normal amount of work for which the employee is paid or is expected to perform;

(B) The activity does not increase the overhead or operating costs of the corporation; and

(C) The activity is not performed under coercion.

(3) A stockholder or employee who makes more than occasional, isolated, or incidental use of a corporation's facilities for individual volunteer activities in connection with a Federal election is required to reimburse the corporation within a commercially reasonable time for the normal and usual rental charge, as defined in 11 CFR 100.52(d)(2), for the use of such facilities.

(b) *Use of labor organization facilities for individual volunteer activity by officials, members, and employees.*

(1) The officials, members, and employees of a labor organization may, subject to the rules and practices of the labor organization and 11 CFR 100.54, make occasional, isolated, or incidental use of the facilities of a labor organization for individual volunteer activity in connection with a Federal election and will be required to reimburse the labor organization only to the extent that the overhead or operating costs of the labor organization are increased. A labor organization may not condition the availability of its facilities on their being used for political activity, or on support for or opposition to any particular candidate or political party. As used in this paragraph, *occasional, isolated, or incidental use* generally means—

(i) When used by employees during working hours, an amount of activity during any particular work period which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

§ 114.10

(ii) When used by members other than employees during the working period, such use does not interfere with the labor organization in carrying out its normal activities.

(2) *Safe harbor.* For the purposes of paragraph (b)(1) of this section, the following shall be considered occasional, isolated, or incidental use of labor organization facilities:

(i) Any individual volunteer activity that does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours; or

(ii) Any such activity that constitutes voluntary individual Internet activities (as defined in 11 CFR 100.94), in excess of one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, provided that:

(A) As specified in 11 CFR 100.54, the activity does not prevent the employee from completing the normal amount of work for which the employee is paid or is expected to perform;

(B) The activity does not increase the overhead or operating costs of the labor organization; and

(C) The activity is not performed under coercion.

(3) The officials, members, and employees who make more than occasional, isolated, or incidental use of a labor organization's facilities for individual volunteer activities in connection with a Federal election are required to reimburse the labor organization within a commercially reasonable time for the normal and usual rental charge, as defined in 11 CFR 100.52(d)(2), for the use of such facilities.

(c) *Use of corporate or labor organization facilities to produce materials.* Any person who uses the facilities of a corporation or labor organization to produce materials in connection with a Federal election is required to reimburse the corporation or labor organization within a commercially reasonable time for the normal and usual charge for producing such materials in the commercial market.

(d) *Use or rental of corporate or labor organization facilities by other persons.*

11 CFR Ch. I (1-1-11 Edition)

Persons, other than those specifically mentioned in paragraphs (a) and (b) of this section, who make any use of corporate or labor organization facilities, such as by using telephones or typewriters or borrowing office furniture, for activity in connection with a Federal election are required to reimburse the corporation or labor organization within a commercially reasonable time in the amount of the normal and usual rental charge, as defined in 11 CFR 100.52(d)(2), for the use of the facilities.

(e) Nothing in this section shall be construed to alter the provisions in 11 CFR Part 114 regarding communications to and beyond a restricted class.

[41 FR 35955, Aug. 25, 1976, as amended at 45 FR 21210, Apr. 1, 1980; 67 FR 78681, 78682, Dec. 26, 2002; 68 FR 69595, Dec. 15, 2003; 71 FR 18614, Apr. 4, 2006]

§ 114.10 Nonprofit corporations exempt from the prohibitions on making independent expenditures and electioneering communications.

(a) *Scope.* This section describes those nonprofit corporations that qualify for an exemption in 11 CFR 114.2. It sets out the procedures for demonstrating qualified nonprofit corporation status, for reporting independent expenditures and electioneering communications, and for disclosing the potential use of donations for political purposes.

(b) *Definitions.* For the purposes of this section—

(1) *The promotion of political ideas* includes issue advocacy, election influencing activity, and research, training or educational activity that is expressly tied to the organization's political goals.

(2) A corporation's *express purpose* includes:

(i) The corporation's purpose as stated in its charter, articles of incorporation, or bylaws, except that a statement such as "any lawful purpose," "any lawful activity," or other comparable statement will not preclude a finding under paragraph (c) of this section that the corporation's only express purpose is the promotion of political ideas;

(ii) The corporation's purpose as publicly stated by the corporation or its agents; and

Federal Election Commission

§ 114.10

(iii) Purposes evidenced by activities in which the corporation actually engages.

(3)(i) The term *business activities* includes but is not limited to:

(A) Any provision of goods or services that results in income to the corporation; and

(B) Advertising or promotional activity which results in income to the corporation, other than in the form of membership dues or donations.

(ii) The term *business activities* does not include fundraising activities that are expressly described as requests for donations that may be used for political purposes, such as supporting or opposing candidates.

(4) The term *shareholder* has the same meaning as the term *stockholder*, as defined in 11 CFR 114.1(h).

(c) *Qualified nonprofit corporations.* For the purposes of this section, a qualified nonprofit corporation is a corporation that has all the characteristics set forth in paragraphs (c)(1) through (c)(5) of this section:

(1) Its only express purpose is the promotion of political ideas, as defined in paragraph (b)(1) of this section;

(2) It cannot engage in business activities;

(3) It has:

(i) No shareholders or other persons, other than employees and creditors with no ownership interest, affiliated in any way that could allow them to make a claim on the organization's assets or earnings; and

(ii) No persons who are offered or who receive any benefit that is a disincentive for them to disassociate themselves with the corporation on the basis of the corporation's position on a political issue. Such benefits include but are not limited to:

(A) Credit cards, insurance policies or savings plans; and

(B) Training, education, or business information, other than that which is necessary to enable recipients to engage in the promotion of the group's political ideas.

(4) It:

(i) Was not established by a business corporation or labor organization;

(ii) Does not directly or indirectly accept donations of anything of value

from business corporations, or labor organizations; and

(iii) If unable, for good cause, to demonstrate through accounting records that paragraph (c)(4)(ii) of this section is satisfied, has a written policy against accepting donations from business corporations or labor organizations; and

(5) It is described in 26 U.S.C. 501(c)(4).

(d) *Permitted corporate independent expenditures and electioneering communications.* (1) A qualified nonprofit corporation may make independent expenditures, as defined in 11 CFR 100.16, without violating the prohibitions against corporate expenditures contained in 11 CFR part 114.

(2) A qualified nonprofit corporation may make electioneering communications, as defined in 11 CFR 100.29, without violating the prohibitions against corporate expenditures contained in 11 CFR part 114.

(3) Except as provided in paragraphs (d)(1) and (d)(2) of this section, qualified nonprofit corporations remain subject to the requirements and limitations of 11 CFR part 114, including those provisions prohibiting corporate contributions, whether monetary or in-kind.

(e) *Qualified nonprofit corporations; reporting requirements—*(1) *Procedures for demonstrating qualified nonprofit corporation status.* (i) If a corporation makes independent expenditures under paragraph (d)(1) of this section that aggregate in excess of \$250 in a calendar year, the corporation shall certify, in accordance with paragraph (e)(1)(i)(B) of this section, that it is eligible for an exemption from the prohibitions against corporate expenditures contained in 11 CFR part 114.

(A) This certification is due no later than the due date of the first independent expenditure report required under paragraph (e)(2)(i) of this section.

(B) This certification may be made either as part of filing FEC Form 5 (independent expenditure form) or, if the corporation is not required to file electronically under 11 CFR 104.18, by submitting a letter in lieu of the form. The letter shall contain the name and

§ 114.11

11 CFR Ch. I (1–1–11 Edition)

address of the corporation and the signature and printed name of the individual filing the qualifying statement. The letter shall also certify that the corporation has the characteristics set forth in paragraphs (c)(1) through (c)(5) of this section. A corporation that does not have all of the characteristics set forth in paragraphs (c)(1) through (c)(5) of this section, but has been deemed entitled to qualified nonprofit corporation status by a court of competent jurisdiction in a case in which the same corporation was a party, may certify that application of the court's ruling to the corporation's activities in a subsequent year entitles the corporation to qualified nonprofit corporation status. Such certification shall be included in the letter submitted in lieu of the FEC form.

(ii) If a corporation makes electioneering communications under paragraph (d)(2) of this section that aggregate in excess of \$10,000 in a calendar year, the corporation shall certify, in accordance with paragraph (e)(1)(ii)(B) of this section, that it is eligible for an exemption from the prohibitions against corporate expenditures contained in 11 CFR part 114.

(A) This certification is due no later than the due date of the first electioneering communication statement required under paragraph (e)(2)(ii) of this section.

(B) This certification must be made as part of filing FEC Form 9 (electioneering communication form).

(2) *Reporting independent expenditures and electioneering communications.* (i) Qualified nonprofit corporations that make independent expenditures aggregating in excess of \$250 in a calendar year shall file reports as required by 11 CFR part 104.

(ii) Qualified nonprofit corporations that make electioneering communications aggregating in excess of \$10,000 in a calendar year shall file statements as required by 11 CFR 104.20(b).

(f) *Solicitation; disclosure of use of contributions for political purposes.* Whenever a qualified nonprofit corporation solicits donations, the solicitation shall inform potential donors that their donations may be used for political purposes, such as supporting or opposing candidates.

(g) *Non-authorization notice.* Qualified nonprofit corporations making independent expenditures or electioneering communications under this section shall comply with the requirements of 11 CFR 110.11.

(h) *Segregated bank account.* A qualified nonprofit corporation may, but is not required to, establish a segregated bank account into which it deposits only funds donated or otherwise provided by individuals, as described in 11 CFR part 104, from which it makes disbursements for electioneering communications.

(i) *Activities prohibited by the Internal Revenue Code.* Nothing in this section shall be construed to authorize any organization exempt from taxation under 26 U.S.C. 501(a), including any qualified nonprofit corporation, to carry out any activity that it is prohibited from undertaking by the Internal Revenue Code, 26 U.S.C. 501, *et seq.*

EDITORIAL NOTE: At 67 FR 78682, Dec. 26, 2002, §114.10(e)(2) was amended by removing "109.2" and adding "109.10". However, this reference does not exist.

§ 114.11 Employee participation plans.

(a) A corporation may establish and administer an employee participation plan (*i.e.*, a *trustee plan*) which is a political giving program in which a corporation pays the cost of establishing and administering separate bank accounts for any employee who wishes to participate. The cost of administering and establishing includes the payment of costs for a payroll deduction or check-off plan and the cost of maintaining the separate bank accounts.

(1) The employees must exercise complete control and discretion over the disbursement of the monies in their accounts.

(2) The trustee, bank, or other administrator shall not provide the corporation or its separate segregated fund any report of the source or recipient of any contribution(s) or donation(s) into or out of any account or of the amount any employee has in an account.

Federal Election Commission

§ 114.14

(3) The trustee, bank, or other administrator may provide the corporation or its separate segregated fund with a periodic report limited to information about the total number of employees in the program, the total number of funds in all the accounts combined, and the total amount of contributions made to all candidates and committees combined.

(4) No stockholder, director, or employee of the corporation or its separate segregated fund may exert pressure of any kind to induce participation in the program.

(5) No stockholder, director, or employee of the corporation or its separate segregated fund may exercise any direction or control, either oral or written, over contributions by participants in the program to any candidate, group of candidates, political party, or other person.

(b) An employee participation plan must be made available to all employees including members of a labor organization who are employees of the corporation. Communications about participation in the plan may be conducted by either the corporation or the labor organization or both.

(c) A labor organization may establish and administer an employee participation plan subject to the above provisions, except that the cost shall be borne by the labor organization.

(d) The method used to transmit employee or member contributions to the candidate or political committee may not in any manner identify the corporation or labor organization which established the employee participation plan.

[41 FR 35955, Aug. 25, 1976]

§ 114.12 Incorporation of political committees; payment of fringe benefits.

(a) An organization may incorporate and not be subject to the provisions of this part if the organization incorporates for liability purposes only, and if the organization is a political committee as defined in 11 CFR 100.5. Notwithstanding the corporate status of the political committee, the treasurer of an incorporated political committee remains personally responsible for carrying out their respective duties under the Act.

(b) [Reserved]

(c)(1) A corporation of labor organization may not pay the employer's share of the cost of fringe benefits, such as health and life insurance and retirement, for employees or members on leave-without-pay to participate in political campaigns of Federal candidates. The separate segregated fund of a corporation or a labor organization may pay the employer's share of fringe benefits, and such payment would be a contribution in-kind to the candidate. An employee or member may, out of unreimbursed personal funds, assure the continuity of his or her fringe benefits during absence from work for political campaigning, and such payment would not be a contribution in-kind.

(2) Service credit for periods of leave-without-pay is not considered compensation for purposes of this section if the employer normally gives identical treatment to employees placed on leave-without-pay for nonpolitical purposes.

§ 114.13 Use of meeting rooms.

Notwithstanding any other provisions of part 114, a corporation or labor organization which customarily makes its meeting rooms available to clubs, civic or community organizations, or other groups may make such facilities available to a political committee or candidate if the meeting rooms are made available to any candidate or political committee upon request and on the same terms given to other groups using the meeting rooms.

§ 114.14 Further restrictions on the use of corporate and labor organization funds for electioneering communications.

(a)(1) Corporations and labor organizations shall not give, disburse, donate or otherwise provide funds, the purpose of which is to pay for an electioneering communication that is not permissible under 11 CFR 114.15, to any other person.

(2) A corporation or labor organization shall be deemed to have given, disbursed, donated, or otherwise provided

§ 114.15

funds under paragraph (a)(1) of this section if the corporation or labor organization knows, has reason to know, or willfully blinds itself to the fact, that the person to whom the funds are given, disbursed, donated, or otherwise provided, intended to use them to pay for such an electioneering communication.

(b) Persons who accept funds given, disbursed, donated or otherwise provided by a corporation or labor organization shall not:

(1) Use those funds to pay for any electioneering communication that is not permissible under 11 CFR 114.15; or

(2) Provide any portion of those funds to any person, for the purpose of defraying any of the costs of an electioneering communication that is not permissible under 11 CFR 114.15.

(c) The prohibitions at paragraphs (a) and (b) of this section shall not apply to funds disbursed by a corporation or labor organization, or received by a person, that constitute—

(1) Salary, royalties, or other income earned from bona fide employment or other contractual arrangements, including pension or other retirement income;

(2) Interest earnings, stock or other dividends, or proceeds from the sale of the person's stocks or other investments; or

(3) Receipt of payments representing fair market value for goods provided or services rendered to a corporation or labor organization.

(d)(1) Persons other than corporations and labor organizations who receive funds from a corporation or a labor organization that do not meet the exceptions of paragraph (c) of this section, must be able to demonstrate through a reasonable accounting method that no such funds were used to pay any portion of any electioneering communication that is not permissible under 11 CFR 114.15.

(2)(i) Any person other than a corporation or labor organization who wishes to pay for electioneering communications permissible under 11 CFR 114.15 may, but is not required to, establish a segregated bank account into which it deposits only funds donated or otherwise provided for the purpose of paying for such electioneering commu-

nications as described in 11 CFR part 104. Persons who use funds exclusively from such a segregated bank account to pay for any electioneering communication permissible under 11 CFR 114.15 shall be required to only report the names and addresses of those persons who donated or otherwise provided an amount aggregating \$1,000 or more to the segregated bank account, aggregating since the first day of the preceding calendar year.

(ii) Any person, other than corporations that are not qualified nonprofit corporations and labor organizations, who wishes to pay for electioneering communications not permissible under 11 CFR 114.15 may, but is not required to, establish a segregated bank account into which it deposits only funds donated or otherwise provided by individuals as described in 11 CFR part 104. Persons who use funds exclusively from such a segregated bank account to pay for any electioneering communication shall satisfy paragraph (d)(1) of this section. Persons who use funds exclusively from such a segregated bank account to pay for any electioneering communication shall be required to only report the names and addresses of those persons who donated or otherwise provided an amount aggregating \$1,000 or more to the segregated bank account, aggregating since the first day of the preceding calendar year.

[67 FR 65212, Oct. 23, 2002, as amended at 72 FR 72913, Dec. 26, 2007]

§ 114.15 Permissible use of corporate and labor organization funds for certain electioneering communications.

(a) *Permissible electioneering communications.* Corporations and labor organizations may make an electioneering communication, as defined in 11 CFR 100.29, to those outside the restricted class unless the communication is susceptible of no reasonable interpretation other than as an appeal to vote for or against a clearly identified Federal candidate.

(b) *Safe harbor.* An electioneering communication is permissible under paragraph (a) of this section if it:

(1) Does not mention any election, candidacy, political party, opposing

candidate, or voting by the general public;

(2) Does not take a position on any candidate's or officeholder's character, qualifications, or fitness for office; and

(3) Either:

(i) Focuses on a legislative, executive or judicial matter or issue; and

(A) Urges a candidate to take a particular position or action with respect to the matter or issue, or

(B) Urges the public to adopt a particular position and to contact the candidate with respect to the matter or issue; or

(ii) Proposes a commercial transaction, such as purchase of a book, video, or other product or service, or such as attendance (for a fee) at a film exhibition or other event.

(c) *Rules of interpretation.* If an electioneering communication does not qualify for the safe harbor in paragraph (b) of this section, the Commission will consider whether the communication includes any indicia of express advocacy and whether the communication has an interpretation other than as an appeal to vote for or against a clearly identified Federal candidate in order to determine whether, on balance, the communication is susceptible of no reasonable interpretation other than as an appeal to vote for or against a clearly identified Federal candidate.

(1) A communication includes indicia of express advocacy if it:

(i) Mentions any election, candidacy, political party, opposing candidate, or voting by the general public; or

(ii) Takes a position on any candidate's or officeholder's character, qualifications, or fitness for office.

(2) Content that would support a determination that a communication has an interpretation other than as an appeal to vote for or against a clearly identified Federal candidate includes content that:

(i) Focuses on a public policy issue and either urges a candidate to take a position on the issue or urges the public to contact the candidate about the issue; or

(ii) Proposes a commercial transaction, such as purchase of a book, video or other product or service, or such as attendance (for a fee) at a film exhibition or other event; or

(iii) Includes a call to action or other appeal that interpreted in conjunction with the rest of the communication urges an action other than voting for or against or contributing to a clearly identified Federal candidate or political party.

(3) In interpreting a communication under paragraph (a) of this section, any doubt will be resolved in favor of permitting the communication.

(d) *Information permissibly considered.* In evaluating an electioneering communication under this section, the Commission may consider only the communication itself and basic background information that may be necessary to put the communication in context and which can be established with minimal, if any, discovery. Such information may include, for example, whether a named individual is a candidate for office or whether a communication describes a public policy issue.

(e) *Examples of communications.* A list of examples derived from prior Commission or judicial actions of communications that have been determined to be permissible and of communications that have been determined not to be permissible under paragraph (a) of this section is available on the Commission's Web site, <http://www.fec.gov>.

(f) *Reporting requirement.* Corporations and labor organizations that make electioneering communications under paragraph (a) of this section aggregating in excess of \$10,000 in a calendar year shall file statements as required by 11 CFR 104.20.

§ 116.1 Definitions.

(a) *Terminating committee.* For purposes of this part, *terminating committee* means any political committee that is winding down its political activities in preparation for filing a termination report, and that would be able to terminate under 11 CFR 102.3 except that it has outstanding debts or obligations. A political committee will be considered to be winding down its political activities if it has ceased to make or accept contributions and expenditures, other than contributions accepted for debt retirement purposes and expenditures representing payments of debts or obligations previously incurred or payments for the costs associated with the termination of political activity, such as the costs of complying with the post election requirements of the Act, if applicable, and other necessary administrative costs associated with winding down a campaign or winding down committee activities, including office space rental, staff salaries and office supplies.

(b) *Ongoing committee.* For purposes of this part, *ongoing committee* means any political committee that has not terminated and does not qualify as a terminating committee.

(c) *Commercial vendor.* For purposes of this part, *commercial vendor* means any persons providing goods or services to a candidate or political committee whose usual and normal business involves the sale, rental, lease or provision of those goods or services.

(d) *Disputed debt.* For purposes of this part, *disputed debt* means an actual or potential debt or obligation owed by a political committee, including an obligation arising from a written contract, promise or agreement to make an expenditure, where there is a bona fide disagreement between the creditor and the political committee as to the existence or amount of the obligation owed by the political committee.

§ 116.2

11 CFR Ch. I (1–1–11 Edition)

(e) *Extension of credit.* For purposes of this part, *extension of credit* includes but is not limited to:

(1) Any agreement between the creditor and political committee that full payment is not due until after the creditor provides goods or services to the political committee;

(2) Any agreement between the creditor and the political committee that the political committee will have additional time to pay the creditor beyond the previously agreed to due date; and

(3) The failure of the political committee to make full payment to the creditor by a previously agreed to due date.

(f) *Creditor.* For purposes of this part, *creditor* means any person or entity to whom a debt is owed.

[55 FR 26386, June 27, 1990; 55 FR 34007, Aug. 20, 1990]

§ 116.2 Debts owed by terminating committees, ongoing committees, and authorized committees.

(a) *Terminating committees.* A terminating committee may settle outstanding debts provided that the terminating committee files a debt settlement plan and the requirements of 11 CFR 116.7 are satisfied. The Commission will review each debt settlement plan filed to determine whether or not the terminating committee appears to have complied with the requirements set forth in this part, and whether or not the proposed debt settlement plan would result in an apparent violation of the Act or the Commission's regulations.

(b) *Ongoing committees.* Ongoing committees shall not settle any outstanding debts for less than the entire amount owed, but may request a Commission determination that such debts are not payable under 11 CFR 116.9, and may resolve disputed debts under 11 CFR 116.10. Creditors may forgive debts owed by ongoing committees under the limited circumstances provided in 11 CFR 116.8.

(c) *Authorized committees.* (1) An authorized committee shall not settle any outstanding debts for less than the entire amount owed if any other authorized committee of the same candidate has permissible funds available to pay part or all of the amount out-

standing. Except as provided in paragraph (c)(3), of this section, an authorized committee shall not terminate under 11 CFR 102.3 if—

(i) It has any outstanding debts or obligations; or

(ii) It has any funds or assets available to pay part or all of the outstanding debts or obligations owed by another authorized committee of the same candidate and that other authorized committee is unable to pay such debts or obligations.

(2) No transfers of funds may be made from a candidate's authorized committee to another authorized committee of the same candidate if the transferor committee has net debts outstanding at the time of the transfer under the formula described in 11 CFR 110.1(b)(3)(ii).

(3) An authorized committee that qualifies as a terminating committee may assign debts to another authorized committee of the same candidate to the extent permitted under applicable state law provided that the authorized committee assigning the debts has no cash on hand or assets available to pay any part of the outstanding debts, and provided that the authorized committee assigning the debts was not organized to further the candidate's campaign in an election not yet held. If a Presidential candidate elects to receive federal funds pursuant to 11 CFR part 9001 *et seq.* or 11 CFR part 9031 *et seq.*, the authorized committee(s) of the Presidential candidate shall not assign debts or receive assigned debts until after the authorized committee(s) or the Presidential candidate has made all required repayments pursuant to 11 CFR parts 9007 and 9038 and has paid all civil penalties pursuant to 2 U.S.C. 437g. An authorized committee that has assigned all its outstanding debts may terminate if—

(i) The authorized committee that has assigned the debts otherwise qualifies for termination under 11 CFR 102.3; and

(ii) The authorized committee that received the assigned debts notifies the Commission in writing that it has assumed the obligation to pay the entire amount owed and that it has assumed the obligation to report the debts, and

Federal Election Commission

§ 116.4

any contributions received for retirement of the assigned debts, in accordance with 11 CFR part 104. The assigned debts shall be disclosed on a separate schedule of debts and obligations attached to the authorized committee's reports. Contributions received for retirement of the assigned debts shall be disclosed on a separate schedule of receipts attached to the authorized committee's reports. See 11 CFR 110.1 (b)(3) and (b)(4) and 110.2 (b)(3) and (b)(4). The authorized committee that has assigned the debts shall notify each creditor in writing of the assignment no later than thirty days before the assignment takes effect and shall include the name and address of the authorized committee that will receive the assigned debts.

§ 116.3 Extensions of credit by commercial vendors.

(a) *Unincorporated vendor.* A commercial vendor that is not a corporation may extend credit to a candidate, a political committee or another person on behalf of a candidate or political committee. An extension of credit will not be considered a contribution to the candidate or political committee provided that the credit is extended in the ordinary course of the commercial vendor's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation.

(b) *Incorporated vendor.* A corporation in its capacity as a commercial vendor may extend credit to a candidate, a political committee or another person on behalf of a candidate or political committee provided that the credit is extended in the ordinary course of the corporation's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation.

(c) *Ordinary course of business.* In determining whether credit was extended in the ordinary course of business, the Commission will consider—

(1) Whether the commercial vendor followed its established procedures and its past practice in approving the extension of credit;

(2) Whether the commercial vendor received prompt payment in full if it

previously extended credit to the same candidate or political committee; and

(3) Whether the extension of credit conformed to the usual and normal practice in the commercial vendor's trade or industry.

(d) *Extension of credit by regulated industries.* The Commission may rely on the regulations prescribed by the Federal Communications Commission, the Interstate Commerce Commission, and the Department of Transportation on behalf of the Civil Aeronautics Board, issued pursuant to 2 U.S.C. 451 and any other regulations prescribed by other Federal agencies to determine whether extensions of credit by the entities regulated by those Federal agencies were made in the ordinary course of business.

§ 116.4 Forgiveness or settlement of debts owed to commercial vendors.

(a) *Unincorporated vendor.* A commercial vendor that is not a corporation may forgive or settle a debt incurred by a candidate, a political committee or another person on behalf of a candidate or political committee for less than the entire amount owed on the debt. The amount forgiven will not be considered a contribution by the commercial vendor to the candidate or political committee if—

(1) The amount forgiven is exempted from the definition of contribution in 11 CFR part 100, subpart C; or

(2) The commercial vendor has treated the debt in a commercially reasonable manner and the requirements of 11 CFR 116.7 or 116.8, as appropriate, are satisfied.

(b) *Incorporated vendor.* A corporation may not forgive or settle a debt incurred by a candidate, a political committee or another person on behalf of a candidate or political committee for less than the entire amount owed on the debt unless—

(1) The amount forgiven is exempted from the definition of contribution in 11 CFR part 100, subpart C; or

(2) The corporation has treated the debt in a commercially reasonable manner and the requirements of 11 CFR 116.7 or 116.8, as appropriate, are satisfied.

(c) *Reasonable efforts by a political committee.* A debt or obligation owed by

§ 116.5

a candidate or a political committee may be totally forgiven (*see* 11 CFR 116.8), or settled (*see* 11 CFR 116.7), provided that—

(1) The amount forgiven is exempted from the definition of contribution in 11 CFR part 100, subpart C; or

(2) The candidate and the political committee have undertaken all reasonable efforts to satisfy the outstanding debt and the requirements of 11 CFR 116.7 or 116.8, as appropriate, including the submission of the information specified in those sections and Commission review, are satisfied.

(d) *Commercially reasonable.* The Commission will determine that a debt settlement between a political committee and a commercial vendor is commercially reasonable if—

(1) The initial extension of credit was made in accordance with 11 CFR 116.3;

(2) The candidate or political committee has undertaken all reasonable efforts to satisfy the outstanding debt. Such efforts may include, but are not limited to, the following—

(i) Engaging in fundraising efforts;

(ii) Reducing overhead and administrative costs; and

(iii) Liquidating assets; and

(3) The commercial vendor has pursued its remedies as vigorously as it would pursue its remedies against a nonpolitical debtor in similar circumstances. Such remedies may include, but are not limited to, the following—

(i) Oral and written requests for payment;

(ii) Withholding delivery of additional goods or services until overdue debts are satisfied;

(iii) Imposition of additional charges or penalties for late payment;

(iv) Referral of overdue debts to a commercial debt collection service; and

(v) Litigation.

(e) *Settlement or forgiveness not required.* The provisions of this part shall not be construed to require a commercial vendor to forgive or settle the debt for less than the entire amount owed.

(f) *Reporting.* The political committee shall continue to report the debt in accordance with 11 CFR 104.3(d) and 104.11 until the Commission has completed a review of the debt settlement plan pur-

11 CFR Ch. I (1–1–11 Edition)

suant to 11 CFR 116.7(f) or until the Commission has completed a review of the request to forgive the debt pursuant to 11 CFR 116.8, or until the political committee pays the debt, whichever occurs first.

[55 FR 26386, June 27, 1990, as amended at 67 FR 78682, Dec. 26, 2002]

§ 116.5 Advances by committee staff and other individuals.

(a) *Scope.* This section applies to individuals who are not acting as commercial vendors. Individuals who are acting as commercial vendors shall follow the requirements of 11 CFR 116.3 and 116.4.

(b) *Treatment as contributions.* The payment by an individual from his or her personal funds, including a personal credit card, for the costs incurred in providing goods or services to, or obtaining goods or services that are used by or on behalf of, a candidate or a political committee is a contribution unless the payment is exempted from the definition of contribution under 11 CFR 100.79. If the payment is not exempted under 11 CFR 100.79, it shall be considered a contribution by the individual unless—

(1) The payment is for the individual's transportation expenses incurred while traveling on behalf of a candidate or political committee of a political party or for usual and normal subsistence expenses incurred by an individual, other than a volunteer, while traveling on behalf of a candidate or political committee of a political party; and

(2) The individual is reimbursed within sixty days after the closing date of the billing statement on which the charges first appear if the payment was made using a personal credit card, or within thirty days after the date on which the expenses were incurred if a personal credit card was not used. For purposes of this section, the closing date shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement. In addition, "subsistence expenses" include only expenditures for personal living expenses related to a

Federal Election Commission

§ 116.7

particular individual traveling on committee business, such as food or lodging.

(c) *Treatment as debts.* A political committee shall treat the obligation arising from a payment described in paragraph (b) of this section as an outstanding debt until reimbursed.

(d) *Settlement or forgiveness of the debt.* The individual and the political committee may agree to the total forgiveness of the debt (See 11 CFR 116.8) or a settlement of the debt for less than the entire amount owed (See 11 CFR 116.7), provided that the requirements of 11 CFR 116.7 or 116.8, as appropriate, including the submission of the information specified in these sections and Commission review, are satisfied. The provisions of this part shall not be construed to require the individual to forgive or settle the debt for less than the entire amount owed.

§ 116.6 Salary payments owed to employees.

(a) *Treatment as debts or volunteer services.* If a political committee does not pay an employee for services rendered to the political committee in accordance with an employment contract or a formal or informal agreement to do so, the unpaid amount either may be treated as a debt owed by the political committee to the employee or, provided that the employee signs a written statement agreeing to be considered a volunteer, converted to a volunteer services arrangement under 11 CFR 100.74. The unpaid amount shall not be treated as a contribution under 11 CFR part 100, subparts B and C.

(b) *Settlement or forgiveness of the debt.* If the unpaid amount is treated as a

debt, the employee and the political committee may agree to a settlement of the debt for less than the entire amount owed pursuant to 11 CFR 116.7. The provisions of this part shall not be construed to require the employee to settle the debt for less than the entire amount owed.

§ 116.7 Debt settlement plans filed by terminating committees; Commission review.

(a) *Procedures for filing debt settlement plans.* Every terminating committee as defined in 11 CFR 116.1(a) shall file at least one debt settlement plan with the Commission prior to filing its termination report under 11 CFR 102.3. The terminating committee shall file a debt settlement plan after the creditors included in the debt settlement plan have agreed to the settlement or forgiveness of the particular debt(s) owed to each of them. The terminating committee shall not make any payments to the creditors included in the debt settlement plan until completion of Commission review. The Commission encourages terminating committees to include as many debt settlement agreements as possible in a debt settlement plan. The terminating committee shall not file its termination report under 11 CFR 102.3 and shall not terminate until each debt or obligation owed either:

- (1) Has been paid in full;
- (2) Has been settled and the requirements of this section, including Commission review, have been satisfied;
- (3) Has been forgiven by the creditor and the requirements of 11 CFR 116.8, including Commission review, have been satisfied;
- (4) Has been determined not to be payable pursuant to 11 CFR 116.9; or

(2) Debts arising from advances by committee staff and other individuals (See 11 CFR 116.5);

(3) Salary owed to committee employees (See 11 CFR 116.6); and

(4) Debts arising from loans from political committees or individuals, including candidates, to the extent permitted under 11 CFR part 110.

(c) *Debts that shall not be settled; Disputed debts.* (1) Debts and obligations that shall not be forgiven or settled for less than the entire amount owed include repayment obligations pursuant to 11 CFR 9007.2, 9008.10, 9008.11, 9038.2 or 9038.3 of funds received from the Presidential Election Campaign Fund or the Presidential Primary Matching Payment Account.

(d) *Reporting.* The terminating committee shall continue to report each outstanding debt or obligation included in a debt settlement plan in accordance with 11 CFR 104.3(d) and 104.11 until the Commission has completed a review of the debt settlement plan pursuant to paragraph (f) of this section. The terminating committee shall continue to report all remaining debts and obligations not included in the debt settlement plan in accordance with 11 CFR 104.3 and 104.11.

(e) *Contents of debt settlement plans.* (1) The debt settlement plan shall provide the following information on each debt covered by the plan—

(i) The terms of the initial extension of credit and a description of the terms under which the creditor has extended credit to nonpolitical debtors of similar risk and size of obligation;

(ii) A description of the efforts made by the candidate or the terminating committee to satisfy the debt;

(iii) A description of the remedies pursued by the creditor to obtain pay-

ment of the debt and a comparison to the remedies customarily pursued by the creditor in similar circumstances involving nonpolitical debtors; and

(iv) The terms of the debt settlement and a comparison to the terms of the creditor's other debt settlements involving nonpolitical debtors in similar circumstances, if any.

