Farm Credit Administration

§615.5280

(c) A bank, association, or service corporation board of directors may delegate authority to retire at-risk stock to institution management if:

(1) The board has determined that the institution’s capital position is adequate;

(2) All retirements are in accordance with the institution’s capital adequacy plan or capital restoration plan;

(3) The institution’s permanent capital ratio will be in excess of 9 percent after any retirements;

(4) The institution will continue to satisfy all applicable minimum surplus and collateral standards after any retirements; and

(5) Management reports the aggregate amount and net effect of stock purchases and retirements to the board of directors each quarter.

d) Each board of directors of a bank, association, or service corporation that issues preferred stock must adopt a written policy covering the retirement of preferred stock. The policy must, at a minimum:

(1) Establish any delegations of authority to retire preferred stock and the conditions of delegation, which must meet the requirements of paragraph (c) of this section and include minimum levels for total surplus and core surplus commensurate with the volatility of the preferred stock.

(2) Identify limitations on the amount of stock that may be retired during a single quarterly (or shorter) time period;

(3) Ensure that all stockholder requests for retirement are treated fairly and equitably;

(4) Prohibit any insider, including institution officers, directors, employees, or agents, from retiring any preferred stock in advance of the release of material non-public information concerning the institution to other stockholders; and

(5) Establish when insiders may retire their preferred stock.

e) The institution’s board must review its policy at least annually to ensure that it continues to be appropriate for the institution’s current financial condition and consistent with its long-term goals established in its capital adequacy plan.

§615.5280 Retirement in event of default.

(a) When the debt of a holder of eligible borrower stock issued by a production credit association, Federal land bank association, Federal land credit association or agricultural credit association is in default, such institution may, but shall not be required to, retire at par eligible borrower stock owned by such borrower on which the institution has a lien, in total or partial liquidation of the debt.

(b) When the debt of a holder of stock, participation certificates or other equities issued by a production credit association, Federal land bank association, Federal land credit association or agricultural credit association is in default, such institution may, but shall not be required to, retire at par not to exceed all or part of such equities, other than eligible borrower stock as defined in §615.5260(a)(1), owned by such borrower on which the institution has a lien, in total or partial liquidation of the debt.

(c) When the debt of a holder of equities or guaranty fund certificates issued by a bank for cooperatives or agricultural credit bank is in default, the bank may, but shall not be required to, retire all or part of such equities qualify or guaranty fund investments owned by the borrower on which the bank has a lien, in total or partial liquidation of the debt. If such investments qualify as eligible borrower stock, it shall be retired at par, as defined in §615.5260(a)(3). All other investments shall be retired at a rate determined by the institution to reflect its present value on the date of retirement.

(d) When the debt of a holder of the equities of a Farm Credit Bank or agricultural credit bank is in default the bank may, but shall not be required to, retire all or part of such equities owned by the borrower on which the bank has a lien, in total or partial liquidation of the debt. If such equities qualify as eligible borrower stock or are retired...
§ 615.5290 Retirement of capital stock and participation certificates in event of restructuring.

(a) If a Farm Credit Bank or agricultural credit bank forgives and writes off, under §617.7415, any of the principal outstanding on a loan made to any borrower, where appropriate the Federal land bank association of which the borrower is a member and stockholder shall cancel the same dollar amount of borrower stock held by the borrower in respect of the loan, up to the total amount of such stock, and to the extent provided for in the bylaws of the Bank relating to its capitalization, the Farm Credit Bank or agricultural credit bank shall retire an equal amount of stock owned by the Federal land bank association.

(b) If a production credit association or merged association forgives and writes off, under §617.7415, any of the principal outstanding on a loan made to any borrower, the association shall cancel the same dollar amount of borrower stock held by the borrower in respect of the loan, up to the total amount of such loan.

(c) Notwithstanding paragraphs (a) and (b) of this section, the borrower shall be entitled to retain at least one share of stock to maintain the borrower’s membership and voting interest.

§ 615.5295 Payment of dividends.

(a) The board of directors of a bank, association, or service corporation must declare a dividend on a class of stock before any dividends may be paid to stockholders.

(b) No bank, association, or service corporation may declare or pay any dividend unless after declaration or payment of the dividend the institution would continue to meet its regulatory capital standards under this part.

(c) Each bank, association, and service corporation must exclude any accrued but unpaid dividends from regulatory capital computations under this part.
