SOURCE: 66 FR 28609, May 23, 2001, unless otherwise noted.

### Subpart A—Introduction to Part 108

#### § 108.10 Description of the New Markets Venture Capital Program.

The New Markets Venture Capital (“NMVC”) Program is a developmental venture capital program for the purpose of promoting economic development and the creation of wealth and job opportunities in low-income geographic areas and among individuals living in such areas. SBA selects and then enters into participation agreements with selected newly formed venture capital companies, and provides leverage in the form of debenture guarantees to such companies to allow them to make equity capital investments in smaller enterprises located in low-income geographic areas. SBA also awards grants to such companies and to Specialized Small Business Investment Companies so that they can provide operational assistance to such smaller enterprises in connection with such investments.

#### § 108.20 Legal basis and applicability of this part 108.

The regulations in this part implement Part B of Title III of the Small Business Investment Act of 1958, as amended (15 U.S.C. 661 et seq.). All NMVC Companies must comply with all applicable SBA regulations, accounting guidelines and valuation guidelines for NMVC Companies, available from SBA.

#### § 108.30 Amendments to Act and regulations.

A NMVC Company is subject to all provisions of the Act and parts 108 and 112 of title 13 of the Code of Federal Regulations.

#### § 108.40 How to read this part 108.

(a) *Center headings.* All references in this part to SBA forms, and instructions for their preparation, are to the current issue of such forms (available from Investment Division, SBA). Center headings are descriptive and are used for convenience only. They have no regulatory effect.

However, neither a limited partner in a Partnership NMVC Company nor a non-managing member in an LLC NMVC Company is considered an Associate if such Person is an entity Institutional Investor whose investment in the Partnership, including commitments, represents no more than 33 percent of the capital of the NMVC Company and no more than five percent of such Person's net worth.

(3) Any officer, director, partner (other than a limited partner), manager, agent, or employee of any Associate described in paragraph (1) or (2) of this definition.

(4) Any Person that directly or indirectly Controls, or is Controlled by, or is under Common Control with, a NMVC Company.

*Commitment* means a written agreement between a NMVC Company and an eligible Small Business that obligates the NMVC Company to provide Financing (except a guarantee) to that Small Business in a fixed or determinable sum, by a fixed or determinable future date. In this context the term "agreement" means that there has been agreement on the principal economic terms of the Financing. The agreement may include reasonable conditions precedent to the NMVC Company's obligation to fund the commitment, but these conditions must be outside the NMVC Company's control.
