§ 303.21 Marking of samples, swatches, or specimens and products sold therefrom.

(a) Where samples, swatches, or specimens of textile fiber products subject to the Act are used to promote or effect sales of such textile fiber products, the samples, swatches, or specimens, as well as the products themselves, shall be labeled to show their respective fiber contents and other required information: Provided, That such samples, swatches or specimens need not be labeled:

(1) If the samples, swatches, or specimens are less than two square inches (12.9 cm²) in area and the information otherwise required to appear on the label is clearly, conspicuously, and non-deceptively disclosed on accompanying promotional matter in accordance with the Act and regulations.

(2) If the samples, swatches, or specimens are keyed to a catalogue to which reference is necessary in order to complete the sale of the textile fiber products, and which catalogue at the necessary point of reference clearly, conspicuously, and non-deceptively discloses the information otherwise required to appear on the label in accordance with the Act and regulations;

(3) If such samples, swatches, or specimens are not used to effect sales to ultimate consumers and are not in the form intended for sale or delivery to, or for use by, the ultimate consumer, and are accompanied by an invoice or other paper showing the required information.

(b) Where properly labeled samples, swatches, or specimens are used to effect the sale of articles of wearing apparel or other household textile articles which are manufactured specifically for a particular customer after the sale is consummated, the articles of wearing apparel or other household textile articles need not be labeled if they are of the same fiber content as the samples, swatches, or specimens from which the sale was effected and an invoice or other paper accompanies them showing the information otherwise required to appear on the label.

§ 303.22 Products containing linings, interlinings, fillings, and paddings.

In disclosing the required information as to textile fiber products, the fiber content of any linings, interlinings, fillings, or paddings shall be set forth separately and distinctly if such linings, interlinings, fillings, or paddings are incorporated in the product for warmth rather than for structural purposes, or if any express or implied representations are made as to their fiber content. Examples are as follows:

100% Nylon
Interlining: 100% Rayon
Covering: 100% Rayon
Filling: 100% Cotton.

§ 303.23 Textile fiber products containing superimposed or added fibers.

Where a textile fiber product is made wholly of one fiber or a blend of fibers with the exception of an additional fiber in minor proportion superimposed or added in certain separate and distinct areas or sections for reinforcing or other useful purposes, the product may be designated according to the fiber content of the principal fiber or blend of fibers, with an exception naming the superimposed or added fiber, giving the percentage thereof in relation to the total fiber weight of the principal fiber or blend of fibers, and indicating the area or section which contains the superimposed or added fiber. Examples of this type of fiber content disclosure, as applied to products having reinforcing fibers added to a particular area or section, are as follows:

55% Cotton
45% Rayon
Except 5% Nylon added to toe and heel.
All Cotton except 1% Nylon added to neckband.

§ 303.24 Pile fabrics and products composed thereof.

The fiber content of pile fabrics or products composed thereof may be stated on the label in such segregated form as will show the fiber content of the face or pile and of the back or base, with percentages of the respective fibers as they exist in the face or pile and in the back or base: Provided, That
