

§ 663.310

20 CFR Ch. V (4–1–11 Edition)

§ 663.310 Who may receive training services?

Training services may be made available to employed and unemployed adults and dislocated workers who:

(a) Have met the eligibility requirements for intensive services, have received at least one intensive service under § 663.240, and have been determined to be unable to obtain or retain employment through such services;

(b) After an interview, evaluation, or assessment, and case management, have been determined by a One-Stop operator or One-Stop partner, to be in need of training services and to have the skills and qualifications to successfully complete the selected training program;

(c) Select a program of training services that is directly linked to the employment opportunities either in the local area or in another area to which the individual is willing to relocate;

(d) Are unable to obtain grant assistance from other sources to pay the costs of such training, including such sources as Welfare-to-Work, State-funded training funds, Trade Adjustment Assistance and Federal Pell Grants established under title IV of the Higher Education Act of 1965, or require WIA assistance in addition to other sources of grant assistance, including Federal Pell Grants (provisions relating to fund coordination are found at § 663.320 and WIA section 134(d)(4)(B)); and

(e) For individuals whose services are provided through the adult funding stream, are determined eligible in accordance with the State and local priority system, if any, in effect for adults under WIA section 134(d)(4)(E) and § 663.600. (WIA sec. 134(d)(4)(A).)

§ 663.320 What are the requirements for coordination of WIA training funds and other grant assistance?

(a) WIA funding for training is limited to participants who:

(1) Are unable to obtain grant assistance from other sources to pay the costs of their training; or

(2) Require assistance beyond that available under grant assistance from other sources to pay the costs of such training. Program operators and training providers must coordinate funds

available to pay for training as described in paragraphs (b) and (c) of this section.

(b) Program operators must coordinate training funds available and make funding arrangements with One-Stop partners and other entities to apply the provisions of paragraph (a) of this section. Training providers must consider the availability of other sources of grants to pay for training costs such as Welfare-to-Work, State-funded training funds, and Federal Pell Grants, so that WIA funds supplement other sources of training grants.

(c) A WIA participant may enroll in WIA-funded training while his/her application for a Pell Grant is pending as long as the One-Stop operator has made arrangements with the training provider and the WIA participant regarding allocation of the Pell Grant, if it is subsequently awarded. In that case, the training provider must reimburse the One-Stop operator the WIA funds used to underwrite the training for the amount the Pell Grant covers. Reimbursement is not required from the portion of Pell Grant assistance disbursed to the WIA participant for education-related expenses. (WIA sec. 134(d)(4)(B).)

Subpart D—Individual Training Accounts

§ 663.400 How are training services provided?

Except under the three conditions described in WIA section 134(d)(4)(G)(ii) and § 663.430(a), the Individual Training Account (ITA) is established for eligible individuals to finance training services. Local Boards may only provide training services under § 663.430 if they receive a waiver from the Governor and meet the requirements of 20 CFR 661.310 and WIA section 117(f)(1). (WIA sec. 134(d)(4)(G).)

§ 663.410 What is an Individual Training Account (ITA)?

The ITA is established on behalf of a participant. WIA title I adult and dislocated workers purchase training services from eligible providers they select in consultation with the case manager. Payments from ITA's may be made in a variety of ways, including

the electronic transfer of funds through financial institutions, vouchers, or other appropriate methods. Payments may also be made incrementally; through payment of a portion of the costs at different points in the training course. (WIA sec. 134(d)(4)(G).)

§ 663.420 Can the duration and amount of ITA's be limited?

(a) Yes, the State or Local Board may impose limits on ITA's, such as limitations on the dollar amount and/or duration.

(b) Limits to ITA's may be established in different ways:

(1) There may be a limit for an individual participant that is based on the needs identified in the individual employment plan; or

(2) There may be a policy decision by the State Board or Local Board to establish a range of amounts and/or a maximum amount applicable to all ITA's.

(c) Limitations established by State or Local Board policies must be described in the State or Local Plan, respectively, but should not be implemented in a manner that undermines the Act's requirement that training services are provided in a manner that maximizes customer choice in the selection of an eligible training provider. ITA limitations may provide for exceptions to the limitations in individual cases.

(d) An individual may select training that costs more than the maximum amount available for ITAs under a State or local policy when other sources of funds are available to supplement the ITA. These other sources may include: Pell Grants; scholarships; severance pay; and other sources.

§ 663.430 Under what circumstances may mechanisms other than ITA's be used to provide training services?

(a) Contracts for services may be used instead of ITA's only when one of the following three exceptions applies:

(1) When the services provided are on-the-job training (OJT) or customized training;

(2) When the Local Board determines that there are an insufficient number of eligible providers in the local area to

accomplish the purpose of a system of ITA's. The Local Plan must describe the process to be used in selecting the providers under a contract for services. This process must include a public comment period for interested providers of at least 30 days;

(3) When the Local Board determines that there is a training services program of demonstrated effectiveness offered in the area by a community-based organization (CBO) or another private organization to serve special participant populations that face multiple barriers to employment, as described in paragraph (b) in this section. The Local Board must develop criteria to be used in determining demonstrated effectiveness, particularly as it applies to the special participant population to be served. The criteria may include:

(i) Financial stability of the organization;

(ii) Demonstrated performance in the delivery of services to hard to serve participant populations through such means as program completion rate; attainment of the skills, certificates or degrees the program is designed to provide; placement after training in unsubsidized employment; and retention in employment; and

(iii) How the specific program relates to the workforce investment needs identified in the local plan.

(b) Under paragraph (a)(3) of this section, special participant populations that face multiple barriers to employment are populations of low-income individuals that are included in one or more of the following categories:

(1) Individuals with substantial language or cultural barriers;

(2) Offenders;

(3) Homeless individuals; and

(4) Other hard-to-serve populations as defined by the Governor.

§ 663.440 What are the requirements for consumer choice?

(a) Training services, whether under ITA's or under contract, must be provided in a manner that maximizes informed consumer choice in selecting an eligible provider.

(b) Each Local Board, through the One-Stop center, must make available to customers the State list of eligible providers required in WIA section
