

§ 404.2117

20 CFR Ch. III (4-1-11 Edition)

12 months after the month in which VR services end.

[55 FR 8455, Mar. 8, 1990, as amended at 61 FR 31025, June 19, 1996; 68 FR 40124, July 7, 2003]

§ 404.2117 What costs will be paid.

In accordance with section 222(d) of the Social Security Act, the Commissioner will pay the State VR agency or alternate participant for the VR services described in § 404.2114 which were provided during the period described in § 404.2115 and which meet the criteria in § 404.2111 or § 404.2112, but subject to the following limitations:

(a) The cost must have been incurred by the State VR agency or alternate participant;

(b) The cost must not have been paid or be payable from some other source. For this purpose, State VR agencies or alternate participants will be required to seek payment or services from other sources in accordance with the “similar benefit” provisions under 34 CFR part 361, including making maximum efforts to secure grant assistance in whole or part from other sources for training or training services in institutions of higher education. Alternate participants will not be required to consider State VR services a similar benefit.

(c)(1) The cost must be reasonable and necessary, in that it complies with the written cost-containment policies of the State VR agency or, in the case of an alternate participant, it complies with similar written policies established under a negotiated plan. A cost which complies with these policies will be considered necessary only if the cost is for a VR service described in § 404.2114. The State VR agency or alternate participant must maintain and use these cost-containment policies, including any reasonable and appropriate fee schedules, to govern the costs incurred for all VR services, including the rates of payment for all purchased services, for which payment will be requested under this subpart. For the purpose of this subpart, the written cost-containment policies must provide guidelines designed to ensure—

(i) The lowest reasonable cost for such services; and

(ii) Sufficient flexibility so as to allow for an individual’s needs.

(2) The State VR agency shall submit to us before the end of the first calendar quarter of each year a written statement certifying that cost-containment policies are in effect and are adhered to in procuring and providing goods and services for which the State VR agency requests payment under this subpart. Such certification must be signed by the State’s chief financial official or the head of the VR agency. Each certification must specify the basis upon which it is made, e.g., a recent audit by an authorized State, Federal or private auditor (or other independent compliance review) and the date of such audit (or compliance review). In the case of an alternate participant, these certification requirements shall be incorporated into the negotiated agreement or contract. We may request the State VR agency or alternate participant to submit to us a copy(ies) of its specific written cost-containment policies and procedures (e.g., any guidelines and fee schedules for a given year) if we determine that such additional information is necessary to ensure compliance with the requirements of this subpart. The State VR agency or alternate participant shall provide such information when requested by us.

(d) The total payment in each case, including any prior payments related to earlier continuous 9-month periods of SGA made under this subpart, must not be so high as to preclude a “net saving” to the trust funds (a “net saving” is the difference between the estimated saving to the trust funds, if disability benefits eventually terminate, and the total amount we pay to the State VR agency or alternate participant);

(e) Any payment to the State VR agency for either direct or indirect VR expenses must be consistent with the cost principles described in OMB Circular No. A-87, published at 46 FR 9548 on January 28, 1981 (see § 404.2118(a) for cost principles applicable to alternate participants);

(f) Payment for VR services or costs may be made under more than one of the VR payment provisions described in §§ 404.2111 and 404.2112 of this subpart and similar provisions in §§ 416.2211 and

Social Security Administration

§ 404.2121

416.2212 of subpart V of part 416. However, payment will not be made more than once for the same VR service or cost; and

(g) Payment will be made for administrative costs and for counseling and placement costs. This payment may be on a formula basis, or on an actual cost basis, whichever the State VR agency prefers. The formula will be negotiated. The payment will also be subject to the preceding limitations.

§ 404.2118 Applicability of these provisions to alternate participants.

§ 404.2120 Audits.

(a) *General.* The State or alternate participant shall permit us and the Comptroller General of the United States (including duly authorized representatives) access to and the right to examine records relating to the services and costs for which payment was requested or made under these regula-

tions. These records shall be retained by the State or alternate participant for the periods of time specified for retention of records in the Federal Procurement Regulations (41 CFR parts 1-20).

(b) *Audit basis.* Auditing will be based on cost principles and written guidelines in effect at the time services were provided and costs were incurred. The State VR agency or alternate participant will be informed and given a full explanation of any questioned items. It will be given a reasonable time to explain questioned items. Any explanation furnished by the State VR agency or alternate participant will be given full consideration before a final determination is made on questioned items in the audit report.

(c) *Appeal of audit determinations.* The appropriate SSA Regional Commissioner will notify the State VR agency or alternate participant in writing of his or her final determination on the audit report. If the State VR agency (see § 404.2118(b) for alternate participants) disagrees with that determination, it may request reconsideration in writing within 60 days after receiving the Regional Commissioner's notice of the determination. The Commissioner will make a determination and notify the State VR agency of that decision in writing, usually, no later than 45 days from the date of appeal. The decision by the Commissioner will be final and conclusive unless the State VR agency appeals that decision in writing in accordance with 45 CFR part 16 to the Department of Health and Human Services' Departmental Appeals Board within 30 days after receiving it.

§ 404.2121 Validation reviews.

(a) *General.* We will conduct a validation review of a sample of the claims for payment filed by each State VR agency or alternate participant. We will conduct some of these reviews on a prepayment basis and some on a postpayment basis. We may review a specific claim, a sample of the claims, or all the claims filed by any State VR agency or alternate participant, if we
