(a) Federal credit unions may offer share, share draft, and share certificate accounts in accordance with section 107(6) of the Act (12 U.S.C. 1757(6)) and the board of directors may declare dividends on such accounts as provided in section 117 of the Act (12 U.S.C. 1763).

(b) A Federal credit union shall accurately represent the terms and conditions of its share, share draft, and share certificate accounts in all advertising, disclosures, or agreements, whether written or oral.

(c) A Federal credit union may, consistent with this section, parts 707 and 740 of this subchapter, other federal law, and its contractual obligations, determine the types of fees or charges and other matters affecting the opening, maintaining and closing of a share, share draft or share certificate account. State laws regulating such activities are not applicable to federal credit unions.

§ 701.36 FCU ownership of fixed assets.

(a) Investment in Fixed Assets. (1) No Federal credit union with $1,000,000 or more in assets may invest in any fixed assets if the investment would cause the aggregate of all such investments to exceed five percent of the credit union’s shares and retained earnings.

(2) The NCUA may waive the prohibition in paragraph (a)(1) of this section.

(i) A Federal credit union desiring a waiver must submit a written request to the NCUA regional office having jurisdiction over the geographical area in which the credit union’s main office is located. The request must describe in detail the contemplated investment and the need for the investment. The request must also indicate the approximate aggregate amount of fixed assets, as a percentage of shares and retained earnings, that the credit union would hold after the investment.

(ii) The regional director will inform the requesting credit union, in writing, of the date the request was received and of any additional documentation that the regional director might require in support of the waiver request.

(iii) The regional director will approve or disapprove the waiver request in writing within 45 days after receipt of the request and all necessary supporting documentation. If the regional director approves the waiver, the regional director will establish an alternative limit on aggregate investments in fixed assets, either as a dollar limit or as a percentage of the credit union’s shares and retained earnings. Unless otherwise specified by the regional director, the credit union may make future acquisition of fixed assets only if the aggregate all of such future investments in fixed assets does not exceed an additional one percent of the shares and retained earnings of the credit union over the amount approved by the regional director.

(iv) If the regional director does not notify the credit union of the action taken on its request within 45 calendar days of the receipt of the waiver request or the receipt of additional requested supporting information, whichever occurs later, the credit union may proceed with its proposed investment in fixed assets. The investment, and any future investments in fixed assets, must not cause the credit union to exceed the aggregate investment limit described in its waiver request.

(b) Premises Not Currently Used To Transact Credit Union Business. (1) When a Federal credit union acquires premises for future expansion and does not fully occupy the space within one year, the credit union must have a board resolution in place by the end of that year with definitive plans for full occupation.