(2) Each debt settlement plan filed under this section shall include a signed statement from each creditor covered indicating agreement to the terms of the settlement of the debt owed to that creditor.

(3) The debt settlement plan shall include a statement as to whether the terminating committee has sufficient cash on hand to pay the total amount indicated in the debt settlement plan, and if not, a statement as to what steps the terminating committee will take to obtain the funds needed to make the payments.

(4) If a debt settlement plan does not include settlements for all of the terminating committee's outstanding debts and obligations, the debt settlement plan shall include a separate list of all of the terminating committee's remaining debts and obligations, including debts that are not subject to debt settlement as set forth in paragraph (c) of this section. The debt settlement plan shall indicate—

(i) Whether the terminating committee intends to pay the entire amount still owed on each remaining debt or obligation or to settle such debts and obligations, and if settlement is contemplated, the terms that were or will be offered to the creditor(s); and

(ii) Whether the terminating committee has sufficient cash on hand to pay such remaining debts and obligations, or to pay a lesser portion of such amounts, and if not, what steps the terminating committee will take to obtain the funds needed to make such payments.

(5) If the terminating committee expects to have residual funds or assets after disposing of all its outstanding debts and obligations, the debt settlement plan shall include a statement as to the purpose for which such residual funds or assets will be used. See 11 CFR 110.1(b)(3)(iii) regarding contributions

received to pay net debts outstanding owed by authorized committees.

(6) The political committee filing the debt settlement plan shall demonstrate in the debt settlement plan that such political committee qualifies as a terminating committee under 11 CFR 116.1(a) and shall state when the political committee expects to file a termination report under 11 CFR 102.3.

(7) Upon the Commission's request, the candidate, the terminating committee or the creditor shall provide such additional information as the Commission may require to review the debt settlement plan. The Commission may also require the submission of additional debt settlement agreements prior to Commission review of the debt settlement plan.

(f) *Commission review of debt settlement plans.* In reviewing the debt settlement plan, the Commission will consider—

(1) The information provided by the terminating committee and the creditors under this section;

(2) The amount of each debt that remains unpaid and the length of time each debt has been overdue;

(3) The amount and percentage of each debt that would be forgiven under the plan;

(4) The total amount of debts and obligations owed by the terminating committee to all creditors, compared to the total amount of cash on hand and other amounts available to pay those debts and obligations;

(5) The year to date expenditures and receipts of the terminating committee; and

(6) Whether the total percentage that was or will be repaid on any loans made by the candidate to the terminating committee is comparable to the total percentage that was or will be paid to other creditors.

(g) *Debts dischargeable in bankruptcy.* If a terminating committee is released from debts or obligations pursuant to a discharge under 11 U.S.C. chapter 7, the terminating committee's debt settlement plan shall include a copy of the order issued by the Bankruptcy Court of the United States so indicating, and a list of all debts and obligations from which the terminating committee is released, in lieu of the information

specified in paragraphs (e)(1), (e)(2), and (e)(3) of this section.

§ 116.8 Creditor forgiveness of debts owed by ongoing committees; Commission review.

(a) *General requirements.* A creditor may forgive the outstanding balance of a debt owed by an ongoing committee if the creditor and the ongoing committee have satisfied the requirements of 11 CFR 116.3 or 116.5, as appropriate, regarding extensions of credit by commercial vendors and advances by committee staff and other individuals, and the debt has been outstanding for at least twenty-four months, and—

(1) The creditor has exercised reasonable diligence in attempting to locate the ongoing committee and has been unable to do so; or

(2) The ongoing committee—

(i) Does not have sufficient cash on hand to pay the creditor;

(ii) Has receipts of less than \$1000 during the previous twenty-four months;

(iii) Has disbursements of less than \$1000 during the previous twenty-four months; and

(iv) Owes debts to other creditors of such magnitude that the creditor could reasonably conclude that the ongoing committee will not pay this particular debt.

(b) *Procedures for forgiving debts.* A creditor that intends to forgive a debt owed by an ongoing committee shall notify the Commission by letter of its intent. The letter shall demonstrate that the requirements set forth in paragraph (a) of this section are satisfied. The letter shall provide the following information—

(1) The terms of the initial extension of credit and a description of the terms under which the creditor has extended credit to nonpolitical debtors of similar risk and size of obligation;

(2) A description of the efforts made by the candidate or the ongoing committee to satisfy the debt;

(3) A description of the remedies pursued by the creditor to obtain payment of the debt and a comparison to the remedies customarily pursued by the creditor in similar circumstances involving nonpolitical debtors; and

§ 116.9

11 CFR Ch. I (1–1–11 Edition)

(4) An indication that the creditor has forgiven other debts involving non-political debtors in similar circumstances, if any.

(c) *Commission review.* Upon the Commission's request, the ongoing committee or the creditor shall provide such additional information as the Commission may require to review the creditor's request. The Commission will review each request to forgive a debt to determine whether the candidate, the ongoing committee, and the creditor have complied with the requirements of 11 CFR part 116, and whether or not the forgiveness of the debt would result in an apparent violation of the Act or the Commission's regulations.

§ 116.9 Creditors that cannot be found or that are out of business.

(a) *General requirements.* A political committee may request that the Commission determine that a debt owed to a creditor is not payable for purposes of the Act if the debt has been outstanding for at least twenty-four months, and the requirements of paragraph (b) or (c) of this section, as appropriate, have been satisfied, and—

(1) The creditor has gone out of business and no other entity has a right to be paid the amount owed; or

(2) The political committee has exercised reasonable diligence in attempting to locate the creditor and has been unable to do so. *Reasonable diligence in attempting to locate the creditor* means the political committee has attempted to ascertain the current address and telephone number, and has attempted to contact the creditor by registered or certified mail, and either in person or by telephone.

(b) *Terminating committees.* If the political committee making the request is a terminating committee, the terminating committee shall include the request in a debt settlement plan filed with the Commission, and shall demonstrate that the requirements of 11 CFR 116.3, 116.5 or 116.6, as appropriate, and 116.9(a) are satisfied. The terminating committee shall continue to disclose the debt on its schedules of outstanding debts and obligations until the Commission has completed its review of the debt settlement plan pursu-

ant to 11 CFR 116.7(f) and has determined that the debt is not payable for purposes of the Act.

(c) *Ongoing committees.* If the political committee making the request is an ongoing committee, the ongoing committee shall make the request in writing and shall demonstrate that the requirements of 11 CFR 116.3, 116.5 or 116.6, as appropriate, and 116.9(a) are satisfied. The Commission will review the request to determine whether the ongoing committee and the creditor have complied with the requirements of 11 CFR part 116, and to determine whether reporting the debt as not payable would result in an apparent violation of the Act or the Commission's regulations. The ongoing committee shall continue to disclose the debt on its schedules of outstanding debts and obligations until the Commission has completed its review of the request and has determined that the debt is not payable for purposes of the Act.

(d) *Reporting.* Upon notification that the Commission has determined that the debt is not payable for purposes of the Act, the political committee may list the debt as not payable on the next due report. Notwithstanding 11 CFR 104.11, the debt does not have to be included in subsequent reports unless the status of the debt changes. The presence of a debt that the Commission has determined is not payable shall not bar the political committee from terminating its registration pursuant to 11 CFR 102.3.

§ 116.10 Disputed debts.

(a) *Reporting disputed debts.* A political committee shall report a disputed debt in accordance with 11 CFR 104.3(d) and 104.11 if the creditor has provided something of value to the political committee. Until the dispute is resolved, the political committee shall disclose on the appropriate reports any amounts paid to the creditor, any amount the political committee admits it owes and the amount the creditor claims is owed. The political committee may also note on the appropriate reports that the disclosure of the disputed debt does not constitute an admission of liability or a waiver of any claims the political committee may have against the creditor. (*See also*

§ 116.12

11 CFR 9035.1(a)(2) regarding the effect of disputed debts on a candidate's expenditure limitations under 11 CFR part 9035.)

(b) *Disputed debts owed by terminating committees.* If a terminating committee and a creditor have been unable to resolve a disputed debt, and the terminating committee files a debt settlement plan covering other debts or other creditors, the terminating committee shall include in the debt settlement plan a brief description as to the nature of the dispute and the status of the terminating committee's efforts to resolve the dispute. The debt settlement plan need not include a signed affidavit from the creditor involved in the dispute pursuant to 11 CFR 116.7(e)(2).

§ 116.11 Restriction on an authorized committee's repayment of personal loans exceeding \$250,000 made by the candidate to the authorized committee.

(a) For purposes of this part, personal loans mean a loan or loans, including advances, made by a candidate, using personal funds, as defined in 11 CFR 100.33, to his or her authorized committee where the proceeds of the loan were used in connection with the candidate's campaign for election. Personal loans also include loans made to a candidate's authorized committee that are endorsed or guaranteed by the candidate or that are secured by the candidate's personal funds.

(b) For personal loans that, in the aggregate, exceed \$250,000 in connection with an election, the authorized committee:

(1) May repay the entire amount of the personal loans using contributions to the candidate or the candidate's authorized committee provided that those contributions were made on the day of the election or before;

(2) May repay up to \$250,000 of the personal loans from contributions made to the candidate or the candidate's authorized committee after the date of the election; and

(3) Must not repay, directly or indirectly, the aggregate amount of the

personal loans that exceeds \$250,000, from contributions to the candidate or the candidate's authorized committee if those contributions were made after the date of the election.

(c) If the aggregate outstanding balance of the personal loans exceeds \$250,000 after the election, the authorized political committee must comply with the following conditions:

(1) If the authorized committee uses the amount of cash on hand as of the day after the election to repay all or part of the personal loans, it must do so within 20 days of the election.

(2) Within 20 days of the election date, the authorized committee must treat the portion of the aggregate outstanding balance of the personal loans that exceeds \$250,000 minus the amount of cash on hand as of the day after the election used to repay the loan as a contribution by the candidate.

(3) The candidate's principal campaign committee must report the transactions in paragraphs (c)(1) and (c)(2) of this section in the first report scheduled to be filed after the election pursuant to 11 CFR 104.5(a) or (b).

(d) This section applies separately to each election.

§ 116.12 Repayment of candidate loans of \$250,000 or less.

(a) A candidate's authorized committee may repay to the candidate a personal loan, as defined in 11 CFR 116.11(a), of up to \$250,000 where the proceeds of the loan were used in connection with the candidate's campaign for election. The repayment may be made from contributions to the candidate or the candidate's authorized committee at any time before, on, or after the date of the election.

(b) This section applies separately to each election.

(c) Nothing in this section shall supersede 11 CFR 9035.2 regarding the limitations on expenditures from personal funds or family funds of a presidential candidate who accepts matching funds.

(2) The Presidential Election Campaign Fund Act, as amended, 26 U.S.C. 9001 *et seq.*;

(3) The Presidential Primary Matching Payment Account Act, as amended, 26 U.S.C. 9031 *et seq.*;

(4) The Freedom of Information Act, 5 U.S.C. 552; or

(5) Any other law that the Commission is required to implement and administer.

(b) The petition shall—

(1) Include the name and address of the petitioner or agent. An authorized agent of the petitioner may submit the petition, but the agent shall disclose the identity of his or her principal;

(2) Identify itself as a petition for the issuance, amendment, or repeal of a rule;

(4) Set forth the factual and legal grounds on which the petitioner relies, in support of the proposed action; and

(5) Be addressed and submitted to the Federal Election Commission, Office of General Counsel, 999 E Street, NW., Washington, DC 20463.

(c) The petition may include draft regulatory language that would effectuate the petitioner's proposal.

(d) The Commission may, in its discretion, treat a document that fails to conform to the format requirements of paragraph (b) of this section as a basis for a sua sponte rulemaking. For example, the Commission may consider whether to initiate a rulemaking project addressing issues raised in an advisory opinion request submitted under 11 CFR 112.1 or in a complaint filed under 11 CFR 111.4. However, the Commission need not follow the procedures of 11 CFR 200.3 in these instances.

§ 200.3 Processing of petitions.

(a) If a document qualifies as a petition under 11 CFR 200.2, the Commission, upon the recommendation of the Office of General Counsel, will—

(1) Publish a Notice of Availability in the FEDERAL REGISTER, stating that the petition is available for public inspection in the Commission's Public Records Office and that statements in support of or in opposition to the petition may be filed within a stated period after publication of the notice;

(2) Send a letter to the Commissioner of Internal Revenue, pursuant to 2 U.S.C. 438(f), seeking the IRS's comments on the petition; and

(3) Send a letter to the petitioner, acknowledging receipt of the petition and informing the petitioner of the above actions.

(b) If the petition does not comply with the requirements of 11 CFR 200.2(b), the Office of General Counsel may notify the petitioner of the nature of any discrepancies.

(c) If the Commission decides that a Notice of Inquiry, Advance Notice of Proposed Rulemaking, or a public hearing on the petition would contribute to its determination whether to commence a rulemaking proceeding, it will publish an appropriate notice in the FEDERAL REGISTER, to advise interested persons and to invite their participation.

(d) The Commission will not consider the merits of the petition before the expiration of the comment period on the Notice of Availability.

(e) The Commission will consider all comments filed within the comment period prescribed in the relevant FEDERAL REGISTER notice. The Commission may, at its discretion, consider comments received after the close of the comment period.

§ 200.4 Disposition of petitions.

(a) After considering the comments that have been filed within the comment period(s) and any other information relevant to the subject matter of the petition, the Commission will decide whether to initiate a rulemaking based on the filed petition.

(b) If the Commission decides not to initiate a rulemaking, it will give notice of this action by publishing a Notice of Disposition in the FEDERAL REGISTER and sending a letter to the petitioner. The Notice of Disposition will include a brief statement of the grounds for the Commission's decision, except in an action affirming a prior denial.

(c) The Commission may reconsider a petition for rulemaking previously denied if the petitioner submits a written request for reconsideration within 30 calendar days after the date of the denial and if, upon the motion of a Commissioner who voted with the majority that originally denied the petition, the Commission adopts the motion to reconsider by the affirmative vote of four members.

§ 200.5 Agency considerations.

The Commission's decision on the petition for rulemaking may include, but will not be limited to, the following considerations—

(a) The Commission's statutory authority;

(b) Policy considerations;

(c) The desirability of proceeding on a case-by-case-basis;

(3) Agenda documents, in the form they are circulated to and considered by the Commission in the course of the petition process.

(4) All notices published in the FEDERAL REGISTER, including the Notice of Availability and Notice of Disposition. If a Notice of Inquiry or Advance Notice of Proposed Rulemaking was published it will also be included.

(5) The transcripts or audio tapes of any public hearing(s) on the petition.

(6) All correspondence between the Commission and the petitioner, other commentators and state or federal agencies pertaining to Commission consideration of the petition.

(7) The Commission's decision on the petition, including all documents identified or filed by the Commission as part of the record relied on in reaching its final decision.

(b) The administrative record specified in paragraph (a) of this section is the exclusive record for the Commission's decision.

§ 201.3 Public funding, audits and litigation: Ex parte contacts prohibited.

(a) In order to avoid the possibility of prejudice, real or apparent, to the public interest in Commission decision-making during the public funding process, in audits undertaken by the Commission, and in any litigation to which the Commission is a party, no person outside the agency shall make or cause to be made to any Commissioner or any member of any Commissioner's staff any ex parte communication regarding any candidate or committee's eligibility for or entitlement to public funding; any audit; or any pending or prospective Commission decision regarding litigation, including whether to initiate, settle, appeal, or seek certiorari, or any other decision concerning a litigation matter; nor shall any Commissioner or member of any Commissioner's staff entertain any such ex parte communications.

§300.1 Scope and effective date, and organization.

(a) *Introduction.* This part implements changes to the Federal Election Campaign Act of 1971, as amended (“FECA” or the “Act”), enacted by Title I of the Bipartisan Campaign Finance Reform Act of 2002 (“BCRA”). Public Law 107-155. Unless expressly stated to the contrary, nothing in this part alters the definitions, restrictions, liabilities, and obligations imposed by sections 431 to 455 of Title 2, United States Code, or regulations prescribed thereunder (11 CFR parts 100 to 116).

(b) *Effective dates.* (1) Except as otherwise specifically provided in this part, this part shall take effect on November 6, 2002. However, subpart B of this part shall not apply with respect to runoff elections, recounts, or election contests resulting from elections held prior to such date. See 11 CFR 300.12 for transition rules applicable to subpart A of this part.

(2) The increase in individual contribution limits to State committees of political parties, as described in 11 CFR 110.1(c)(5), shall apply to contributions made on or after January 1, 2003.

(c) *Organization of part.* Part 300, which generally addresses non-Federal funds and closely related topics, is organized into five subparts. Each subpart is oriented to the perspective of a category of persons facing issues related to non-Federal funds.

(1) Subpart A of this part prescribes rules pertaining to national party committees, including general non-Federal

funds prohibitions, fundraising, and donation prohibitions with regard to certain tax-exempt organizations, transition rules as BCRA takes effect, and reporting.

(2) Subpart B of this part pertains to State, district, and local political party committees and organizations. Subpart B of this part focuses on “Levin Amendment” to BCRA; office buildings; and fundraising and donation prohibitions with regard to certain tax-exempt organizations.

(3) Subpart C of this part addresses non-Federal funds from the perspective of tax-exempt organizations, setting out rules about prohibited fundraising for certain tax-exempt organizations by national party committees, State, district, and local party committees, and Federal candidates and officeholders.

(4) Subpart D of this part includes regulations pertaining to soliciting non-Federal funds from the perspective of Federal candidates and officeholders in Federal and non-Federal elections; including exceptions for those who are also State candidates and exemptions for those attending, speaking, and appearing as featured guests at fundraising events, or who solicit for certain tax-exempt organizations.

(5) Subpart E of this part focuses on State and local candidates, including regulations about using Federal funds for certain public communications, and exceptions for entirely non-Federal communications.

(6) For rules pertaining to convention and host committees, see 11 CFR part 9008.

§ 300.2 Definitions.

(a) *501(c) organization that makes expenditures or disbursements in connection with a Federal election.* A 501(c) organization that makes expenditures or disbursements in connection with a Federal election as that term is used in 11 CFR 300.11, 300.37, 300.50, and 300.51 includes an organization that, within the current election cycle, plans to:

(1) Make expenditures or disbursements in connection with an election for Federal office including for Federal election activity; or

(2) Pay a debt incurred from the making of expenditures or disburse-

ments in connection with an election for Federal office (including for Federal election activity) in a prior election cycle.

(b) *Agent.* For the purposes of part 300 of chapter I, agent means any person who has actual authority, either express or implied, to engage in any of the following activities on behalf of the specified persons:

(1) In the case of a national committee of a political party:

(i) To solicit, direct, or receive any contribution, donation, or transfer of funds; or,

(ii) To solicit any funds for, or make or direct any donations to, an organization that is described in 26 U.S.C. 501(c) and exempt from taxation under 26 U.S.C. 501(a) (or has submitted an application for determination of tax exempt status under 26 U.S.C. 501(a)), or an organization described in 26 U.S.C. 527 (other than a political committee, a State, district, or local committee of a political party, or the authorized campaign committee of a candidate for State or local office).

(2) In the case of a State, district, or local committee of a political party:

(i) To expend or disburse any funds for Federal election activity; or

(ii) To transfer, or accept a transfer of, funds to make expenditures or disbursements for Federal election activity; or

(iv) To solicit any funds for, or make or direct any donations to, an organization that is described in 26 U.S.C. 501(c) and exempt from taxation under 26 U.S.C. 501(a) (or has submitted an application for determination of tax exempt status under 26 U.S.C. 501(a)), or an organization described in 26 U.S.C. 527 (other than a political committee, a State, district, or local committee of a political party, or the authorized campaign committee of a candidate for State or local office).

(3) In the case of an individual who is a Federal candidate or an individual holding Federal office, to solicit, receive, direct, transfer, or spend funds in connection with any election.

§ 300.2

11 CFR Ch. I (1–1–11 Edition)

(4) In the case of an individual who is a candidate for State or local office, to spend funds for a public communication (see 11 CFR 100.26).

(c) *Directly or indirectly establish, finance, maintain, or control.* (1) This paragraph (c) applies to national, State, district, and local committees of a political party, candidates, and holders of Federal office, including an officer, employee, or agent of any of the foregoing persons, which shall be referred to as “sponsors” in this section.

(2) To determine whether a sponsor directly or indirectly established, finances, maintains, or controls an entity, the factors described in paragraphs (c)(2)(i) through (x) of this section must be examined in the context of the overall relationship between sponsor and the entity to determine whether the presence of any factor or factors is evidence that the sponsor directly or indirectly established, finances, maintains, or controls the entity. Such factors include, but are not limited to:

(i) Whether a sponsor, directly or through its agent, owns controlling interest in the voting stock or securities of the entity;

(ii) Whether a sponsor, directly or through its agent, has the authority or ability to direct or participate in the governance of the entity through provisions of constitutions, bylaws, contracts, or other rules, or through formal or informal practices or procedures;

(iii) Whether a sponsor, directly or through its agent, has the authority or ability to hire, appoint, demote, or otherwise control the officers, or other decision-making employees or members of the entity;

(iv) Whether a sponsor has a common or overlapping membership with the entity that indicates a formal or ongoing relationship between the sponsor and the entity;

(v) Whether a sponsor has common or overlapping officers or employees with the entity that indicates a formal or ongoing relationship between the sponsor and the entity;

(vi) Whether a sponsor has any members, officers, or employees who were members, officers or employees of the entity that indicates a formal or ongoing relationship between the sponsor

and the entity, or that indicates the creation of a successor entity;

(vii) Whether a sponsor, directly or through its agent, provides funds or goods in a significant amount or on an ongoing basis to the entity, such as through direct or indirect payments for administrative, fundraising, or other costs, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17, and otherwise lawfully;

(viii) Whether a sponsor, directly or through its agent, causes or arranges for funds in a significant amount or on an ongoing basis to be provided to the entity, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17, and otherwise lawfully;

(ix) Whether a sponsor, directly or through its agent, had an active or significant role in the formation of the entity; and

(x) Whether the sponsor and the entity have similar patterns of receipts or disbursements that indicate a formal or ongoing relationship between the sponsor and the entity.

(3) *Safe harbor.* On or after November 6, 2002, an entity shall not be deemed to be directly or indirectly established, maintained, or controlled by another entity unless, based on the entities’ actions and activities solely after November 6, 2002, they satisfy the requirements of this section. If an entity receives funds from another entity prior to November 6, 2002, and the recipient entity disposes of the funds prior to November 6, 2002, the receipt of such funds prior to November 6, 2002 shall have no bearing on determining whether the recipient entity is financed by the sponsoring entity within the meaning of this section.

(4) *Determinations by the Commission.*

(i) A sponsor or entity may request an advisory opinion of the Commission to determine whether the sponsor is no longer directly or indirectly financing, maintaining, or controlling the entity for purposes of this part. The request for such an advisory opinion must meet the requirements of 11 CFR part 112 and must demonstrate that the entity is not directly or indirectly financed, maintained, or controlled by the sponsor.

(ii) Notwithstanding the fact that a sponsor may have established an entity within the meaning of paragraph (c)(2) of this section, the sponsor or the entity may request an advisory opinion of the Commission determining that the relationship between the sponsor and the entity has been severed. The request for such an advisory opinion must meet the requirements of 11 CFR part 112, and must demonstrate that all material connections between the sponsor and the entity have been severed for two years.

(iii) Nothing in this section shall require entities that are separate organizations on November 6, 2002 to obtain an advisory opinion to operate separately from each other.

(d) *Disbursement.* *Disbursement* means any purchase or payment made by:

(1) A political committee; or

(2) Any other person, including an organization that is not a political committee, that is subject to the Act.

(e) *Donation.* For purposes of part 300, *donation* means a payment, gift, subscription, loan, advance, deposit, or anything of value given to a person, but does not include contributions.

(f) *Federal account.* *Federal account* means an account at a campaign depository that contains funds to be used in connection with a Federal election.

(g) *Federal Funds.* *Federal funds* mean funds that comply with the limitations, prohibitions, and reporting requirements of the Act.

(h) *Levin account.* *Levin account* means an account at a campaign depository established by a State, district, or local committee of a political party pursuant to 11 CFR 300.30, for purposes of making expenditures or disbursements for Federal election activity or non-Federal activity (subject to State law) under 11 CFR 300.32.

(i) *Levin funds* mean funds that are raised pursuant to 11 CFR 300.31 and are or will be disbursed pursuant to 11 CFR 300.32.

(j) *Non-Federal account* means an account that contains funds to be used in connection with a State or local election or allocable expenses under 11 CFR 106.7, 300.30, or 300.33.

(k) *Non-Federal funds* mean funds that are not subject to the limitations and prohibitions of the Act.

(l) [Reserved]

(m) *To solicit.* For the purposes of part 300, *to solicit* means to ask, request, or recommend, explicitly or implicitly, that another person make a contribution, donation, transfer of funds, or otherwise provide anything of value. A solicitation is an oral or written communication that, construed as reasonably understood in the context in which it is made, contains a clear message asking, requesting, or recommending that another person make a contribution, donation, transfer of funds, or otherwise provide anything of value. A solicitation may be made directly or indirectly. The context includes the conduct of persons involved in the communication. A solicitation does not include mere statements of political support or mere guidance as to the applicability of a particular law or regulation.

(1) The following types of communications constitute solicitations:

(i) A communication that provides a method of making a contribution or donation, regardless of the communication. This includes, but is not limited to, providing a separate card, envelope, or reply device that contains an address to which funds may be sent and allows contributors or donors to indicate the dollar amount of their contribution or donation to the candidate, political committee, or other organization.

(ii) A communication that provides instructions on how or where to send contributions or donations, including providing a phone number specifically dedicated to facilitating the making of contributions or donations. However, a communication does not, in and of itself, satisfy the definition of “to solicit” merely because it includes a mailing address or phone number that is not specifically dedicated to facilitating the making of contributions or donations.

(iii) A communication that identifies a Web address where the Web page displayed is specifically dedicated to facilitating the making of a contribution or donation, or automatically redirects the Internet user to such a page, or exclusively displays a link to such a page. However, a communication does

§ 300.2

11 CFR Ch. I (1-1-11 Edition)

not, in and of itself, satisfy the definition of “to solicit” merely because it includes the address of a Web page that is not specifically dedicated to facilitating the making of a contribution or donation.

(2) The following statements constitute solicitations:

- (i) “Please give \$100,000 to Group X.”
- (ii) “It is important for our State party to receive at least \$100,000 from each of you in this election.”
- (iii) “Group X has always helped me financially in my elections. Keep them in mind this fall.”
- (iv) “X is an effective State party organization; it needs to obtain as many \$100,000 donations as possible.”
- (v) “Giving \$100,000 to Group X would be a very smart idea.”
- (vi) “Send all contributions to the following address * * *.”
- (vii) “I am not permitted to ask for contributions, but unsolicited contributions will be accepted at the following address * * *.”
- (viii) “Group X is having a fundraiser this week; you should go.”
- (ix) “You have reached the limit of what you may contribute directly to my campaign, but you can further help my campaign by assisting the State party.”
- (x) A candidate hands a potential donor a list of people who have contributed to a group and the amounts of their contributions. The candidate says, “I see you are not on the list.”
- (xi) “I will not forget those who contribute at this crucial stage.”
- (xii) “The candidate will be very pleased if we can count on you for \$10,000.”
- (xiii) “Your contribution to this campaign would mean a great deal to the entire party and to me personally.”
- (xiv) Candidate says to potential donor: “The money you will help us raise will allow us to communicate our message to the voters through Labor Day.”
- (xv) “I appreciate all you’ve done in the past for our party in this State. Looking ahead, we face some tough elections. I’d be very happy if you could maintain the same level of financial support for our State party this year.”

(xvi) The head of Group X solicits a contribution from a potential donor in the presence of a candidate. The donor asks the candidate if the contribution to Group X would be a good idea and would help the candidate’s campaign. The candidate nods affirmatively.

(3) The following statements do not constitute solicitations:

- (i) During a policy speech, the candidate says: “Thank you for your support of the Democratic Party.”
- (ii) At a ticket-wide rally, the candidate says: “Thank you for your support of my campaign.”
- (iii) At a Labor Day rally, the candidate says: “Thank you for your past financial support of the Republican Party.”
- (iv) At a GOTV rally, the candidate says: “Thank you for your continuing support.”
- (v) At a ticket-wide rally, the candidate says: “It is critical that we support the entire Democratic ticket in November.”
- (vi) A Federal officeholder says: “Our Senator has done a great job for us this year. The policies she has vigorously promoted in the Senate have really helped the economy of the State.”
- (vii) A candidate says: “Thanks to your contributions we have been able to support our President, Senator and Representative during the past election cycle.”
- (n) *To direct.* For the purposes of part 300, *to direct* means to guide, directly or indirectly, a person who has expressed an intent to make a contribution, donation, transfer of funds, or otherwise provide anything of value, by identifying a candidate, political committee or organization, for the receipt of such funds, or things of value. The contribution, donation, transfer, or thing of value may be made or provided directly or through a conduit or intermediary. Direction does not include merely providing information or guidance as to the applicability of a particular law or regulation.
- (o) *Individual holding Federal office.* *Individual holding Federal office* means an individual elected to or serving in the office of President or Vice President of the United States; or a Senator or a Representative in, or Delegate or

(b) *Types of accounts.* Each State, district, and local party organization or committee that has receipts or makes disbursements for Federal election activity must establish one or more of the following types of accounts, pursuant to paragraph (c) of this section.

(1) *Non-Federal accounts.* The funds deposited into this account are governed by State law. Disbursements, contributions, and expenditures made wholly or in part in connection with Federal elections must not be made from any non-Federal account, except as permitted by paragraph (c)(3)(ii) of this section, 11 CFR 102.5(a)(4), 11 CFR 106.7(d)(1)(i), 11 CFR 300.33 and 11 CFR 300.34.

(2) *Levin account.* The funds deposited into this account must comply with 11 CFR 300.31. Such funds may be used for the categories of activities described at 11 CFR 300.32(b).

(3) *Federal account.* Federal accounts may be used for the deposit of contributions and the making of expenditures pursuant to the following conditions:

(i) Only contributions that are permissible pursuant to the limitations and prohibitions of the Act may be deposited into any Federal account, regardless of whether such contributions

§ 300.30

11 CFR Ch. I (1–1–11 Edition)

are for use in connection with Federal or non-Federal elections. *See* 11 CFR 103.3 regarding impermissible funds.

(ii) Only contributions solicited and received pursuant to the following conditions may be deposited in a Federal account:

(A) Contributions must be designated by the contributors for the Federal account;

(B) The solicitation must expressly state that contributions may be used wholly or in part in connection with a Federal election; or

(C) The contributor must be informed that all contributions are subject to the limitations and prohibitions of the Act.

(iii) All disbursements, contributions, and expenditures made wholly or in part by any State, district, or local party organization or committee in connection with a Federal election must be made from either:

(A) A Federal account, except as permitted by 11 CFR 300.32; or

(B) A separate allocation account (*see* paragraph (b)(4) of this section).

(iv) If all payments in connection with a Federal election, including payments for Federal election activities, expenditures and disbursements for costs that are allocable pursuant to 11 CFR 106.7 or 11 CFR 300.33 must be made from the Federal account in their entirety, with the shares of a non-Federal account or of a Levin account being transferred to the Federal account pursuant to 11 CFR 106.7 and 11 CFR 300.33.

(v) No transfers may be made to a Federal account from any other account(s) maintained by a State, district, or local party committee or organization from any other party organization or committee at any level for the purpose of financing activity in connection with Federal elections, except as provided by paragraph (b)(3)(iv) of this section or 11 CFR 300.33 and 300.34.

(4) *Allocation accounts.* At the discretion of the party committee or organization, separate allocation accounts may be established for purposes of making allocable expenditures and disbursements.

(i) Only funds from the party organization's or committee's Federal and non-Federal accounts may be deposited into an allocation account used to make allocable expenditures and disbursements for activities in connection with Federal and non-Federal elections.

(ii) Only funds from the party organization's or committee's Federal account and Levin funds from its non-Federal or Levin account(s) may be deposited into an allocation account used to make allocable expenditures and disbursements for activities undertaken pursuant to 11 CFR 300.32(b).

(iii) Once a party organization or committee has established a separate allocation account for activities in connection with Federal and non-Federal elections and a separate account for activities undertaken pursuant to 11 CFR 300.32(b), all allocable expenses must be paid from the appropriate allocation account for as long as that account is maintained.

(iv) The party organization or committee must transfer to the appropriate allocation account funds from its Federal and non-Federal or Levin accounts in amounts proportionate to the Federal, non-Federal and Levin shares of each allocable expense pursuant to 11 CFR 106.7 and 11 CFR 300.33. The transfers must be made pursuant to 11 CFR 300.33 and 300.34.

(v) No funds contained in an allocation account may be transferred to any other account maintained by the party committee or organization.

(vi) For reporting purposes, all allocation accounts must be treated as Federal accounts.

(c) *Required account or accounts.* Each State, district, and local party organization or committee that has receipts or makes disbursements for Federal election activity must establish its accounts in accordance with paragraphs (c)(1), or (c)(2), or (c)(3) of this section.

