

Subpart C—Quarterly Report

§ 620.10 Preparing the quarterly report.

(a) Each institution of the Farm Credit System must:

(1) Prepare and send, to the Farm Credit Administration, an electronic copy of its quarterly report within 40 calendar days after the end of each fiscal quarter, except that no report need be prepared for the fiscal quarter that coincides with the end of the fiscal year of the institution; and

(2) Publish a copy of its quarterly report on its Web site when it electronically sends the report to the Farm Credit Administration.

(b) The report shall contain, at a minimum, the information specified in § 620.11 and, in addition, such other material information (including significant events) as is necessary to make the required disclosures, in light of the circumstances under which they are made, not misleading.

[62 FR 15093, Mar. 31, 1997, as amended at 71 FR 76120, Dec. 20, 2006; 74 FR 28600, June 17, 2009]

§ 620.11 Content of quarterly report to shareholders.

(a) *General.* The information required to be included in the quarterly report may be presented in any format deemed suitable by the institution, except as otherwise required by this section. The report must be organized in an easily understandable format and not presented in a manner that is misleading.

(b) *Rules for condensation.* For purposes of this section, major captions to be provided in the financial statements are the same as those provided in the financial statements contained in the institution's annual report to shareholders, except that the financial statements included in the quarterly report may be condensed into major captions in accordance with the rules prescribed under this paragraph and paragraph (f) of this section.

(1) *Interim balance sheets.* When any major balance sheet caption is less than 10 percent of total assets and the amount in the caption has not increased or decreased by more than 25 percent since the end of the preceding

fiscal year, the caption may be combined with others.

(2) *Interim statements of income.* When any major income statement caption is less than 15 percent of average net income for the 3 most recent fiscal years and the amount in the caption has not increased or decreased by more than 20 percent since the corresponding interim period of the preceding fiscal year, the caption may be combined with others. In calculating average net income, loss years should be excluded. If losses were incurred in each of the 3 most recent fiscal years, the average loss shall be used for purposes of this test.

(3) The interim financial information shall include disclosure either on the face of the financial statements or in accompanying footnotes sufficient to make the interim information presented not misleading. Institutions may presume that users of the interim financial information have read or have access to the audited financial statements for the preceding fiscal year and the adequacy of additional disclosure needed for a fair presentation may be determined in that context. Accordingly, footnote disclosure that would substantially duplicate the disclosure contained in the most recent audited financial statements (such as a statement of significant accounting policies and practices), and details of accounts that have not changed significantly in amount or composition since the end of the most recent completed fiscal year may be omitted. However, disclosure shall be provided of events occurring subsequent to the end of the most recent fiscal year that have a material impact on the institution. Disclosures should encompass, for example, significant changes since the end of the most recently completed fiscal year in such items as accounting principles and practices; estimates inherent in the preparation of financial statements; status of long-term contracts; capitalization, including significant new indebtedness or modification of existing financing agreements; and the reporting entity resulting from business combinations or dispositions.

(4) The interim financial statements furnished shall reflect all adjustments that are, necessary to a fair statement
