PESTICIDES AND DEVICES

§ 12.110 Definitions.

Except as otherwise provided below, the terms used in §§ 12.111 through 12.117 shall have the meanings set forth for those terms in the Federal Insecticide, Fungicide, and Rodenticide Act, as amended (7 U.S.C. 136 *et seq.*), hereinafter referred to as "the Act." The term *Administrator* shall mean the Administrator of the Environmental Protection Agency.

[T.D. 75-194, 40 FR 32321, Aug. 1, 1975]

§ 12.111 Registration.

All imported pesticides are required to be registered under the provisions of section 3 of the Act, and under the regulations (40 CFR 162.10) promulgated thereunder by the Administrator before being permitted entry into the United States. Devices, although not required to be registered, must not bear any statement, design, or graphic representation that is false or misleading in any particular.

[T.D. 75-194, 40 FR 32321, Aug. 1, 1975]

§ 12.112 Notice of arrival of pesticides and devices.

(a) *General.* An importer desiring to import pesticides or devices into the United States shall submit to the Administrator a Notice of Arrival of Pesticides and Devices (Index of Pesticide Products located in the Environmental Protection Agency's handbook entitled *Recognition and Management of Pesticide Poisonings*, found at <http://www.epa.gov>), hereinafter referred to as a Notice of Arrival, prior to the arrival of the shipment in the United States. The Administrator shall complete the Notice of Arrival, indicating

the disposition to be made of the shipment of pesticides or devices upon its arrival in the United States, and shall return the completed Notice of Arrival to the importer or his agent.

(b) *Chemicals imported for use other than as pesticides.* Chemicals which can be used as pesticides but which are not imported for such use and are not shown on the Index of Pesticide Products located in the Environmental Protection Agency's handbook entitled *Recognition and Management of Pesticide Poisonings*, found at <http://www.epa.gov>, may be entered without the submission of the Notice of Arrival.

[T.D. 75-194, 40 FR 32321, Aug. 1, 1975, as amended at CBP Dec. 10-29, 75 FR 52451, Aug. 26, 2010]

§ 12.113 Arrival of shipment.

(a) *Notice of arrival presented.* Upon the arrival of a shipment of pesticides or devices, the importer or his agent shall present to the director of the port of entry the Notice of Arrival completed by the Administrator and indicating the Customs action to be taken with respect to the shipment. The port director shall compare entry documents for the shipment of pesticides or devices with the Notice of Arrival and notify the Administrator of any discrepancies.

(b) *Notice of arrival not presented.* When a shipment of pesticides or devices arrives in the United States without the presentation by the importer or his agent of the Notice of Arrival completed by the Administrator, the shipment shall be detained by the director of the importer's risk and expense until the completed Notice of Arrival is presented or until other disposition is ordered by the Administrator, but not to exceed a period of 30 days, or such extended period, not in excess of 30 additional days, as the port director for good cause may specially authorize. An application of the importer or his agent requesting an extension of the initial 30-day period shall be filed with the director of the port of entry.

(c) *Disposition of pesticides or devices remaining under detention.* A shipment that remains detained or undisposed of due to failure of presentation of a completed Notice of Arrival or nonreceipt

§ 12.114

of an order of the Administrator as to its disposition shall be treated as a prohibited importation. The port director shall cause the destruction of any such shipment not exported by the consignee within 90 days after the expiration of the detention period specified or authorized pursuant to § 12.113(b).

[T.D. 75-194, 40 FR 32322, Aug. 1, 1975]

§ 12.114 Release or refusal of delivery.

If the completed Notice of Arrival directs the port director to release the shipment of pesticides or devices, the shipment shall be released to the consignee. If the completed Notice of Arrival directs the port director to refuse delivery of the shipment, the shipment shall be refused delivery and treated as a prohibited importation. The port director shall cause the destruction of any shipment refused delivery and not exported by the consignee within 90 days after notice of such refusal of delivery.

[T.D. 75-194, 40 FR 32322, Aug. 1, 1975]

§ 12.115 Release under bond.

If the completed Notice of Arrival so directs, a shipment of pesticides or devices shall be detained at the importer's expense by the port director pending an examination by the Administrator to determine whether the shipment complies with the requirements of the Act. However, a shipment detained for examination may be released to the consignee prior to a determination by the Administrator provided a bond is furnished on Customs Form 301, containing the bond conditions set forth in § 113.62 of this chapter, for the return of the merchandise to Customs custody. The bond shall be in an amount deemed appropriate by the port director. When a shipment of pesticides or devices is released to the consignee under bond, the shipment shall not be used or otherwise disposed of until the determination is made by the Administrator.