(1) One or more Federal accounts in a campaign depository, in accordance with 11 CFR part 103, which must be treated as a separate political committee and be required to comply with the requirements of the Act including the registration and reporting requirements of 11 CFR part 102 and part 104.

Federal Election Commission

§ 300.31

State, district, and local party organizations or committees may choose to make non-Federal disbursements, subject to State law, and disbursements for Federal election activity from a Federal account provided that such disbursements are reported pursuant to 11 CFR 104.17 and 11 CFR 300.36, and provided that contributors of the Federal funds so used were notified that their contributions were subject to the limitations and prohibitions of the Act.

(2) Establish at least three separate accounts in depositories as follows—

- (i) One or more Federal accounts;
- (ii) One or more Levin accounts; and
- (iii) One or more Non-Federal accounts.

(3) Establish two separate accounts in depositories as follows:

(i) One or more Federal accounts, and;

(ii) An account that must function as both a Non-Federal account and a Levin account. If such an account is used, the State, district, and local party must demonstrate through a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) that whenever such organization makes a disbursement for activities undertaken pursuant to 11 CFR 300.32(b), that organization had received sufficient contributions or Levin funds to make such disbursement.

(d) *Recordkeeping.* All party organizations or committees must keep records of deposits into and disbursements from such accounts, and, upon request, must make such records available for examination by the Commission.

§ 300.31 Receipt of Levin funds.

(a) *General rule.* Levin funds expended or disbursed by any State, district, or local committee must be raised solely by the committee that expends or disburses them.

(b) *Compliance with State law.* Each donation of Levin funds solicited or accepted by a State, district, or local committee of a political party must be lawful under the laws of the State in which the committee is organized.

(c) *Donations from sources permitted by State law but prohibited by the Act.* If the laws of the State in which a State, dis-

trict, or local committee of a political party is organized permit donations to the committee from a source prohibited by the Act and this chapter, other than 2 U.S.C. 441e, the committee may solicit and accept donations of Levin funds from that source, subject to paragraph (d) of this section.

(d) *Donation amount limitation—(1) General rule.* A State, district, or local committee of a political party must not solicit or accept from any person (including any entity established, financed, maintained, or controlled by such person) one or more donations of Levin funds aggregating more than \$10,000 in a calendar year.

(2) *Effect of different State limitations.* If the laws of the State in which a State, district, or local committee of a political party is organized limit donations to that committee to less than the amount specified in paragraph (d)(1) of this section, then the State law amount limitations shall control. If the laws of the State in which a State, district, or local committee of a political party is organized permit donations to that committee in amounts greater than the amount specified in paragraph (d)(1) of this section, then the amount limitations in paragraph (d)(1) of this section shall control.

(3) *No affiliation of committees for purposes of this paragraph.* For purposes of determining compliance with paragraph (d) of this section only, State, district, and local committees of the same political party shall not be considered affiliated. Subject to the amount limitations specified in paragraphs (d)(1) and (d)(2) of this section, a person (including any entity directly or indirectly established, financed, maintained, or controlled by such person) may donate without additional limitation to each and every State, district, and local committee of a political party.

(e) *No Levin funds from a national party committee or a Federal candidate or officeholder.* A State, district, or local committee of a political party disbursing Levin funds pursuant to 11 CFR 300.32 must not accept or use for such purposes any donations or other funds that are solicited, received, directed, transferred, or spent by or in the name of any of the following persons:

§ 300.32

11 CFR Ch. I (1–1–11 Edition)

(1) A national committee of a political party (including a national congressional campaign committee of a political party), any officer or agent acting on behalf of such a national party committee, or any entity that is directly or indirectly established, financed, maintained, or controlled by such a national party committee. Notwithstanding 11 CFR 102.17, a State, district, or local committee of a political party must not raise Levin funds by means of joint fundraising with a national committee of a political party, any officer or agent acting on behalf of such a national party committee, or any entity that is directly or indirectly established, financed, maintained, or controlled by such a national party committee. Nothing in this section shall be construed to prohibit a State, district, or local committee of a political party from jointly raising, under 11 CFR 102.17, Federal funds not to be used for Federal election activity with a national committee of a political party, or its agent, or any entity directly or indirectly established, financed, maintained, or controlled by such a national party committee.

(2) A Federal candidate, or an individual holding Federal office, or an agent of a Federal candidate or officeholder, or an entity directly or indirectly established, financed, maintained, or controlled by, or acting on behalf of, one or more Federal candidates or individuals holding Federal office. Notwithstanding 11 CFR 102.17, a State, district, or local committee of a political party must not raise Levin funds by means of joint fundraising with a Federal candidate, an individual holding Federal office, or an entity directly or indirectly established, financed, maintained, or controlled by, or acting on behalf of, one or more candidates or individuals holding Federal office. A Federal candidate or individual holding Federal office may attend, speak, or be a featured guest at a fundraising event for a State, district, or local committee of a political party at which Levin funds are raised. *See* 11 CFR 300.64.

(f) *Certain joint fundraising prohibited.* Notwithstanding 11 CFR 102.17, a State, district, or local committee of a polit-

ical party must not raise Levin funds by means of any joint fundraising activity with any other State, district, or local committee of any political party, the agent of such a committee, or an entity directly or indirectly established, financed, maintained, or controlled by such a committee. This prohibition includes State, district, and local committees of a political party organized in another State. Nothing in this section shall be construed to prohibit two or more State, district, or local committees of a political party from jointly raising, under 11 CFR 102.17, Federal funds not to be used for Federal election activity.

(g) *Safe Harbor.* The use of a common vendor for fundraising by more than one State, district, or local committee of a political party, or the agent of such a committee, does not constitute joint fundraising within the meaning of this section.

[67 FR 49120, July 29, 2002, as amended at 75 FR 32, Jan. 4, 2010]

§ 300.32 Expenditures and disbursements.

(a) *Federal funds.* (1) An association or similar group of candidates for State or local office, or an association or similar group of individuals holding State or local office, must make any expenditures or disbursements for Federal election activity solely with Federal funds.

(2) Except as provided in this part, a State, district, or local committee of a political party that makes expenditures or disbursements for Federal election activity must use Federal funds for that purposes, subject to the provisions of this chapter.

(3) State, district, and local party committees that raise Federal funds through an activity where only Federal funds are raised, must pay the direct costs of such fundraising only with Federal funds. State, district, and local party committees that raise Federal funds and non-Federal funds through a joint fundraising activity under 11 CFR 106.7(d)(4) or a joint fundraiser under 11 CFR 102.17, where the Federal funds are to be used, in whole or in part, for Federal election activities, must either pay the direct costs of such fundraising only with Federal funds or allocate the

Federal Election Commission

§ 300.33

direct costs in accordance with the funds received method described in 11 CFR 106.7(d)(4). The direct costs of a fundraising program or event include expenses for the solicitation of funds and for the planning and administration of actual fundraising programs and events.

(4) State, district, and local party committees that raise Levin funds to be used, in whole or in part, for Federal election activity must pay the direct costs of such fundraising with either Federal or Levin funds. The direct costs of a fundraising program or event include expenses for the solicitation of funds and for the planning and administration of actual fundraising programs and events.

(b) *Levin funds.* A State, district, or local committee of a political party may spend Levin funds in accordance with this part on the following types of activity:

(1) Subject to the conditions set out in paragraph (c) of this section, only the following types of Federal election activity:

(i) Voter registration activity during the period that begins on the date that is 120 days before the date a regularly scheduled Federal election is held and ends on the date of the election; and

(ii) Voter identification, get-out-the-vote activity, or generic campaign activity conducted in connection with an election in which a candidate for Federal office appears on the ballot (regardless of whether a candidate for State or local office also appears on the ballot).

(2) Any use that is lawful under the laws of the State in which the committee is organized, other than the Federal election activities defined in 11 CFR 100.24(b)(3) and (4). A disbursement of Levin funds under this paragraph need not comply with paragraphs (c)(1) and (c)(2) of this section, except as required by State law.

(c) *Conditions and restrictions on spending Levin funds.* (1) The Federal election activity for which the disbursement is made must not refer to a clearly identified candidate for Federal office.

(2) The disbursement must not pay for any part of the costs of any broadcasting, cable, or satellite communica-

tion, other than a communication that refers solely to a clearly identified candidate for State or local office.

(3) The disbursement must be made from funds raised in accordance with 11 CFR 300.31.

(4) The disbursements for allocable Federal election activity must be paid for either entirely with Federal funds or by allocating between Federal funds and Levin funds according to 11 CFR 300.33.

(d) *Non-Federal activities.* A State, district, or local committee of a political party that makes disbursements for non-Federal activity may make those disbursements from its Federal, Levin, or non-Federal funds, subject to the laws of the State in which it is organized. A State, district, or local party committee that engages in fundraising for solely non-Federal funds may pay the costs related to such fundraising from any account, subject to State law, including a Federal account.

[67 FR 49120, July 29, 2002, as amended at 70 FR 69632, Nov. 17, 2005; 70 FR 75384, Dec. 20, 2005]

§ 300.33 Allocation of costs of Federal election activity.

(a) *Costs of Federal election activity allocable by State, district, and local party committees and organizations—(1) Costs of voter registration.* Subject to the conditions of 11 CFR 300.32(c), State, district, and local party committees and organizations may allocate disbursements or expenditures, except salaries and wages for employees, between Federal funds and Levin funds for voter registration activity, as defined in 11 CFR 100.24(a)(2), that takes place during the period that begins on the date that is 120 days before the date of a regularly scheduled Federal election and that ends on the date of the election, provided that the activity does not refer to a clearly identified Federal candidate.

(2) *Costs of voter identification, get-out-the-vote activity, or generic campaign activities within certain time periods.* Subject to the conditions of 11 CFR 300.32(c), State, district, and local party committees and organizations may allocate disbursements or expenditures, except salaries and wages for employees, between Federal funds and

Levin funds for voter identification, get-out-the-vote activity, or generic campaign activities, as defined in 11 CFR 100.24(a)(3) and (4) and 11 CFR 100.25, that are conducted in connection with an election in which a candidate for Federal office is on the ballot and within the time periods set forth in 11 CFR 100.24(a)(1), provided that the activity does not refer to a clearly identified Federal candidate.

(b) *Allocation percentages.* State, district, and local party committees and organizations that choose to allocate between Federal funds and Levin funds their expenditures and disbursements, except for salaries and wages, in connection with activities described in paragraph (a) of this section that take place within the time periods set forth in 11 CFR 100.24(a)(1) or paragraph (a) of this section must allocate the following minimum percentages to their Federal funds:

(1) *Presidential election years.* If a Presidential candidate, but no Senate candidate appears on the ballot, State, district, and local party committees and organizations must allocate at least 28% of expenses for activities described in paragraph (a) of this section to their Federal funds.

(2) *Presidential and Senate election year.* If a Presidential candidate and a Senate candidate appear on the ballot, State, district, and local party committees and organizations must allocate at least 36% of expenses for activities described in paragraph (a) of this section to their Federal funds.

(3) *Senate election year.* If a Senate candidate, but no Presidential candidate, appears on the ballot, State, district, and local party committees and organizations must allocate at least 21% of expenses for activities described in paragraph (a) of this section to their Federal funds.

(4) *Non-Presidential and non-Senate year.* If neither a Presidential nor a Senate candidate appears on the ballot, State, district, and local party committees and organizations must allocate at least 15% of expenses for activities described in paragraph (a) of this section to their Federal funds.

(c) *Costs of public communications.* Expenditures for public communications as defined in 11 CFR 100.26 by State,

district, and local party committees and organizations that refer to a clearly identified candidate for Federal office and that promote, support, attack, or oppose any such candidate for Federal office must not be allocated between or among Federal, non-Federal, and Levin accounts. Only Federal funds may be used.

(d) *Costs of salaries, wages, and fringe benefits.*

(1) Except as provided in paragraph (d)(3) of this section, salaries, wages, and fringe benefits paid for employees who spend 25% or less of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election must either be paid only from the Federal account or be allocated as administrative costs under 11 CFR 106.7(d)(2).

(2) Salaries, wages, and fringe benefits paid for employees who spend more than 25% of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election must be paid only from a Federal account.

(3) Salaries, wages, and fringe benefits paid for employees who spend none of their compensated time in a given month on Federal election activities or on activities in connection with a Federal election may be paid entirely with funds that comply with State law. See 11 CFR 106.7(c)(1) and (d)(1).

(e) *Transfers between accounts to cover allocable expenses.* State, district, and local party committees and organizations may transfer Levin funds from their Levin or non-Federal accounts to their Federal accounts or to allocation accounts solely to meet expenses allocable pursuant to paragraphs (a)(1) and (2) of this section and only pursuant to the following methods:

(1) *Payments from Federal accounts or from allocation accounts.* (i) If Federal accounts are used to make payments for allocable activities, State, district, and local party committees and organizations must pay the entire amount of allocable expenses from their Federal accounts and transfer Levin funds from their Levin or non-Federal accounts to their Federal accounts solely to cover the portions of the expenses for which Levin funds may be used; or

Federal Election Commission

§ 300.35

(ii) State, district, and local party committees and organizations may establish separate allocation accounts into which Federal funds and Levin funds may be deposited solely for the purpose of paying allocable expenses.

(2) *Timing.* (i) If Federal or allocation accounts are used to make allocable expenditures and disbursements, State, district, and local party committees and organizations must transfer Levin funds to their Federal or allocation accounts to meet allocable expenses no more than 10 days before and no more than 60 days after the payments for which they are designated are made from a Federal or allocation account, except that transfers may be made more than 10 days before a payment is made from the Federal or allocation account if advance payment is required by the vendor(s) and if such payment is based on a reasonable estimate of the activity's final costs as determined by the committee and the vendor(s) involved.

(ii) Any portion of a transfer of Levin funds to a party committee or organization's Federal or allocation account that does not meet the requirement of paragraph (e)(2)(i) of this section shall be presumed to be a loan or contribution from the Levin or non-Federal account to the Federal or allocation account, in violation of the Act.

[67 FR 49120, July 29, 2002, as amended at 70 FR 75385, Dec. 20, 2005]

§ 300.34 Transfers.

(a) *Federal funds.* (1) Notwithstanding 11 CFR 102.6(a)(1)(ii), a State, district, or local committee of a political party must not use any Federal funds transferred to it from, or otherwise accepted by it from, any of the persons enumerated in paragraphs (b)(1) and (b)(2) of this section as the Federal component of an expenditure or disbursement for Federal election activity under 11 CFR 300.32. A State, district, or local committee of a political party must itself raise the Federal component of an expenditure or disbursement allocated between Federal funds and Levin funds under 11 CFR 300.32 and 300.33.

(2) A State, district, or local committee of a political party that makes an expenditure or disbursement of Federal funds for Federal election activi-

ties must demonstrate through a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) that the Federal funds used to make the expenditure or disbursement do not include Federal funds transferred to the committee in violation of this section. Alternatively, a State, district, or local committee of a political party may establish a separate Federal account into which the committee deposits only Federal funds raised by the committee itself, and from which all expenditures or disbursement of Federal funds for Federal election activities are made.

(b) *Levin funds.* Levin funds must be raised solely by the State, district, or local committee of a political party that expends or disburses the funds. A State, district, or local committee of a political party must not use as Levin funds any funds transferred or otherwise provided to the committee by:

(1) Any other State, district, or local committee of any political party, any officer or agent acting on behalf of such a committee, or any entity directly or indirectly established, financed, maintained or controlled by such a committee; or,

(2) The national committee of any political party (including a national congressional campaign committee of a political party), any officer or agent acting on behalf of such a committee, or any entity directly or indirectly established, financed, maintained, or controlled by such a committee.

(c) *Allocation transfers.* Transfers of Levin funds between the accounts of a State, district, or local committee of a political party for allocation purposes must comply with 11 CFR 300.30 and 11 CFR 300.33.

§ 300.35 Office buildings.

(a) *General provision.* For the purchase or construction of its office building, a State or local party committee may spend Federal funds or non-Federal funds that are not subject to the limitations, prohibitions, and disclosure provisions of the Act, so long as such funds are not contributed or donated by a foreign national. See 2 U.S.C. 441e. If non-Federal funds are

§ 300.36

11 CFR Ch. I (1–1–11 Edition)

used, they are subject to State law. An office building must not be purchased or constructed for the purpose of influencing the election of any candidate in any particular election for Federal office. For purposes of this section, the term *local party committee* shall include a *district party committee*.

(b) *Application of State law.* Non-Federal funds received by a State or local party committee that are spent for the purchase or construction of its office building are subject to State law as set forth in paragraphs (b)(1) and (2) of this section.

(1) *Non-Federal account.* If a State or local party committee uses non-Federal funds, Federal law does not preempt or supersede State law as to the source of funds used, the permissibility of the disbursements, or the reporting of the receipt and disbursement of such funds, except as provided in paragraph (a) of this section.

(2) *Levin funds.* Levin funds may be used for the purchase or construction of a State or local party committee office building, if permitted by State law.

(c) *Leasing a portion of the party office building.* A State or local party committee may lease a portion of its office building to others to generate income at the usual and normal charge. If the building is purchased or constructed in whole or in part with non-Federal funds, all rental income shall be deposited in the committee's non-Federal account and used only for non-Federal purposes. Such rental income and its use must also comply with State law. If the building is purchased or constructed solely with Federal funds, the rental income may be deposited in the Federal account. The receipt of such funds shall be reported in compliance with 11 CFR 104.3(a)(4)(vi).

(d) *Transitional Provisions for State Party Building or Facility Account.* Up to and including November 5, 2002, the State committee of a political party may accept funds into its party office building or facility account, established pursuant to repealed 2 U.S.C. 431(8)(B)(viii), designated for the purchase or construction of an office building. Starting on November 6, 2002, the funds in the account may not be used for Federal account or Levin ac-

count purposes, but may be used for any non-Federal purposes, as permitted under State law.

§ 300.36 Reporting Federal election activity; recordkeeping.

(a) *Requirements for a State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, that is not a political committee.* (1) A State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, that is not a political committee (see 11 CFR 100.5) must demonstrate through a reasonable accounting method that whenever it makes a payment of Federal funds or Levin funds (if it is permitted to spend Levin funds) for Federal election activity (see 11 CFR 300.32 and 300.33) it has received sufficient funds subject to the limitations and prohibitions of the Act to make the payment. Such an organization must keep records of amounts received or expended under this paragraph and, upon request, shall make such records available for examination by the Commission.

(2) Notwithstanding the foregoing, a payment of Federal funds or Levin funds for Federal election activity shall not constitute an expenditure for purposes of determining whether a State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, qualifies as a political committee under 11 CFR 100.5, unless the payment otherwise qualifies as an expenditure under 2 U.S.C. 431(9). A payment of Federal funds for Federal election activity that refers to a clearly identified Federal candidate and that meets the criteria of 11 CFR 100.140, 100.147, or 100.149 (*exempt activities*) shall be treated as a payment for exempt activity in accordance with all applicable provisions of this chapter, including, but not limited to, 11 CFR 100.5(c).

(b) *Requirements for a State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals*

Federal Election Commission

§ 300.36

holding State or local office, that is a political committee—(1) Requirements for a State, district, or local committee of a political party that has less than \$5,000 of aggregate receipts and disbursements for Federal election activity in a calendar year, and for an association or similar group of candidates for State or local office or of individuals holding State or local office at all times. This paragraph applies to a State, district, or local committee of a political party that is a political committee, and that has less than \$5,000 of aggregate receipts and disbursements for Federal election activity in a calendar year; and, at all times, to an association or similar group of candidates for State or local office or of individuals holding State or local office that is a political committee (see 11 CFR 100.5). Such a party committee or association of candidates or officeholders must report all receipts and disbursements of Federal funds for Federal election activity, including the Federally allocated portion of a payment for Federal election activity. A disbursement of Federal funds or Levin funds for Federal election activity (see 11 CFR 300.32 and 300.33) by either such a party committee or association of candidates or officeholders shall not be deemed an expenditure and reported as such pursuant to 11 CFR part 104, unless the disbursement otherwise qualifies as an expenditure under 2 U.S.C. 431(9).

(2) Requirements for a State, district, or local committee of a political party that has \$5,000 or more of aggregate receipts and disbursements for Federal election activity in a calendar year. A State, district, or local committee of a political party that is a political committee (see 11 CFR 100.5) must report all receipts and disbursements made for Federal election activity if the aggregate amount of such receipts and disbursements is \$5,000 or more during the calendar year. The disclosure required by this paragraph must include receipts and disbursements of Federal funds and of Levin funds used for Federal election activity.

(i) Reporting of allocation of expenses between Federal funds and Levin funds. A State, district, or local committee of a political party that makes a disbursement for Federal election activity

that is allocated between Federal funds and Levin funds (see 11 CFR 300.33) must report for each such disbursement:

(A) In the first report of a calendar year disclosing an allocated disbursement for Federal election activity, the committee must state the allocation percentages to be applied for allocable Federal election activity pursuant to 11 CFR 300.33(b).

(B) In each subsequent report in the calendar year itemizing an allocated disbursement for Federal election activity, the committee must state the category of Federal election activity (see 11 CFR 100.24(b)) for which each allocated disbursement was made, and must disclose the total amounts disbursed from Federal funds and Levin funds for that year to date for each such category.

(ii) *Reporting of allocation transfers.* A committee that makes allocated disbursements for Federal election activities in accordance with 11 CFR 300.33(e) shall report each transfer of Levin funds from its Levin or non-Federal account, to its Federal account, and each transfer from its Federal account and its Levin or non-Federal account into an allocation account, for the purpose of making such disbursements. In the report covering the period in which each transfer occurred, the committee must explain in a memo entry the allocated disbursement to which the transfer relates and the date on which the transfer was made. If the transfer includes funds for the allocable costs of more than one category of Federal election activity, the committee must itemize the transfer, showing the amounts designated for each category.

(iii) *Reporting of allocated disbursements.* For each disbursement allocated between Federal funds and Levin funds, the committee must report the full name and address of each person to whom the disbursement was made, the date of the disbursement, amount, and purpose of the disbursement. If the disbursement is for the allocable costs of more than one category of Federal election activity, the committee must itemize the disbursement, showing the amounts designated for each category. The committee must also disclose the total amount disbursed from Federal

§ 300.37

funds and Levin funds for Federal election activity that calendar year, to date, for each category of Federal election activity.

(iv) *Itemization.* The disclosure required by paragraph (b)(2) of this section must include, in addition to any other applicable reporting requirement of this chapter, the itemized disclosure of receipts and disbursements of \$200 or more to or from any person for Federal election activities.

No person described in 11 CFR 300.60 shall solicit, receive, direct, transfer, spend, or disburse funds in connection with an election for Federal office, including funds for any Federal election activity as defined in 11 CFR 100.24, unless the amounts consist of Federal funds that are subject to the limitations, prohibitions, and reporting requirements of the Act.

§ 300.62 Non-Federal elections (2 U.S.C. 441i(e)(1)(B)).

A person described in 11 CFR 300.60 may solicit, receive, direct, transfer, spend, or disburse funds in connection with any non-Federal election, only in amounts and from sources that are consistent with State law, and that do not exceed the Act's contribution limits or come from prohibited sources under the Act.

§ 300.63 Exception for State candidates (2 U.S.C. 441i(e)(2)).

Section 300.62 shall not apply to a Federal candidate or individual holding Federal office who is a candidate for State or local office, if the solicitation, receipt or spending of funds is permitted under State law; and refers only to that State or local candidate, to any other candidate for that same State or local office, or both. If an individual is simultaneously running for both Federal and State or local office, the individual must raise, accept, and spend only Federal funds for the Federal election.

§ 300.64 Participation by Federal candidates and officeholders at non-Federal fundraising events (2 U.S.C. 441i(e)(1) and (3)).

(a) *Scope.* This section covers participation by Federal candidates and officeholders at fundraising events in connection with an election for Federal office or any non-Federal election at which funds outside the amount limitations and source prohibitions of the Act or Levin funds are solicited. This section also covers participation by Federal candidates and officeholders in publicity related to such non-Federal fundraising events. This section applies even if funds that comply with the

amount limitations and source prohibitions of the Act are also solicited at the event. Nothing in this section shall be construed to alter the fundraising exception for State candidates at 11 CFR 300.63 or the fundraising exceptions for certain tax-exempt organizations at 11 CFR 300.65.

(b) *Participation at non-Federal fundraising events.* A Federal candidate or officeholder may:

(1) Attend, speak at, or be a featured guest at a non-Federal fundraising event.

(2) Solicit funds at a non-Federal fundraising event, provided that the solicitation is limited to funds that comply with the amount limitations and source prohibitions of the Act and that are consistent with State law.

(i) A Federal candidate or officeholder may limit such a solicitation by displaying at the fundraising event a clear and conspicuous written notice, or making a clear and conspicuous oral statement, that the solicitation is not for Levin funds (when applicable), does not seek funds in excess of \$[Federally permissible amount], and does not seek funds from corporations, labor organizations, national banks, federal government contractors, or foreign nationals.

(ii) A written notice or oral statement is not clear and conspicuous if it is difficult to read or hear or if its placement is easily overlooked by any significant number of those in attendance.

(c) *Publicity for non-Federal fundraising events.* For the purposes of this paragraph, publicity for a non-Federal fundraising event includes, but is not limited to, advertisements, announcements, or pre-event invitation materials, regardless of format or medium of communication.

(1) *Publicity not containing a solicitation.* A Federal candidate, officeholder, or an agent of either may approve, authorize, agree to, or consent to the use of the Federal candidate's or officeholder's name or likeness in publicity for a non-Federal fundraising event that does not contain a solicitation.

(2) *Publicity containing a solicitation limited to funds that comply with the amount limitations and source prohibitions of the Act.* A Federal candidate, officeholder, or an agent of either may

§ 300.65

11 CFR Ch. I (1–11 Edition)

approve, authorize, agree to, or consent to the use of the Federal candidate's or officeholder's name or likeness in publicity for a non-Federal fundraising event that solicits only funds that comply with the amount limitations and source prohibitions of the Act.

(3) *Publicity containing a solicitation of funds outside the amount limitations and source prohibitions of the Act.* (i) A Federal candidate, officeholder, or an agent of either may approve, authorize, agree to, or consent to the use of the Federal candidate's or officeholder's name or likeness in publicity for a non-Federal fundraising event that contains a solicitation of funds outside the amount limitations and source prohibitions of the Act or Levin funds only if:

(A) The Federal candidate or officeholder is identified as a featured guest, honored guest, special guest, featured speaker, or honored speaker, or in any other manner not specifically related to fundraising; and

(B) The publicity includes a clear and conspicuous disclaimer that the solicitation is not being made by the Federal candidate or officeholder.

(ii) The disclaimer required in paragraph (c)(3)(i)(B) of this section must meet the requirements in 11 CFR 110.11(c)(2) if the publicity is written.

(iii) Where publicity is disseminated by non-written means, the disclaimer described in paragraph (c)(3)(i)(B) of this section is required only if the publicity is recorded or follows any form of written script or is conducted according to a structured or organized program.

(iv) Examples of disclaimers that satisfy paragraph (c)(3)(i)(B) of this section include, but are not limited to:

(A) “[Name of Federal candidate/officeholder] is appearing at this event only as a featured speaker. [Federal candidate/officeholder] is not asking for funds or donations”; or

(B) “All funds solicited in connection with this event are by [name of non-Federal candidate or entity], and not by [Federal candidate/officeholder].”

(v) A Federal candidate, officeholder, or an agent of either may not approve, authorize, agree to, or consent to the use of the Federal candidate's or officeholder's name or likeness in publicity for a non-Federal fundraising event

that contains a solicitation of funds outside the amount limitations and source prohibitions of the Act or Levin funds if:

(A) The Federal candidate or officeholder is identified as serving in a position specifically related to fundraising, such as honorary chairperson or member of a host committee, or is identified in the publicity as extending an invitation to the event, even if the communication contains a written disclaimer as described in paragraph (c)(3)(i)(B) of this section; or

(B) The Federal candidate or officeholder signs the communication, even if the communication contains a written disclaimer as described in paragraph (c)(3)(i)(B) of this section.

(vi) A Federal candidate, officeholder, or an agent of either, may not disseminate publicity for a non-Federal fundraising event that contains a solicitation of funds outside the amount limitations and source prohibitions of the Act or Levin funds by someone other than the Federal candidate or officeholder.

Presidential election means the election of Presidential and Vice Presidential electors.

§ 9002.11 Qualified campaign expense.

(a) *Qualified campaign expense* means any expenditure, including a purchase, payment, distribution, loan, advance, deposit, or gift of money or anything of value—

(1) Incurred to further a candidate's campaign for election to the office of President or Vice President of the United States;

(2) Incurred within the expenditure report period, as defined under 11 CFR 9002.12, or incurred before the beginning of such period in accordance with 11 CFR 9003.4 to the extent such expenditure is for property, services or facilities to be used during such period; and

(3) Neither the incurrence nor the payment of such expenditure constitutes a violation of any law of the United States, any law of the State in which such expense is incurred or paid, or any regulation prescribed under such Federal or State law, except that any State law which has been preempted by the Federal Election Campaign Act of 1971, as amended, shall not be considered a State law for purposes of this subchapter. An expenditure which constitutes such a violation shall nevertheless count against the candidate's expenditure limitation if the expenditure meets the conditions set forth at 11 CFR 9002.11(a) (1) and (2).

(b)(1) An expenditure is made to further a Presidential or Vice Presidential candidate's campaign if it is incurred by or on behalf of such candidate or his or her authorized committee. For purposes of 11 CFR 9002.11(b)(1), any expenditure incurred by or on behalf of a Presidential candidate of a political party will also be considered an expenditure to further the campaign of the Vice Presidential candidate of that party. Any expenditure incurred by or on behalf of the Vice Presidential candidate will also be considered an expenditure to further the campaign of the Presidential candidate of that party.

(2) An expenditure is made on behalf of a candidate if it is made by—

(i) Any authorized committee or any other agent of the candidate for the purpose of making an expenditure; or

(iii) A committee which has been requested by the candidate, the candidate's authorized committee(s), or an agent thereof to make the expenditure, even though such committee is not authorized in writing.

(3) Expenditures that further the election of other candidates for any public office shall be allocated in accordance with 11 CFR 106.1(a) and will be considered qualified campaign expenses only to the extent that they specifically further the election of the candidate for President or Vice President. A candidate may make expenditures under this section in conjunction with other candidates for any public office, but each candidate shall pay his or her proportionate share of the cost in accordance with 11 CFR 106.1(a).

(4) Expenditures by a candidate's authorized committee(s) pursuant to 11 CFR 9004.6 for the travel and related ground service costs of media shall be qualified campaign expenses. compliance with 2 U.S.C. 431 *et seq.* or 26 U.S.C. 9001, *et seq.* shall be qualified campaign expenses which may be paid from payments received from the Fund. If federal funds are used to pay for such services, the payments will count against the candidate's expenditure limitation. Payments for such services may also be made from an account established in accordance with 11 CFR 9003.3 or may be provided to the committee in accordance with 11 CFR 100.86 and 100.146. (c) Except as provided in 11 CFR 9034.4(e), expenditures incurred either before the beginning of the expenditure report period or after the last day of a candidate's eligibility will be considered qualified campaign expenses if they meet the provisions of 11 CFR 9004.4(a). Expenditures described under 11 CFR 9004.4(b) will not be considered qualified campaign expenses.

§ 9003.2 Candidate certifications.

(a) *Major party candidates.* To be eligible to receive payments under 11 CFR part 9005, each Presidential and Vice Presidential candidate of a major party shall, under penalty of perjury, certify to the Commission:

(1) That the candidate and his or her authorized committee(s) have not incurred and will not incur qualified campaign expenses in excess of the aggregate payments to which they will be entitled under 11 CFR part 9004.

(2) That no contributions have been or will be accepted by the candidate or his or her authorized committee(s); except as contributions specifically solicited for, and deposited to, the candidate's legal and accounting compliance fund established under 11 CFR 9003.3(a); or except to the extent necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(b) *Minor and new party candidates.* To be eligible to receive any payments under 11 CFR part 9005, each Presidential and Vice Presidential candidate of a minor or new party shall, under penalty of perjury, certify to the Commission:

(2) That no contributions to defray qualified campaign expenses have been

§ 9003.2

11 CFR Ch. I (1-1-11 Edition)

or will be accepted by the candidate or his or her authorized committee(s) except to the extent that the qualified campaign expenses incurred exceed the aggregate payments received by such candidate from the Fund under 11 CFR 9004.2.

(c) *All candidates.* To be eligible to receive any payment under 11 CFR 9004.2, the Presidential candidate of each major, minor or new party shall certify to the Commission, under penalty of perjury, that such candidate will not knowingly make expenditures from his or her personal funds, or the personal funds of his or her immediate family, in connection with his or her campaign for the office of President in excess of \$50,000 in the aggregate.

(1) For purposes of this section, the term *immediate family* means a candidate's spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(2) Expenditures from personal funds made under this paragraph shall not apply against the expenditure limitations.

(3) For purposes of this section, the terms *personal funds* and *personal funds of his or her immediate family* mean:

(i) Any assets which, under applicable state law, at the time he or she became a candidate, the candidate had legal right of access to or control over, and with respect to which the candidate had either:

- (A) Legal and rightful title, or
- (B) An equitable interest.

(ii) Salary and other earned income from bona fide employment; dividends and proceeds from the sale of the candidate's stocks or other investments; bequests to the candidate; income from trusts established before candidacy; income from trusts established by bequest after candidacy of which the candidate is a beneficiary; gifts of a personal nature which had been customarily received prior to candidacy; proceeds from lotteries and similar legal games of chance.

