

period providing information on the status of the inquiry and asking for such further information as may be necessary to process the inquiry. The first correspondence sent by the Privacy Officer to the requester shall contain the Department's control number assigned to the request, as well as a statement that the requester should use that number in all future contacts with the Department. The Department shall use that control number in all subsequent correspondence.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (d)(1) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(e) An individual shall not be required to state a reason for or otherwise justify his or her inquiry.

(f) Special note should be taken that certain agencies are responsible for publishing notices of systems of records having Government-wide application to other agencies, including the Department. The agencies known to be publishing these general notices and the types of records covered therein appear in Appendix C to this part. These general notices do not identify the Privacy Officers in the Department to whom inquiries should be presented or mailed. The provisions of this section, and particularly paragraph (a) of this section, should be followed in making inquiries with respect to such records. Such records in the Department are subject to the provisions of this part to the extent indicated in Appendix C to this part. The exemptions, if any, determined by the agency publishing a general notice shall be invoked and applied by the Department after consultation, as necessary, with that other agency.

§ 4.24 Procedures for making requests for records.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request to the Depart-

ment for access to records. The request should be made either in person or by mail addressed to the appropriate office listed in Appendix A to this part.

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring time periods for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) If the request follows an inquiry under § 4.23 in connection with which the individual's identity was established by the Department, the individual need only indicate the record to which access is sought, provide the Department control number assigned to the request, and sign and date the request. If the request is not preceded by an inquiry under § 4.23, the procedures of this section should be followed.

(d) The requirements for identification of individuals seeking access to records are:

(1) *In person.* Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual's photograph (for example, driver's license, passport or military or civilian identification card);

(ii) A document, preferably issued for participation in a Federally-sponsored program, bearing the individual's signature (for example, unemployment insurance book, employer's identification card, national credit card, and professional, craft or union membership card); and,

§ 4.25

(iii) A document bearing neither the photograph nor the signature of the individual, preferably issued for participation in a Federally-sponsored program (for example, Medicaid card). If the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual's identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3) recited in § 4.32(a). In order to avoid any unwarranted disclosure of an individual's records, the Department reserves the right to determine the adequacy of proof of identity offered by any individual, particularly if the request involves a sensitive record.

(2) *Not in person.* If the individual making a request does not appear in person before a Privacy Officer or other employee authorized to determine identity, then identity must be determined by:

(i) A certification of a notary public or equivalent officer empowered to administer oaths must accompany the request under the circumstances prescribed in § 4.23(b)(9). The certification in or attached to the letter must be substantially in accordance with the following text:

City of _____, County of _____. (Name of individual), who affixed (his) (her) signature below in my presence, came before me, a (title), in and for the aforesaid County and State, this ____ day of ____, 20__, and established (his) (her) identity to my satisfaction. My commission expires _____.
Signature: _____; or

(ii) Statement of identity made under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization.

(3) *Parents of minors and legal guardians.* An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in either paragraph (d)(1) or (d)(2) of this section. In addition, such other individual shall establish his or her identity in the representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor's birth cer-

tificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court's order. For purposes of the Act, a parent or legal guardian may represent only a living individual, not a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of § 4.25(f) are satisfied.

(e) If the provisions of this subpart are alleged to impede an individual in exercising his or her right to access, the Department will consider, from an individual making a request, alternative suggestions regarding proof of identity and access to records.

(f) An individual shall not be required to state a reason for or otherwise justify his or her request for access to a record.

If a response cannot be made within ten working days due to unusual circumstances, the Privacy Officer shall send an acknowledgment during that period providing information on the status of the request and asking for any further information that may be necessary to process the request. "Unusual circumstances" shall include circumstances in which:
