

written favorable reconsidered determination, even if a disability hearing has not yet been held.

(e) *Opportunity to submit additional evidence after the hearing.* At your request, the disability hearing officer may allow up to 15 days after your disability hearing for receipt of evidence which is not available at the hearing, if:

(1) The disability hearing officer determines that the evidence has a direct bearing on the outcome of the hearing; and

(2) The evidence could not have been obtained before the hearing.

(f) *Opportunity to review and comment on evidence obtained or developed by us after the hearing.* If, for any reason, additional evidence is obtained or developed by us after your disability hearing, and all evidence taken together can be used to support a reconsidered determination that is unfavorable to you with regard to the medical factors of eligibility, we will notify you, in writing, and give you an opportunity to review and comment on the additional evidence. You will be given 10 days from the date you receive our notice to submit your comments (in writing or, in appropriate cases, by telephone), unless there is good cause for granting you additional time, as illustrated by the examples in § 416.1411(b). Your comments will be considered before a reconsidered determination is issued. If you believe that it is necessary to have further opportunity for a hearing with respect to the additional evidence, a supplementary hearing may be scheduled at your request. Otherwise, we will ask for your written comments on the additional evidence, or, in appropriate cases, for your telephone comments.

[51 FR 306, Jan. 3, 1986]

§ 416.1417 Disability hearing—disability hearing officer's reconsidered determination.

(a) *General.* The disability hearing officer who conducts your disability hearing will prepare and will issue a written reconsidered determination, unless:

(1) The disability hearing officer sends the case back for additional development by the component that pre-

pared the case for the hearing, and that component issues a favorable determination, as permitted by § 416.1416(c);

(2) It is determined that you are engaging in substantial gainful activity and that you are therefore not disabled; or

(3) The reconsidered determination prepared by the disability hearing officer is reviewed under § 416.1418.

(b) *Content.* The disability hearing officer's reconsidered determination will give the findings of fact and the reasons for the reconsidered determination. The disability hearing officer must base the reconsidered determination on the preponderance of the evidence offered at the disability hearing or otherwise included in your case file.

(c) *Notice.* We will mail you and the other parties a notice of reconsidered determination in accordance with § 416.1422.

(d) *Effect.* The disability hearing officer's reconsidered determination, or, if it is changed under § 416.1418, the reconsidered determination that is issued by the Associate Commissioner for Disability Determinations or his or her delegate, is binding in accordance with § 416.1421, subject to the exceptions specified in that section.

[51 FR 306, Jan. 3, 1986, as amended at 71 FR 10432, Mar. 1, 2006; 73 FR 76944, Dec. 18, 2008]

§ 416.1418 Disability hearing—review of the disability hearing officer's reconsidered determination before it is issued.

(a) *General.* The Associate Commissioner for Disability Determinations or his or her delegate may select a sample of disability hearing officers' reconsidered determinations, before they are issued, and review any such case to determine its correctness on any grounds he or she deems appropriate. The Associate Commissioner or his or her delegate shall review any case within the sample if:

(1) There appears to be an abuse of discretion by the hearing officer;

(2) There is an error of law; or

(3) The action, findings or conclusions of the disability hearing officer are not supported by substantial evidence.

§416.1419

20 CFR Ch. III (4-1-11 Edition)

Note to paragraph (a): If the review indicates that the reconsidered determination prepared by the disability hearing officer is correct, it will be dated and issued immediately upon completion of the review. If the reconsidered determination prepared by the disability hearing officer is found by the Associate Commissioner or his or her delegate to be deficient, it will be changed as described in paragraph (b) of this section.

(b) *Methods of correcting deficiencies in the disability hearing officer's reconsidered determination.* If the reconsidered determination prepared by the disability hearing officer is found by the Associate Commissioner for Disability Determinations or his or her delegate to be deficient, the Associate Commissioner or his or her delegate will take appropriate action to assure that the deficiency is corrected before a reconsidered determination is issued. The action taken by the Associate Commissioner or his or her delegate will take one of two forms:

(1) The Associate Commissioner or his or her delegate may return the case file either to the component responsible for preparing the case for hearing or to the disability hearing officer, for appropriate further action; or

(2) The Associate Commissioner or his or her delegate may issue a written reconsidered determination which corrects the deficiency.

(c) *Further action on your case if it is sent back by the Associate Commissioner for Disability Determinations or his or her delegate either to the component that prepared your case for hearing or to the disability hearing officer.* If the Associate Commissioner for Disability Determinations or his or her delegate sends your case back either to the component responsible for preparing the case for hearing or to the disability hearing officer for appropriate further action, as provided in paragraph (b)(1) of this section, any additional proceedings in your case will be governed by the disability hearing procedures described in §416.1416(f) or if your case is returned to the disability hearing officer and an unfavorable determination is indicated, a supplementary hearing may be scheduled for you before a reconsidered determination is reached in your case.

(d) *Opportunity to comment before the Associate Commissioner for Disability Determinations or his or her delegate issues a reconsidered determination that is unfavorable to you.* If the Associate Commissioner for Disability Determinations or his or her delegate proposes to issue a reconsidered determination as described in paragraph (b)(2) of this section, and that reconsidered determination is unfavorable to you, he or she will send you a copy of the proposed reconsidered determination with an explanation of the reasons for it, and will give you an opportunity to submit written comments before it is issued. At your request, you will also be given an opportunity to inspect the pertinent materials in your case file, including the reconsidered determination prepared by the disability hearing officer, before submitting your comments. You will be given 10 days from the date you receive the Associate Commissioner's notice of proposed action to submit your written comments, unless additional time is necessary to provide access to the pertinent file materials or there is good cause for providing more time, as illustrated by the examples in §416.1411(b). The Associate Commissioner or his or her delegate will consider your comments before taking any further action on your case.

[71 FR 10432, Mar. 1, 2006]

§416.1419 Notice of another person's request for reconsideration.

If any other person files a request for reconsideration of the initial determination in your case, we shall notify you at your last known address before we reconsider the initial determination. We shall also give you an opportunity to present any evidence you think helpful to the reconsidered determination.

[45 FR 52096, Aug. 5, 1980. Redesignated at 51 FR 306, Jan. 3, 1986]

§416.1420 Reconsidered determination.

After you or another person requests a reconsideration, we will review the evidence we considered in making the initial determination and any other evidence we receive. We will make our