(iii) A candidate may use a portion of assets jointly owned with his or her spouse as personal funds. The portion of the jointly owned assets that shall be considered as personal funds of the candidate shall be that portion which

is the candidate's share under the instrument(s) of conveyance or ownership. If no specific share is indicated by any instrument of conveyance or ownership, the value of one-half of the property used shall be considered as personal funds of the candidate.

(4) For purposes of this section, expenditures from personal funds made by a candidate of a political party for the office of Vice President shall be considered to be expenditures made by the candidate of such party for the office of President.

(5) Contributions made by members of a candidate's family from funds which do not meet the definition of personal funds under 11 CFR 9003.2(c)(3) shall not count against such candidate's \$50,000 expenditure limitation under 11 CFR 9003.2(c).

(6) Personal funds expended pursuant to this section shall be first deposited in an account established in accordance with 11 CFR 9003.3 (b) or (c).

(7) The provisions of this section shall not operate to limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR part 9007. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(8) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. For purposes of this section, the "closing date" shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(d) *Form.* Major party candidates shall submit the certifications required under 11 CFR 9003.2 in a letter which shall be signed and submitted within 14 days after receiving the party's nomination for election. Minor and new party candidates shall sign and submit

such letter within 14 days after such candidates have qualified to appear on the general election ballot in 10 or more States pursuant to 11 CFR 9002.2(a)(2). The Commission, upon written request by a minor or new party candidate made at any time prior to the date of the general election, may extend the deadline for filing such letter, except that the deadline shall be a date prior to the day of the general election.

§ 9003.3 Allowable contributions; General election legal and accounting compliance fund.

(a) *Legal and accounting compliance fund—major party candidates—(1) Sources.* (i) A major party candidate, or an individual who is seeking the nomination of a major party, may accept contributions to a legal and accounting compliance fund if such contributions are received and disbursed in accordance with this section. A general election legal and accounting compliance fund (“GELAC”) may be established by such individual prior to being nominated or selected as the candidate of a political party for the office of President or Vice President of the United States. Before April 1 of the calendar year in which a Presidential general election is held, contributions may only be deposited in the GELAC if they are made for the primary and exceed the contributor’s contribution limits for the primary and are lawfully redesignated for the GELAC pursuant to 11 CFR 110.1.

(A) All solicitations for contributions to the GELAC shall clearly state that Federal law prohibits private contributions from being used for the candidate’s election and that contributions will be used solely for legal and accounting services to ensure compliance with Federal law, and shall clearly state how contribution checks should be made payable. Contributions shall not be solicited for the GELAC before April 1 of the calendar year in which a Presidential general election is held. If the candidate does not become the nominee, all contributions accepted for the GELAC, including redesignated contributions, shall be refunded within sixty (60) days after the candidate’s date of ineligibility.

(B) Contributions to the GELAC shall be subject to the limitations and prohibitions of 11 CFR parts 110, 114, and 115.

(C) Contributions shall be deposited in the GELAC only if they are designated in writing for the GELAC, or transferred pursuant to paragraph (a)(1) (ii), (iii), (iv) or (v) of this section. Any contribution which otherwise could be matched pursuant to 11 CFR 9034.2 shall not be considered designated in writing for the GELAC unless the contributor specifically redesignates it for the GELAC or unless it is accompanied by a proper designation for the GELAC. Any contribution that is designated in writing or redesignated for the GELAC shall not be matched pursuant to 11 CFR 9034.2.

(ii)(A) Contributions made during the matching payment period that do not exceed the contributor’s limit for the primary election may be redesignated for the GELAC and subsequently transferred to the GELAC before the nomination only if—

(1) The contributions represent funds in excess of any amount needed to pay remaining primary expenses;

(2) The contributions have not been submitted for matching;

(3) The written redesignations are received within 60 days of the Treasurer’s receipt of the contributions; and

(4) The requirements of 11 CFR 110.1(b)(5)(i) and (ii)(A) and 110.1(l) regarding redesignation are satisfied.

(B) All contributions redesignated and deposited pursuant to paragraph (a)(1)(ii)(A) of this section shall be subject to the contribution limitations applicable for the general election pursuant to 11 CFR 110.1(b)(2)(i).

(iii) Funds received during the matching payment period that are remaining in a candidate’s primary election account after the nomination may be transferred to the GELAC without regard to the contribution limitations of 11 CFR part 110 and used for any purpose permitted under this section, only if the funds are in excess of any amount needed to pay remaining net outstanding campaign obligations under 11 CFR 9034.1(b) and any amount required to be reimbursed to the Presidential Primary Matching Payment Account under 11 CFR 9038.2. The excess funds so transferred may include

§ 9003.3

11 CFR Ch. I (1–1–11 Edition)

contributions made before the beginning of the expenditure report period, which contributions do not exceed the contributor's limit for the primary election. Such contributions need not be redesignated by the contributors for the GELAC.

(iv) Contributions that are made after the beginning of the expenditure report period but that are not designated in writing for the GELAC are considered made with respect to the primary election and may be redesignated for the GELAC and transferred to the GELAC only if—

(A) The funds are in excess of any amount needed to pay remaining net outstanding campaign obligations under 11 CFR 9034.1(b) and any amount required to be reimbursed to the Presidential Primary Matching Payment Account under 11 CFR 9038.2;

(B) The contributions have not been submitted for matching; and

(C) The candidate obtains the contributor's written redesignation in accordance with 11 CFR 110.1.

(v) Contributions made with respect to the primary election that exceed the contributor's limit for the primary election may be redesignated for the GELAC and transferred to the GELAC if the candidate redesignates the contribution for the GELAC in accordance with 11 CFR 110.1(b)(5)(i) and (ii)(A) or (ii)(B). For purposes of this section only, 11 CFR 110.1(b)(5)(ii)(B)(I) shall not apply.

(vi) For purposes of this section, a contribution shall be considered to be designated in writing for the GELAC if—

(A) The contribution is made by check, money order, or other negotiable instrument which clearly indicates that it is made with respect to the GELAC; or

(B) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates that it is made with respect to the GELAC.

(2) *Uses.* (i) Contributions to the GELAC shall be used only for the following purposes:

(A) To defray the cost of legal and accounting services provided solely to ensure compliance with 2 U.S.C. 431 *et seq.* and 26 U.S.C. 9001 *et seq.* in accordance with paragraph (a)(2)(ii) of this section;

(B) To defray in accordance with paragraph (a)(2)(ii)(A) of this section, that portion of expenditures for payroll, overhead, and computer services related to ensuring compliance with 2 U.S.C. 431 *et seq.* and 26 U.S.C. 9001 *et seq.*;

(C) To defray any civil or criminal penalties imposed pursuant to 2 U.S.C. 437g or 26 U.S.C. 9012;

(D) To make repayments under 11 CFR 9007.2, 9038.2, or 9038.3;

(E) To defray the cost of soliciting contributions to the GELAC;

(F) To defray the cost of producing, delivering and explaining the computerized information and materials provided pursuant to 11 CFR 9003.6 and explaining the operation of the computer system's software;

(G) To make a loan to an account established pursuant to 11 CFR 9003.4 to defray qualified campaign expenses incurred prior to the expenditure report period or prior to receipt of Federal funds, provided that the amounts so loaned are restored to the GELAC;

(H) To defray unreimbursed costs incurred in providing transportation and services for the Secret Service and national security staff pursuant to 11 CFR 9004.6; and

(I) To defray winding down expenses for legal and accounting compliance activities incurred after the end of the expenditure report period by either the candidate's primary election committee, general election committee, or both committees. For purposes of this section, 100% of salary, overhead and computer expenses incurred after the end of the expenditure report period shall be considered winding down expenses for legal and accounting compliance activities payable from GELAC funds, and will be presumed to be solely to ensure compliance with 2 U.S.C. 431 *et seq.* and 26 U.S.C. 9001 *et seq.*

(ii)(A) Expenditures for payroll (including payroll taxes), overhead and computer services, a portion of which are related to ensuring compliance with Title 2 of the United States Code and Chapter 95 of Title 26 of the United States Code, shall be initially paid from the candidate's Federal fund account under 11 CFR 9005.2 and may be later reimbursed by the compliance fund. For purposes of paragraph

Federal Election Commission

§ 9003.3

(a)(2)(i)(B) of this section, a candidate may use contributions to the GELAC to reimburse his or her Federal fund account an amount equal to 10% of the payroll and overhead expenditures of his or her national campaign headquarters and state offices.

(B) Overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies and all telephone charges except for telephone charges related to a special use such as voter registration and get out the vote efforts.

(C) If the candidate wishes to claim a larger compliance exemption for payroll or overhead expenditures, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered necessary to ensure compliance with title 2 of the United States Code or chapter 95 of title 26 of the United States Code. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance and the percentage of time each person spends on such activity.

(D) In addition, a candidate may use contributions to the GELAC to reimburse his or her Federal fund account an amount equal to 50% of the costs (other than payroll) associated with computer services. Such costs include but are not limited to rental and maintenance of computer equipment, data entry services not performed by committee personnel, and related supplies.

(E) If the candidate wishes to claim a larger compliance exemption for costs associated with computer services, the candidate shall establish allocation percentages for each computer function that is considered necessary, in whole or in part, to ensure compliance with 2 U.S.C. 431 *et seq.*, and 26 U.S.C. 9001 *et seq.* The allocation shall be based on a reasonable estimate of the costs associated with each computer function, such as the costs for data entry services performed by persons other than committee personnel and processing time. The candidate shall keep detailed records to support such calculations. The records shall indicate which computer functions are consid-

ered compliance-related and shall reflect which costs are associated with each computer function.

(F) The Commission's Financial Control and Compliance Manual for General Election Candidates Receiving Public Funding contains some accepted alternative allocation methods for determining the amount of salaries and overhead expenditures that may be considered exempt compliance costs.

(G) Reimbursement from the GELAC may be made to the separate account maintained for federal funds under 11 CFR 9005.2 for legal and accounting compliance services disbursements that are initially paid from the separate federal funds account. Such reimbursement must be made prior to any repayment determination by the Commission pursuant to 11 CFR 9007.2. Any amounts so reimbursed to the Federal funds account may not subsequently be transferred back to the GELAC.

(iii) Amounts paid from the GELAC for the purposes permitted by paragraphs (a)(2)(i) (A) through (F), (H) and (I) of this section shall not be subject to the expenditure limits of 2 U.S.C. 441a(b) and 11 CFR 110.8. (*See also* 11 CFR 100.146.) When the proceeds of loans made in accordance with paragraph (a)(2)(i)(G) of this section are expended on qualified campaign expenses, such expenditures shall count against the candidate's expenditure limit.

(iv) Contributions to and funds deposited in the GELAC may not be used to retire debts remaining from the presidential primaries, except that, after payment of all expenses set out in paragraph (a)(2)(i) of this section, and the completion of the audit and repayment process, including the making of all repayments owed to the United States Treasury by both the candidate's primary and general election committees, funds remaining in the GELAC may be used for any purpose permitted under 2 U.S.C. 439a and 11 CFR part 113, including payment of primary election debts, which shall remain subject to the primary expenditure limit under 11 CFR 9035.1.

(3) *Deposit and disclosure.* (i) Amounts received pursuant to paragraph (a)(1) of this section shall be deposited and maintained in a GELAC account separate from the account described in 11

§ 9003.3

11 CFR Ch. I (1–11 Edition)

CFR 9005.2 and shall not be commingled with any money paid to the candidate by the Secretary pursuant to 11 CFR 9005.2.

(ii) The receipts to and disbursements from the GELAC account shall be reported in a separate report in accordance with 11 CFR 9006.1(b)(2). All contributions made to the GELAC account shall be recorded in accordance with 11 CFR 102.9. Disbursements made from the GELAC account shall be documented in the same manner provided in 11 CFR 9003.5.

(b) *Contributions to defray qualified campaign expenses—major party candidates.* (1) A major party candidate or his or her authorized committee(s) may solicit contributions to defray qualified campaign expenses to the extent necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(2) Such contributions may be deposited in a separate account or may be deposited with federal funds received under 11 CFR 9005.2. Disbursements from this account shall be made only to defray qualified campaign expenses and to defray the cost of soliciting contributions to such account. All disbursements from this account shall be documented in accordance with 11 CFR 9003.5 and shall be reported in accordance with 11 CFR 9006.1.

(3) A candidate may make transfers to this account from his or her GELAC, or from the candidate's primary election account in accordance with paragraph (a)(1)(iii) of this section.

(4) The contributions received under this section shall be subject to the limitations and prohibitions of 11 CFR parts 110, 114 and 115 and shall be aggregated with all contributions made by the same persons to the candidate's GELAC under paragraph (a) of this section for the purposes of such limitations.

(5) Any costs incurred for soliciting contributions to this account shall not be considered expenditures to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation under 11 CFR 9003.2(a)(1). These costs shall, however, be reported as disbursements in accordance with 11 CFR part 104 and 11 CFR 9006.1. For purposes of this section, a

candidate may exclude from the expenditure limitation an amount equal to 10% of the payroll (including payroll taxes) and overhead expenditures of his or her national campaign headquarters and state offices as exempt fundraising costs. The candidate may claim a larger fundraising exemption by establishing allocation percentages for employees using the method described in paragraph (a)(2)(i)(C) of this section.

(6) Any costs incurred for legal and accounting services which are provided solely to ensure compliance with 2 U.S.C. 431 *et seq.* and 26 U.S.C. 9001 *et seq.* shall not count against the candidate's expenditure limitation. A candidate may exclude from the expenditure limitation the amounts described in paragraphs (a)(2)(ii) (A) and (D) of this section for payroll, overhead or computer costs or a larger amount under paragraphs (a)(2)(ii) (C) and (E) of this section.

(7) The Commission's Financial Control and Compliance Manual for General Election Candidates Receiving Public Funding contains some accepted alternative allocation methods for determining the amount of salaries and overhead expenditures that may be considered exempt compliance costs or exempt fundraising costs.

(c) *Contributions to defray qualified campaign expenses—minor and new party candidates.* (1) A minor or new party candidate may solicit contributions to defray qualified campaign expenses which exceed the amount received by such candidate from the Fund, subject to the limits of 11 CFR 9003.2(b).

(2) The contributions received under this section shall be subject to the limitations and prohibitions of 11 CFR parts 110, 114 and 115.

(3) Such contributions may be deposited in a separate account or may be deposited with federal funds received under 11 CFR 9005.2. Disbursements from this account shall be made only for the following purposes:

(i) To defray qualified campaign expenses;

(ii) To make repayments under 11 CFR 9007.2;

(iii) To defray the cost of soliciting contributions to such account;

(iv) To defray the cost of legal and accounting services provided solely to

(4) All disbursements from this account shall be documented in accordance with 11 CFR 9003.5 and shall be reported in accordance with 11 CFR part 104 and §9006.1. The candidate shall keep and maintain a separate record of disbursements made to defray exempt legal and accounting costs under paragraphs (c) (6) and (7) of this section and shall report such disbursements in accordance with 11 CFR part 104 and 11 CFR 9006.1.

(5) Any costs incurred for soliciting contributions to this account shall not be considered expenditures to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation under 11 CFR 9003.2(a)(1). These costs shall, however, be reported as disbursements in accordance with 11 CFR part 104 and 9006.1. For purposes of this section, a candidate may exclude from the expenditure limitation the amount of payroll costs described in paragraph (b)(5) of this section.

(6) Any costs incurred for legal and accounting services which are provided solely to ensure compliance with 2 U.S.C. 431 *et seq.* and 26 U.S.C. 9001 *et seq.* shall not count against the candidate's expenditure limitation. A candidate may exclude from the expenditure limitation the amounts described in paragraphs (a)(2)(ii) (A) and (D) of this section for payroll, overhead or computer costs or a larger amount under paragraphs (a)(2)(ii) (C) and (E) of this section.

(3) A minor or new party candidate may defray such expenditures from contributions received in accordance with 11 CFR 9003.3(c).

(4)(i) A candidate who has received federal funding under 11 CFR part 9031 *et seq.*, may borrow from his or her primary election committee(s) an amount not to exceed the residual balance projected to remain in the candidate's primary account(s) on the basis of the formula set forth at 11 CFR 9038.3(c). (ii) A candidate who has not received federal funding during the primary campaign may borrow at any time from his or her primary account(s) to defray such expenditures, provided that a major party candidate receiving payments equal to the expenditure limitation shall reimburse all amounts borrowed from his or her primary committee(s) from payments received by the candidate under 11 CFR part 9005 within 15 days of such receipt.

(3) For purposes of this section:

(i) *Payee* means the person who provides the goods or services to the candidate or committee in return for the disbursement; except that an individual will be considered a payee under this section if he or she receives \$1000 or less advanced for travel and/or subsistence and if the individual is the recipient of the goods or services purchased.

§ 9004.1 Major parties.

The eligible candidates of each major party in a Presidential election shall be entitled to equal payments under 11 CFR part 9005 in an amount which, in the aggregate, shall not exceed \$20,000,000 as adjusted by the Consumer Price Index in the manner described in 11 CFR 110.17(a).

[56 FR 35919, July 29, 1991, as amended at 67 FR 78683, Dec. 26, 2002]

§ 9004.2 Pre-election payments for minor and new party candidates.

(a) *Candidate of a minor party in the preceding election.* An eligible candidate of a minor party is entitled to pre-election payments:

(1) If he or she received at least 5% of the total popular vote as the candidate of a minor party in the preceding election whether or not he or she is the same minor party's candidate in this election.

(2) In an amount which is equal, in the aggregate, to a proportionate share of the amount to which major party candidates are entitled under 11 CFR 9004.1.

The aggregate amount received by a minor party candidate shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor party Presidential candidate in the preceding Presidential election bears to the average number of popular votes received by all major party candidates in that election.

(b) *Candidate of a minor party in the current election.* The eligible candidate

Federal Election Commission

§ 9004.4

of a minor party whose candidate for the office of President in the preceding election received at least 5% but less than 25% of the total popular vote is eligible to receive pre-election payments. The amount which a minor party candidate is entitled to receive under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the minor party's candidate in the preceding Presidential election; however, the amount to which the minor party candidate is entitled under this section shall be reduced by the amount to which the minor party's Presidential candidate in this election is entitled under 11 CFR 9004.2(a), if any.

(c) *New party candidate.* A candidate of a new party who was a candidate for the office of President in at least 10 States in the preceding election may be eligible to receive pre-election payments if he or she received at least 5% but less than 25% of the total popular vote in the preceding election. The amount which a new party candidate is entitled to receive under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the new party candidate in the preceding election. If a new party candidate is entitled to payments under this section, the amount of the entitlement shall be reduced by the amount to which the candidate is entitled under 11 CFR 9004.2(a), if any.

§ 9004.3 Post-election payments.

(a) *Minor and new party candidates.* Eligible candidates of a minor party or of a new party who, as candidates, receive 5 percent or more of the total number of popular votes cast for the office of President in the election shall be entitled to payments under 11 CFR part 9005 equal, in the aggregate, to a proportionate share of the amount allowed for major party candidates under 11 CFR 9004.1. The amount to which a minor or new party candidate is entitled shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor or new party candidate in the Presidential election bears to the average number of popular votes received by the major

party candidates for President in that election.

(b) *Amount of entitlement.* The aggregate payments to which an eligible candidate shall be entitled shall not exceed an amount equal to the lower of:

(1) The amount of qualified campaign expenses incurred by such eligible candidate and his or her authorized committee(s), reduced by the amount of contributions which are received to defray qualified campaign expenses by such eligible candidate and such committee(s); or

(2) The aggregate payments to which the eligible candidates of a major party are entitled under 11 CFR 9004.1, reduced by the amount of contributions received by such eligible candidates and their authorized committees to defray qualified campaign expenses in the case of a deficiency in the Fund.

(c) *Amount of entitlement limited by pre-election payment.* If an eligible candidate is entitled to payment under 11 CFR 9004.2, the amount allowable to that candidate under this section shall also be limited to the amount, if any, by which the entitlement under 11 CFR 9004.3(a) exceeds the amount of the entitlement under 11 CFR 9004.2.

§ 9004.4 Use of payments; examples of qualified campaign expenses and non-qualified campaign expenses.

(a) *Qualified campaign expenses.* An eligible candidate shall use payments received under 11 CFR part 9005 only for the following purposes:

(1) To defray qualified campaign expenses;

(2) To repay loans that meet the requirements of 11 CFR 100.52(b) or 100.82 or to otherwise restore funds (other than contributions received pursuant to 11 CFR 9003.3 (b) or (c) and expended to defray qualified campaign expenses) used to defray qualified campaign expenses;

(3) To restore funds expended in accordance with 11 CFR 9003.4 for qualified campaign expenses incurred by the candidate prior to the beginning of the expenditure report period;

(4) To defray winding down costs pursuant to 11 CFR 9004.11;

§ 9004.4

11 CFR Ch. I (1–1–11 Edition)

(5) To defray costs associated with the candidate's general election campaign paid after the end of the expenditure report period, but incurred by the candidate prior to the end of the expenditure report period, for which written arrangement or commitment was made on or before the close of the expenditure report period for goods and services received during the expenditure reporting period; and

(6) Monetary bonuses paid after the date of the election and gifts shall be considered qualified campaign expenses, provided that:

(i) All monetary bonuses paid after the date of the election for committee employees and consultants in recognition of campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of the election; and

(B) Are paid during the expenditure report period; and

(ii) Gifts for committee employees, consultants and volunteers in recognition of campaign-related activities or services do not exceed \$150 total per individual and the total of all gifts does not exceed \$20,000.

(b) *Non-qualified campaign expenses*—
(1) *General*. The following are examples of disbursements that are not qualified campaign expenses.

(2) *Excessive expenditures*. An expenditure which is in excess of any of the limitations under 11 CFR 9003.2 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to these limitations using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were later settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(3) *Expenditures incurred after the close of the expenditure report period*. Except for accounts payable pursuant to paragraph (a)(5) of this section and winding down costs pursuant to 11 CFR 9004.11, any expenditures incurred after the close of the expenditure report period,

as defined in 11 CFR 9002.12, are not qualified campaign expenses.

(4) *Civil or criminal penalties*. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005. Penalties may be paid from contributions in the candidate's legal and accounting compliance fund, in accordance with 11 CFR 9003.3(a)(2)(i)(C). Additional amounts may be received and expended to pay such penalties, if necessary. These funds shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.

(5) *Solicitation expenses*. Any expenses incurred by a major party candidate to solicit contributions to a legal and accounting compliance fund established pursuant to 11 CFR 9003.3(a) are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005.

(6) *Payments to candidate*. Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(7) *Payments to other authorized committees*. Payments, including transfers, contributions and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(8) *Lost, misplaced, or stolen items*. The cost of lost, misplaced, or stolen items may be considered a nonqualified campaign expense. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment involved;

[60 FR 31876, June 16, 1995]

§ 9004.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) *General.* (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone service, typewriters, and computers) provided to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9003.2(a)(1) and (b)(1).

(2) Subject to the limitations in paragraphs (b) and (c) of this section, committees may seek reimbursement from the media for the expenses described in paragraph (a)(3) of this section, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitation of 11 CFR § 9003.2(a)(1) and (b)(1). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and na-

tional security staff, will be subject to the overall expenditure limitation.

(3) Committees may seek reimbursement from the media only for the billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office.

(b) *Reimbursement limits; billing.* (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative's pro rata share (or a reasonable estimate of the media representative's pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purposes of this section, a media representative's pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 9004.7(b)(5)(i), the total number of individuals shall not include national security staff.

(3) No later than sixty (60) days of the campaign trip or event, the committee shall provide each media representative attending the event with an itemized bill that specifies the amounts charged for air and ground transportation for each segment of the trip, housing, meals, telephone service, and other billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office. Payments shall be due sixty (60) days from the date of the bill, unless the media representative disputes the charges.

(c) *Deduction of reimbursements from expenditures subject to the overall expenditure limitation.* (1) The committee

§ 9004.7

11 CFR Ch. I (1–1–11 Edition)

may deduct from the amount of expenditures subject to the overall expenditure limitation:

(i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

(ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representative and seeking reimbursement for them, equal to:

(A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

(B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

(2) For the purpose of this paragraph, “administrative costs” includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) *Disposal of excess reimbursements.* If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

(1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

(2) Any amount in excess of the amount deductible under paragraph (c) of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) *Reporting.* The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by

the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

[60 FR 31876, June 16, 1995, as amended at 64 FR 42583, Aug. 5, 1999; 68 FR 69595, Dec. 15, 2003]

§ 9004.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to a Presidential or Vice Presidential candidate’s campaign by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate’s authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from the stop through each subsequent campaign-related stop to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advocating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event, and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary

Federal Election Commission

§ 9004.8

shall show the time of arrival and departure and the type of events held.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection. When required to be created, a copy of the government's or charter company's official manifest shall also be maintained and made available by the committee.

(5)(i) If any individual, including a candidate, uses a government aircraft for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the applicable rate set forth in 11 CFR 100.93(e).

(ii) [Reserved]

(iii) If any individual, including a candidate, uses a government conveyance, other than an aircraft, for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the amount required under 11 CFR 100.93(d).

(iv) If any individual, including a candidate, uses accommodations, including lodging and meeting rooms, during campaign-related travel, and the accommodations are paid for by a government entity, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the usual and normal charge for the accommodations, and shall maintain documentation supporting the amount paid.

(v) For travel by aircraft, the committee shall maintain documentation as required by 11 CFR 100.93(j)(1) in addition to any other documentation required in this section. For travel by other conveyances, the committee shall maintain documentation of the commercial rental rate as required by 11 CFR 100.93(j)(3) in addition to any other documentation required in this section.

(6) Travel expenses of a candidate's spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities,

their travel expenses shall be qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including the candidate, who are traveling for campaign purposes shall be a qualified campaign expense and shall be reported by the committee as an expenditure.

(i) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the actual cost per passenger multiplied by the number of passengers traveling for campaign purposes.

(ii) If the trip is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

(8) Non-commercial travel, as defined in 11 CFR 100.93(a)(3)(v), on aircraft, and travel on other means of transportation not operated for commercial passenger service, is governed by 11 CFR 100.93.

[60 FR 31876, June 16, 1995, as amended at 68 FR 69595, Dec. 15, 2003; 74 FR 63967, Dec. 7, 2009]

§ 9004.8 Withdrawal by candidate.

(a) Any individual who is not actively conducting campaigns in more than one State for the office of President or Vice President shall cease to be a candidate under 11 CFR 9002.2.

(b) An individual who ceases to be a candidate under this section shall:

§ 9004.9

11 CFR Ch. I (1–1–11 Edition)

§ 9004.9 Net outstanding qualified campaign expenses.

(a) *Candidates receiving post-election funding.* A candidate who is eligible to receive post-election payments under 11 CFR 9004.3 shall file, no later than 20 calendar days after the date of the election, a preliminary statement of that candidate's net outstanding qualified campaign expenses. The candidate's net outstanding qualified campaign expenses under this section equal the difference between 11 CFR 9004.9(a)(1) and (2).

(1) The total of:

(i) All outstanding obligations for qualified campaign expenses as of the date of the election; plus

(ii) An estimate of the amount of qualified campaign expenses that will be incurred by the end of the expenditure report period; plus

(iii) An estimate of the necessary winding down costs, as defined under 11 CFR 9004.4(a)(4), submitted in the format required by paragraph (a)(4) of this section; less

(2) The total of:

(i) Cash on hand as of the close of business on the day of the election, including: All contributions dated on or before that date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the candidate's authorized committee(s) in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for non-qualified campaign expenses nor any amounts determined or

anticipated to be required as a repayment under 11 CFR part 9007 or any amounts paid to secure a surety bond under 11 CFR 9007.5(c).

(4) The amount submitted as an estimate of necessary winding down costs under paragraph (a)(1)(iii) of this section shall be broken down by expense category and quarterly or monthly time period. This breakdown shall include estimated costs for office space rental, staff salaries, legal expenses, accounting expenses, office supplies, equipment rental, telephone expenses, postage and other mailing costs, printing and storage. The breakdown shall estimate the costs that will be incurred in each category from the time the statement is submitted until the expected termination of the committee's political activity.

(b) *All candidates.* Each candidate, except for individuals who have withdrawn pursuant to 11 CFR 9004.8, shall submit a statement of net outstanding qualified campaign expenses no later than 30 calendar days after the end of the expenditure report period. The statement shall contain the information required by 11 CFR 9004.9(a)(1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(i) and the amount of cash on hand, assets and receivables under 11 CFR 9004.9(a)(2) shall be complete as of the last day of the expenditure report period.

(c) *Candidates who withdraw.* An individual who ceases to be a candidate pursuant to 11 CFR 9004.8 shall file a statement of net outstanding qualified campaign expenses no later than 30 calendar days after he or she ceases to be a candidate. The statement shall contain the information required under 11 CFR 9004.9(a)(1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(i) and the amount of cash on hand, assets and receivables under 11 CFR 9004.9(a)(2) shall be complete as of the day on which the individual ceased to be a candidate.

(d)(1) *Capital assets and assets purchased from the primary election committee.* (i) For purposes of this section, the term *capital asset* means any property used in the operation of the campaign whose purchase price exceeded \$2000 when acquired by the committee.

Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate's campaign, but does not include property defined as "other assets" under paragraph (d)(2) of this section. Capital assets include items such as computer systems and telecommunications systems, if the equipment is used together and if the total cost of all components that are used together exceeds \$2000. A list of all capital assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(1). The fair market value of capital assets shall be considered to be 60% of the total original cost of such items when acquired, except that items received after the end of the expenditure report period must be valued at their fair market value on the date acquired. A candidate may claim a lower fair market value for a capital asset by listing that capital asset on the statement separately and demonstrating, through documentation, the lower fair market value.

(ii) If capital assets are obtained from the candidate's primary election committee, the purchase price shall be considered to be 60% of the original cost of such assets to the candidate's primary election committee. For purposes of the statement of net outstanding qualified campaign expenses filed after the end of the expenditure report period, the fair market value of capital assets obtained from the candidate's primary election committee shall be considered to be 20% of the original cost of such assets to the candidate's primary election committee.

(iii) Items purchased from the primary election committee that are not capital assets, and also are not other assets under paragraph (d)(2) of this section, shall be listed on an inventory that states their valuation.

(2) *Other assets.* The term *other assets* means any property acquired by the committee for use in raising funds or as collateral for campaign loans. "Other assets" must be included on the candidate's statement of net outstanding qualified campaign expenses if the aggregate value of such assets exceeds \$5000. The value of "other as-

sets" shall be determined by the fair market value of each item on the last day of the expenditure report period or the day on which the individual ceased to be a candidate, whichever is earlier, unless the item is acquired after these dates, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(2).

(e) *Collectibility of accounts receivable.* If the committee determines that an account receivable of \$500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full write-off was determined.

(f) *Review of candidate statement—(1) General.* The Commission will review the statement filed by each candidate under this section. The Commission may request further information with respect to statements filed pursuant to 11 CFR 9004.9(b) during the audit of that candidate's authorized committee(s) under 11 CFR part 9007.

(2) *Candidate eligible for post-election funding.* (i) If, in reviewing the preliminary statement of a candidate eligible to receive post-election funding, the Commission receives information indicating that substantial assets of that candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding qualified campaign expenses has been otherwise overstated in relation to committee assets, the Commission may decide to temporarily postpone its certification of funds to that candidate pending a final determination of whether the candidate is entitled to all or a portion of the funds for which he or she is eligible based on the percentage of votes the candidate received in the general election.

(ii) *Initial determination.* In making a determination under 11 CFR

§ 9004.10

9004.9(f)(2)(i), the Commission will notify the candidate within 10 business days after its receipt of the statement of its initial determination that the candidate is not entitled to receive the full amount for which the candidate may be eligible. The notice will give the legal and factual reasons for the initial determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given the opportunity to revise the statement or to submit, within 10 business days, written legal or factual materials to demonstrate that the candidate has net outstanding qualified campaign expenses that entitle the candidate to post-election funds. Such materials may be submitted by counsel if the candidate so desires.

(iii) *Final determination.* The Commission will consider any written legal or factual materials submitted by the candidate before making its final determination. A final determination that the candidate is entitled to receive only a portion or no post-election funding will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(iv) If the candidate demonstrates that the amount of outstanding qualified campaign expenses still exceeds committee assets, the Commission will certify the payment of post-election funds to which the candidate is entitled.

(v) *Petitions for rehearing.* The candidate may file a petition for rehearing of a final determination under this section in accordance with 11 CFR 9007.5(a).

[56 FR 35919, July 29, 1991, as amended at 60 FR 31877, June 16, 1995; 64 FR 49363, Sept. 13, 1999]

§ 9004.10 Sale of assets acquired for fundraising purposes.

(a) *General.* A minor or new party candidate may sell assets donated to the candidate's authorized committee(s) or otherwise acquired for fundraising purposes subject to the

11 CFR Ch. I (1–1–11 Edition)

limitations and prohibitions of 11 CFR 9003.2, title 2, United States Code, and 11 CFR parts 110 and 114. This section will only apply to major party candidates to the extent that they sell assets acquired either for fundraising purposes in connection with his or her legal and accounting compliance fund or when it is necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(b) *Sale after end of expenditure report period.* A minor or new party candidate, or a major party candidate in the event of a deficiency in the payments received from the Fund due to the application of 11 CFR 9005.2(b), whose outstanding debts exceed the cash on hand after the end of the expenditure report period as determined under 11 CFR 9002.12, may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

§ 9004.11 Winding down costs.