§ 12.117 Procedure after examination.

(a) *Merchandise complying with the Act.* If, upon examination or analysis of a sample from a shipment of pesticides or devices, the sample is found to be in compliance with the Act, the Administrator shall notify the port director that the shipment may be released to the consignee.

(b) *Merchandise not complying with the Act.* If, upon examination or analysis of a sample from a shipment of pesticides or devices, the sample is found to be in violation of the Act, the consignee shall be notified promptly by the Administrator of the nature of the violation and be given a reasonable time, not to exceed 20 days, to submit written material or, at his option, to appear before the Administrator and introduce testimony, to show cause why the shipment should not be destroyed or refused entry. If, after consideration of all the evidence presented, it is still the opinion of the Administrator that the merchandise is in violation of the Act, the Administrator shall notify the port director of this opinion and the port director shall either (1) refuse delivery to the consignee, or (2) if the shipment has been released to the consignee under bond, demand redelivery of the shipment under the terms of the bond. If the merchandise is not redelivered within 30 days after the date of demand by the port director, the port director shall issue a demand for liquidated damages in the full amount of the bond if it is a single entry bond, or if a continuous bond is used, the amount that would have been taken under a single entry bond. The port director shall cause the destruction of

any merchandise refused delivery to the consignee, or redelivered by the consignee pursuant to a demand therefor, and not exported by the consignee within 90 days after notice of such refusal of delivery or within 90 days after such redelivery, as applicable.

CHEMICAL SUBSTANCES IN BULK AND AS
PART OF MIXTURES AND ARTICLES

SOURCE: Sections 12.118 through 12.127 issued by T.D. 83-158, 48 FR 34739, Aug. 1, 1983, unless otherwise noted.

§ 12.118 Toxic Substances Control Act.

The importation into the customs territory of the United States of a chemical substance in bulk or as part of a mixture, or article *containing a chemical substance or mixture*, is governed by the Toxic Substances Control Act ("TSCA") (15 U.S.C. 2601 *et seq.*), and by regulations issued under the authority of section 13(b), TSCA (15 U.S.C. 2612(b)) by the Secretary of the Treasury in consultation with the Administrator, Environmental Protection Agency ("EPA").

§ 12.119 Scope.

Sections 12.120 through 12.127 apply to the importation into the customs territory of the United States of chemical substances in bulk and as part of mixtures under TSCA. Sections 12.120 through 12.127 also apply to articles containing a chemical substance or mixture if so required by the Administrator by specific rule under TSCA.

§ 12.120 Definitions.

Except as otherwise provided below, the terms used in §§12.121 through 12.127 have the meanings set forth for those terms in TSCA.

(a) *Article*—(1) *Article* means a manufactured item which:

- (i) Is formed to a specific shape or design during manufacture,
- (ii) Has end use functions dependent in whole or in part upon its shape or design during the end use, and
- (iii) Has either no change of chemical composition during its end use or only those changes of composition which

have no commercial purpose separate from that of the article and that may occur as described in §12.120(a)(2); except that fluids and particles are not considered articles regardless of shape or design.

(2) The allowable changes of composition, referred to in §12.120(a)(1), are those which result from a chemical reaction that occurs upon the end use of other chemical substances, mixtures, or articles such as adhesives, paints, miscellaneous cleaners or other household products, fuels and fuel additives, water softening and treatment agents, photographic films, batteries, matches, and safety flares in which the chemical substance manufactured upon end use of the article is not itself manufactured for distribution in commerce or for use as an intermediate.

(b) *Chemical substance in bulk form* means a chemical substance (other than as part of a mixture or article) in containers used for purposes of transportation or containment, provided that the chemical substance is intended to be removed from the container and has an end use or commercial purpose separate from the container.

§ 12.121 Reporting requirements.

(a) *Chemical substances in bulk or mixtures*—(1) *Certification required.* The importer of a chemical substance imported in bulk or as part of a mixture, or the authorized agent of such an importer, must certify either that the chemical shipment is subject to TSCA and complies with all applicable rules and orders thereunder, or that the chemical shipment is not subject to TSCA, by signing and filing with Customs one of the following statements:

I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order thereunder.

I certify that all chemical substances in this shipment are not subject to TSCA.

(2) *Filing of certification*—(i) *General.* The appropriate certification required under paragraph (a)(1) of this section must be filed with the director of the
