

Social Security Administration

§411.180

option, the period of using a ticket begins on the later of—

- (1) The effective date of your IPE; or
- (2) The first day your ticket would otherwise have been assignable if you had not been receiving services from a State VR agency that elected the VR cost reimbursement option.

[73 FR 29341, May 20, 2008]

§411.171 When does the period of using a ticket end?

The period of using a ticket ends with the earliest of the following—

- (a) The last day of the month before the month in which the ticket terminates as a result of one of the events listed in §411.155 (see §411.155(a)(4) and (c)(8) for when your ticket terminates if your outcome payment period ends);
- (b) The day before the effective date of a decision under §411.200 or §411.205 that you are no longer making timely progress toward self-supporting employment;
- (c) The last day of the 90-day extension period which begins with the first day of the first month in which your ticket is no longer assigned to an EN or State VR agency acting as an EN (see §411.145), unless you reassign your ticket within the 90-day extension period (see §411.220 for an explanation of the 90-day extension period); or
- (d) If your ticket was in VR cost reimbursement status as described in §411.166(j), the 90th day following the date the State VR agency closes your case, unless you assign your ticket during this 90-day period.

[73 FR 29341, May 20, 2008]

§411.175 What if a continuing disability review is begun before my ticket is in use?

- (a) If we begin a continuing disability review before the date on which your ticket is in use, you may still assign the ticket and receive services from an EN or a State VR agency acting as an EN under the Ticket to Work program, or you may still receive services from a State VR agency that elects the VR cost reimbursement option. However, we will complete the continuing disability review. If in this review we determine that you are no longer disabled, in most cases you will no longer

be eligible to receive benefit payments. However, if your ticket was in use before we determined that you are no longer disabled, in certain circumstances you may continue to receive benefit payments (see §§404.316(c), 404.337(c), 404.352(d), and 416.1338 of this chapter). If you appeal the decision that you are no longer disabled, you may also choose to have your benefits continued pending reconsideration and/or a hearing before an administrative law judge on the cessation determination (see §§404.1597a and 416.996 of this chapter).

- (b) The date on which we begin the continuing disability review is the date on the notice we send you that tells you that we are beginning to review your disability case.

§411.180 What is timely progress toward self-supporting employment?

- (a) *General.* We consider you to be making timely progress toward self-supporting employment when you show progress as described below toward the ability to work at levels which will reduce your dependence on Social Security disability benefits or SSI benefits. We will also consider you to be making timely progress when you obtain a high school diploma or GED certificate in the first 12-month progress certification period, or if you show progress as described below toward obtaining an educational degree or certificate or vocational or technical training that will enhance your ability to return to work. In addition, if you complete a certain percentage of the work requirement and a certain percentage of the post-secondary education requirement or vocational or technical training requirement in the applicable progress certification period under the guidelines below, and the sum of the two percentages equals 100 or more, we will consider you to have met the timely progress requirements for purposes of the progress review conducted at the end of the 12-month progress certification period. For example, if you complete 33.3 percent of the work requirement during the first 12-month progress certification period as described in paragraph (c)(1)(i) of this