(a) *Winding down costs.* *Winding down costs* are costs associated with the termination of the candidate's general election campaign such as complying with the post-election requirements of the Federal Election Campaign Act and the Presidential Election Campaign Fund Act, and other necessary administrative costs associated with ending the campaign, including office space rental, staff salaries, and office supplies. Winding down costs are qualified campaign expenses.

(b) *Winding down limitation.* The total amount of winding down costs that may be paid for with public funds shall not exceed the lesser of:

(1) 2.5% of the expenditure limitation pursuant to 11 CFR 110.8(a)(2); or

(2) 2.5% of the total of:

(i) The candidate's expenditures subject to the expenditure limitation as of the end of the expenditure report period; plus

Federal Election Commission

§ 9005.1

(ii) The candidate's expenses exempt from the expenditure limitation as of the end of the expenditure report period; except that

(iii) The winding down limitation shall be no less than \$100,000.

(c) *Allocation of primary and general election winding down costs.* A candidate who runs in both the primary and general election may divide winding down expenses between his or her primary and general election committees using any reasonable allocation method. An allocation method is reasonable if it divides the total winding down costs between the primary and general election committees and results in no less than one third of total winding down costs allocated to each committee. A candidate may demonstrate that an allocation method is reasonable even if either the primary or the general election committee is allocated less than one third of total winding down costs.

§ 9005.1 Certification of payments for candidates.

(a) *Certification of payments for major party candidates.* Not later than 10 days after the Commission determines that the Presidential and Vice Presidential candidates of a major party have met all applicable conditions for eligibility to receive payments under 11 CFR 9003.1 and 9003.2, the Commission shall certify to the Secretary that payment in full of the amounts to which such candidates are entitled under 11 CFR part 9004 should be made pursuant to 11 CFR 9005.2.

(b) *Certification of pre-election payments for minor and new party candidates.* (1) Not later than 10 days after a minor or new party candidate has met all applicable conditions for eligi-

bility to receive payments under 11 CFR 9003.1, 9003.2 and 9004.2, the Commission will make an initial determination of the amount, if any, to which the candidate is entitled. The Commission will base its determination on the percentage of votes received in the official vote count certified in each State. In notifying the candidate, the Commission will give the legal and factual reasons for its determination and advise the candidate of the evidence on which the determination is based.

(2) The candidate may submit, within 15 days after the Commission's initial determination, written legal or factual materials to demonstrate that a re-determination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(3) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(c) *Certification of minor and new party candidates for post-election payments.* (1) Not later than 30 days after the general election, the Commission will determine whether a minor or new party candidate is eligible for post-election payments.

§ 9005.2

factual reasons for its determination and advise the candidate of the evidence on which the determination is based. The Commission will also notify the candidate that it will deduct a percentage of the amount to which the candidate is entitled based on the unofficial vote results when the Commission certifies an amount for payment to the Secretary. This deduction will be based on the average percentage differential between the unofficial and official vote results for all candidates who received public funds in the preceding Presidential general election.

(4) The candidate may submit within 15 days after the Commission's initial determination written legal or factual materials to demonstrate that a re-determination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(5) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. (2) Amounts withheld under 11 CFR 9005.2(b)(1) shall be paid when the Secretary determines that there are sufficient monies in the Fund to pay such amounts, or pro rata portions thereof, to all eligible candidates from whom amounts have been withheld.

§ 9007.1 Audits.

(a) *General.* (1) After each Presidential election, the Commission will conduct a thorough examination and audit of the receipts, disbursements, debts and obligations of each candidate, his or her authorized committee(s), and agents of such candidates or committees. Such examination and audit will include, but will not be limited to, expenditures pursuant to 11 CFR 9003.4 prior to the beginning of the expenditure report period, contributions to and expenditures made from the legal and accounting compliance fund established under 11 CFR 9003.3(a), contributions received to supplement any payments received from the Fund, and qualified campaign expenses.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9007.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9007.2.

(b) *Conduct of fieldwork.* (1) If the candidate or the candidate's authorized committee does not maintain or use any computerized information containing the data listed in 11 CFR 9003.6,

§ 9007.1

11 CFR Ch. I (1–1–11 Edition)

the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9003.6, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9003.6(b), the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding qualified campaign expenses. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(i) *Office space and records.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9003.1(b)(6).

(ii) *Availability of committee personnel.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s)

shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) *Failure to provide staff, records or office space.* If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9010(c) to enforce the candidate and committee agreement made under 11 CFR 9003.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have ten (10) calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreements.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement within 10 days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence or other information requested by the Commission, the Commission may issue an order pursuant to 2 U.S.C. 437d(a)(1) or a subpoena or subpoena duces tecum pursuant to 2 U.S.C. 437d(a)(3). The procedures set forth in 11 CFR 111.11 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the order, subpoena or subpoena duces tecum.

Federal Election Commission

§ 9007.1

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) *Entrance conference.* At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) *Review of records.* During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) *Exit conference.* At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations that the staff anticipates it will present to the Commission for approval. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these preliminary findings; the projected timetables regarding the issuance of the Preliminary Audit Report, the Audit Report, and any repayment determination; the committee's opportunity for an administrative review of any repayment determination; and the procedures involved in Commission repayment determinations under 11 CFR 9007.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9007.1(b) (1) and (2). Factors that may necessitate such follow-up

fieldwork include, but are not limited to, the following:

(i) Committee response to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9007.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9007.1(b) (1) and (2) will apply to any additional fieldwork conducted.

(c) *Preliminary Audit Report: Issuance by Commission and committee response.*

(1) Commission staff will prepare a written Preliminary Audit Report, which will be provided to the committee after it is approved by an affirmative vote of four (4) members of the Commission. The Preliminary Audit Report may include—

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Election Campaign Fund Act and Commission regulations;

(ii) The accuracy of statements and reports filed with the Commission by the candidate and committee; and

(iii) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee may submit in writing within 60 calendar days after receipt of the Preliminary Audit Report, legal and factual materials disputing or commenting on the proposed findings contained in the Preliminary Audit Report. In addition, the committee shall submit any additional documentation requested by the Commission. Such materials may be submitted by counsel if the candidate so desires.

(d) *Approval and issuance of the audit report.* (1) Before voting on whether to approve and issue an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her authorized committee in accordance

§ 9007.2

11 CFR Ch. I (1–11 Edition)

with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Preliminary Audit Report. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9007.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 2 U.S.C. 437g and 11 CFR part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph (b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d) (1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) *Public release of audit report.* (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f)(1) *Sampling.* In conducting an audit of contributions pursuant to this section, the Commission may utilize generally accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample

may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or (3); or take any other action required by the Commission with respect to sample-based findings.

§ 9007.2 Repayments.

(a) *General.* (1) A candidate who has received payments from the Fund under 11 CFR part 9005 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9007.1 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the day of the presidential election. The Commission's issuance of the audit report to the candidate under 11 CFR 9007.1(d) will constitute notification for purposes of this section.

(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owed by the committee.

Federal Election Commission

§ 9007.2

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 9003.2(c)), contributions and federal funds in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) *Bases for repayment.* The Commission may determine that an eligible candidate of a political party who has received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) *Payments in excess of candidate's entitlement.* If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to such portion.

(2) *Use of funds for non-qualified campaign expenses.* (i) If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than those described in paragraphs (b)(2)(i) (A) through (C) of this section, it will notify the candidate of the amount so used, and such candidate shall pay to the United States Treasury an amount equal to such amount.

(A) To defray qualified campaign expenses;

(B) To repay loans, the proceeds of which were used to defray qualified campaign expenses; and

(C) To restore funds (other than contributions which were received and expended by minor or new party candidates to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9007.2(b)(2) include, but are not limited to the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agent(s) have incurred expenses in excess of the aggregate payments to which an eligible major party candidate is entitled;

(B) Determinations that amounts spent by a candidate, a candidate's authorized committee(s) or agent(s) from the Fund were not documented in accordance with 11 CFR 9003.5;

(C) Determinations that any portion of the payments made to a candidate from the Fund was expended in violation of State or Federal law; and

(D) Determinations that any portion of the payments made to a candidate from the Fund was used to defray expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties.

(iii) In the case of a candidate who has received contributions pursuant to 11 CFR 9003.3 (b) or (c), the amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of payments certified to the candidate from the Fund bears to the total deposits, as of December 31 of the Presidential election year. For purposes of this section, total deposits means all deposits to all candidate accounts minus transfers between accounts, refunds, rebates, reimbursements, checks returned for insufficient funds, proceeds of loans and other similar amounts.

(3) *Surplus.* If the Commission determines that a portion of payments from the Fund remains unspent after all qualified campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the United States Treasury that portion of surplus funds.

(4) *Income on investment or other use of payments from the Fund.* If the Commission determines that a candidate received any income as a result of an investment or other use of payments from the fund pursuant to 11 CFR 9004.5, it shall so notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(5) *Unlawful acceptance of contributions by an eligible candidate of a major party.* If the Commission determines that an eligible candidate of a major

§ 9007.2

11 CFR Ch. I (1–1–11 Edition)

party, the candidate's authorized committee(s) or agent(s) accepted contributions to defray qualified campaign expenses (other than contributions to make up deficiencies in payments from the Fund, or to defray expenses incurred for legal and accounting services in accordance with 11 CFR 9003.3(a)), it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the United States Treasury an amount equal to such amount.

(c) *Repayment determination procedures.* The Commission's repayment determination will be made in accordance with the procedures set forth at paragraphs (c)(1) through (c)(4) of this section.

(1) *Repayment determination.* The Commission will provide the candidate with a written notice of its repayment determination(s). This notice will be included in the Commission's audit report prepared pursuant to 11 CFR 9007.1(d) and will set forth the legal and factual reasons for such determination(s), as well as the evidence upon which any such determination is based. The candidate shall repay to the United States Treasury in accordance with paragraph (d) of this section, the amount which the Commission has determined to be repayable.

(2) *Administrative review of repayment determination.* If a candidate disputes the Commission's repayment determination(s), he or she may request an administrative review of the determination(s) as set forth in paragraph (c)(2)(i) of this section.

(i) *Submission of written materials.* A candidate who disputes the Commission's repayment determination(s) shall submit in writing, within 60 calendar days after service of the Commission's notice, legal and factual materials demonstrating that no repayment, or a lesser repayment, is required. Such materials may be submitted by counsel if the candidate so desires. The candidate's failure to timely raise an issue in written materials presented pursuant to this paragraph will be deemed a waiver of the candidate's right to raise the issue at any future stage of proceedings including any petition for review filed under 26 U.S.C. 9011(a).

(ii) *Oral hearing.* A candidate who submits written materials pursuant to paragraph (c)(2)(i) of this section may at the same time request in writing that the Commission provide such candidate with an opportunity to address the Commission in open session to demonstrate that no repayment, or a lesser repayment, is required. The candidate should identify in this request the repayment issues he or she wants to address at the oral hearing. If the Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral hearing. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under paragraph (c)(2)(ii) of this section. The candidate or representative will also have the opportunity to answer any questions from individual members of the Commission.

(3) *Repayment determination upon review.* In deciding whether to revise any repayment determination(s) following an administrative review pursuant to paragraph (c)(2) of this section, the Commission will consider any submission made under paragraph (c)(2)(i) of this section and any oral hearing conducted under paragraph (c)(2)(ii) of this section, and may also consider any new or additional information from other sources. A determination following an administrative review that a candidate must repay a certain amount will be accompanied by a written statement of reasons supporting the Commission's determination(s). This statement will explain the legal and factual reasons underlying the Commission's determination(s) and will summarize the results of any investigation(s) upon which the determination(s) are based.

(d) *Repayment period.* (1) Within 90 calendar days of service of the notice of the Commission's repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90

Federal Election Commission

§ 9007.3

calendar days in which to make repayment.

(2) If the candidate requests an administrative review of the Commission's repayment determination(s) under paragraph (c)(2) of this section, the time for repayment will be suspended until the Commission has concluded its administrative review of the repayment determination(s). Within 30 calendar days after service of the notice of the Commission's post-administrative review repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(3) Interest shall be assessed on all repayments made after the initial 90-day repayment period established at paragraph (d)(1) of this section or the 30-day repayment period established at paragraph (d)(2) of this section. The amount of interest due shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside or to be repaid under this section.

(e) *Computation of time.* The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) *Additional repayments.* Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9007.2(b) after it has made a repayment determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) *Newly-discovered assets.* If, after any repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding qualified campaign

expenses submitted pursuant to 11 CFR 9004.9, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding qualified campaign expenses. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9007.2(f).

(h) *Limit on repayment.* No repayment shall be required from the eligible candidates of a political party under 11 CFR 9007.2 to the extent that such repayment, when added to other repayments required from such candidates under 11 CFR 9007.2, exceeds the amount of payments received by such candidates under 11 CFR 9005.2.

(i) *Petitions for rehearing; stays pending appeal.* The candidate may file a petition for rehearing of a repayment determination in accordance with 11 CFR 9007.5(a). The candidate may request a stay of a repayment determination in accordance with 11 CFR 9007.5(c) pending the candidate's appeal of that repayment determination.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31878, June 16, 1995]

§ 9007.3 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9007 will not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR part 9007 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely

§ 9007.4

manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application. If a candidate seeks an extension of any 60-day response period under 11 CFR part 9007, the Commission may grant no more than one extension to that candidate, which extension shall not exceed 15 days.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9007, the Commission may, on the candidate's showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9007.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31880, June 16, 1995]

§ 9007.4 Additional audits.

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR 111.10, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9007.5 Petitions for rehearing; stays of repayment determinations.

(a) *Petitions for rehearing.* (1) Following the Commission's repayment determination or a final determination that a candidate is not entitled to all or a portion of post-election funding under 11 CFR 9004.9(f), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(i) Be filed within 20 calendar days following service of the Commission's

11 CFR Ch. I (1-1-11 Edition)

repayment determination or final determination;

(ii) Raise new questions of law or fact that would materially alter the Commission's repayment determination or final determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the original determination process.

(2) If a candidate files a timely petition under this section challenging a Commission repayment determination, the time for repayment will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9007.2(d) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) *Effect of failure to raise issues.* The candidate's failure to raise an argument in a timely fashion during the original determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9011(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's original determination.

(c) *Stay of repayment determination pending appeal.* (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9007.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9011(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) of this section or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's repayment determination under 11 CFR 9007.2(c).

(2) The Commission's approval of a stay request will be conditioned upon

Federal Election Commission

§ 9007.7

the candidate's presentation of evidence in the stay request that he or she:

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's repayment determination under 11 CFR 9007.2(c)(4) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31880, June 16, 1995]

§ 9007.6 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees

to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.

§ 9007.7 Administrative record.

(a) The Commission's administrative record for final determinations under 11 CFR 9004.9 and 9005.1, and for repayment determinations under 11 CFR 9007.2, consists of all documents and materials submitted to the Commission for its consideration in making those determinations. The administrative record will include the certification of the Commission's vote(s), the audit report that is sent to the committee (for repayment determinations), the statement(s) of reasons, and the candidate agreement. The committee may include documents or materials in the administrative record by submitting them within the time periods set forth at 11 CFR 9004.9(f)(2)(ii), 9005.1(b)(2), 9005.1(c)(4), 9007.1(c) and 9007.2(c)(2), as appropriate.

(b) The Commission's administrative record for determinations under 11 CFR 9004.9, 9005.1 and 9007.2 does not include:

(1) Documents and materials in the files of individual Commissioners or employees of the Commission that do not constitute a basis for the Commission's decisions because they were not circulated to the Commission and were not referenced in documents that were circulated to the Commission;

(2) Transcripts or audio tapes of Commission discussions other than transcripts or audio tapes of oral hearings pursuant to 11 CFR 9007.2(c)(2), although such transcripts or tapes may be made available under 11 CFR parts 4 or 5; or

(3) Documents properly subject to privileges such as an attorney-client privilege, or items constituting attorney work product.

(c) The administrative record identified in paragraph (a) of this section is the exclusive record for the Commission's determinations under 11 CFR 9004.9, 9005.1 and 9007.2

Each such contract, agreement or modification shall be filed

(iii) A State party committee or a subordinate committee of a State party committee which only assists delegates and alternates to the convention from that State with travel expenses and arrangements, or which sponsors caucuses, receptions, and similar activities at the convention site, need not register or report under this section.

(2) *Quarterly and post convention reports; content and time of filing.* Each committee required to register under paragraph (b)(1) of this section shall file reports as follows:

(i) The first quarterly report shall be filed on FEC Form 4 no later than 15 days following the end of the calendar quarter in which the committee either receives payment under 11 CFR 9008.6, or for parties which do not accept public funds, no later than 15 days after the calendar quarter in which the committee receives contributions or makes expenditures to defray convention expenses. The committee shall continue to file reports on a quarterly basis no later than the 15th day following the close of each calendar quarter, except that the report for the final calendar quarter of the year shall be filed on January 31 of the following calendar year. § 9008.4 Entitlement to payments from the fund.

(a) *Major parties.* Subject to the provisions of this part, the national committee of a major party shall be entitled to receive payments under 11 CFR 9008.6 with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed \$4 million, as adjusted by the Consumer Price Index under 11 CFR 9008.5(a).

(b) *Minor parties.* Subject to the provisions of this part, the national committee of a minor party shall be entitled to payments under 11 CFR 9008.6 with respect to any presidential nominating convention in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount which the national committee of a major party is entitled to receive under 11 CFR 9008.5 as the number of popular votes received in the preceding presidential election by that minor party's presidential candidate bears to the average number of popular votes received in the preceding presidential election by all of the major party presidential candidates.

(c) *Limitation on payments.* Payments to the national committee of a major party or a minor party under 11 CFR 9008.6 from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

§ 9008.5 Adjustment of entitlement.

(a) The entitlements established by 11 CFR 9008.4 shall be adjusted on the basis of the Consumer Price Index pursuant to the provisions of 2 U.S.C. 441a(c).

(b) The entitlements established by 11 CFR 9008.4 shall be adjusted so as not to exceed the difference between the expenditure limitations of 11 CFR 9008.8(a) and the amount of private contributions received under 11 CFR

9008.6(a) by the national committee of a political party. Except as provided in 11 CFR 9008.12(b)(7), in calculating these adjustments, amounts expended by Government agencies and municipal corporations in accordance with 11 CFR 9008.53; in-kind donations by businesses to the national committee or convention committee in accordance with 11 CFR 9008.9; expenditures by host committees in accordance with 11 CFR 9008.52; expenditures to participate in or attend the convention under 11 CFR 9008.8(b)(2); and legal and accounting services rendered in accordance with 11 CFR 9008.8(b)(4) will not be considered private contributions or expenditures counting against the limitation.

§ 9008.6 Payment and certification procedures.

(a) *Optional payments; private contributions.* (1) The national committee of a major or minor party may elect to receive all, part, or none of the amounts to which it is entitled under 11 CFR 9008.4 and 9008.5.

(2) If a national committee of a major or minor party elects to receive part of the amounts to which it is entitled under 11 CFR 9008.4 and 9008.5, or if the Secretary determines there is a deficiency in the Fund under 26 U.S.C. 9008(b)(4), the national committee may receive and use private contributions, so long as the sum of the contributions which are used to defray convention expenses and the amount of entitlements elected to be received does not exceed the total expenditure limitation under 11 CFR 9008.8.

(3) All private contributions received by the national committee to defray convention expenses shall be subject to all reporting requirements, limitations and prohibitions of Title 2, United States Code. The convention committee may establish a separate account for private contributions or may deposit such contributions with payments received from the Fund pursuant to paragraph (d) of this section. The account(s) shall be maintained at a State bank, federally chartered depository institution or other depository institution, the deposits or accounts of which are insured by the Federal Deposit Insurance Corporation.

§ 9008.7

11 CFR Ch. I (1–1–11 Edition)

(b) *Increase in certified amount.* If the application statement is filed before it is possible to determine the cost of living increase for the year preceding the convention, that amount determined by the increase shall be paid to the national committee promptly after the increase has been determined.

(c) *Availability of payments.* The national committee of a major or minor party may receive payments under this section beginning on July 1 of the calendar year immediately preceding the calendar year in which a Presidential nominating convention of the political party involved is held.

(d) *Certification of payment.* After a national committee has properly submitted its application statement and agreement as required under 11 CFR 9008.3(a) (3) and (4), and upon receipt of a written request, payment of the committee's entitlement will be certified by the Commission to the Secretary of the Treasury.

§ 9008.7 Use of funds.

(a) *Permissible uses.* Any payment made under 11 CFR 9008.6 shall be used only for the following purposes:

(1) Such payment may be used to defray convention expenses (including the payment of deposits) incurred by or on behalf of the national committee receiving such payments; or

(2) Such payment may be used to repay the principal and interest, at a commercially reasonable rate, on loans the proceeds of which were used to defray convention expenses; or

(3) Such payment may be used to restore funds (including advances from the national committee to the convention committee), other than contributions to the committee for the purpose of defraying convention expenses, where such funds were used to defray convention expenses.

(4) "Convention expenses" include all expenses incurred by or on behalf of a political party's national committee or convention committee with respect to and for the purpose of conducting a presidential nominating convention or convention-related activities. Such expenses include, but are not limited to:

(i) Expenses for preparing, maintaining, and dismantling the physical site of the convention, including rental of

(ii) Salaries and expenses of convention committee employees, volunteers and similar personnel, whose responsibilities involve planning, management or otherwise conducting the convention;

(iii) Salary or portion of the salary of any national committee employee for any period of time during which, as a major responsibility, that employee performs services related to the convention;

(vii) Expenses incurred in providing a transportation system in the convention city for use by delegates and other persons attending or otherwise connected with the convention;

(viii) Expenses for entertainment activities which are part of the official convention activity sponsored by the national committee, including but not limited to dinners, concerts, and receptions; except that expenses for the following activities are excluded:

(A) Entertainment activities sponsored by or on behalf of candidates for nomination to the office of President or Vice President, or State delegations;

(D) Entertainment activities prohibited by law;

(ix) Expenses for printing convention programs, a journal of proceedings, agendas, tickets, badges, passes, and other similar publications;

(xi) Payment of the principal and interest, at a commercially reasonable rate, on loans the proceeds of which were used to defray convention expenses;

(xii) Expenses for monetary bonuses paid after the last date of the convention or gifts for national committee or convention committee employees, consultants, volunteers and convention officials in recognition of convention-related activities or services, provided that:

(5) Any investment of public funds or any other use of public funds to generate income is permissible only if the

income so generated is used to defray convention expenses. Such income, less any tax paid on it, shall be repaid to the United States Treasury as provided under 11 CFR 9008.12(b)(6).

(b) *Prohibited uses.* (1) No part of any payment made under 11 CFR 9008.6 shall be used to defray the expenses of any candidate, delegate, or alternate delegate who is participating in any presidential nominating convention except that the expenses of a person participating in the convention as official personnel of the national party may be defrayed with public funds even though that person is simultaneously participating as a delegate or candidate to the convention. This part shall not prohibit candidates, delegates or alternate delegates who are participating in a presidential nominating convention from attending official party convention activities including but not limited to dinners, concerts and receptions, where such activities are paid for with public funds.

(2) Public funds shall not be used to defray any expense the incurring or payment of which violates any law of the United States or any law of the State in which such expense is incurred or paid, or any regulation prescribed under federal or State laws.

(3) Public funds shall not be used to pay civil or criminal penalties required or agreed to be paid pursuant to 2 U.S.C. 437g. Any amounts received or expended by the national committee or convention committee of a political party to pay such penalties shall not be considered contributions or expenditures, except that such amounts shall be reported in accordance with 11 CFR part 104 and shall be subject to the prohibitions of 11 CFR 110.4, 110.19(b)(2), and 110.20 and parts 114 and 115.

(c) *Lost, misplaced, or stolen items.* The cost of lost, misplaced, or stolen items may not be defrayed with public funds under certain circumstances. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment

§ 9008.8 Limitation of expenditures.

(a) *National party limitations*—(1) *Major parties.* Except as provided by paragraph (a)(3) of this section, the national committee of a major party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which such committee is entitled under 11 CFR 9008.4 and 9008.5.

(2) *Minor parties.* Except as provided by paragraph (a)(3) of this section, the national committee of a minor party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which the national committee of a major party is entitled under 11 CFR 9008.4 and 9008.5.

(3) *Authorization to exceed limitation.* The Commission may authorize the national committee of a major party or minor party to make expenditures for convention expenses, which expenditures exceed the limitation established by paragraph (a) (1) or (2) of this section. This authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, the expenditures are necessary to assure the effective operation of the Presidential nominating convention by the committee. Examples of “extraordinary and unforeseen circumstances” include, but are not limited to, a natural disaster or a catastrophic occurrence at the convention site. In no case, however, will such authorization entitle a national committee to receive public funds greater than the entitlement specified under 11 CFR 9008.4 and 9008.5. All private contributions received to defray expenditures under this paragraph shall be subject to all reporting requirements, limitations (except for limitations imposed by paragraphs (a) (1) and (2) of this section) and prohibitions of the Federal Election Campaign Act (2 U.S.C. 431 et seq.).

(b) *Payments not subject to limit*—(1) *Host committee expenditures.* Expendi-

tures made by the host committee shall not be considered expenditures by the national committee and shall not count against the expenditure limitations of this section provided the funds are spent in accordance with 11 CFR 9008.52.

(2) *Expenditures by government agencies and municipal funds.* Expenditures made by government agencies and municipal funds shall not be considered expenditures by the national committee and shall not count against the expenditure limitations of this section if the funds are spent in accordance with the requirements of 11 CFR 9008.53.

(3) *Expenditures to participate in or attend convention.* Expenditures made by presidential candidates from campaign accounts, by delegates, or by any other individual from his or her personal funds for the purpose of attending or participating in the convention or convention related activities, including, but not limited to the costs of transportation, lodging and meals, or by State or local committees of a political party on behalf of such delegates or individuals shall not be considered expenditures made by or on behalf of the national party, and shall therefore not be subject to the overall expenditure limitations of this section.

(4) *Legal and accounting services.* (i) The payment of compensation to an individual by his or her regular employer for legal and accounting services rendered to or on behalf of the national committee shall not be considered an expenditure and shall not count against the expenditure limitations of this section.

(ii) The payment by the national committee of compensation to any individual for legal and accounting services rendered to or on behalf of the national committee in connection with the presidential nominating convention or convention-related activities shall not be considered an expenditure and shall not count against the expenditure limitations of this section provided that:

(A) The legal and accounting services relate solely to compliance with the Federal Election Campaign Act (2 U.S.C. 431, et seq.) and the Presidential

Federal Election Commission

§ 9008.9

Election Campaign Fund Act (26 U.S.C. Chapter 95); and

(B) The contributions raised to pay for the legal and accounting services comply with the limitations and prohibitions of 11 CFR parts 110, 114 and 115. These contributions, when aggregated with other contributions from the same contributor to the political committees established and maintained by the national political party, shall not exceed the amounts permitted under 11 CFR 110.1(c) and 110.2(c), as applicable.

(iii) The convention committee shall report contributions received to pay for legal and accounting services on a separate Schedule A, and shall report payments for legal and accounting services on a separate Schedule B, attached to its reports.

(5) *Computerized information.* Payments to defray the costs of producing, delivering and explaining the computerized information and materials provided pursuant to 11 CFR 9008.10(h), and explaining the operation of the computer system's software, shall not be considered expenditures and shall not count against the expenditure limitations of this section, provided that the contributions raised to pay these expenses comply with the limitations and prohibitions of 11 CFR parts 110, 114 and 115.

[59 FR 33616, June 29, 1994, as amended at 68 FR 47416, Aug. 8, 2003]

§ 9008.9 Receipt of goods and services from commercial vendors.

Commercial vendors may sell, lease, rent or provide their goods or services to the national committee with respect to a presidential nominating convention at reduced or discounted rates, or at no charge, provided that the requirements of either paragraph (a), paragraph (b), or paragraph (c) of this section are met. For purposes of this section, *commercial vendor* shall have the same meaning as provided in 11 CFR 116.1(c).

(a) *Standard reductions or discounts.* A commercial vendor may provide reductions or discounts in the ordinary course of business. A reduction or discount shall be considered in the ordinary course of business if the commercial vendor has an established practice of providing the same reductions or

discounts for the same amount of its goods or services to non-political clients, or if the reduction or discount is consistent with established practice in the commercial vendor's trade or industry. Examples of reductions or discounts made in the ordinary course of business include standard volume discounts and reduced rates for corporate, governmental or preferred customers. Reductions or discounts provided under paragraph (a) of this section need not be reported.

(b) *Items provided for promotional consideration.* (1) A commercial vendor may provide goods or services in exchange for promotional consideration provided that doing so is in the ordinary course of business.

(2) The provision of goods or services shall be considered in the ordinary course of business under this paragraph:

(i) If the commercial vendor has an established practice of providing goods or services on a similar scale and on similar terms to non-political clients, or

(ii) If the terms and conditions under which the goods or services are provided are consistent with established practice in the commercial vendor's trade or industry in similar circumstances.

(3) In all cases, the value of the goods or services provided shall not exceed the commercial benefit reasonably expected to be derived from the unique promotional opportunity presented by the national nominating convention.

(4) The convention committee shall maintain documentation showing: the goods or services provided; the date(s) on which the goods or services were provided, the terms and conditions of the arrangement; and what promotional consideration was provided. In addition, the convention committee shall disclose in its report covering the period the goods or services are received, in a memo entry, a description of the goods or services provided for promotional consideration, the name and address of the commercial vendor, and the dates on which the goods or services were provided (e.g., "Generic Motor Co., Detroit, Michigan—ten automobiles for use 7/15–7/20, received on 7/14", or "Workers Inc., New York,

§ 9008.10

11 CFR Ch. I (1–1–11 Edition)

New York—five temporary secretarial assistants for use 8/1–8/30, received on 8/1”).

(c) *Items of de minimis value.* Commercial vendors (including banks) may sell at nominal cost, or provide at no charge, items of *de minimis* value, such as samples, discount coupons, maps, pens, pencils, or other items included in tote bags for those attending the convention. The items of *de minimis* value may be distributed by or with the help of persons employed by the commercial vendor, or employed by or volunteering for the national party or a host committee. The value of the items of *de minimis* value provided under this paragraph need not be reported.

(d) *Expenditure Limits.* The value of goods or services provided pursuant to this section will not count toward the national party’s expenditure limitation under 11 CFR 9008.8(a).

§ 9008.10 Documentation of disbursements; net outstanding convention expenses.

In addition to the requirements set forth at 11 CFR 102.9(b), the convention committee must include as part of the evidence of convention expenses the following documentation:

(a) For disbursements in excess of \$200 to a payee, either:

(1) A receipted bill from the payee that states the purpose of the disbursement; or

(2) If such a receipted bill is not available, the following documents:

(i) A canceled check negotiated by the payee; plus

(ii) One of the following documents generated by the payee—a bill, invoice, voucher or contemporaneous memorandum that states the purpose of the disbursement;

(iii) Where the documents specified at paragraph (a)(2)(ii) of this section are not available, a voucher or contemporaneous memorandum from the committee that states the purpose of the disbursement;

(3) If neither a receipted bill nor the supporting documentation specified in paragraph (a)(2) (i) or (ii) of this section is available, a canceled check negotiated by the payee that states the purpose of the disbursement.

(4) Where the supporting documentation required above is not available, the committee may present a canceled check and collateral evidence to document the convention expense. Such collateral evidence may include but is not limited to:

(i) Evidence demonstrating that the disbursement is part of an identifiable program or project which is otherwise sufficiently documented, such as a disbursement which is one of a number of documented disbursements relating to the operation of a committee office;

(ii) Evidence that the disbursement is covered by a preestablished written committee policy, such as a daily travel expense policy.

(b) For all other disbursements:

(2) A canceled check which has been negotiated by the payee and states the identification of the payee, and the amount and date of the disbursement.

(c) For purposes of this section, *payee* means the person who provides the goods or services to the committee in return for the disbursement, except that an individual will be considered a payee under this section if he or she receives \$2,000 or less advanced for travel and/or subsistence and if he or she is the recipient of the goods or services purchased.

(d) For purposes of this section, the term *purpose* means the full name and mailing address of the payee, the date and amount of the disbursement, and a brief description of the goods or services purchased.

(e) Upon the request of the Commission the convention committee shall supply an explanation of the connection between the disbursement and the convention.

pursuant to 11 CFR 102.9(c), and shall present these records to the Commission on request.

(g) *Net outstanding convention expenses.* A convention committee that is eligible to receive payments under 11 CFR 9008.3 shall file, no later than sixty days after the last day of the convention, a statement of that committee's net outstanding convention expenses. The convention committee shall file a revised statement of net outstanding convention expenses which shall reflect the financial position of the convention committee as of the end of the ninth month following the last day of the convention. The revised statement shall be filed no later than 30 calendar days after the end of the ninth month following the last day of the convention, and shall be accompanied by the interim repayment, if required under 11 CFR 9008.12(b)(5)(ii). The committee's net outstanding convention expenses under this section equal the difference between paragraphs (g) (1) and (2) of this section:

(1) The total of:

(i) All outstanding obligations for convention expenses as of 45 days after the last day of the convention; plus

(ii) An estimate of the amount of convention expenses that will be incurred after the 45th day and before the end of the ninth month following the last day of the convention; plus

(iii) An estimate of necessary wind-down costs; less

(2) The total of:

(i) Cash on hand as of 45 days after the last day of the convention, including: all receipts dated on or before that date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of convention expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding convention obligations under paragraph (g)(1) of this section shall not include any accounts payable for non-convention expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR 9008.12 or any amounts paid to secure a surety bond under 11 CFR 9008.14(c).

