(d) Upon the effectiveness of such a plan or part thereof, any self-regulatory organization which is a party to the plan shall be relieved of responsibility as to any person for whom such responsibility is allocated under the plan to another self-regulatory organization to the extent of such allocation.

(e) Nothing herein shall preclude any self-regulatory organization from entering into more than one plan filed hereunder.

(g) In the event that plans declared effective pursuant to paragraph (c) of this section do not provide for all members or participants or do not allocate all regulatory responsibilities, the Commission may, after due consideration of the factors enumerated in section 17(d)(1) and notice and opportunity for comment, designate one or more of the self-regulatory organizations responsible for specified regulatory responsibilities with respect to such members or participants.
