

paragraph (i)(2) of this section, unless the H-2A worker is being sponsored by another subsequent H-2A employer.

(2) As defined further in DHS regulations, a temporary labor certification limits the validity period of an H-2A petition, and therefore, the authorized period of stay for an H-2A worker. See 8 CFR 214.2(h)(5)(vii) A foreign worker may not remain beyond his or her authorized period of stay, as determined by DHS, nor beyond separation from employment prior to completion of the H-2A contract, absent an extension or change of such worker's status under DHS regulations. See 8 CFR 214.2(h)(5)(viii)(B).

(j) *Comply with the prohibition against employees paying fees.* The employer and its agents have not sought or received payment of any kind from any employee subject to 8 U.S.C. 1188 for any activity related to obtaining H-2A labor certification, including payment of the employer's attorneys' fees, application fees, or recruitment costs. For purposes of this paragraph, payment includes, but is not limited to, monetary payments, wage concessions (including deductions from wages, salary, or benefits), kickbacks, bribes, tributes, in kind payments, and free labor. This provision does not prohibit employers or their agents from receiving reimbursement for costs that are the responsibility and primarily for the benefit of the worker, such as government-required passport fees.

(k) *Contracts with third parties comply with prohibitions.* The employer has contractually forbidden any foreign labor contractor or recruiter (or any agent of such foreign labor contractor or recruiter) whom the employer engages, either directly or indirectly, in international recruitment of H-2A workers to seek or receive payments or other compensation from prospective employees. This documentation is to be made available upon request by the CO or another Federal party.

(l) *Notice of worker rights.* The employer must post and maintain in a conspicuous location at the place of employment, a poster provided by the Secretary in English, and, to the extent necessary, any language common to a significant portion of the workers if they are not fluent in English, which

sets out the rights and protections for workers employed pursuant to 8 U.S.C. 1188.