(4) *Capital assets.* For purposes of this section, the term *capital asset* means any property used in the operation of the convention whose purchase price exceeded \$2000 when acquired by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the convention, but does not include property defined as "other assets" under 11 CFR 9008.10(g)(5). A list of all capital assets shall be maintained by the committee, which shall include a brief description of each capital asset, the purchase price, the date it was acquired, the method of disposition and the amount received in disposition. The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation. If the committee wishes to claim a higher depreciation percentage for an item, it must list that capital asset on the statement separately and demonstrate, through documentation, the fair market value of each such asset.

(5) *Other assets.* The term *other assets* means any property acquired by the committee for use in raising funds or as collateral for loans. "Other assets" must be included on the committee's statement of net outstanding convention expenses if the aggregate value of such assets exceeds \$5000. The value of "other assets" shall be determined by the fair market value of each item as of 45 days after the last day of the convention, unless the item is acquired after this date, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee, which shall include a brief description of each such asset, the fair market value of each asset, the method of disposition and the amount received in disposition.

11 CFR Ch. I (1–1–11 Edition)

(6) *Collectibility of accounts receivable.* If the committee determines that an account receivable of \$500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full write-off was determined.

(7) *Winding down costs.* The term *winding down costs* means:

(i) Costs associated with the termination of the convention such as complying with the post-convention requirements of the Act and other necessary administrative costs associated with winding down the convention, including office space rental, staff salaries and office supplies; and

(2) *Time for Production.* If the committee maintains or uses computerized information containing any of the data listed in paragraph (h)(1) of this section, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(3) *Organization of computerized information and technical specifications.* The computerized magnetic media shall be prepared and delivered at the committee's expense and shall conform to the technical specifications, including file requirements, described in the Federal Election Commission's Computerized Magnetic Media Requirements for Title 26 Candidates/Committees Receiving Federal Funding. The data contained in the computerized magnetic media provided to the Commission shall be organized in the order specified by the Computerized Magnetic Media Requirements.

§ 9008.11 Examinations and audits.

The Commission shall conduct an examination and audit of the convention committee no later than December 31 of the calendar year of the convention and may at any time conduct other examinations and audits as it deems necessary. The Commission will follow the same procedures during the audit, and will afford the committee the same right to respond, as are provided for audits of publicly funded candidates under 11 CFR 9007.1 and 9038.1.

§ 9008.12 Repayments.

(a) *General.* (1) A national committee that has received payments from the Fund under 11 CFR part 9008 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9008.11 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the committee of any repayment determinations made under this section as soon as possible, but not later than 3 years after the last day of the Presidential nominating convention. The Commission's issuance of an audit report to the committee will constitute notification for purposes of the three year period.

(3) Once the committee receives notice of the Commission's final repayment determination under this section, the committee should give preference to the repayment over all other outstanding obligations of the committee, except for any federal taxes owed by the committee.

(b) *Bases for repayment.* The Commission may determine that the national committee of a political party that has

received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) *Excess payments.* If the Commission determines that any portion of the payments to the national committee or convention committee under 11 CFR 9008.6(b) was in excess of the aggregate payments to which the national committee was entitled under 11 CFR 9008.4 and 9008.5, it shall so notify the national committee, and the national committee shall pay to the Secretary an amount equal to such portion.

(2) *Excessive expenditures.* If the Commission determines that the national committee or convention committee incurred convention expenses in excess of the limitations under 11 CFR 9008.8(a), it shall notify the national committee of the amount of such excessive expenditures, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(3) *Excessive contributions.* If the Commission determines that the national committee accepted contributions to defray convention expenses which, when added to the amount of payments received, exceeds the expenditure limitation of such party, it shall notify the national committee of the amount of the contributions so accepted, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(4) *Improper usage or documentation.* If the Commission determines that any amount of any payment to the national committee or convention committee under 11 CFR 9008.6(b) was used for any purposes other than the purposes authorized at 11 CFR 9008.7 or was not documented in accordance with 11 CFR 9008.10, it shall notify the national committee of the amount improperly used or documented and the national committee shall pay to the Secretary an amount equal to the amount specified.

(5) *Unspent funds.* (i) If any portion of the payment under 11 CFR 9008.4 remains unspent after all convention expenses have been paid, that portion shall be returned to the Secretary of the Treasury.

§ 9008.13

(ii) The national committee or convention committee shall make an interim repayment of unspent funds based on the financial position of the committee as of the end of the ninth month following the last day of the convention, allowing for a reasonable amount as determined by the Commission to be withheld for unanticipated contingencies. The interim repayment shall be made no later than 30 calendar days after the end of the ninth month following the last day of the convention. If, after written request by the national committee or convention committee, the Commission determines, upon review of evidence presented by either committee, that amounts previously refunded are needed to defray convention expenses, the Commission shall certify such amount for payment.

(iii) All unspent funds shall be repaid to the U.S. Treasury no later than 24 months after the last day of the convention, unless the national committee has been granted an extension of time. The Commission may grant any extension of time it deems appropriate upon request of the national committee.

(6) *Income on investments of payments from the Fund.* If the Commission determines that the national committee or the convention committee received any income as a result of investment or other use of payments from the Fund pursuant to 11 CFR 9008.7(a)(5), it shall so notify the committee and the committee shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(7) The Commission may seek repayment, or may initiate an enforcement action, if the convention committee knowingly helps, assists or participates in the making of a convention expenditure by the host committee, government agency or municipal fund that is not in accordance with 11 CFR 9008.52 or 9008.53, or the acceptance of a contribution by the host committee or government agency or municipal fund from an impermissible source.

(c) *Repayment determination procedures.* The Commission will follow the same repayment determination procedures, and the committee has the same

11 CFR Ch. I (1–11 Edition)

rights and obligations as are provided for repayment determinations involving publicly funded candidates under 11 CFR 9007.2 (c) through (h).

[59 FR 33616, June 29, 1994, as amended at 60 FR 31880, June 16, 1995; 68 FR 47417, Aug. 8, 2003]

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR 111.10, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9008.14 Petitions for rehearing; stays of repayment determinations.

Petitions for rehearing following the Commission's repayment determination and requests for stays of repayment determinations will be governed by the procedures set forth at 11 CFR 9007.5 and 9038.5. The Commission will afford convention committees the same rights as are provided to publicly funded candidates under 11 CFR 9007.5 and 9038.5.

§ 9008.15 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9008 will not be routinely granted.

(b) Whenever a committee has a right or is required to take action within a period of time prescribed by 11 CFR part 9008 or by notice given thereunder, the committee may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The committee shall demonstrate in the application for extension that good cause exists for its request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a committee that has applied for such extension in a timely

manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the committee in its application.

(d) If a committee fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9008, the Commission may, on the committee's showing of excusable neglect:

(1) Permit such committee to exercise its right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9008.

§ 9008.16 Stale-dated committee checks.

If the committee has checks outstanding that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.

§ 9032.1 Authorized committee.

(a) Notwithstanding the definition at 11 CFR 100.5, *authorized committee* means with respect to candidates (as defined at 11 CFR 9032.2) seeking the nomination of a political party for the office of President, any political committee that is authorized by a candidate to solicit or receive contribu-

tions or to incur expenditures on behalf of the candidate. The term *authorized committee* includes the candidate's principal campaign committee designated in accordance with 11 CFR 102.12, any political committee authorized in writing by the candidate in accordance with 11 CFR 102.13, and any political committee not disavowed by the candidate in writing pursuant to 11 CFR 100.3(a)(3).

and receipts including any books, records (including bank records for all accounts), all documentation required by this section (including those required to be maintained under 11 CFR 9033.11), and other information that the Commission may request. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the categories of data listed in 11 CFR 9033.12(a), the committee will provide computerized magnetic media, such as magnetic tapes or magnetic diskettes, containing the computerized information at the times specified in 11 CFR 9038.1(b)(1) that meet the requirements of 11 CFR 9033.12(b). Upon request, documentation explaining the computer system's software capabilities shall be provided, and such personnel as are necessary to explain the operation of the computer system's software and the computerized information prepared or maintained by the committee shall be made available.

(6) The candidate and the candidate's authorized committee(s) will obtain and furnish to the Commission upon request all documentation relating to funds received and disbursements made on the candidate's behalf by other political committees and organizations associated with the candidate.

(7) The candidate and the candidate's authorized committee(s) will permit an audit and examination pursuant to 11 CFR part 9038 of all receipts and disbursements including those made by the candidate, all authorized committee(s) and any agent or person authorized to make expenditures on behalf of the candidate or committee(s). The candidate and the candidate's authorized committee(s) shall also provide any material required in connection with an audit, investigation, or examination conducted pursuant to 11 CFR part 9039. The candidate and authorized committee(s) shall facilitate the audit by making available in one central location, office space, records and such personnel as are necessary to conduct the audit and examination, and shall pay any amounts required to be repaid under 11 CFR parts 9038 and 9039.

(8) The candidate and the candidate's authorized committee(s) will submit

the name and mailing address of the person who is entitled to receive matching fund payments on behalf of the candidate and the name and address of the campaign depository designated by the candidate as required by 11 CFR part 103 and 11 CFR 9037.3. Changes in the information required by this paragraph shall not be effective until submitted to the Commission in a letter signed by the candidate or the Committee treasurer.

(9) The candidate and the candidate's authorized committee(s) will prepare matching fund submissions in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(10) The candidate and the candidate's authorized committee(s) will comply with the applicable requirements of 2 U.S.C. 431 *et seq.*; 26 U.S.C. 9031 *et seq.* and the Commission's regulations at 11 CFR parts 100-300, and 9031-9039.

§ 9033.2 Candidate and committee certifications; threshold submission.

(a) *General.* (1) A candidate seeking to become eligible to receive Presidential primary matching fund payments shall make the certifications set forth in 11 CFR 9033.2(b) to the Commission in a

§ 9033.3

11 CFR Ch. I (1–1–11 Edition)

written statement signed by the candidate. The candidate may submit the letter containing the required certifications at any time after January 1 of the year immediately preceding the Presidential election year.

(2) The Commission will not consider a candidate's threshold submission until the candidate has submitted candidate certification that meet the requirements of this section.

(b) *Certifications.* (1) The candidate shall certify that he or she is seeking nomination by a political party to the Office of President in more than one State. For purposes of this section, in order for a candidate to be deemed to be seeking nomination by a political party to the office of President, the party whose nomination the candidate seeks must have a procedure for holding a primary election, as defined in 11 CFR 9032.7, for nomination to that office. For purposes of this section, the term *political party* means an association, committee or organization which nominates an individual for election to the office of President. The fact that an association, committee or organization qualifies as a political party under this section does not affect the party's status as a national political party for purposes of 2 U.S.C. 441a(a)(1)(B) and 441a(a)(2)(B).

(2) The candidate and the candidate's authorized committee(s) shall certify that they have not incurred and will not incur expenditures in connection with the candidate's campaign for nomination, which expenditures are in excess of the limitations under 11 CFR part 9035.

(3) The candidate and the candidate's authorized committee(s) shall certify:

(i) That they have received matchable contributions totaling more than \$5,000 in each of at least 20 States; and

(ii) That the matchable contributions are from individuals who are residents of the State for which their contributions are submitted.

(iii) A maximum of \$250 of each individual's aggregate contributions will be considered as matchable contributions for the purpose of meeting the thresholds of this section.

(iv) For purposes of this section, contributions of an individual who maintains residences in more than one

State may only be counted toward the \$5,000 threshold for the State from which the earliest contribution was made by that contributor.

(c) *Threshold submission.* To become eligible to receive matching payments, the candidate shall submit documentation of the contributions described in 11 CFR 9033.2(b)(3) to the Commission for review. The submission shall follow the format and requirements of 11 CFR 9036.1.

§ 9033.3 Expenditure limitation certification.

(a) If the Commission makes an initial determination that a candidate or the candidate's authorized committee(s) have knowingly and substantially exceeded the expenditure limitations at 11 CFR part 9035 prior to that candidate's application for certification, the Commission may make an initial determination that the candidate is ineligible to receive matching funds.

(b) The Commission will notify the candidate of its initial determination, in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate may submit, within 20 calendar days after service of the Commission's notice, written legal or factual materials, in accordance with 11 CFR 9033.10(b), demonstrating that he or she has not knowingly and substantially exceeded the expenditure limitations at 11 CFR part 9035.

(c) A final determination of the candidate's ineligibility will be made by the Commission in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d) A candidate who receives a final determination of ineligibility under 11 CFR 9033.3(c) shall be ineligible to receive matching fund payments under 11 CFR 9034.1.

§ 9033.4 Matching payment eligibility threshold requirements.

(a) The Commission will examine the submission made under 11 CFR 9033.1 and 9033.2 and either—

(1) Make a determination that the candidate has satisfied the minimum contribution threshold requirements under 11 CFR 9033.2(c); or

(2) Make an initial determination that the candidate has failed to satisfy the matching payment threshold requirements. The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate may, within 30 calendar days after service of the Commission's notice, satisfy the threshold requirements or submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she has satisfied those requirements. A final determination by the Commission that the candidate has failed to satisfy threshold requirements will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(b) The Commission will make its examination and determination under this section as soon as practicable. During the Presidential election year, the Commission will generally complete its review and make its determination within 15 business days.

[56 FR 35930, July 29, 1991, as amended at 60 FR 31881, June 16, 1995]

§ 9033.5 Determination of ineligibility date.

The candidate's date of ineligibility shall be whichever date by operation of 11 CFR 9033.5 (a), (b), or (c) occurs first. After the candidate's date of ineligibility, he or she may only receive matching payments to the extent that he or she has net outstanding campaign obligations as defined in 11 CFR 9034.5.

(a) *Inactive candidate.* The ineligibility date shall be the day on which an individual ceases to be a candidate because he or she is not actively conducting campaigns in more than one State in connection with seeking the Presidential nomination. This date shall be the earliest of—

(1) The date the candidate publicly announces that he or she will not be actively conducting campaigns in more than one State; or

(2) The date the candidate notifies the Commission by letter that he or she is not actively conducting campaigns in more than one State; or

(3) The date which the Commission determines under 11 CFR 9033.6 to be the date that the candidate is not ac-

tively seeking election in more than one State.

(b) *Insufficient votes.* The ineligibility date shall be the 30th day following the date of the second consecutive primary election in which such individual receives less than 10 percent of the number of popular votes cast for all candidates of the same party for the same office in that primary election, if the candidate permitted or authorized his or her name to appear on the ballot, unless the candidate certifies to the Commission at least 25 business days prior to the primary that he or she will not be an active candidate in the primary involved.

(1) The Commission may refuse to accept the candidate's certification if it determines under 11 CFR 9033.7 that the candidate is an active candidate in the primary involved.

(2) For purposes of this paragraph, if the candidate is running in two primary elections in different States on the same date, the highest percentage of votes the candidate receives in any one State will govern. Separate primary elections held in more than one State on the same date are not deemed to be consecutive primaries. If two primary elections are held on the same date in the same State (e.g., a primary to select delegates to a national nominating convention and a primary for the expression of preference for the nomination of candidates for election to the office of President), the highest percentage of votes a candidate receives in either election will govern. If two or more primaries are held in the same State on different dates, the earliest primary will govern.

(3) If the candidate certifies that he or she will not be an active candidate in a particular primary, and the Commission accepts the candidate's certification, the primary involved shall not be counted in determining the candidate's date of ineligibility under paragraph (b) of this section, regardless of the percentage of popular votes cast for the candidate in that primary.

(c) *End of matching payment period.* The ineligibility date shall be the last day of the matching payment period for the candidate as specified in 11 CFR 9032.6.

§ 9033.6

(d) *Reestablishment of eligibility.* If the Commission has determined that a candidate is ineligible under 11 CFR 9033.5 (a) or (b), the candidate may reestablish eligibility to receive matching funds under 11 CFR 9033.8.

§ 9033.6 Determination of inactive candidacy.

(a) *General.* The Commission may, on the basis of the factors listed in 11 CFR 9033.6(b) below, make a determination that a candidate is no longer actively seeking nomination for election in more than one State. Upon a final determination by the Commission that a candidate is inactive, that candidate will become ineligible as provided in 11 CFR 9033.5.

(b) *Factors considered.* In making its determination of inactive candidacy, the Commission may consider, but is not limited to considering, the following factors:

(1) The frequency and type of public appearances, speeches, and advertisements;

(2) Campaign activity with respect to soliciting contributions or making expenditures for campaign purposes;

(3) Continued employment of campaign personnel or the use of volunteers;

(4) The release of committed delegates;

(5) The candidate urges his or her delegates to support another candidate while not actually releasing committed delegates;

(6) The candidate urges supporters to support another candidate.

(c) *Initial determination.* The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b) and will advise the candidate of the date on which active campaigning in more than one State ceased. The candidate may, within 15 business days after service of the Commission's notice, submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is actively campaigning in more than one State.

(d) *Final determination.* A final determination of inactive candidacy will be made by the Commission in accordance

11 CFR Ch. I (1-1-11 Edition)

with the procedures outlined in 11 CFR 9033.10(c).

§ 9033.7 Determination of active candidacy.

(a) Where a candidate certifies to the Commission under 11 CFR 9033.5(b) that he or she will not be an active candidate in an upcoming primary, the Commission may, nevertheless, on the basis of factors listed in 11 CFR 9033.6(b), make an initial determination that the candidate is an active candidate in the primary involved.

(b) The Commission will notify the candidate of its initial determination within 10 business days of receiving the candidate's certification under 11 CFR 9033.5(b) or, if the timing of the activity does not permit notice during the 10 day period, as soon as practicable following campaign activity by the candidate in the primary state. The Commission's initial determination will be made in accordance with the procedures outlined in 11 CFR 9033.10(b). Within 10 business days after service of the Commission's notice the candidate may submit, in accordance with 11 CFR 9033.10(b), written legal or factual materials to demonstrate that he or she is not an active candidate in the primary involved.

(c) A final determination by the Commission that the candidate is active will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

§ 9033.8 Reestablishment of eligibility.

(a) *Candidates found to be inactive.* A candidate who has become ineligible under 11 CFR 9033.5(a) on the basis that he or she is not actively campaigning in more than one State may reestablish eligibility for matching payments by submitting to the Commission evidence of active campaigning in more than one State. In determining whether the candidate has reestablished eligibility, the Commission will consider, but is not limited to considering, the factors listed in 11 CFR 9033.6(b). The day the Commission determines to be the day the candidate becomes active again will be the date on which eligibility is reestablished.

(b) *Candidates receiving insufficient votes.* A candidate determined to be ineligible under 11 CFR 9033.5(b) by failing to obtain the required percentage of votes in two consecutive primaries may have his or her eligibility reestablished if the candidate receives at least 20 percent of the total number of votes cast for candidates of the same party for the same office in a primary election held subsequent to the date of the election which rendered the candidate ineligible.

(c) The Commission will make its determination under 11 CFR 9033.8 (a) or (b) without requiring the individual to reestablish eligibility under 11 CFR 9033.1 and 2. A candidate whose eligibility is reestablished under this section may submit, for matching payment, contributions received during ineligibility. Any expenses incurred during the period of ineligibility that would have been considered qualified campaign expenses if the candidate had been eligible during that time may be defrayed with matching payments.

§ 9033.9 Failure to comply with disclosure requirements or expenditure limitations.

(a) If the Commission receives information indicating that a candidate or his or her authorized committee(s) has knowingly and substantially failed to comply with the disclosure requirements of 2 U.S.C. 434 and 11 CFR part 104, or that a candidate has knowingly and substantially exceeded the expenditure limitations at 11 CFR part 9035, the Commission may make an initial determination to suspend payments to that candidate.

(b) The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate will be given an opportunity, within 20 calendar days after service of the Commission's notice, to comply with the above cited provisions or to submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is not in violation of those provisions.

(c) Suspension of payments to a candidate will occur upon a final determination by the Commission to suspend payments. Such final determina-

tion will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d)(1) A candidate whose payments have been suspended for failure to comply with reporting requirements may become entitled to receive payments if he or she subsequently files the required reports and pays or agrees to pay any civil or criminal penalties resulting from failure to comply.

(2) A candidate whose payments are suspended for exceeding the expenditure limitations shall not be entitled to receive further matching payments under 11 CFR 9034.1.

§ 9033.10 Procedures for initial and final determinations.

(a) *General.* The Commission will follow the procedures set forth in this section when making an initial or final determination based on any of the following reasons.

(1) The candidate has knowingly and substantially exceeded the expenditure limitations of 11 CFR part 9035 prior to the candidate's application for certification, as provided in 11 CFR 9033.3;

(2) The candidate has failed to satisfy the matching payment threshold requirements, as provided in 11 CFR 9033.4;

(3) The candidate is no longer actively seeking nomination in more than one state, as provided in 11 CFR 9033.6;

(4) The candidate is an active candidate in an upcoming primary despite the candidate's assertion to the contrary, as provided in 11 CFR 9033.7;

(5) The Commission receives information indicating that the candidate has knowingly and substantially failed to comply with the disclosure requirements or exceeded the expenditure limits, as provided in 11 CFR 9033.9; or

(6) The Commission receives information indicating that substantial assets of the candidate's authorized committee have been undervalued or not included in the candidate's statement of net outstanding campaign obligations or that the amount of outstanding campaign obligations has been otherwise overstated in relation to committee assets, as provided in 11 CFR 9034.5(g).

§ 9033.11

(b) *Initial determination.* If the Commission makes an initial determination that a candidate may not receive matching funds for one or more of the reasons indicated in 11 CFR 9033.10(a), the Commission will notify the candidate of its initial determination. The notification will give the legal and factual reasons for the determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given an opportunity to comply with the requirements at issue or to submit, within the time provided by the relevant section as referred to in 11 CFR 9033.10(a), written legal or factual materials to demonstrate that the candidate has satisfied those requirements. Such materials may be submitted by counsel if the candidate so desires.

(c) *Final determination.* The Commission will consider any written legal or factual materials timely submitted by the candidate before making its final determination. A final determination that the candidate has failed to satisfy the requirements at issue will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation upon which the determination is based.

(d) *Effect on other determinations.* If the Commission makes an initial determination under this section, but decides to take no further action at that time, the Commission may use the legal and factual bases on which the initial determination was based in any future repayment determination under 11 CFR part 9038 or 9039. A determination by the Commission under this section may be independent of any Commission decision to institute an enforcement proceeding under 2 U.S.C. 437g.

(e) *Petitions for rehearing.* Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9038.5(a).

§ 9034.1 Candidate entitlements.

(a) A candidate who has been notified by the Commission under 11 CFR 9036.1 that he or she has successfully satisfied eligibility and certification requirements is entitled to receive payments under 26 U.S.C. 9037 and 11 CFR part 9037 in an amount equal to the amount of each matchable campaign contribution received by the candidate, except that a candidate who has become ineligible under 11 CFR 9033.5 may not receive further matching payments regardless of the date of deposit of the underlying contributions if he or she has no net outstanding campaign obligations as defined in 11 CFR 9034.5. [56 FR 34132, July 25, 1991 and 56 FR 35934, July 29, 1991]

§ 9034.2 Matchable contributions.

(a) Contributions meeting the following requirements will be considered matchable campaign contributions.

(1) The contribution shall be a gift of money made: By an individual; by a written instrument and for the purpose of influencing the result of a primary election.

(2) A maximum of \$250 of the aggregate amount contributed by an individual may be matched.

(3) Before a contribution may be submitted for matching, it must actually be received by the candidate or any of the candidate's authorized committees and deposited in a designated campaign depository maintained by the candidate's authorized committee.

(4) The written instrument used in making the contribution must be dated, physically received and deposited by the candidate or authorized committee on or after January 1 of the year immediately preceding the calendar year of the Presidential election, but no later than December 31 following the matching payment period as defined under 11 CFR 9032.6. Donations received by an individual who is testing the waters pursuant to 11 CFR 100.72(a) and 100.131(a) may be matched when the individual becomes a candidate if such donations meet the requirements of this section.

(b) For purposes of this section, the term *written instrument* means a check written on a personal, escrow or trust account representing or containing the contributor's personal funds; a money order; any similar negotiable instrument; or, for contributions by credit or debit card, a paper record, or an electronic record that can be reproduced on paper, of the transaction. For purposes of this section, the term *written instru-*

ment also means, in the case of a contribution by a credit card or debit card, either a transaction slip or other writing signed by the cardholder, or in the case of such a contribution made over the Internet, an electronic record of the transaction created and transmitted by the cardholder, and including the name of the cardholder and the card number, which can be maintained electronically and reproduced in a written form by the recipient candidate or candidate's committee.

(c) The written instrument shall be: Payable on demand; and to the order of, or specifically endorsed without qualification to, the Presidential candidate, or his or her authorized committee. The written instrument shall contain: The full name and signature of the contributor(s); the amount and date of the contribution; and the mailing address of the contributor(s). For purposes of this section, the term *signature* means, in the case of a contribution by a credit card or debit card, either an actual signature by the cardholder who is the donor on a transaction slip or other writing, or in the case of such a contribution made over the Internet, the full name and card number of the cardholder who is the donor, entered and transmitted by the cardholder.

(1) In cases of a check drawn on a joint checking account, the contributor is considered to be the owner whose signature appears on the check.

(i) To be attributed equally to other joint tenants of the account, the check or other accompanying written document shall contain the signature(s) of the joint tenant(s). If a contribution on a joint account is to be attributed other than equally to the joint tenants, the check or other written documentation shall also indicate the amount to be attributed to each joint tenant.

(ii) In the case of a check for a contribution attributed to more than one person, where it is not apparent from the face of the check that each contributor is a joint tenant of the account, a written statement shall accompany the check stating that the contribution was made from each individual's personal funds in the amount so attributed and shall be signed by each contributor.

§ 9034.2

11 CFR Ch. I (1–1–11 Edition)

(iii) In the case of a contribution re-attributed to a joint tenant of the account, the reattribution shall comply with the requirements of 11 CFR 110.1(k) and the documentation described in 11 CFR 110.1 (1), (3), (5) and (6) shall accompany the reattributed contribution.

(2) Contributions in the form of checks drawn on an escrow or trust account are matchable contributions, provided that:

(i) The contributor has equitable ownership of the account; and

(ii) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contributor has equitable ownership of the account and the account represents the personal funds of the contributor.

(3) Contributions in the form of checks written on partnership accounts or accounts of unincorporated associations or businesses are matchable contributions, so long as:

(i) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contribution is made with the contributor's personal funds and that the account on which the contribution is drawn is not maintained or controlled by an incorporated entity; and

(ii) The aggregate amount of the contributions drawn on a partnership or unincorporated association or business does not exceed \$1,000 to any one Presidential candidate seeking nomination.

(4) Contributions in the form of money orders, cashier's checks, or other similar negotiable instruments are matchable contributions, provided that:

(i) At the time it is initially submitted for matching, such instrument is signed by each contributor and is accompanied by a statement which specifies that the contribution was made in the form of a money order, cashier's check, traveler's check, or other simi-

lar negotiable instrument, with the contributor's personal funds;

(ii) Such statement identifies the date and amount of the contribution made by money order, cashier's check, traveler's check, or other similar negotiable instrument, the check or serial number, and the name of the issuer of the negotiable instrument; and

(iii) Such statement is signed by each contributor.

(5) Contributions in the form of the purchase price paid for the admission to any activity that primarily confers private benefits in the form of entertainment to the contributor (*i.e.*, concerts, motion pictures) are matchable. The promotional material and tickets for the event shall clearly indicate that the ticket purchase price represents a contribution to the Presidential candidate.

(6) Contributions in the form of a purchase price paid for admission to an activity that is essentially political are matchable. An "essentially political" activity is one the principal purpose of which is political speech or discussion, such as the traditional political dinner or reception.

(7) Contributions received from a joint fundraising activity conducted in accordance with 11 CFR 9034.8 are matchable, provided that such contributions are accompanied by a copy of the joint fundraising agreement when they are submitted for matching.

(8) Contributions by credit or debit card are matchable contributions, provided that:

(i) The requirements of paragraph (b) of this section concerning a written instrument and of paragraph (c) of this section concerning a signature are satisfied. Contributions by credit card or debit card where the cardholder's name and card number are given to the recipient candidate or candidate's committee only orally are not matchable.

(ii) Evidence is submitted by the committee that the contributor has affirmed that the contribution is from personal funds and not from funds otherwise prohibited by law.

[56 FR 34132, July 25, 1991, as amended at 56 FR 35934, July 29, 1991; 64 FR 32397, June 17, 1999; 67 FR 78683, Dec. 26, 2002]

§ 9034.3 Non-matchable contributions.

(a) In-kind contributions of real or personal property;

(b) A subscription, loan, advance, or deposit of money, or anything of value;

(c) A contract, promise, or agreement, whether or not legally enforceable, such as a pledge card to make a contribution for any such purposes (but a gift of money by written instrument is not rendered unmatchable solely because the contribution was preceded by a promise or pledge);

(d) Funds from a corporation, labor organization, government contractor, political committee as defined in 11 CFR 100.5 or any group of persons other than those under 11 CFR 9034.2(c)(3);

(f) Contributions in the form of a check drawn on the account of a committee, corporation, union or government contractor even though the funds represent personal funds earmarked by a contributing individual to a Presidential candidate;

(g) Contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value, such as a watch;

(h) Contributions in the form of the purchase price paid for or other otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes;

(i) Contributions which are made by persons without the necessary donative intent to make a gift or made for any purpose other than to influence the result of a primary election;

(j) Contributions of currency of the United States or currency of any foreign country; and

(k) Contributions redesignated for a different election or redesignated for a legal and accounting compliance fund pursuant to 11 CFR 9003.3.

[56 FR 34132, July 5, 1991; 56 FR 35934, July 29, 1991, as amended at 64 FR 32397, June 17, 1999]

§ 9034.4 Use of contributions and matching payments; examples of qualified campaign expenses and non-qualified campaign expenses.

(a) *Qualified campaign expenses*—(1) *General.* Except as provided in paragraph (b)(3) of this section, all contributions received by an individual from the date he or she becomes a candidate and all matching payments received by the candidate shall be used only to defray qualified campaign expenses or to repay loans or otherwise restore funds (other than contributions which were received and expended to defray qualified campaign expenses), which were used to defray qualified campaign expenses.

(2) *Testing the waters.* Even though incurred prior to the date an individual becomes a candidate, payments made in accordance with the 11 CFR 100.131(a) for the purpose of determining whether an individual should become a candidate shall be considered qualified campaign expenses if the individual subsequently becomes a candidate and shall count against that candidate's limits under 2 U.S.C. 441a(b).

(3) *Winding down costs and continuing to campaign.* (i) Winding down costs subject to the restrictions in 11 CFR 9034.11 shall be considered qualified campaign expenses.

(ii) If the candidate continues to campaign after becoming ineligible due to the operation of 11 CFR 9033.5(b), the candidate may only receive matching funds based on net outstanding campaign obligations as of the candidate's date of ineligibility. The statement of net outstanding campaign obligations shall only include costs incurred before the candidate's date of ineligibility for goods and services to be received before the date of ineligibility and for which written arrangement or commitment was made on or before the candidate's date of ineligibility, and shall not include winding down costs until the date on which the candidate qualifies to receive winding down costs under 11 CFR 9034.11. Each contribution that is dated after the candidate's date of ineligibility may be used to continue to campaign, and may be submitted for matching fund payments. Payments from the matching payment account

§ 9034.4

11 CFR Ch. I (1–1–11 Edition)

that are received after the candidate's date of ineligibility may be used to defray the candidate's net outstanding campaign obligations, but shall not be used to defray any costs associated with continuing to campaign unless the candidate reestablishes eligibility under 11 CFR 9033.8.

(4) *Taxes.* Federal income taxes paid by the committee on non-exempt function income, such as interest, dividends and sale of property, shall be considered qualified campaign expenses. These expenses shall not, however, count against the state or overall expenditure limits of 11 CFR 9035.1(a).

(5) *Monetary bonuses paid after the date of ineligibility and gifts.* Monetary bonuses paid after the date of ineligibility and gifts shall be considered qualified campaign expenses, provided that:

(i) All monetary bonuses paid after the date of ineligibility for committee employees and consultants in recognition of campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of ineligibility; and

(B) Are paid no later than thirty days after the date of ineligibility; and

(ii) Gifts for committee employees, consultants and volunteers in recognition of campaign-related activities or services do not exceed \$150 total per individual and the total of all gifts does not exceed \$20,000.

(6) *Expenses incurred by ineligible candidates attending national nominating conventions.* Expenses incurred by an ineligible candidate to attend, participate in, or conduct activities at a national nominating convention may be treated as qualified campaign expenses, but such convention-related expenses shall not exceed a total of \$50,000.

(b) *Non-qualified campaign expenses—*
(1) *General.* The following are examples of disbursements that are not qualified campaign expenses.

(2) *Excessive expenditures.* An expenditure which is in excess of any of the limitations under 11 CFR part 9035 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to the limitations in accordance with 11 CFR 9035.1(a)(2).

