§ 120.173  Lead-based paint.

If loan proceeds are for the construction or rehabilitation of a residential structure, lead-based paint may not be used on any interior surface, or on any exterior surface that is readily accessible to children under the age of seven years.

§ 120.174  Earthquake hazards.

When loan proceeds are used to construct a new building or an addition to an existing building, the construction must conform with the "National Earthquake Hazards Reduction Program ("NEHRP") Recommended Provisions for the Development of Seismic Regulations for New Buildings" (which can be obtained from the Federal Emergency Management Agency, Publications Office, Washington, DC) or a code identified by SBA as being substantially equivalent.

§ 120.175  Coastal barrier islands.

SBA and Intermediaries may not make or guarantee any loan within the Coastal Barrier Resource System.

§ 120.176  Compliance with other laws.

All SBA loans are subject to all applicable laws, including (without limitation) the civil rights laws (see parts 112, 113, 117 and 136 of this chapter), prohibiting discrimination on the grounds of race, color, national origin, religion, sex, marital status, disability or age. SBA requests agreements or evidence to support or document compliance with these laws, including reports required by applicable statutes or the regulations in this chapter.

§ 120.180  Lender and CDC compliance with Loan Program Requirements.

Lenders must comply and maintain familiarity with Loan Program Requirements for the 7(a) program, as such requirements are revised from time to time. CDCs must comply and maintain familiarity with Loan Program Requirements for the 504 program, as such requirements are revised from time to time. Loan Program Requirements in effect at the time that a Lender or CDC takes an action in connection with a particular loan govern that specific action. For example, although loan closing requirements in effect when a Lender or CDC closes a loan will govern the closing actions, a Lender or CDC’s liquidation actions on the same loan are subject to the liquidation requirements in effect at the time that a liquidation action is taken.
