§ 71.33 Designation of jet routes and VOR Federal airways.

Unless otherwise specified, the place names appearing in the descriptions of airspace areas designated as jet routes in subpart A of FAA Order 7400.9U, and as VOR Federal airways in subpart E of FAA Order 7400.9U, are the names of VOR or VORTAC navigation aids. FAA Order 7400.9U is incorporated by reference in §71.1.

Subpart A—Class A Airspace

§ 71.31 Class A airspace.

The airspace descriptions contained in §71.33 and the routes contained in subpart A of FAA Order 7400.9U (incorporated by reference, see §71.1) are designated as Class A airspace within which all pilots and aircraft are subject to the rating requirements, operating rules, and equipment requirements of part 91 of this chapter.