(3) *General election and post-ineligibility expenditures.* Except for winding down costs pursuant to paragraph (a)(3) of this section and certain convention expenses described in paragraph (a)(6) of this section, any expenses incurred after a candidate's date of ineligibility, as determined under 11 CFR 9033.5, are not qualified campaign expenses. In addition, any expenses incurred before the candidate's date of ineligibility for goods and services to be received after the candidate's date of ineligibility, or for property, services, or facilities used to benefit the candidate's general election campaign, are not qualified campaign expenses.

(4) *Civil or criminal penalties.* Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from contributions or matching payments. Any amounts received or expended to pay such penalties shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.

(5) *Payments to candidate.* Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(6) *Payments to other authorized committees.* Payments, including transfers and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(7) *Allocable expenses.* Payments for expenses subject to state allocation under 11 CFR 106.2 are not qualified campaign expenses if the records retained are not sufficient to permit allocation to any state, such as the failure to keep records of the date on which the expense is incurred.

(8) *Lost, misplaced, or stolen items.* The cost of lost, misplaced, or stolen items may be considered a nonqualified campaign expense. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious

Federal Election Commission

§ 9034.4

efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment involved; and the number and value of items that were lost.

(c) [Reserved]

(d) *Transfers to other campaigns*—(1) *Other Federal offices.* If a candidate has received matching funds and is simultaneously seeking nomination or election to another Federal office, no transfer of funds between his or her principal campaign committees or authorized committees may be made. See 2 U.S.C. 441a(a)(5)(C) and 11 CFR 110.3(c)(5) and 110.8(d). A candidate will be considered to be simultaneously seeking nomination or election to another Federal office if he or she is seeking nomination or election to such Federal office under 11 CFR 110.3(c)(5).

(2) *General election.* If a candidate has received matching funds, all transfers from the candidate's primary election account to a legal and accounting compliance fund established for the general election must be made in accordance with 11 CFR 9003.3(a)(1).

(e) *Attribution of expenditures between the primary and the general election spending limits.* The following rules apply to candidates who receive public funding in either the primary or the general election, or both.

(1) *General rule.* Any expenditure for goods or services that are used for the primary election campaign, other than those listed in paragraphs (e)(2) through (e)(7) of this section, shall be attributed to the limits set forth at 11 CFR 9035.1. Any expenditure for goods or services that are used for the general election campaign, other than those listed in paragraphs (e)(2) through (e)(7) of this section, shall be attributed to the limits set forth at 11 CFR 110.8(a)(2), as adjusted under 11 CFR 110.17(a).

(2) *Polling expenses.* Polling expenses shall be attributed according to when the results of the poll are received. If the results are received on or before the date of the candidate's nomination, the expenses shall be considered primary election expenses. If results are received from a single poll both before and after the date of the candidate's

nomination, the costs shall be allocated between the primary and the general election limits based on the percentage of results received during each period.

(3) *State or national campaign offices.* Prior to the date of the last primary election in a Presidential election year, overhead and salary costs incurred in connection with state or national campaign offices shall be attributed to the primary election. With regard to overhead and salary costs incurred on or after June 1 of the Presidential election year, but before or on the date of nomination, the committee may attribute to the general election an amount not to exceed 15% of the limitation on primary-election expenditures set forth at 11 CFR 110.8(a)(1). Overhead and payroll costs associated with winding down the campaign and compliance activities shall be governed by paragraph (a)(3) of this section.

(4) *Campaign materials.* Expenditures for campaign materials, including bumper stickers, campaign brochures, buttons, pens and similar items, that are purchased by the primary election campaign committee and later transferred to and used by the general election committee shall be attributed to the general election limits. Materials transferred to but not used by the general election committee shall be attributed to the primary election limits.

(5) *Media production costs.* For media communications that are broadcast or published both before and after the date of the candidate's nomination, 50% of the media production costs shall be attributed to the primary election limits, and 50% to the general election limits. Distribution costs, including such costs as air time and advertising space in newspapers, shall be paid for 100% by the primary or general election campaign depending on when the communication is broadcast or distributed.

(6) *Campaign communications.* (i) *Solicitations and fundraising costs.* The costs of fundraising, including that of events and solicitation costs, shall be attributed to the primary election or to the GELAC, depending on the purposes of the fundraising. If a candidate raises funds for both the primary election and for the GELAC in a single

§ 9034.5

11 CFR Ch. I (1-1-11 Edition)

communication or through a single fundraising event, the allocation of fundraising costs and the distribution of net proceeds will be made in the same manner as described in 11 CFR 9034.8(c)(8)(i) and (ii).

(ii) *Other communications.* Except as provided in paragraph (e)(5) of this section, the costs of a campaign communication that does not include a solicitation shall be attributed to the primary or general election limits based on the date on which the communication is broadcast, published or mailed. The cost of a communication that is broadcast, published or mailed before the date of the candidate's nomination shall be attributed to the primary election limits.

(7) *Travel costs.* Expenditures for campaign-related transportation, food, and lodging by any individual, including a candidate, shall be attributed according to when the travel occurs. If the travel occurs on or before the date of the candidate's nomination, the cost is a primary election expense. Travel to and from the convention shall be attributed to the primary election. Travel by a person who is working exclusively on general election campaign preparations shall be considered a general election expense even if the travel occurs before the candidate's nomination.

§ 9034.5 Net outstanding campaign obligations.

(a) Within 15 calendar days after the candidate's date of ineligibility, as determined under 11 CFR 9033.5, the candidate shall submit a statement of net outstanding campaign obligations. The candidate's net outstanding campaign obligations under this section equal the difference between paragraphs (a) (1) and (2) of this section:

(1) The total of all outstanding obligations for qualified campaign expenses as of the candidate's date of ineligibility as determined under 11 CFR 9033.5, plus estimated necessary winding down costs as defined under 11 CFR 9034.4(a)(3), less

(2) The total of:

(i) Cash on hand as of the close of business on the last day of eligibility (including all contributions dated on or before that date whether or not submitted for matching; currency; balances on deposit in banks; savings and loan institutions; and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value);

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(b) *Liabilities.* (1) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for non-qualified campaign expenses nor any amounts determined or anticipated to be required as repayment under 11 CFR part 9038 or any amounts paid to secure a surety bond under 11 CFR 9038.5.

(2) The amount submitted as estimated necessary winding down costs under paragraph (a)(1) of this section shall be broken down by expense category and quarterly or monthly time period. This breakdown shall include estimated costs for office space rental, staff salaries, legal expenses, accounting expenses, office supplies, equipment rental, telephone expenses, postage and other mailing costs, printing and storage. The breakdown shall estimate the costs that will be incurred in each category from the time the statement is submitted until the expected termination of the committee's political activity.

(c) (1) *Capital assets.* For purposes of this section, the term *capital assets* means any property used in the operation of the campaign whose purchase price exceeded \$2000 when received by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate's campaign, but

Federal Election Commission

§ 9034.5

does not include property defined as “other assets” under paragraph (c)(2) of this section. Capital assets include items such as computer systems and telecommunications systems, if the equipment is used together and if the total cost of all components that are used together exceeds \$2000. A list of all capital assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d). The fair market value of capital assets shall be considered to be 60% of the total original cost of such items when acquired, except that items received after the date of ineligibility must be valued at their fair market value on the date received. A candidate may claim a lower fair market value for a capital asset by listing that capital asset on the statement separately and demonstrating, through documentation, the lower fair market value. If the candidate receives public funding for the general election, a lower fair market value shall not be claimed under this section for any capital assets transferred or sold to the candidate’s general election committee.

(2) *Other assets.* The term *other assets* means any property acquired by the committee for use in raising funds or as collateral for campaign loans. “Other assets” must be included on the candidate’s statement of net outstanding campaign obligations if the aggregate value of such assets exceeds \$5000. The value of “other assets” shall be determined by the fair market value of each item on the candidate’s date of ineligibility or on the date the item is acquired if acquired after the date of ineligibility. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d)(2).

(d) *Collectibility of accounts receivable.* If the committee determines that an account receivable of \$500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due,

and an explanation of how the lesser amount or full writeoff was determined.

(e) Contributions received from joint fundraising activities conducted under 11 CFR 9034.8 may be used to pay a candidate’s outstanding campaign obligations.

(1) Such contributions shall be deemed monies available to pay outstanding campaign obligations as of the date these funds are received by the fundraising representative committee and shall be included in the candidate’s statement of net outstanding campaign obligations.

(2) The amount of money deemed available to pay a candidate’s net outstanding campaign obligations will equal either—

(i) An amount calculated on the basis of the predetermined allocation formula, as adjusted for 2 U.S.C. 441a limitations; or

(ii) If a candidate receives an amount greater than that calculated under 11 CFR 9034.5(e)(2)(i), the amount actually received.

(f)(1) With each submission for matching fund payments filed after the candidate’s date of ineligibility, the candidate shall certify that, as of the close of business on the last business day preceding the date of submission for matching funds, his or her remaining net outstanding campaign obligations equal or exceed the amount submitted for matching.

(2) A candidate who makes a submission for matching fund payments after his or her date of ineligibility shall also submit a revised statement of net outstanding campaign obligations. This revised statement shall be due before the next regularly scheduled payment date, on a date to be determined and published by the Commission. This statement shall reflect the financial status of the campaign as of the close of business three business days before the due date of the statement. The revised statement shall also contain a brief explanation of each change in the committee’s assets and obligations from the previous statement.

(3) After a candidate’s date of ineligibility, if the candidate does not receive the entire amount of matching funds on a regularly scheduled payment date

§ 9034.6

11 CFR Ch. I (1–1–11 Edition)

due to a shortfall in the matching payment account, the candidate shall also submit a revised statement of net outstanding campaign obligations. The revised statement shall be filed on a date to be determined and published by the commission, which will be before the next regularly scheduled payment date.

(g)(1) If the Commission receives information indicating that substantial assets of the candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding campaign obligations has been otherwise overstated in relation to committee assets, the Commission may decide to temporarily suspend further matching payments pending a final determination whether the candidate is entitled to receive all or a portion of the matching funds requested.

(2) In making a determination under 11 CFR 9034.5(g)(1), the Commission will follow the procedures for initial and final determinations under 11 CFR 9033.10 (b) and (c). The Commission will notify the candidate of its initial determination within 15 business days after receipt of the candidate's statement of net outstanding campaign obligations. Within 15 business days after service of the Commission's notice, the candidate may submit written legal or factual materials to demonstrate that he or she has net outstanding campaign obligations that entitle the campaign to further matching payments.

(3) If the candidate demonstrates that the amount of outstanding campaign obligations still exceeds committee assets, he or she may continue to receive matching payments.

(4) Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9033.5(a).

§ 9034.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) *General.* (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transpor-

tation, housing, meals, telephone service, typewriters, and computers) provided to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9035.1(a).

(2) Subject to the limitations in paragraphs (b) and (c) of this section, committees may seek reimbursement from the media for the expenses described in paragraph (a)(3) of this section, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitation of 11 CFR 9035.1(a). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and national security staff, will be subject to the overall expenditure limitation.

(3) Committees may seek reimbursement from the media only for the billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office.

(b) *Reimbursement limits; billing.* (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative's pro rata share (or a reasonable estimate of the media representative's pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purposes of this section, a media representative's pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall

Federal Election Commission

§ 9034.7

include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 100.93 and 9034.7(b)(5)(i), the total number of individuals shall not include national security staff.

(3) No later than sixty (60) days of the campaign trip or event, the committee shall provide each media representative attending the event with an itemized bill that specifies the amounts charged for air and ground transportation for each segment of the trip, housing, meals, telephone service, and other billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office. Payments shall be due sixty (60) days from the date of the bill, unless the media representative disputes the charges.

(c) *Deduction of reimbursements from expenditures subject to the overall expenditure limitation.* (1) The Committee may deduct from the amount of expenditures subject to the overall expenditure limitation:

(i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

(ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representatives and seeking reimbursement for them, equal to:

(A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

(B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

(2) For the purposes of this paragraph, "administrative costs" includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) *Disposal of excess reimbursements.* If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

(1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

(2) Any amount in excess of the amount deductible under paragraph (c) of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) *Reporting.* The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

§ 9034.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to the campaign of a candidate seeking nomination for election to the office of President by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate's authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the

§ 9034.7

11 CFR Ch. I (1-1-11 Edition)

trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from that stop through each subsequent campaign-related stop, back to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advocating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary shall show the time of arrival and departure and the type of event held.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection. When required to be created, a copy of the government's or the charter company's official manifest shall also be maintained and made available by the committee.

(5)(i) If any individual, including a candidate, uses a government aircraft for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount not less than the applicable rate set forth in 11 CFR 100.93(e).

(ii) [Reserved]

(iii) If any individual, including a candidate, uses a government conveyance, other than an aircraft, for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an

amount equal to the amount required under 11 CFR 100.93(d).

(iv) If any individual, including a candidate, uses accommodations, including lodging and meeting rooms, during campaign-related travel, and the accommodations are paid for by a government entity, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the usual and normal charge for the accommodations, and shall maintain documentation supporting the amount paid.

(v) For travel by aircraft, the committee shall maintain documentation as required by 11 CFR 100.93(j)(1) in addition to any other documentation required in this section. For travel by other conveyances, the committee shall maintain documentation of the commercial rental rate as required by 11 CFR 100.93(j)(3) in addition to any other documentation required in this section.

(6) Travel expenses of a candidate's spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses will be treated as qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including the candidate, who are traveling for campaign purposes will be a qualified campaign expense and shall be reported by the committee as an expenditure.

(i) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the actual cost per passenger multiplied by the

number of passengers traveling for campaign purposes.

(ii) If the trips is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

(8) Non-commercial travel on aircraft, and travel on other means of transportation not operated for commercial passenger service is governed by 11 CFR 100.93.

[60 FR 31884, June 16, 1995, as amended at 68 FR 69596, Dec. 15, 2003; 74 FR 63968, Dec. 7, 2009]

§ 9034.8 Joint fundraising.

(a) *General.* Nothing in this section shall supersede 11 CFR part 300, which prohibits any person from soliciting, receiving, directing, transferring, or spending any non-Federal funds, or from transferring Federal funds for Federal election activities.

(1) *Permissible participants.* Presidential primary candidates who receive matching funds under this subchapter may engage in joint fundraising with other candidates, political committees or unregistered committees or organizations.

(2) *Use of funds.* Contributions received as a result of a candidate's participation in a joint fundraising activity under this section may be—

(i) Submitted for matching purposes in accordance with the requirements of 11 CFR 9034.2 and the Federal Election Commission's Guideline for Presentation in Good Order;

(ii) Used to pay a candidate's net outstanding campaign obligations as provided in 11 CFR 9034.5;

(iii) Used to defray qualified campaign expenses;

(iv) Used to defray exempt legal and accounting costs; or

(v) If in excess of a candidate's net outstanding campaign obligations or expenditure limit, used in any manner consistent with 11 CFR 113.2, including repayment of funds under 11 CFR part 9038.

(b) *Fundraising representatives*—(1) *Establishment or selection of fundraising representative.* The participants in a

joint fundraising effort under this section shall either establish a separate committee or select a participating committee, to act as fundraising representative for all participants. The fundraising representative shall be a reporting political committee and an authorized committee of each candidate. If the participants establish a separate committee to act as the fundraising representative, the separate committee shall not be a participant in any other joint fundraising effort, but the separate committee may conduct more than one joint fundraising effort for the participants.

(2) *Separate fundraising committee as fundraising representative.* A separate fundraising committee established by the participants to act as fundraising representative for all participants shall—

(i) Be established as a reporting political committee under 11 CFR 100.5;

(ii) Collect contributions;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(3) *Participating committee as fundraising representative.* A participant selected to act as fundraising representative for all participants shall—

(i) Be a political committee as defined in 11 CFR 100.5;

(ii) Collect contributions; however, other participants may also collect contributions and then forward them to the fundraising representative as required by 11 CFR 102.8;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(4) *Independent fundraising agent.* The participants or the fundraising representative may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping, reporting and documentation requirements set forth in this subchapter are met.

(c) *Joint fundraising procedures.* Any joint fundraising activity under this

§ 9034.8

11 CFR Ch. I (1–1–11 Edition)

section shall be conducted in accordance with the following requirements:

(1) *Written agreement.* The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The formula shall be stated as the amount or percentage of each contribution received to be allocated to each participant. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) *Funds advanced for fundraising costs.* (i) Except as provided in 11 CFR 9034.8(c)(2)(ii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 9034.8(c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs; however, the amount advanced which is in excess of the participant's proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2), part 110, and 9034.4(b)(6).

(3) *Fundraising notice.* In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5;

(B) The allocation formula to be used for distributing joint fundraising proceeds;

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the

amount that contributor may give to any participant.

(ii) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, the notice shall also contain a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts.

(4) *Separate depository account.* (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under title 2, United States Code. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository.

(ii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 9034.8(c)(9) when such funds are received from the fundraising representative.

(5) *Recordkeeping requirements.* (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees.

(iii) The fundraising representative shall retain the records required under 11 CFR 9033.11 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(6) *Contribution limitations.* Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(7) *Allocation of gross proceeds.* (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. Each contribution received shall be allocated among the participants in accordance with the allocation formula, unless the circumstances described in paragraphs (c)(7) (ii), (iii) or (iv) of this section apply. Funds may not be distributed or reallocated so as to maximize the matchability of the contributions.

(ii) If distribution according to the allocation formula extinguishes the debts of one or more participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(b), the fundraising representative may reallocate the surplus funds. The fundraising representative shall not reallocate funds so as to allow candidates seeking to extinguish outstanding debts to rely on the receipt of matching funds to pay the remainder of their debts; rather, all funds to which a participant is entitled under the allocation formula shall be deemed funds available to pay the candidate's outstanding campaign obligations as provided in 11 CFR 9034.5(c).

(iii) Reallocation shall be based upon the remaining participant's proportionate shares under the allocation formula. If reallocation results in a viola-

tion of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(iv) Earmarked contributions which exceed the contributor's limit to the designated participant under 11 CFR part 110 may not be reallocated by the fundraising representative without the prior written permission of the contributor. A written instrument made payable to one of the participants shall be considered an earmarked contribution unless a written statement by the contributor indicates that it is intended for inclusion in the general proceeds of the fundraising activity.

(8) *Allocation of expenses and distribution of net proceeds.* (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party:

(A) After gross contributions are allocated among the participants under 11 CFR 9034.8(c)(7), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110. See also 11 CFR 9034.4(b)(6).

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered

§ 9034.9

organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

(9) *Reporting of receipts and disbursements*—(i) *Reporting receipts.* (A) The fundraising representative shall report all funds received in the reporting period in which they are received. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) *Reporting disbursements.* The fundraising representative shall report all disbursements in the reporting period in which they are made. Each participant shall report in a memo Schedule B his or her total allocated share of these disbursements in the same reporting period in which net proceeds are distributed and reported and include the amount on page 4 of Form 3-P, under “Expenditures Subject to Limit.”

§ 9034.9 Sale of assets acquired for fundraising purposes.

(a) *General.* A candidate may sell assets donated to the candidate’s authorized committee(s) or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(c)(2)), subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

(b) *Sale after end of matching payment period.* A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.6 may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the pub-

lic, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

§ 9034.10 Pre-candidacy payments by multicandidate political committees deemed in-kind contributions and qualified campaign expenses; effect of reimbursement.

(a) A payment by a multicandidate political committee is an in-kind contribution to, and qualified campaign expense by, a Presidential candidate, even though made before the individual becomes a candidate under 11 CFR 100.3 and 9032.2, if—

(1) The expenditure is made on or after January 1 of the year immediately following the last Presidential election year;

(2) With respect to the goods or services involved, the candidate accepted or received them, requested or suggested their provision, was materially involved in the decision to provide them, or was involved in substantial discussions about their provision; and

(3) The goods or services are—

(i) Polling expenses for determining the favorability, name recognition, or relative support level of the candidate involved;

(ii) Compensation paid to employees, consultants, or vendors for services rendered in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate’s home state and in or near the District of Columbia;

(iii) Administrative expenses, including rent, utilities, office supplies and equipment, in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate’s home state and in or near the District of Columbia; or

(iv) Expenses of individuals seeking to become delegates in the Presidential nomination process.

(b) Notwithstanding paragraph (a) of this section, if the candidate, through an authorized committee, reimburses

Federal Election Commission

§ 9035.1

the multicandidate political committee within 30 days of becoming a candidate, the payment shall not be deemed an in-kind contribution for either entity, and the reimbursement shall be an expenditure and a qualified campaign expense of the candidate.

[68 FR 47419, Aug. 8, 2003]

§ 9034.11 Winding down costs.

(a) *Winding down costs.* *Winding down costs* are costs associated with the termination of political activity related to a candidate's seeking his or her nomination for election, such as the costs of complying with the post election requirements of the Federal Election Campaign Act and the Presidential Primary Matching Payment Account Act, and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries, and office supplies. Winding down costs are qualified campaign expenses.

(b) *Winding down limitation.* The total amount of winding down costs that may be paid for, in whole or part, with matching funds shall not exceed the lesser of:

(1) 10% of the overall expenditure limitation pursuant to 11 CFR 9035.1; or

(2) 10% of the total of:

(i) The candidate's expenditures subject to the overall expenditure limitation as of the candidate's date of ineligibility; plus

(ii) The candidate's expenses exempt from the expenditure limitations as of the candidate's date of ineligibility; except that

(iii) The winding down limitation shall be no less than \$100,000.

(c) *Allocation of primary and general election winding down costs.* A candidate who runs in both the primary and general election may divide winding down expenses between his or her primary and general election committees using any reasonable allocation method. An allocation method is reasonable if it divides the total winding down costs between the primary and general election committees and results in no less than one third of total winding down costs allocated to each committee. A candidate may demonstrate that an allocation method is reasonable even if either the primary or the general elec-

tion committee is allocated less than one third of total winding down costs.

(d) *Primary winding down costs during the general election period.* A primary election candidate who does not run in the general election may receive and use matching funds for these purposes either after he or she has notified the Commission in writing of his or her withdrawal from the campaign for nomination or after the date of the party's nominating convention, if he or she has not withdrawn before the convention. A primary election candidate who runs in the general election, regardless of whether the candidate receives public funds for the general election, must wait until 31 days after the general election before using any matching funds for winding down costs related to the primary election. No expenses incurred by a primary election candidate who runs in the general election prior to 31 days after the general election shall be considered primary winding down costs.

PART 9035—EXPENDITURE LIMITATIONS

Sec.

9035.1 Campaign expenditure limitation; compliance and fundraising exemptions.

9035.2 Limitation on expenditures from personal or family funds.

9035.3 Contributions to and expenditures by Vice Presidential candidates.

AUTHORITY: 26 U.S.C. 9035 and 9039(b).

SOURCE: 56 FR 35491, July 29, 1991, unless otherwise noted.

§ 9035.1 Campaign expenditure limitation; compliance and fundraising exemptions.

(a) *Spending limit.* (1) No candidate or his or her authorized committee(s) shall knowingly incur expenditures in connection with the candidate's campaign for nomination, which expenditures, in the aggregate, exceed \$10,000,000 (as adjusted under 2 U.S.C. 441a(c)), except that the aggregate expenditures by a candidate in any one State shall not exceed the greater of: 16 cents (as adjusted under 2 U.S.C. 441a(c)) multiplied by the voting age population of the State (as certified

§ 9035.1

11 CFR Ch. I (1-1-11 Edition)

under 2 U.S.C. 441a(e)); or \$200,000 (as adjusted under 2 U.S.C. 441a(c)).

(2) The Commission will calculate the amount of expenditures attributable to the overall expenditure limit or to a particular state using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(3) In addition to expenditures made by a candidate or the candidate's authorized committee(s) using campaign funds, the Commission will attribute to the candidate's overall expenditure limitation and to the expenditure limitations of particular states under 11 CFR 110.8 the total amount of all:

(i) Coordinated expenditures under 11 CFR 109.20;

(ii) Coordinated communications under 11 CFR 109.21 that are in-kind contributions received or accepted by the candidate, the candidate's authorized committee(s), or agents, under 11 CFR 109.21(b);

(iii) Coordinated party expenditures, including party coordinated communications pursuant to 11 CFR 109.37 that are in-kind contributions received or accepted by the candidate, the candidate's authorized committee(s), or agents under 11 CFR 109.37(a)(3), and that exceed the coordinated party expenditure limitation for the Presidential general election at 11 CFR 109.32(a); and

(iv) Other in-kind contributions received or accepted by the candidate or the candidate's authorized committee(s) or agents.

(4) The amount of each in-kind contribution attributed to the expenditure limitations under this section is the usual and normal charge for the goods or services provided to the candidate or the candidate's authorized committee(s) as an in-kind contribution.

(b) *Allocation of expenditures.* Each candidate receiving or expecting to receive matching funds under this subchapter shall also allocate his or her expenditures in accordance with the provisions of 11 CFR 106.2.

(c) *Compliance, fundraising and shortfall bridge loan exemptions.* (1) A candidate may exclude from the overall expenditure limitation set forth in paragraph (a) of this section an amount equal to 15% of the overall expenditure limitation as exempt legal and accounting compliance costs under 11 CFR 100.146. In the case of a candidate who does not run in the general election, for purposes of the expenditure limitations set forth in this section, 100% of salary, overhead and computer expenses incurred after a candidate's date of ineligibility may be treated as exempt legal and accounting compliance expenses beginning with the first full reporting period after the candidate's date of ineligibility. Candidates who continue to campaign or re-establish eligibility may not treat 100% of salary, overhead and computer expenses incurred during the period between the date of ineligibility and the date on which the candidate either re-establishes eligibility or ceases to continue to campaign as exempt legal and accounting compliance expenses. For purposes of the expenditure limitations set forth in this section, candidates who run in the general election, regardless of whether they receive public funds, must wait until 31 days after the general election before they may treat 100% of salary, overhead and computer expenses as exempt legal and accounting compliance expenses.

(2) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 the amount of exempt fundraising costs specified in 11 CFR 100.152(c).

(3) If any matching funds to which the candidate is entitled are not paid to the candidate, or are paid after the date on which payment is due, the candidate may exclude from the overall expenditure limitation in paragraph (a) of this section the amount of all interest charges that accrued during the shortfall period on all loans obtained by the candidate or authorized committee that are guaranteed or secured with matching funds, provided the candidate submits documentation as to the amount of all interest charges on such loans. The shortfall period begins on the first regularly scheduled payment date on which the candidate does

Federal Election Commission

§ 9035.3

not receive the entire amount of matching funds and ends on the payment date when the candidate receives the previously certified matching funds or the date on which the Commission revises the amount previously certified to eliminate the entitlement to the previously certified matching funds.

(d) *Candidates not receiving matching funds.* The expenditure limitations of 11 CFR 9035.1 shall not apply to a candidate who does not receive matching funds at any time during the matching payment period.

[64 FR 49364, Sept. 13, 1999, as amended at 67 FR 78683, Dec. 26, 2002; 68 FR 47420, Aug. 8, 2003]

§ 9035.2 Limitation on expenditures from personal or family funds.

(a)(1) No candidate who has accepted matching funds shall knowingly make expenditures from his or her personal funds, or funds of his or her immediate family, in connection with his or her campaign for nomination for election to the office of President which exceed \$50,000, in the aggregate. This section shall not operate to prohibit any member of the candidate's immediate family from contributing his or her personal funds to the candidate, subject to the limitations of 11 CFR part 110. The provisions of this section also shall not limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR part 9038. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(2) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. For purposes of this section, the *closing date* shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(b) For purposes of this section, the term *immediate family* means a candidate, spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(c) For purposes of this section, *personal funds* has the same meaning as specified in 11 CFR 9003.2.

[56 FR 35491, July 29, 1991, as amended at 68 FR 4002, Jan. 27, 2003]

§ 9035.3 Contributions to and expenditures by Vice Presidential candidates.

(a) *Aggregation of contributions and expenditures.* For purposes of the limitations on contributions and expenditures of this part and part 110, contributions to, and expenditures by, the authorized committee of a candidate who becomes the nominee of a political party for the office of Vice President of the United States shall be aggregated with contributions to and expenditures by the publicly funded primary candidate who obtains that political party's nomination for the office of President of the United States, provided that the contributions to or expenditures by the authorized committee of the Vice Presidential candidate were made on or after the date on which—

(1) The Presidential or Vice Presidential candidate publicly indicates that the two candidates intend to run on the same ticket;

(2) The candidate for the office of Vice President accepts an offer by the publicly funded primary candidate for the office of President, or by the Presidential candidate's agent(s), to run on the same ticket; or

(3) The Presidential and Vice Presidential committees become affiliated pursuant to 11 CFR 100.5(g)(4)(i) or (ii).

(b) *Exceptions.* The following expenditures, if incurred by the authorized committee of a candidate who subsequently becomes the nominee of a political party for the office of Vice President of the United States, will not be aggregated under paragraph (a) of this section:

(1) The cost of attendance by the candidate, the candidate's family, and the candidate's authorized committee's staff at a political party's national nominating convention, including the

cost of transportation, lodging, and subsistence;

(2) The cost of legal and accounting services associated with background checks during the Vice Presidential selection process; and

(3) The cost of raising funds for the expenses listed in paragraphs (b)(1) and (b)(2) of this section.

PART 9036—REVIEW OF MATCHING FUND SUBMISSIONS AND CERTIFICATION OF PAYMENTS BY COMMISSION

Sec.

9036.1 Threshold submission.

9036.2 Additional submissions for matching fund payments.

9036.3 Submission errors and insufficient documentation.

9036.4 Commission review of submissions.

9036.5 Resubmissions.

9036.6 Continuation of certification.

AUTHORITY: 26 U.S.C. 9036 and 9039(b).

SOURCE: 56 FR 34132, July 25, 1991 and 56 FR 35941, July 29, 1991, unless otherwise noted.

§ 9036.1 Threshold submission.

(a) *Time for submission of threshold submission.* At any time after January 1 of the year immediately preceding the Presidential election year, the candidate may submit a threshold submission for matching fund payments in accordance with the format for such submissions set forth in 11 CFR 9036.1(b). The candidate may submit the threshold submission simultaneously with or subsequent to his or her submission of the candidate agreement and certifications required by 11 CFR 9033.1 and 9033.2.

(b) *Format for threshold submission.* (1) For each State in which the candidate certifies that he or she has met the requirements of the certifications in 11 CFR 9033.2(b), the candidate shall submit an alphabetical list of contributors showing:

(i) Each contributor's full name and residential address;

(ii) The occupation and name of employer for individuals whose aggregate contributions exceed \$200 in an election cycle;

(iii) The date of deposit of each contribution into the designated campaign depository;

(iv) The full dollar amount of each contribution submitted for matching purposes;

(v) The matchable portion of each contribution submitted for matching purposes;

(vi) The aggregate amount of all matchable contributions from that contributor submitted for matching purposes;

(vii) A notation indicating which contributions were received as a result of joint fundraising activities.

(2) For each list of contributors generated directly or indirectly from computerized files or computerized records, the candidate shall submit computerized magnetic media, such as magnetic tapes or magnetic diskettes, containing the information required by 11 CFR 9036.1(b)(1) in accordance with 11 CFR 9033.12.

(3) The candidate shall submit a full-size photocopy of each check or written instrument and of supporting documentation in accordance with 11 CFR 9034.2 for each contribution that the candidate submits to establish eligibility for matching funds. For purposes of the threshold submission, the photocopies shall be segregated alphabetically by contributor within each State, and shall be accompanied by and referenced to copies of the relevant deposit slips. In lieu of submitting photocopies, the candidate may submit digital images of checks and other materials in accordance with the procedures specified in 11 CFR 9036.2(b)(1)(vi). Digital images of contributions do not need to be segregated alphabetically by contributor within each State.

(4) The candidate shall submit bank documentation, such as bank-validated deposit slips or unvalidated deposit slips accompanied by the relevant bank statements, which indicate that the contributions submitted were deposited into a designated campaign depository.

(5) For each State in which the candidate certifies that he or she has met the requirements to establish eligibility, the candidate shall submit a listing, alphabetically by contributor, of all checks returned by the bank to date as unpaid (e.g., stop payments,

Federal Election Commission

§ 9036.2

non-sufficient funds) regardless of whether the contribution was submitted for matching. This listing shall be accompanied by a full-size photocopy of each unpaid check, and copies of the associated debit memo and bank statement.

(6) For each State in which the candidate certifies that he or she has met the requirements to establish eligibility, the candidate shall submit a listing, in alphabetical order by contributor, of all contributions that were refunded to the contributor, regardless of whether the contributions were submitted for matching. For each refunded contribution, the listing shall state the contributor's full name and address, the deposit date and batch number, an indication of which matching fund submission the contribution was included in, if any, and the amount and date of the refund. The listing shall be accompanied by a full-sized photocopy of each refunded contributor check.

(7) In the case of a contribution made by a credit or debit card, including one made over the Internet, the candidate shall provide sufficient documentation to the Commission to insure that each such contribution was made by a lawful contributor who manifested an intention to make the contribution to the candidate or authorized committee that submits it for matching fund payments. Additional information on the documentation required to accompany such contributions is found in the Commission's Guideline for Presentation in Good Order. *See* 11 CFR 9033.1(b)(9).

(8) The candidate shall submit all contributions in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(9) Contributions that are not submitted in compliance with this section shall not count toward the threshold amount.

