Subpart B—Authorization of Insurance Carriers

§ 703.101 Types of companies which may be authorized by the OWCP.

The OWCP will consider for the granting of authority to write insurance under the Longshoremen's and Harbor Workers' Compensation Act and its extensions the application of any stock company, mutual company or association, or any other person or fund, while authorized under the laws of the United States or for any State to insure workmen's compensation. The term "carrier" as used in this part means any person or fund duly authorized to insure workmen's compensation benefits under said Act, or its extensions.

§ 703.102 Applications for authority to write insurance; how filed; evidence to be submitted; other requirements.

An application for authority to write insurance under this Act shall be made in writing, signed by an officer of the applicant duly authorized to make such application, and transmitted to the Office of Workmen's Compensation Programs, U.S. Department of Labor, Washington, DC 20210. Such application shall be accompanied by full and complete information regarding the history and experience of such applicant in the writing of workmen's compensation insurance, together with evidence that it has authority in its charter or form of organization to write such insurance,

and evidence that the applicant is currently authorized to insure workmen's compensation liability under the laws of the United States or of any State. The statements of fact in each application and in the supporting evidence shall be verified by the oath of the officer of the applicant who signs such application. Each applicant shall state in its application the area or areas, in which it intends to do business. In connection with any such application the following shall be submitted, the Office reserving the right to call for such additional information as it may deem necessary in any particular case:

(a) A copy of the last annual report made by the applicant to the insurance department or other authority of the State in which it is incorporated, or the State in which its principal business is done.

(b) A certified copy from the proper State authorities of the paper purporting to show the action taken upon such report, or such other evidence as the applicant desires to submit in respect of such report, which may obviate delay caused by an inquiry of the OWCP of the State authorities relative to the standing and responsibility of the applicant.

(c) A full and complete statement of its financial condition, if not otherwise shown, and, if a stock company, shall show specifically its capital stock and surplus.

(d) A copy of its charter or other formal outline of its organization, its rules, its bylaws, and other documents, writings, or agreements by and under which it does business, and such other evidence as it may deem proper to make a full exposition of its affairs and financial condition.

§ 703.103 Stock companies holding Treasury certificates of authority.

A stock company furnishing evidence that it is authorized to write workmen's compensation insurance under the laws of the United States or of any State, which holds a certificate of authority from the Secretary of the Treasury as an acceptable surety on Federal bonds, unless requested to do so, need not transmit to the Office with

its application copies of such financial reports as are on file in the Department of the Treasury. The acceptance by that Department of such a company will be considered by the Office in conjunction with the application of such company, provided there has been compliance with the other requirements of the regulations in this part.

§ 703.104 Applicants currently authorized to write insurance under the extensions of the LHWCA.

Any applicant currently authorized by the Office to write insurance under any extension of the LHWCA need not support its application under the LHWCA or any other LHWCA extension with the evidence required by the regulations in this part, except the form of policy and endorsement which it proposes to use, unless specifically requested by the Office, but instead its application may refer to the fact that it has been so authorized.

§ 703.105 Copies of forms of policies to be submitted with application.

With each application for authority to write insurance there shall be submitted for the approval of the Office copies of the forms of policies which the applicant proposes to issue in writing insurance under the LHWCA, or its extensions, to which shall be attached the appropriate endorsement to be used in connection therewith.

§ 703.106 Certificate of authority to write insurance.

No corporation, company, association, person, or fund shall write insurance under this Act without first having received from the OWCP a certificate of authority to write such insurance. Any such certificate issued by the Office, after application therefor in accordance with these regulations, may authorize the applicant to write such insurance in a limited territory as determined by the Office. Any such certificate may be suspended or revoked by the Office prior to its expiration for good cause shown, but no suspension or revocation shall affect the liability of any carrier already incurred. Good cause shall include, without limitation, the failure to maintain in such limited territory a regular business office with

full authority to act on all matters falling within the Act, and the failure to promptly and properly perform the carrier's responsibilities under the Act and these regulations, with special emphasis upon lack of promptness in making payments when due, upon failure to furnish appropriate medical care, and upon attempts to offer to, or urge upon, claimants inequitable settlements. A hearing may be requested by the aggrieved party and shall be held before the Director or his representative prior to the taking of any adverse action under this section.

§ 703.108 Period of authority to write insurance.

Effective with the end of the authorization period July 1, 1983, through June 30, 1984, annual reauthorization of authority to write insurance coverage under the Act is no longer necessary. Beginning July 1, 1984, and thereafter, newly issued Certificates of Authority will show no expiration date. Certificates of Authority will remain in force for so long as the carrier complies with the requirements of the OWCP.
