

§ 655.300 Purpose and scope of subparts D and E.

(a) *Purpose.* The Immigration and Nationality Act (INA) establishes the H-1A program to provide relief for the nursing shortage crisis. Subpart D of this part sets forth the procedure by which health care facilities seeking to use nonimmigrant registered nurses may submit attestations to the Department of Labor relating to the effects of the nursing shortage on their operations, their efforts to recruit and retain United States workers as registered nurses and certain information on wages and working conditions for nurses at the facility. Subpart E of this part sets forth complaint, investigation, and penalty provisions with respect to such attestations.

(b) *Procedure.* The INA establishes a procedure for health care facilities to follow in seeking admission to the United States for, or use of, nonimmigrant nurses under H-1A visas. The procedure is designed to reduce reliance on nonimmigrant nurses in the future, and calls of the health care facility to attest, and be able to demonstrate, that, e.g., there would be substantial disruption to health services without the nonimmigrant nurses and that it is taking timely and significant steps to develop, recruit, and retain U.S. nurses. Subparts D and E of this part set forth the specific requirements for those procedures.

(c) *Applicability.* (1) Subparts D and E of this part apply to all facilities that seek the temporary admission or use of nonimmigrants as registered nurses.

(2) During the period that the provisions of appendix 1603.D.4 of Annex 1603 of the North American Free Trade Agreement (NAFTA) apply, subparts D and E of this part shall apply to the entry of a nonimmigrant who is a citizen of Mexico under and pursuant to the provisions of section D of Annex 1603 of NAFTA.

§ 655.301 Overview of process.

This section provides a context for the attestation process, to facilitate understanding by health care facilities that may seek nonimmigrant nurses under H-1A visas.

(a) *Federal agencies' responsibilities.* The United States Department of

Labor (DOL), Department of Justice, and Department of State are involved in the H-1A visa process. Within DOL, the Employment and Training Administration (ETA) and the Employment Standards Administration (ESA) have responsibility for different aspects of the process.

(b) *Health care facility's attestation responsibilities.* Each health care facility seeking one or more H-1A nurses shall, as the first step, submit an attestation on *Form ETA 9029*, as described in § 655.310 of this part, to the designated regional office of the Employment and Training Administration (ETA) of DOL. If the attestation is found to meet the requirements set at § 655.310 (a) through (k) of this part, ETA shall accept the attestation for filing, shall return the cover form of the accepted attestation to the health care facility, and shall notify the Immigration and Naturalization Service (INS) of the Department of Justice of the filing. As discussed in § 655.310 of this part, if the facility proposes to utilize alternative methods to comply with Attestation Elements I and/or IV, or asserts that taking a second timely and significant step under Element IV would be unreasonable, or claims a bona fide medical emergency exemption from Element IV as a worksite using one or more H-1A nurses through a nursing contractor only, additional supporting information and ETA review shall be required.

(c) *Visa petitions.* Upon ETA's acceptance of the filing, the health care facility may then file with INS H-1A visa petitions for the admission of H-1A nurses, or to extend the stay of alien nurses currently working at the facility. The facility shall attach a copy of the accepted attestation form (Form ETA 9029) to the visa petition filed with INS. At the same time that the facility files a visa petition with INS, it shall also send a copy of the visa petition with INS, it shall also send a copy of the visa petition to the Chief, Division of Foreign Labor Certifications, U.S. Employment Service, Employment and Training Administration, Department of Labor, 200 Constitution Avenue, NW., room N-4456, Washington, DC 20210.

(d) *Visa issuance.* INS assures that the nonimmigrants possess the required
