

§ 367.18

Department of Justice requests its extension in writing. In such cases, the suspension may be extended for an additional six months. In no event may a suspension be imposed for more than 18 months, unless such proceedings have been initiated within that period.

(3) FDIC shall notify the Department of Justice of an impending termination of a suspension at least 30 days before the 12-month period expires to give the Department of Justice an opportunity to request an extension.

(4) The time limitations for suspension in this section may be waived by the affected contractor.

(b) *Exclusions.* (1) Exclusions shall be for a period commensurate with the seriousness of the cause(s) after due consideration of mitigating evidence presented by the contractor.

(2) If a suspension precedes an exclusion, the suspension period shall be considered in determining the exclusion period.

(3) Exclusion for causes other than the mandatory bars in 12 CFR 366.4(a) generally should not exceed three years, but where circumstances warrant, a longer period of exclusion may be imposed.

(4) The Ethics Counselor may extend an existing exclusion for an additional period if the Ethics Counselor determines that an extension is necessary to protect the integrity of the FDIC contracting program and the public interest. However, an exclusion may not be extended solely on the basis of the facts and circumstances upon which the initial exclusion action was based. The standards and procedures in this part shall be applied in any proceeding to extend an exclusion.

§ 367.18 Abrogation of contracts.

(a) The FDIC may, in its discretion, rescind or terminate any contract in existence at the time a contractor is suspended or excluded.

(b) Any contract not rescinded or terminated shall continue in force in accordance with the terms thereof.

(c) The right to rescind or terminate a contract in existence is cumulative and in addition to any other remedies or rights the FDIC may have under the terms of the contract, at law, or otherwise.

12 CFR Ch. III (1–11 Edition)

§ 367.19 Exceptions to suspensions and exclusions.

(a) Exceptions to the effects of suspensions and exclusions may be available in unique circumstances, where there are compelling reasons to utilize a particular contractor for a specific task. Requests for such exceptions may be submitted only by the FDIC program office requesting the contract services.

(b) In the case of the modification or extension of an existing contract, the Ethics Counselor may except such a contracting action from the effects of suspension and/or exclusion upon a determination, in writing, that a compelling reason exists for utilization of the contractor in the particular instance. The Ethics Counselor's authority under this section shall not be delegated to any lower official.

(c) In the case of new contracts, the Corporation Ethics Committee may except a particular new contract from the effects of suspension and/or exclusion upon a determination in writing that a compelling reason exists for utilization of the contractor in the particular instance.

§ 367.20 Review and reconsideration of Ethics Counselor decisions.

(a) *Review.* (1) A suspended and/or excluded contractor may appeal the exclusion decision to the Corporation Ethics Committee.

(2) In order to avail itself of the right to appeal, a suspended and/or excluded contractor must file a written notice of intent to appeal within 5 days of the Ethics Counselor's decision.

(3) The appeal shall be filed in writing within 30 days of the decision.

(4) The Corporation Ethics Committee, at its discretion and after determining that it is in the best interests of the FDIC, may stay the effect of the suspension and/or exclusion pending conclusion of its review of the matter.

(b) *Reconsideration.* (1) A suspended and/or excluded contractor may submit a request to the Ethics Counselor to reconsider the suspension and/or exclusion decision, reduce the period of exclusion or terminate the suspension and/or exclusion.

(ii) Newly discovered material evidence;

(iii) Bona fide change in ownership or management;

(iv) Elimination of other causes for which the suspension and/or exclusion was imposed; or
