

Small Business Administration

§ 120.960

Central Servicing Agent (CSA) to support the orderly flow of funds among Borrowers, CDCs, and SBA. The CDC and Borrower must enter into an individual Servicing Agent Agreement with the CSA for each 504 loan, constituting acceptance by the CDC and the Borrower of the terms of the Master Servicing Agreement.

(b) The CSA has established a master reserve account. All funds related to the 504 loans and Debentures flow through the master reserve account under the provisions of the Master Servicing Agreement. The master reserve account will be funded by a guarantee fee, a funding fee to be published from time to time in the FEDERAL REGISTER, and by principal and interest payments of 504 loans. At SBA's direction, the CSA may use funds in the master reserve account to defray program expenses. In the event a Borrower defaults and its 504 note is accelerated, SBA shall add funds under its guarantee to ensure the full and timely payment of the Debenture which funded the 504 loan. At SBA's direction, the CSA must pay to the CDC servicing each loan the interest accruing in the master reserve account on loan payments made by each Borrower between the date of receipt of each monthly payment and the date of disbursement to investors. The CSA may disburse such interest periodically to CDCs on a pro rata basis. SBA may use interest accruals in the master reserve account earned prior to October 1991 (not previously distributed to the CDCs) for the costs of 504 program administration.

§ 120.955 Agent bonds and records.

(a) Each agent (in §§120.951 through 120.954) must provide a fidelity bond or insurance in such amount as necessary to fully protect the interest of the government.

(b) SBA must have access at the agent's place of business to all books, records and other documents relating to Debenture activities.

§ 120.956 Suspension or revocation of brokers and dealers.

The appropriate Office of Capital Access official in accordance with Delegations of Authority may suspend or revoke the privilege of any broker or

dealer to participate in the sale or marketing of Debentures and Certificates for actions or conduct bearing negatively on the broker's fitness to participate in the securities market. SBA must give the broker or dealer written notice, stating the reasons, at least 10 business days prior to the effective date of the suspension or revocation. A broker or dealer may appeal the suspension or revocation made under this section pursuant to the procedures set forth in part 134 of this chapter. The action of this official will remain in effect pending resolution of the appeal.

(7) SBA determines that there has been an unremedied material adverse change, such as deterioration in the Borrower's financial condition, since

§ 120.961

§ 120.961 Construction escrow accounts.

The CSA, title company, CDC attorney, or bank may hold Debenture proceeds in escrow to complete Project components such as landscaping and parking lots, and acquire machinery and equipment if the component or acquisition is a minor portion of the total Project and has been contracted for completion or delivery at a specified price and specific future date. 13 CFR Ch. I (1-1-11 Edition)

FEEES

§ 120.971 Allowable fees paid by Borrower.

(a) *CDC fees.* The fees a CDC may charge the Borrower in connection with a 504 loan and Debenture are limited to the following:

(1) *Processing fee.* The CDC may charge up to 1.5 percent of the net Debenture proceeds to process the financing. Two-thirds of this fee will be considered earned and may be collected by the CDC when the Authorization for the Debenture is issued by SBA. The portion of the processing fee paid by the Borrower may be reimbursed from the Debenture proceeds;

(2) *Closing fee.* The CDC may charge a reasonable closing fee sufficient to reimburse it for the expenses of its in-house or outside legal counsel, and other miscellaneous closing costs (CDC Closing Fee). Some closing costs may be funded out of the Debenture proceeds (see § 120.883 for limitations);

(3) *Servicing fee.* The CDC will charge a monthly servicing fee of at least 0.625 percent per annum and no more than 2 percent per annum on the unpaid balance of the loan as determined at five-year anniversary intervals. A servicing fee greater than 1.5 percent in a rural area and 1 percent everywhere else requires SBA's prior written approval, based on evidence of substantial need. The servicing fee may be paid only from loan payments received. The fees may be accrued without interest and collected from the CSA when the payments are made.

(4) *Late fees.* Loan payments received after the 15th of each month may be subject to a late payment fee of 5 percent of the late payment or \$100, whichever is greater. These fees will be collected by the CSA on behalf of the CDC; and
