RULES OF GENERAL APPLICATION

SOURCE: Sections 210.4-01 through 210.4-10 appear at 45 FR 63669, Sept. 25, 1980, unless otherwise noted.

§ 210.4-01 Form, order, and terminology.

(a) Financial statements should be filed in such form and order, and should use such generally accepted terminology, as will best indicate their significance and character in the light of the provisions applicable thereto. The information required with respect to any statement shall be furnished as a minimum requirement to which shall be added such further material information as is necessary to make the required statements, in the light of the

17 CFR Ch. II (4-1-11 Edition)

circumstances under which they are made, not misleading.

(1) Financial statements filed with the Commission which are not prepared in accordance with generally accepted accounting principles will be presumed to be misleading or inaccurate, despite footnote or other disclosures, unless the Commission has otherwise provided. This article and other articles of Regulation S-X provide clarification of certain disclosures which must be included in any event, in financial statements filed with the Commission.

(2) In all filings of foreign private issuers (see § 230.405 of this chapter), except as stated otherwise in the applicable form, the financial statements may be prepared according to a comprehensive set of accounting principles, other than those generally accepted in the United States or International Financial Reporting Standards as issued by the International Accounting Standards Board, if a reconciliation to U.S. Generally Accepted Accounting Principles and the provisions of Regulation S-X of the type specified in Item 18 of Form 20-F (§ 249.220f of this chapter) is also filed as part of the financial statements. Alternatively, the financial statements may be prepared according to U.S. Generally Accepted Accounting Principles or International Financial Reporting Standards as issued by the International Accounting Standards Board.

(3)(i) Notwithstanding the effective dates set forth in Statement of Financial Accounting Standards No. 123 (revised 2004), *Share-Based Payment* ("Statement No. 123R"), financial statements shall be prepared in accordance with Statement No. 123R beginning with:

(A) The first interim or annual reporting period of the registrant's first fiscal year beginning on or after June 15, 2005, provided the registrant does not file as a smaller reporting company; and

(B) The first interim or annual reporting period of the registrant's first fiscal year beginning on or after December 15, 2005, provided the registrant files as a smaller reporting company.

(ii) For periods prior to the effective dates set forth in this paragraph, both Statement No. 123R and Statement of

Securities and Exchange Commission

§ 210.4-08

Financial Accounting Standards No. 123, *Accounting for Stock-Based Compensation* (October 1995), shall be considered to be generally accepted accounting principles.

(b) All money amounts required to be shown in financial statements may be expressed in whole dollars or multiples thereof, as appropriate: *Provided*, That, when stated in other than whole dollars, an indication to that effect is inserted immediately beneath the caption of the statement or schedule, at the top of the money columns, or at an appropriate point in narrative material.

(c) Negative amounts (red figures) shall be shown in a manner which clearly distinguishes the negative attribute. When determining methods of display, consideration should be given to the limitations of reproduction and microfilming processes.

[45 FR 63669, Sept. 25, 1980, as amended at 47 FR 54767, Dec. 6, 1982; 70 FR 20719, Apr. 21, 2005; 73 FR 953, Jan. 4, 2008; 73 FR 1009, Jan. 4, 2008]

§ 210.4-02 Items not material.

If the amount which would otherwise be required to be shown with respect to any item is not material, it need not be separately set forth. The combination of insignificant amounts is permitted.

§ 210.4-03 Inapplicable captions and omission of unrequired or inapplicable financial statements.

(a) No caption should be shown in any financial statement as to which the items and conditions are not present.

(b) Financial statements not required or inapplicable because the required matter is not present need not be filed.

(c) The reasons for the omission of any required financial statements shall be indicated.

§ 210.4-04 Omission of substantially identical notes.

If a note covering substantially the same subject matter is required with respect to two or more financial statements relating to the same or affiliated persons, for which separate sets of notes are presented, the required information may be shown in a note to only one of such statements: *Provided*, That

a clear and specific reference thereto is made in each of the other statements with respect to which the note is required.

§§ 210.4-05—210.4-06 [Reserved]

§ 210.4-07 Discount on shares.

Discount on shares, or any unamortized balance thereof, shall be shown separately as a deduction from the applicable account(s) as circumstances require.

§ 210.4-08 General notes to financial statements.

If applicable to the person for which the financial statements are filed, the following shall be set forth on the face of the appropriate statement or in appropriately captioned notes. The information shall be provided for each statement required to be filed, except that the information required by paragraphs (b), (c), (d), (e) and (f) shall be provided as of the most recent audited balance sheet being filed and for paragraph (j) as specified therein. When specific statements are presented separately, the pertinent notes shall accompany such statements unless cross-referencing is appropriate.

(a) *Principles of consolidation or combination.* With regard to consolidated or combined financial statements, refer to §§ 210.3A-01 to 3A-08 for requirements for supplemental information in notes to the financial statements.

(b) *Assets subject to lien.* Assets mortgaged, pledged, or otherwise subject to lien, and the approximate amounts thereof, shall be designated and the obligations collateralized briefly identified.

(c) *Defaults.* The facts and amounts concerning any default in principal, interest, sinking fund, or redemption provisions with respect to any issue of securities or credit agreements, or any breach of covenant of a related indenture or agreement, which default or breach existed at the date of the most recent balance sheet being filed and which has not been subsequently cured, shall be stated in the notes to the financial statements. If a default or breach exists but acceleration of the obligation has been waived for a stated period of time beyond the date of the
