Subpart B—Trade Readjustment Allowances (TRA)

§ 617.10 Applications for TRA.

(a) *Before and after certification.* An individual covered under a certification or a petition for certification may apply to a State agency for TRA. A determination shall be made at any time to the extent necessary to establish or protect an individual's entitlement to TRA or other TAA, but no payment of TRA or other TAA may be made by a State agency until a certification is made and the State agency determines that the individual is covered thereunder.

(b) *Timing of applications.* An initial application for TRA, and applications for TRA for weeks of unemployment beginning before the initial application for TRA is filed, may be filed within a reasonable period of time after publication of the determination certifying the appropriate group of workers under section 223 of the Act. However, an application for TRA for a week of unemployment beginning after the initial application is filed shall be filed within the time limit applicable to claims for regular compensation under the applicable State law. For purposes of this paragraph (b), a reasonable period of time means such period of time as the individual had good cause for not filing earlier, which shall include, but not be limited to, the individual's lack of knowledge of the certification or misinformation supplied the individual by the State agency.

(c) *Applicable procedures.* Applications shall be filed in accordance with this subpart B and on forms which shall be furnished to individuals by the State agency. The procedures for reporting and filing applications for TRA shall be consistent with this part 617 and the Secretary's "Standard for Claim Filing, Claimant Reporting, Job Finding and Employment Services", *Employment Security Manual*, part V, sections 5000 *et seq.* (Appendix A of this part).

(d) *Advising workers to apply for training.* State agencies shall advise each worker of the qualifying requirements for entitlement to TRA and other TAA benefits at the time the worker files an initial claim for State UI, and shall advise each adversely affected worker to apply for training under subpart C of this part before, or at the same time, the worker applies for TRA, as required by § 617.4(e)(1) and (3).

Prior to such notification and advice, the individual shall not be subject to the Extended Benefit work test requirements, nor to any State timely filing requirement, but shall be required to be unemployed and able to work and available for work with respect to any such week except as provided in §617.17(b)(2) for workers enrolled in, or participating in, a training program approved under §617.22(a).

(A waiver under § 617.19 shall not be required for an individual who is enrolled in training as defined herein.)

(2) *Completed training.* A worker shall be considered to have completed a training program if the training program was approved, or was approvable and is approved, pursuant to § 617.22, and the training was completed subsequent to the individual's total or partial separation from adversely affected employment within the certification period of a certification issued under the Act, and the training provider has certified that all the conditions for completion of the training program have been satisfied.
