

§ 1259.102

Grant program functions within that State.

§ 1259.102 General policy.

(a) In accordance with subsections 103(a)(2) and (3) of the National Aeronautics and Space Act of 1958, as amended, (42 U.S.C. 2457(a)(3)), it is NASA's policy, through various educational programs, to provide direct support for and encouragement to teachers, students and prospective students in fields related to space.

(b) In compliance with the National Space Grant College and Fellowship Act (42 U.S.C. 2486), it shall be NASA's purpose to:

(1) Increase the understanding, assessment, development and utilization of space resources by promoting a strong educational base, responsive research and training activities and broad and prompt dissemination of knowledge and techniques;

(2) Utilize the abilities and talents of the universities of the Nation to support and contribute to the exploration and development of the resources and opportunities afforded by the space environment;

(3) Encourage and support the existence of interdisciplinary and multidisciplinary programs of space research, to engage in activities of training (including teacher education), research and public service and to have cooperative programs with industry;

(4) Encourage and support the existence of consortia, composed of university and industry members, to advance the exploration and development of space resources in cases in which national objectives can be better fulfilled than through the programs of single universities;

(5) Encourage and support Federal funding for graduate fellowships in fields related to space;

(6) Support activities in colleges and universities generally for the purpose of creating and operating a network of institutional programs that will enhance achievements resulting from efforts under this Act; and

(7) Encourage cooperation and coordination among Federal agencies and Federal programs concerned with space issues.

14 CFR Ch. V (1–1–10 Edition)

(c) It shall be NASA's policy to designate Space Grant colleges, State Space Grant cooperating institutions and Space Grant regional consortia and award fellowships, grants, contracts and other transactions competitively in a merit-based review process.

(d) It shall be NASA's policy to designate and make awards without discriminating on the basis of sex, race, color, religion, national origin or handicap.

§ 1259.103 Special authorities—gift acceptance and other Federal funding.

(a) *Acceptance of gifts:*

(1) In order to carry out the provisions of the Act, the Administrator is authorized to accept conditional or unconditional gifts or donations of services, money or property, real, personal or mixed, tangible or intangible. This authority is delegated to the Director, Educational Affairs Division.

(2) The Administrator or designee may decline any gift or donation that the Administrator determines is not in accord with the purposes of the program. Also, conditional gifts or donations that are not in compliance with the Act or the implementing regulations shall be declined. NASA may use a reasonable amount from a gift or donation to cover any administrative costs associated with such gift or donation.

(b) *Acceptance and use of funds from other Federal agencies:*

(1) To carry out the provisions of the Act, the Administrator is authorized to accept and use funds from other Federal departments, agencies and instrumentalities to pay for awards under this program. This authority is delegated to the Director, Educational Affairs Division.

(2) The Administrator or designee may decline any such funds when the Administrator determines acceptance would not be in accord with the purposes of the program. NASA may use a reasonable amount from transferred Federal funds to cover any administrative costs associated with such transfer.
