

(c) *Incomplete documentation.* Merchandise received without complete Customs documentation or which is unacceptable to the inventory control and recordkeeping system will be recorded in a suspense account or record until documentation is complete or the system is capable of accepting the information, at which time it will be formally admitted to the zone under § 146.32 or 146.40. The receiving report or document will provide sufficient information to identify the merchandise and distinguish it from other merchandise. The suspense account or record will be completely documented for Customs review to explain the differences noted and corrections made.

(d) *Recordation.* Merchandise received will be accurately recorded in the inventory system records from the receiving report or document using the zone lot number or unique identifier for traceability. The inventory record will state the quantity and date admitted, cost or value where applicable, zone status, and description of the merchandise, including any part or stock number.

(e) *Harbor maintenance fee.* When imported cargo is unloaded from a commercial vessel at a U.S. port and admitted into a foreign trade zone, the applicant for admission of that cargo into the zone may be subject to the harbor maintenance fee as set forth in § 24.24 of this chapter.

§ 146.23 Accountability for merchandise in a zone.

(a) *Identification of merchandise—(1) General.* A zone lot number or unique identifier will be used to identify and trace merchandise.

(2) *Fungible merchandise.* Fungible merchandise may be identified by an inventory method authorized by Customs, which is consistently applied, such as First-In-First-Out (FIFO) and using a unique identifier.

(b) *Inventory records.* The inventory records will specify by zone lot number or unique identifier:

- (1) Location of merchandise;
- (2) Zone status;

(3) Cost or value, unless operator's or user's financial records maintain cost or value and the records are made available for Customs review;

(4) Beginning balance, cumulative receipts and removals, adjustments, and current balance on hand by date and quantity;

(5) Destruction of merchandise; and

(6) Scrap, waste, and by-products.

(c) *Physical inventory.* The operator shall take at least an annual physical inventory of all merchandise in the zone (unless continuous cycle counts are taken as part of an ongoing inventory control program) with prior notification of the date(s) given to Customs for any supervision of the inventory deemed necessary. The operator shall notify the port director of any discrepancies in accordance with § 146.53.

§ 146.24 Transfer of merchandise from a zone.

(a) *Accountability.* (1) All zone status merchandise transferred from a zone will be accurately recorded within the inventory control and recordkeeping system.

(2) The inventory control and recordkeeping system for merchandise transfers must have the capability to trace all transfers back to a zone admission under a Customs authorized inventory method.

(b) *Information.* The inventory control and recordkeeping system must be capable of providing all information necessary to make entry for transfer of merchandise from the zone.

§ 146.25 Annual reconciliation.

(a) *Report.* The operator shall prepare a reconciliation report within 90 days after the end of the zone/subzone year unless the port director authorizes an extension for reasonable cause. The operator shall retain that annual reconciliation report for a spot check or audit by Customs, and need not furnish it to Customs unless requested. There is no form specified for the preparation of the report.

(b) *Information required.* The report must contain a description of merchandise for each zone lot or unique identifier, zone status, quantity on hand at the beginning of the year, cumulative receipts and transfers (by
