

Small Business Administration

§ 124.506

prior to SBA's acceptance of the requirement for award as an 8(a) contract; and

(iii) The concern qualifies as a small business for the requirement now offered to the 8(a) BD program.

(2) In considering release, SBA will balance the importance of the requirement to the concern's business development needs against the business development needs of other Participants that are qualified to perform the requirement. This determination will include consideration of whether rejection of the requirement would seriously reduce the pool of similar types of contracts available for award as 8(a) contracts. SBA will seek the views of the procuring activity.

(3) If SBA declines to accept the offer and releases the requirement, it will recommend to the procuring activity that the requirement be procured as a small business or, if authorized, an SDB set-aside.

§ 124.505 When will SBA appeal the terms or conditions of a particular 8(a) contract or a procuring activity decision not to reserve a requirement for the 8(a) BD program?

(a) *What SBA may appeal.* The Administrator of SBA may appeal the following matters to the head of the procuring agency:

(1) A contracting officer's decision not to make a particular procurement available for award as an 8(a) contract;

(2) A contracting officer's decision to reject a specific Participant for award of an 8(a) contract after SBA's acceptance of the requirement for the 8(a) BD program; and

(3) The terms and conditions of a proposed 8(a) contract, including the procuring activity's SIC code designation and estimate of the fair market price.

(b) *Procedures for appeal.* (1) SBA must notify the contracting officer of the SBA Administrator's intent to appeal an adverse decision within 5 working days of SBA's receipt of the decision.

(2) Upon receipt of the notice of intent to appeal, the procuring activity must suspend further action regarding the procurement until the head of the

procuring agency issues a written decision on the appeal, unless the head of the procuring agency makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a consideration of the appeal.

(3) The SBA Administrator must send a written appeal of the adverse decision to the head of the procuring agency within 15 working days of SBA's notification of intent to appeal or the appeal may be considered withdrawn.

(4) By statute (15 U.S.C. 637(a)(1)(A)), the procuring agency head must specify in writing the reasons for a denial of an appeal brought by the Administrator under this section.

§ 124.506 At what dollar threshold must an 8(a) procurement be competed among eligible Participants?

(a) *Competitive thresholds.* (1) The Federal Acquisition Regulatory Council (FAR Council) has the responsibility of adjusting each acquisition-related dollar threshold on October 1, of each year that is evenly divisible by five. Acquisition-related dollar thresholds are defined as dollar thresholds that are specified in law as a factor in defining the scope of the applicability of a policy, procedure, requirement, or restriction provided in that law to the procurement of property or services by an executive agency as determined by the FAR Council. 41 U.S.C. 431a(c). Part 124, Subpart A, 8(a) Business Development, contains acquisition-related dollar thresholds subject to inflationary adjustments. The FAR Council shall publish a notice of the adjusted dollar thresholds in the FEDERAL REGISTER. The adjusted dollar thresholds shall take effect on the date of publication.

(2) A procurement offered and accepted for the 8(a) BD program must be competed among eligible Participants if:

(i) There is a reasonable expectation that at least two eligible Participants will submit offers at a fair market price;

(ii) The anticipated award price of the contract, including options, will exceed \$5,500,000 for contracts assigned manufacturing SIC codes and \$3,500,000 for all other contracts; and

(iii) The requirement has not been accepted by SBA for award as a sole source 8(a) procurement on behalf of a tribally-owned or ANC-owned concern.

(3) For all types of contracts, the applicable competitive threshold amounts will be applied to the procuring activity estimate of the total value of the contract, including all options. For indefinite delivery or indefinite quantity type contracts, the thresholds are applied to the maximum order amount authorized.

(4) Where the estimate of the total value of a proposed 8(a) contract is less than the applicable competitive threshold amount and the requirement is accepted as a sole source requirement on that basis, award may be made even though the contract price arrived at through negotiations exceeds the competitive threshold, provided that the contract price is not more than ten percent greater than the competitive threshold amount.

Example to paragraph (a)(3). If the anticipated award price for a professional services requirement is determined to be \$3.4 million and it is accepted as a sole source 8(a) requirement on that basis, a sole source award will be valid even if the contract price arrived at after negotiation is \$3.7 million.

(5) A proposed 8(a) requirement with an estimated value exceeding the applicable competitive threshold amount may not be divided into several separate procurement actions for lesser amounts in order to use 8(a) sole source procedures to award to a single contractor.

(b) *Exemption from competitive thresholds for Participants owned by Indian tribes.* SBA may award a sole source 8(a) contract to a Participant concern owned and controlled by an Indian tribe or an ANC where the anticipated value of the procurement exceeds the applicable competitive threshold if SBA has not accepted the requirement into the 8(a) BD program as a competitive procurement. There is no requirement that a procurement must be competed whenever possible before it can be accepted on a sole source basis for a tribally-owned or ANC-owned concern, but a procurement may not be removed from competition to award it to a tribally-owned or ANC-owned concern on a sole source basis.

(c) *Competition below thresholds.* The AA/BD, on a nondelegable basis, may approve a request from a procuring activity to compete a requirement that is below the applicable competitive threshold amount among eligible Participants.

(1) This authority will be used primarily when technical competitions are appropriate or when a large number of potential awardees exist.

(2) The AA/BD may consider whether the procuring activity has made and will continue to make available a significant number of its contracts to the 8(a) BD program on a noncompetitive basis.

(3) The AA/BD may deny a request if the procuring activity previously offered the requirement to the 8(a) BD program on a noncompetitive basis and the request is made following the inability of the procuring activity and the potential sole source awardee to reach an agreement on price or some other material term or condition.

(d) *Sole source above thresholds.* Where a contract opportunity exceeds the applicable threshold amount and there is not a reasonable expectation that at least two eligible 8(a) Participants will submit offers at a fair price, the AA/BD may accept the requirement for a sole source 8(a) award if he or she determines that an eligible Participant in the 8(a) portfolio is capable of performing the requirement at a fair price.

§ 124.507 What procedures apply to competitive 8(a) procurements?

(a) *FAR procedures.* Procuring activities will conduct competitions among and evaluate offers received from Participants in accordance with the Federal Acquisition Regulation (48 CFR, chapter 1).

(b) *Eligibility determination by SBA.* In either a negotiated or sealed bid competitive 8(a) acquisition, the procuring activity will request that the SBA district office servicing the apparent successful offeror determine that firm's eligibility for award.

(1) Within 5 working days after receipt of a procuring activity's request