(c) *Threshold certification by Commission.* (1) After the Commission has determined under 11 CFR 9033.4 that the candidate has satisfied the eligibility and certification requirements of 11 CFR 9033.1 and 9033.2, the Commission will notify the candidate in writing that the candidate is eligible to receive primary matching fund payments as provided in 11 CFR part 9034.

(2) If the Commission makes a determination of a candidate's eligibility under 11 CFR 9036.1(a) in a Presidential election year, the Commission shall certify to the Secretary, within 10 calendar days after the Commission has made its determination, the amount to which the candidate is entitled.

(3) If the Commission makes a determination of a candidate's eligibility under 11 CFR 9036.1(a) in the year preceding the Presidential election year, the Commission will notify the candidate that he or she is eligible to receive matching fund payments; however, the Commission's determination will not result in a payment of funds to the candidate until after January 1 of the Presidential election year.

[56 FR 34132, July 25, 1991, as amended at 56 FR 35941, July 29, 1991; 64 FR 42585, Aug. 5, 1999; 64 FR 49365, Sept. 13, 1999; 68 FR 47420, Aug. 8, 2003]

§ 9036.2 Additional submissions for matching fund payments.

(a) *Time for submission of additional submissions.* The candidate may submit additional submissions for payments to the Commission on dates to be determined and published by the Commission. On the last two submission dates in the year prior to the election year and on each submission date after the beginning of the matching payment period, the candidate may not make more than one additional submission, and either one resubmission under 11 CFR 9036.5 or one corrected submission under 11 CFR 9036.2(c) or (d)(2), as appropriate.

(b) *Format for additional submissions.* The candidate may obtain additional matching fund payments subsequent to the Commission's threshold certification and payment of primary matching funds to the candidate by filing an additional submission for payment. All additional submissions for payments filed by the candidate shall be made in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(1) The first submission for matching funds following the candidate's threshold submission shall contain all the matchable contributions included in the threshold submission and any additional contributions to be submitted

§ 9036.2

11 CFR Ch. I (1-1-11 Edition)

for matching in that submission. This submission shall contain all the information required for the threshold submission except that:

(i) The candidate is not required to resubmit the candidate agreement and certifications of 11 CFR 9033.1 and 9033.2;

(ii) The candidate is required to submit an alphabetical list of contributors (either solely in magnetic media from or in both printed and magnetic media forms), but not segregated by State as required in the threshold submission;

(iii) The candidate is required to submit a listing, alphabetical by contributor, of all checks returned unpaid, but not segregated by State as required in the threshold submission;

(iv) The candidate is required to submit a listing, in alphabetical order by contributor, of all contributions refunded to the contributor but not segregated by State as required in the threshold submission.

(v) The occupation and employer's name need not be disclosed on the contributor list for individuals whose aggregate contributions exceed \$200 in the election cycle, but such information is subject to the recordkeeping and reporting requirements of 2 U.S.C. 432(c)(3), 434(b)(3)(A) and 11 CFR 102.9(a)(2), 104.3(a)(4)(i); and

(vi) The photocopies of each check or written instrument and of supporting documentation shall either be alphabetized and referenced to copies of the relevant deposit slip, but not segregated by State as required in the threshold submission; or such photocopies may be batched in deposits of 50 contributions or less and cross-referenced by deposit number and sequence number within each deposit on the contributor list. In lieu of submitting photocopies, the candidate may submit digital images of checks, written instruments and deposit slips as specified in the Computerized Magnetic Media Requirements. The candidate may also submit digital images of contributor redesignations, reattributions and supporting statements and materials needed to verify the matchability of contributions. The candidate shall provide the computer equipment and software needed to retrieve and read the digital images, if necessary, at no

cost to the Commission, and shall include digital images of every contribution received and imaged on or after the date of the previous matching fund request. Contributions and other documentation not imaged shall be submitted in photocopy form. The candidate shall maintain the originals of all contributor redesignations, reattributions and supporting statements and materials that are submitted for matching as digital images.

(vii) In the case of a contribution made by a credit or debit card, including one made over the Internet, the candidate shall provide sufficient documentation to the Commission to insure that each such contribution was made by a lawful contributor who manifested an intention to make the contribution to the candidate or authorized committee that submits it for matching fund payments. Additional information on the documentation required to accompany such contributions is found in the Commission's Guideline for Presentation in Good Order. *See* 11 CFR 9033.1(b)(9).

(2) Following the first submission under 11 CFR 9036.2(b)(1), candidates may request additional matching funds on dates prescribed by the Commission by making a full submission as required under 11 CFR 9036.2(b)(1). The amount requested for matching may include contributions received up to the last business day preceding the date of the request.

(c) *Additional submissions submitted in non-Presidential election year.* The candidate may submit additional contributions for review during the year preceding the presidential election year; however, the amount of each submission made during this period must exceed \$50,000. Additional submissions filed by a candidate in a non-Presidential election year will not result in payment of matching funds to the candidate until after January 1 of the Presidential election year. If the projected dollar value of the nonmatchable contributions exceeds 15% of the amount requested, the procedures described in 11 CFR 9036.2(d)(2) shall apply, unless the submission was made on the last submission date in December of the year before the Presidential election year.

(d) *Certification of additional payments by Commission.* (1) When a candidate who is eligible under 11 CFR 9033.4 submits an additional submission for payment in the Presidential election year, and before the candidate's date of ineligibility, the Commission will review the additional submission and will certify to the Secretary at least once a month on dates to be determined and published by the Commission, an amount to which the candidate is entitled in accordance with 11 CFR 9034.1(b). See 11 CFR 9036.4 for Commission procedures for certification of additional payments.

(2) After a candidate's date of ineligibility, the Commission will review each additional submission and resubmission, and will certify to the Secretary, at least once a month on dates to be determined and published by the Commission, an amount to which the ineligible candidate is entitled in accordance with 11 CFR 9034.1(b), unless the projected dollar value of the non-matchable contributions contained in the submission or resubmission exceeds 15% of the amount requested. In the latter case, the Commission will return the additional submission or resubmission to the candidate and request that it be corrected, unless the resubmission was made on the last date for resubmissions in September of the year following the Presidential election year. Corrected submissions and resubmissions will be reviewed by the Commission in accordance with 11 CFR 9036.4 and 9036.5. Submissions and resubmissions will not be considered to be corrected unless the projected dollar value of nonmatchable contributions has been reduced to no more than 15% of the amount requested.

[56 FR 34132, July 25, 1991; 56 FR 41891, Aug. 23, 1991; 60 FR 31885, June 16, 1995; 64 FR 42585, Aug. 5, 1999; 64 FR 49365, Sept. 13, 1999; 68 FR 47420, Aug. 8, 2003]

§ 9036.3 Submission errors and insufficient documentation.

Contributions which are otherwise matchable may be rejected for matching purposes because of submission errors or insufficient supporting documentation. Contributions, other than those defined in 11 CFR 9034.3 or in the form of money orders, cashier's checks,

or similar negotiable instruments, may become matchable if there is a proper resubmission in accordance with 11 CFR 9036.5 and 9036.6. Insufficient documentation or submission errors include but are not limited to:

(a) Discrepancies in the written instrument, such as:

(1) Instruments drawn on other than personal accounts of contributors and not signed by the contributing individual;

(2) Signature discrepancies; and

(3) Lack of the contributor's signature, the amount or date of the contribution, or the listing of the committee or candidate as payee.

(b) Discrepancies between listed contributions and the written instrument or supporting documentation, such as:

(1) The listed amount requested for matching exceeds the amount contained on the written instrument;

(2) A written instrument has not been submitted to support a listed contribution;

(3) The submitted written instrument cannot be associated either by accountholder identification or signature with the listed contributor; or

(4) A discrepancy between the listed contribution and the supporting bank documentation or the bank documentation is omitted.

(c) Discrepancies within or between contributor lists submitted, such as:

(1) The address of the contributor is omitted or incomplete or the contributor's name is alphabetized incorrectly, or more than one contributor is listed per item;

(2) A discrepancy in aggregation within or between submissions which results in a request that more than \$250 be matched for that contributor, or a listing of a contributor more than once within the same submission; or

(3) A written instrument has been previously submitted and matched in full or is listed twice in the same submission.

(d) The omission of information, supporting statements, or documentation required by 11 CFR 9034.2.

§ 9036.4

11 CFR Ch. I (1–1–11 Edition)

§ 9036.4 Commission review of submissions.

(a) *Non-acceptance of submission for review of matchability.* (1) The Commission will make an initial review of each submission made under 11 CFR part 9036 to determine if it substantially meets the format requirements of 11 CFR 9036.1(b) and 9036.2(b) and the Federal Election Commission's Guideline for Presentation in Good Order. If the Commission determines that a submission does not substantially meet these requirements, it will not review the matchability of the contributions contained therein.

(2) For submissions made in the year before the Presidential election year (other than submissions made on the last submission date in that year), and submissions made after the candidate's date of ineligibility, the Commission will stop reviewing the submission once the projected dollar value of non-matchable contributions exceeds 15% of the amount requested, as provided in 11 CFR 9036.2 (c) or (d), as applicable.

(3) Under either paragraphs (a)(1) or (a)(2) of this section, the Commission will return the submission to the candidate and request that it be corrected in accordance with the applicable requirements. If the candidate makes a corrected submission within 5 business days after the Commission's return of the original, the Commission will review the corrected submission prior to the next regularly scheduled submission date, and will certify to the Secretary the amount to which the candidate is entitled on the regularly scheduled certification date for the original submission. Corrected submissions made after this five-day period will be reviewed subsequent to the next regularly scheduled submission date, and the Commission will certify to the Secretary the amount to which the candidate is entitled on the next regularly scheduled certification date. Each corrected submission shall only contain contributions previously submitted for matching in the returned submission and no new or additional contributions.

(b) *Acceptance of submission for review of matchability.* If the Commission determines that a submission made under 11 CFR part 9036 satisfies the require-

ments of 11 CFR 9036.1(b) and 9036.2 (b), (c) and (d), and the Federal Election Commission's Guideline for Presentation in Good Order, it will review the matchability of the contributions contained therein. The Commission, in conducting its review, may utilize statistical sampling techniques. Based on the results of its review, the Commission may calculate a matchable amount for the submission which is less than the amount requested by the candidate. If the Commission certifies for payment to the Secretary an amount that is less than the amount requested by the candidate in a particular submission, or reduces the amount of a subsequent certification to the Secretary by adjusting a previous certification made under 11 CFR 9036.2(c)(1), the Commission will notify the candidate in writing of the following:

(1) The amount of the difference between the amount requested and the amount to be certified by the Commission;

(2) The amount of each contribution and the corresponding contributor's name for each contribution that the Commission has rejected as nonmatchable and the reason that it is not matchable; or if statistical sampling is used, the estimated amount of contributions by type and the reason for rejection;

(3) The amount of contributions that have been determined to be matchable and that the Commission will certify to the Secretary for payment; and

(4) A statement that the candidate may supply the Commission with additional documentation or other information in the resubmission of any rejected contribution under 11 CFR 9036.5 in order to show that a rejected contribution is matchable under 11 CFR 9034.2.

(c) *Adjustment of amount to be certified by Commission.* (1) The candidate shall notify the Commission as soon as possible if the candidate or the candidate's authorized committee(s) has knowledge that a contribution submitted for matching does not qualify under 11 CFR 9034.2 as a matchable contribution, such as a check returned to the committee for insufficient funds or a contribution that has been refunded, so

that the Commission may properly adjust the amount to be certified for payment.

(2) After the candidate's date of ineligibility, if the candidate does not receive the entire amount of matching funds on a regularly scheduled payment date due to a shortfall in the matching payment account, prior to each subsequent payment date on which the candidate receives payments from any previous certification, the Commission may revise the amount previously certified for payment pursuant to 11 CFR 9034.5(f). The Commission will promptly notify the Secretary and the candidate of any revision to the amount certified.

(d) *Commission audit of submissions.* The Commission may determine, for the reasons stated in 11 CFR part 9039, that an audit and examination of contributions submitted for matching payment is warranted. The audit and examination shall be conducted in accordance with the procedures of 11 CFR part 9039.

[56 FR 34133, July 25, 1991]

§ 9036.5 Resubmissions.

(a) *Alternative resubmission methods.* Upon receipt of the Commission's notice of the results of the submission review pursuant to 11 CFR 9036.4(b), or of an inquiry pursuant to 11 CFR 9039.3 that results in a downward adjustment to the amount of certified matching funds, a candidate may choose to:

(1) Resubmit the entire submission; or

(2) Make a written request for the identification of the specific contributions that were rejected for matching, and resubmit those specific contributions.

(b) *Time for presentation of resubmissions.* If the candidate chooses to resubmit any contributions under 11 CFR 9036.5(a), the contributions shall be resubmitted on dates to be determined and published by the Commission. The candidate may not make any resubmissions later than the first Tuesday in September of the year following the Presidential election year.

(c) *Format for resubmissions.* All resubmissions filed by the candidate shall be made in accordance with the Federal Election Commission's Guide-

line for Presentation in Good Order. In making a presentation of resubmitted contributions, the candidate shall follow the format requirements as specified in 11 CFR 9036.2(b)(1), except that:

(1) The candidate need not provide photocopies of written instruments, supporting documentation and bank documentation unless it is necessary to supplement the original documentation.

(2) Each resubmitted contribution shall be referenced to the submission in which it was first presented.

(3) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the original submission.

(4) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the resubmission.

(5) Each list of resubmitted contributions shall only contain contributions previously submitted for matching and no new or additional contributions.

(6) Each resubmission shall be accompanied by a statement that the candidate has corrected his or her contributor records (including the data base for those candidates maintaining their contributor list on computer).

(d) *Certification of resubmitted contributions.* Contributions that the Commission determines to be matchable will be certified to the Secretary at least once a month on dates to be determined and published by the Commission. If the candidate chooses to request the specific contributions rejected for matching pursuant to 11 CFR 9036.5(a)(2), the amount certified shall equal only the matchable amount of the particular contribution that meets the standards on resubmission, rather than the amount projected as being nonmatchable based on that contribution due to the sampling techniques used in reviewing the original submission.

(e) *Initial determinations.* If the candidate resubmits a contribution for matching and the Commission determines that the rejected contribution is still non-matchable, the Commission will notify the candidate in writing of its determination. The Commission

§ 9036.6

11 CFR Ch. I (1–1–11 Edition)

will advise the candidate of the legal and factual reasons for its determination and of the evidence on which that determination is based. The candidate may submit written legal or factual materials to demonstrate that the contribution is matchable within 30 calendar days after service of the Commission’s notice. Such materials may be submitted by counsel if the candidate so desires.

(f) *Final determinations.* The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination by the Commission that a contribution is not matchable will be accompanied by a written statement of reasons for the Commission’s action. This statement will explain the reasons underlying the Commission’s determination and will summarize the results of any investigation upon which the determination is based.

§ 9038.1 Audit.

(a) *General.* (1) The Commission will conduct an audit of the qualified campaign expenses of every candidate and his or her authorized committee(s) who received Presidential primary matching funds. The audit may be conducted at any time after the date of the candidate's ineligibility.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9038.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9038.2.

(b) *Conduct of fieldwork.* (1) If the candidate or the candidate's authorized committee does not maintain or use any computerized information containing the data listed in 11 CFR 9038.12, the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If

the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9038.12, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9038.12(b), the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding campaign obligations, or updating the amount chargeable to a state expenditure limit. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee and that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(i) *Office space and records.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9038.1(b)(6).

(ii) *Availability of committee personnel.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission

staff to answer questions and to aid in locating records.

(iii) *Failure to provide staff, records or office space.* If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9040(c) to enforce the candidate and committee agreement made under 11 CFR 9038.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have 10 calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreement.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement, within 10 calendar days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence or other information requested by the Commission, the Commission may issue an order pursuant to 2 U.S.C. 437d(a)(1) or a subpoena or subpoena duces tecum pursuant to 2 U.S.C. 437(d)(a)(3). The procedures set forth in 11 CFR 111.11 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the order, subpoena or subpoena duces tecum.

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) *Entrance conference.* At the outset of the fieldwork, Commission staff will

hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) *Review of records.* During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) *Exit conference.* At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations that the staff anticipates it will present to the Commission for approval. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these preliminary findings; the projected timetables regarding the issuance of the Preliminary Audit Report, the Audit Report, and any repayment determination; the committee's opportunity for an administrative review of any repayment determination; and the procedures involved in Commission repayment determinations under 11 CFR 9038.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9038.1(b) (1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee responses to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1);

Federal Election Commission

§ 9038.1

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9038.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9038.1(b) (1) and (2) shall apply to any additional fieldwork conducted.

(c) *Preliminary Audit Report: Issuance by Commission and committee response.*

(1) Commission staff will prepare a written Preliminary Audit Report, which will be provided to the committee after it is approved by an affirmative vote of four (4) members of the Commission. The Preliminary Audit Report may include—

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Election Campaign Fund Act and Commission regulations;

(ii) The accuracy of statements and reports filed with the Commission by the candidate and committee; and

(iii) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee may submit in writing within 60 calendar days after receipt of the Preliminary Audit Report, legal and factual materials disputing or commenting on the proposed findings contained in the Preliminary Audit Report. In addition, the committee shall submit any additional documentation requested by the Commission. Such materials may be submitted by counsel if the candidate so desires.

(d) *Approval and issuance of audit report.* (1) Before voting on whether to issue and approve an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her authorized committee in accordance with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Preliminary Audit Report. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9038.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 2 U.S.C. 437g and 11 CFR part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph (b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d) (1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) *Public release of audit report.* (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f)(1) *Sampling.* In conducting an audit of contributions pursuant to this section, the Commission may utilize generally accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding concerning excessive or prohibited contributions shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any

§ 9038.2

apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or (3); or take any other action required by the Commission with respect to sample-based findings.

§ 9038.2 Repayments.

(a) *General.* (1) A candidate who has received payments from the matching payment account shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9038.1 and part 9039 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the close of the matching payment period. The Commission's issuance of the audit report to the candidate under 11 CFR 9038.1(d) will constitute notification for purposes of this section.

(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owned by the committee.

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 9035.2), contributions and federal funds in the committee's account(s), and any addi-

11 CFR Ch. I (1-1-11 Edition)

tional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) *Bases for repayment*—(1) *Payments in excess of candidate's entitlement.* The Commission may determine that certain portions of the payments made to a candidate from the matching payment account were in excess of the aggregate amount of payments to which such candidate was entitled. Examples of such excessive payments include, but are not limited to, the following:

(i) Payments made to the candidate after the candidate's date of ineligibility where it is later determined that the candidate had no net outstanding campaign obligations as defined in 11 CFR 9034.5;

(ii) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the operation of the Commission's expedited payment procedures as set forth in the Federal Election Commission's Guideline for Presentation in Good Order;

(iii) Payments or portions of payments made on the basis of matched contributions later determined to have been non-matchable;

(iv) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the candidate's failure to include funds received by a fundraising representative committee under 11 CFR 9034.8 on the candidate's statement of net outstanding campaign obligations under 11 CFR 9034.5; and

(v) Payments or portions of payments made to the candidate on the basis of the debts reflected in the candidate's statement of net outstanding campaign obligations, which debts are later settled for an amount less than that stated in the statement of net outstanding campaign obligations.

(2) *Use of funds for non-qualified campaign expenses.* (i) The Commission may determine that amount(s) of any payments made to a candidate from the matching payment account were used for purposes other than those set forth in paragraphs (b)(2)(i) (A)–(C) of this section:

(A) Defrayal of qualified campaign expenses;

Federal Election Commission

§ 9038.2

(B) Repayment of loans which were used to defray qualified campaign expenses; and

(C) Restoration of funds (other than contributions which were received and expended to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9038.2(b)(2) include, but are not limited to, the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agents have made expenditures in excess of the limitations set forth in 11 CFR part 9035;

(B) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended in violation of State or Federal law;

(C) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended for expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties; and

(D) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended for costs associated with continuing to campaign after the candidate's date of ineligibility.

(iii) The amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of matching funds certified to the candidate bears to the candidate's total deposits, as of 90 days after the candidate's date of ineligibility. For the purposes of this paragraph (b)(2)(iii)—

(A) Total deposits is defined in accordance with 11 CFR 9038.3(c)(2); and

(B) In seeking repayment for non-qualified campaign expenses from committees that have received matching fund payments after the candidate's date of ineligibility, the Commission will review committee expenditures to determine at what point committee accounts no longer contain matching funds. In doing this, the Commission will review committee expenditures from the date of the last matching fund payment to which the candidate was entitled, using the assumption that the

last payment has been expended on a last-in, first-out basis.

(iv) Repayment determinations under 11 CFR 9038.2(b)(2) will include all non-qualified campaign expenses paid before the point when committee accounts no longer contain matching funds, including non-qualified campaign expenses listed on the candidate's statement of net outstanding campaign obligations that may result in a separate repayment determination under 11 CFR 9038.2(b)(1).

(v) If a candidate or a candidate's authorized committee(s) exceeds both the overall expenditure limitation and one or more State expenditure limitations, as set forth at 11 CFR 9035.1(a), the repayment determination under 11 CFR 9038.2(b)(2)(ii)(A) shall be based on only the larger of either the amount exceeding the State expenditure limitation(s) or the amount exceeding the overall expenditure limitation.

(3) *Failure to provide adequate documentation.* The Commission may determine that amount(s) spent by the candidate, the candidate's authorized committee(s), or agents were not documented in accordance with 11 CFR 9033.11. The amount of any repayment sought under this section shall be determined by using the formula set forth in 11 CFR 9038.2(b)(2)(iii).

(4) The Commission may determine that the candidate's net outstanding campaign obligations, as defined in 11 CFR 9034.5, reflect a surplus. The Commission may determine that the net income derived from an investment or other use of surplus public funds after the candidate's date of ineligibility, less Federal, State and local taxes paid on such income, shall be paid to the Treasury.

(c) *Repayment determination procedures.* The Commission's repayment determination will be made in accordance with the procedures set forth at paragraphs (c)(1) through (c)(4) of this section.

(1) *Repayment determination.* The Commission will provide the candidate with a written notice of its repayment determination(s). This notice will be included in the Commission's audit report prepared pursuant to 11 CFR 9038.1(d), or inquiry report pursuant to 11 CFR 9039.3, and will set forth the

legal and factual reasons for such determination(s), as well as the evidence upon which any such determination is based. The candidate shall repay to the United States Treasury in accordance with paragraph (d) of this section, the amount which the Commission has determined to be repayable.

(2) *Administrative review of repayment determination.* If a candidate disputes the Commission's repayment determination(s), he or she may request an administrative review of the determination(s) as set forth in paragraph (c)(2)(i) of this section.

(i) *Submission of written materials.* A candidate who disputes the Commission's repayment determination(s) shall submit in writing, within 60 calendar days after service of the Commission's notice, legal and factual materials demonstrating that no repayment, or a lesser repayment, is required. Such materials may be submitted by counsel if the candidate so desires. The candidate's failure to timely raise an issue in written materials presented pursuant to this paragraph will be deemed a waiver of the candidate's right to raise the issue at any future stage of proceedings including any petition for review filed under 26 U.S.C. 9041(a).

(ii) *Oral hearing.* A candidate who submits written materials pursuant to paragraph (c)(2)(i) of this section may at the same time request in writing that the Commission provide such candidate with an opportunity to address the Commission in open session to demonstrate that no repayment, or a lesser repayment, is required. The candidate should identify in this request the repayment issues he or she wants to address at the oral hearing. If the Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral hearing. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under paragraph (c)(2)(ii) of this section. The candidate or representative will also have the opportunity to

answer any questions from individual members of the Commission.

(3) *Repayment determination upon review.* In deciding whether to revise any repayment determination(s) following an administrative review pursuant to paragraph (c)(2) of this section, the Commission will consider any submission made under paragraph (c)(2)(i) and any oral hearing conducted under paragraph (c)(2)(ii), and may also consider any new or additional information from other sources. A determination following an administrative review that a candidate must repay a certain amount will be accompanied by a written statement of reasons supporting the Commission's determination(s). This statement will explain the legal and factual reasons underlying the Commission's determination(s) and will summarize the results of any investigation(s) upon which the determination(s) are based.

(d) *Repayment period.* (1) Within 90 calendar days of service of the notice of the Commission's repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(2) If the candidate requests an administrative review of the Commission's repayment determination(s) under paragraph (c)(2) of this section, the time for repayment will be suspended until the Commission has concluded its administrative review of the repayment determination(s). Within 30 calendar days after service of the notice of the Commission's post-administrative review repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(3) Interest shall be assessed on all repayments made after the initial 90-day repayment period established at paragraph (d)(1) of this section or the 30-day repayment period established at

Federal Election Commission

§ 9038.4

paragraph (d)(2) of this section. The amount of interest due shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

(e) *Computation of time.* The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) *Additional repayments.* Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9038.2(b) after it has made a repayment determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) *Newly-discovered assets.* If, after any repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding campaign obligations submitted pursuant to 11 CFR 9034.5, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding campaign obligations. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9038.2(f).

(h) *Petitions for rehearing; stays pending appeal.* The candidate may file a petition for rehearing of a repayment determination in accordance with 11 CFR 9038.5(a). The candidate may request a stay of a repayment determination in accordance with 11 CFR 9038.5(c) pending the candidate's appeal of that repayment determination.

[56 FR 35945, July 29, 1991, as amended at 60 FR 31886, June 16, 1995; 60 FR 57538, 57539, Nov. 16, 1995; 61 FR 69020, Dec. 31, 1996; 68 FR 47421, Aug. 8, 2003]

§ 9038.3 Liquidation of obligations; repayment.

(a) The candidate may retain amounts received from the matching payment account for a period not exceeding 6 months after the matching payment period to pay qualified campaign expenses incurred by the candidate.

(b) After all obligations have been liquidated, the candidate shall so inform the Commission in writing.

(c)(1) If on the last day of candidate eligibility the candidate's net outstanding campaign obligations, as defined in 11 CFR 9034.5, reflect a surplus, the candidate shall within 30 calendar days of the ineligibility date repay to the Secretary an amount which represents the amount of matching funds contained in the candidate's surplus. The amount shall be an amount equal to that portion of the surplus which bears the same ratio to the total surplus that the total amount received by the candidate from the matching payment account bears to the total deposits made to the candidate's accounts.

(2) For purposes of this subsection, total deposits means all deposits to all candidate accounts minus transfers between accounts, refunds, rebates, reimbursements, checks returned for insufficient funds, proceeds of loans and other similar amounts.

(3) Notwithstanding the payment of any amounts to the United States Treasury under this section, the Commission may make surplus repayment determination(s) which require repayment in accordance with 11 CFR 9038.2.

§ 9038.4 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9038 shall not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR part 9038 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

§ 9038.5

11 CFR Ch. I (1–11 Edition)

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely manner. The length of time of any extension granted hereunder will be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application. If a candidate seeks an extension of any 60-day response period under 11 CFR part 9038, the Commission may grant no more than one extension to that candidate, which extension shall not exceed 15 days.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9038 the Commission may, on the candidate's showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9038.

[56 FR 35945, July 29, 1991, as amended at 60 FR 31887, June 16, 1995]

§ 9038.5 Petitions for rehearing; stays of repayment determinations.

(a) *Petitions for rehearing.* (1) Following the Commission's final determination under 11 CFR 9033.10 or 9034.5(g) or the Commission's repayment determination under 11 CFR 9038.2(c), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(i) Be filed within 20 calendar days after service of the Commission's final determination or repayment determination;

(ii) Raise new questions of law or fact that would materially alter the Com-

mission's final determination or repayment determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the original determination process.

(2) If a candidate files a timely petition under this section challenging a Commission repayment determination, the time for repayment of the amount at issue will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9038.2(d) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) *Effect of failure to raise issues.* The candidate's failure to raise an argument in a timely fashion during the original determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9041(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's original determination.

(c) *Stay of repayment determination pending appeal.* (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9038.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9041(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) of this section, or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's repayment determination under 11 CFR 9038.2(c).

(2) The Commission's approval of a stay request will be conditioned upon the candidate's presentation of evidence in the stay request that he or she:

Federal Election Commission

§ 9038.7

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's repayment determination under 11 CFR 9038.2(c) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

§ 9038.6 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such out-

standing checks, payable to the United States Treasury.

§ 9038.7 Administrative record.

(a) The Commission's administrative record for final determinations under 11 CFR part 9033, sections 9034.5, 9036.5 and part 9039, and for repayment determinations under 11 CFR 9038.2, consists of all documents or materials submitted to the Commission for its consideration in making those determinations. The administrative record will include the certification of the Commission's vote(s), the audit report that is sent to the committee (for repayment determinations), the statement(s) of reasons, and the candidate agreement. The committee may include documents or materials in the administrative record by submitting them within the time periods set forth at 11 CFR 9033.3(b), 9033.4(a)(2), 9033.6(c), 9033.7(b), 9033.9(b), 9034.5(g)(2), 9036.5(e), 9038.1(c) and 9038.2(c)(2), as appropriate.

(b) The Commission's administrative record for determinations under 11 CFR part 9033, sections 9034.5, 9036.5 and 9038.2 and part 9039 does not include:

(1) Documents and materials in the files of individual Commissioners or employees of the Commission that do not constitute a basis for the Commission's decisions because they were not circulated to the Commission and were not referenced in documents that were circulated to the Commission;

(2) Transcripts or audio tapes of Commission discussions other than transcripts or audio tapes of oral hearings pursuant to 11 CFR 9038.2(c)(2), although such transcripts or tapes may be made available under 11 CFR parts 4 or 5; or

(3) Documents properly subject to privileges such as an attorney-client privilege, or items constituting attorney work product.

(c) The administrative record identified in paragraph (a) of this section is the exclusive record for the Commission's determinations under 11 CFR part 9033, §§ 9034.5, 9036.5 and 9038.2 and part 9039.

PART 9039—REVIEW AND INVESTIGATION AUTHORITY

Sec.

9039.1 Retention of books and records.

9039.2 Continuing review.

9039.3 Examinations and audits; investigations.

AUTHORITY: 26 U.S.C. 9039.

SOURCE: 56 FR 35949, July 29, 1991, unless otherwise noted.

§ 9039.1 Retention of books and records.

The candidate and his or her authorized committee(s) shall keep all books, records and other information required under 11 CFR 9033.11, 9034.2 and part 9036 for a period of three years pursuant to 11 CFR 102.9(c) and shall furnish such books, records and information to the Commission on request.

§ 9039.2 Continuing review.

(a) In reviewing candidate submissions made under 11 CFR part 9036 and in otherwise carrying out its responsibilities under this subchapter, the Commission may routinely consider information from the following sources:

(1) Any and all materials and communications which the candidate and his or her authorized committee(s) submit or provide under 11 CFR part 9036 and in response to inquiries or requests of the Commission and its staff;

(2) Disclosure reports on file with the Commission; and

(3) Other publicly available documents.

(b) In carrying out the Commission's responsibilities under this subchapter, Commission staff may contact representatives of the candidate and his or her authorized committee(s) to discuss questions and to request documentation concerning committee activities and any submission made under 11 CFR part 9036.

§ 9039.3 Examination and audits; investigations.

(a) *General.* (1) The Commission will consider information obtained in its continuing review under 11 CFR 9039.2 in making any certification, determination or finding under this subchapter. If the Commission decides by an affirmative vote of four of its mem-

bers that additional information must be obtained in connection with any such certification, determination or finding, it will conduct a further inquiry. A decision to conduct an inquiry under this section may be based on information that is obtained under 11 CFR 9039.2, received by the Commission from outside sources, or otherwise ascertained by the Commission in carrying out its supervisory responsibilities under the Presidential Primary Matching Payment Account Act and the Federal Election Campaign Act.

(2) An inquiry conducted under this section may be used to obtain information relevant to candidate eligibility, matchability of contributions and repayments to the United States Treasury. Information obtained during such an inquiry may be used as the basis, or partial basis, for Commission certifications, determinations and findings under 11 CFR parts 9033, 9034, 9036 and 9038. Information thus obtained may also be the basis of, or be considered in connection with, an investigation under 2 U.S.C. 437g and 11 CFR part 111.

(3) Before conducting an inquiry under this section, the Commission will attempt to obtain relevant information under the continuing review provisions of 11 CFR 9039.2. Matching payments will not be withheld pending the results of an inquiry under this section unless the Commission finds patent irregularities suggesting the possibility of fraud in materials submitted by, or in the activities of, the candidate or his or her authorized committee(s).

(b) *Procedures.* (1) The Commission will notify the candidate of its decision to conduct an inquiry under this section. The notice will summarize the legal and factual basis for the Commission's decision.

(2) The Commission's inquiry may include, but is not limited to, the following:

(vi) Production of documents under subpoena;

(vii) Depositions.

(3) The provisions of 2 U.S.C. 437g and 11 CFR part 111 will not apply to inquiries conducted under this section except that the provisions of 11 CFR 111.12 through 111.15 shall apply to any orders or subpoenas issued by the Commission.

(4) If, at the close of the inquiry, the Commission determines that no action or no further action is warranted, the

Commission shall so notify the candidate. If the inquiry results in an adjustment to the amount of certified matching funds, the procedures set forth at 11 CFR 9036.5 or 9038.1 shall be followed, as appropriate. If the inquiry coincides with an audit undertaken pursuant to 11 CFR 9038.1, the information obtained in the inquiry will be utilized in making the repayment determination. If the inquiry results in an initial or additional repayment determination, the procedures set forth at 11 CFR 9038.2, 9038.4, and 9038.5 shall be followed.
