

§ 3.15

12 CFR Ch. I (1–1–11 Edition)

B of this part, in a decision pursuant to subpart C of this part, in a written agreement or temporary or final order under 12 U.S.C. 1818 (b) or (c), or in a condition for approval of an application, or a bank that has failed to submit or comply with an acceptable plan to attain those ratios, will be subject to such administrative action or sanctions as the OCC considers appropriate. These sanctions may include the issuance of a Directive pursuant to subpart E of this part or other enforcement action, assessment of civil money penalties, and/or the denial, conditioning, or revocation of applications. A national bank's failure to achieve or maintain minimum capital ratios in § 3.6 (a) or (b) may also be the basis for an action by the Federal Deposit Insurance Corporation to terminate federal deposit insurance. See 12 CFR 325.4.

Subpart E—Issuance of a Directive

§ 3.15 Purpose and scope.

This subpart is applicable to proceedings by the Office to issue a directive under 12 U.S.C. 3907(b)(2). A directive is an order issued to a bank that does not have or maintain capital at or above the minimum ratios set forth in § 3.6, or established for the bank under subpart C, by a written agreement under 12 U.S.C. 1818(b), or as a condition for approval of an application. A directive may order the bank to:

- (a) Achieve the minimum capital ratios applicable to it by a specified date;
- (b) Adhere to a previously submitted plan to achieve the applicable capital ratios;
- (c) Submit and adhere to a plan acceptable to the Office describing the means and time schedule by which the bank shall achieve the applicable capital ratios;
- (d) Take other action, such as reduction of assets or the rate of growth of assets, or restrictions on the payment of dividends, to achieve the applicable capital ratios; or
- (e) A combination of any of these or similar actions.

A directive issued under this rule, including a plan submitted under a directive, is enforceable in the same manner

and to the same extent as an effective and outstanding cease and desist order which has become final as defined in 12 U.S.C. 1818(k). Violation of a directive may result in assessment of civil money penalties in accordance with 12 U.S.C. 3909(d).

§ 3.16 Notice of intent to issue a directive.

The Office will notify a bank in writing of its intention to issue a directive. The notice will state:

- (a) Reasons for issuance of the directive; and
- (b) The proposed contents of the directive.

§ 3.17 Response to notice.

(a) A bank may respond to the notice by stating why a directive should not be issued and/or by proposing alternative contents for the directive. The response should include any matters which the bank would have the Office consider in deciding whether to issue a directive and/or what the contents of the directive should be. The response may include a plan for achieving the minimum capital ratios applicable to the bank. The response must be in writing and delivered to the designated OCC official within 30 days after the date on which the bank received the notice. The Office may shorten the 30-day time period:

- (1) When, in the opinion of the Office, the condition of the bank so requires, provided that the bank shall be informed promptly of the new time period;
- (2) With the consent of the bank; or
- (3) When the bank already has advised the Office that it cannot or will not achieve its applicable minimum capital ratios. In its discretion, the Office may extend the time period for good cause.

(b) Failure to respond within 30 days or such other time period as may be specified by the Office shall constitute a waiver of any objections to the proposed directive.

§ 3.18 Decision.

After the closing date of the bank's response period, or receipt of the bank's response, if earlier, the Office will consider the bank's response, and

may seek additional information or clarification of the response. Thereafter, the Office will determine whether or not to issue a directive, and if one is to be issued, whether it should be as originally proposed or in modified form.

§ 3.19 Issuance of a directive.

(a) A directive will be served by delivery to the bank. It will include or be accompanied by a statement of reasons for its issuance.

(b) A directive is effective immediately upon its receipt by the bank, or upon such later date as may be specified therein, and shall remain effective and enforceable until it is stayed, modified, or terminated by the Office.

§ 3.20 Change in circumstances.

Upon a change in circumstances, a bank may request the Office to reconsider the terms of its directive or may propose changes in the plan to achieve the bank's applicable minimum capital ratios. The Office also may take such action on its own motion. The Office may decline to consider requests or proposals that are not based on a significant change in circumstances or are repetitive or frivolous. Pending a decision on reconsideration, the directive and plan shall continue in full force and effect.

§ 3.21 Relation to other administrative actions.

A directive may be issued in addition to, or in lieu of, any other action authorized by law, including cease and desist proceedings, civil money penalties, or the conditioning or denial of applications. The Office also may, in its discretion, take any action authorized by law, in lieu of a directive, in response to a bank's failure to achieve or maintain the applicable minimum capital ratios.

INTERPRETATIONS

§ 3.100 Capital and surplus.

For purposes of determining statutory limits that are based on the amount of bank's *capital* and/or *surplus*, the provisions of this section are to be used, rather than the definitions of capital contained in § 3.2.

(a) *Capital*. The term *capital* as used in provisions of law relating to the capital of national banking associations shall include the amount of common stock outstanding and unimpaired plus the amount of perpetual preferred stock outstanding and unimpaired.

(b) *Capital Stock*. The term *capital stock* as used in provisions of law relating to the capital stock of national banking associations, other than 12 U.S.C. 101, 177 and 178, shall have the same meaning as the term *capital* set forth in paragraph (a) of this section.

(c) *Surplus*. The term *surplus* as used in provisions of law relating to the surplus of national banking associations means the sum of paragraphs (c) (1), (2), (3) and (4) of this section:

(1) Capital surplus; undivided profits; reserves for contingencies and other capital reserves (excluding accrued dividends on perpetual and limited life preferred stock); net worth certificates issued pursuant to 12 U.S.C. 1823(i); minority interests in consolidated subsidiaries; and allowances for loan and lease losses; minus intangible assets;

(2) Mortgage servicing assets;

(3) Mandatory convertible debt to the extent of 20% of the sum of paragraphs (a) and (c) (1) and (2) of this section;

(4) Other mandatory convertible debt, limited life preferred stock and subordinated notes and debentures to the extent set forth in paragraph (f)(2) of this section.

(d) *Unimpaired Surplus Fund*. The term *unimpaired surplus fund* as used in provisions of law relating to the unimpaired surplus fund of national banking associations shall have the same meaning as the term *surplus* set forth in paragraph (c) of this section.

(e) *Definitions*. (1) *Allowance for loan and lease losses* means the balance of the valuation reserve on December 31, 1968, plus additions to the reserve charged to operations since that date, less losses charged against the allowance net of recoveries.

(2) *Capital surplus* means the total of those accounts reflecting:

(i) Amounts paid in in excess of the par or stated value of capital stock;

(ii) Amounts contributed to the bank other than for capital stock;
