firms from those industries, and design the meeting agenda and background materials. Anyone wishing to apply for such a workshop should direct their inquiry to the Assistant Secretary for Technology Policy, Technology Administration, room 4818, Herbert C. Hoover Building, U.S. Department of Commerce, Washington, DC 20230.

(d) All workshops will be held on a fee basis at no cost to the Department.

§ 1160.24 Antitrust considerations.

(a) The Department of Commerce will offer no opinion on the antitrust merits of the formation of any proposed Strategic Partnership. The Department may seek an opinion from the Antitrust Division of the Department of Justice as to whether a proposed Strategic Partnership would raise antitrust issues. Furthermore, the role played by the Department of Commerce confers no special immunity to any given Strategic Partnership.

(b) Strategic Partnerships may be formed without any consultation with or involvement by the Department of Commerce; the purpose of the Strategic Partnership Initiative is to make the private sector aware of this vehicle and, where requested, conduct workshops to discuss the formation of such partnerships in general. Commerce will not select the technologies, the number of partnerships, or the specific firms in a given partnership.

§ 1160.25 Coordination/cooperation with other Federal agencies.

Where relevant, the Department may seek the cooperation of other Federal agencies and laboratories that may be of assistance to Strategic Partnerships.

§ 1160.26 Proprietary data.

All persons making a request under this part are cautioned that data submitted to the Department may be available for dissemination under the Freedom of Information Act. The Department, however, would withhold any information it deemed proprietary (confidential commercial or financial) on the basis of 5 U.S.C. 552(b)(4). The Department will consult with the submitter of any data requested under the Act, prior to release of such information, if the data is clearly marked

§ 1170.1 Purpose.

To provide policy direction for Federal agencies in their transition to use of the metric system of measurement.

§ 1170.2 Definition.

Metric system means the International System of Units (SI) established by the General Conference of Weights and Measures in 1960, as interpreted or modified from time to time for the United States by the Secretary of Commerce under the authority of the Metric Conversion Act of 1975 and the Metric Education Act of 1978.

Other business-related activities means measurement sensitive commercial or business directed transactions or programs, *i.e.*, standard or specification development, publications, or agency statements of general applicability and future effect designed to implement, interpret, or prescribe law or policy or describing the procedure or practice requirements of an agency. “Measurement sensitive” means the choice of measurement unit is a critical component of the activity, *i.e.*, an agency rule/regulation to collect samples or measure something at specific distances or to specific depths, specifications requiring intake or discharge of a product to certain volumes or flow
