(j) Recipient means any State or its political subdivisions, any instrumentality of a State or its political subdivisions, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended directly or indirectly through another recipient, or including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance.

(k) Secretary means the Secretary of Commerce, U.S. Department of Commerce.

(l) Section 504 means section 504 of the Act.

(m) Small recipient means a recipient who serves fewer than 15 beneficiaries and who employs fewer than 15 employees at all times during a grant year.

§ 8b.4 Discrimination prohibited.

(a) General. No qualified handicapped individual shall, on the basis of handicap, be excluded from participation in, be denied the benefit of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

(b) Discriminatory actions prohibited. (1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped individual the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped individual an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped individual with any aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped individuals or to any class of handicapped individuals, unless such action is necessary to provide qualified handicapped individuals with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped individual by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program or activity;

(vi) Deny a qualified handicapped individual the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped individual in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefits, or services.

(2) For purposes of this part, aid, benefits, and services must afford handicapped individuals an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as afforded to others, in the most integrated setting appropriate to the individual’s needs. However, aid, benefits and services, to be equally effective, need not produce the identical result or level of achievement for handicapped and non-handicapped individuals.

(3) A recipient may not deny a qualified handicapped individual the opportunity to participate in its regular aid, benefits, or services, despite the existence of separate or different aid, benefits, or services which are established in accordance with this part.

(4) A recipient may not, directly or through contractual or other arrangements, use criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped individuals to discrimination on the basis of handicap;

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient’s program or activity.
§ 8b.5 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used with respect to handicapped individuals; or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(5) In determining the geographic site or location of a facility, an applicant for assistance or a recipient may not make selections:

(i) That have the effect of excluding handicapped individuals from, denying them the benefit of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance; or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped individuals.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased, rented or otherwise acquired, in whole or in part, with Federal financial assistance.

(7)(i) In providing services, recipients to which this subpart applies, except small recipients, shall ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by the recipient because of the absence of auxiliary aids for participants with impaired sensory, manual or speaking skills. A recipient shall operate each program or activity to which this subpart applies so that, when viewed in its entirety, auxiliary aids are readily available. The Secretary may require small recipients to provide auxiliary aids in order to ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by small recipients, when this would not significantly impair the ability of the small recipient to provide benefits or services.

(ii) Auxiliary aids may include brailled and taped materials, interpreters, telecommunications devices, or other equally effective methods of making orally delivered information available to persons with hearing impairments, readers for persons with visual impairments, equipment adapted for use by persons with manual impairments, and other similar devices and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

(c) Aid, benefits, or services limited by Federal law. The exclusion of non-handicapped persons from aid, benefits, or services limited by Federal statute or Executive order to handicapped individuals, or the exclusion of a specific class of handicapped individuals from aid, benefits, or services limited by Federal statute or Executive order to a different class of handicapped individuals is not prohibited by this part.

(d) Integrated setting. Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified handicapped individuals.

(e) Communications with individuals with impaired vision and hearing. Recipients shall ensure that communications with their applicants, employees and beneficiaries are available to persons with impaired vision or hearing. Appropriate modes of communication may include braille, enlarged type, sign language and telecommunications devices.
