

Joint Board for the Enrollment of Actuaries**§ 901.13**

(3) Submitted false or misleading information on an application for enrollment to perform actuarial services or in any oral or written information submitted in connection therewith or in any report presenting actuarial information to any person, knowing the same to be false or misleading.

EFFECTIVE DATE NOTE: At 76 FR 17774, Mar. 31, 2011, § 901.12 was removed, effective May 2, 2011.

§ 901.13 Eligibility for enrollment of individuals applying for enrollment on or after January 1, 1976.

(a) *In general.* An individual applying on or after January 1, 1976, to be an enrolled actuary, must fulfill the experience requirement of paragraph (b) of this section, the basic actuarial knowledge requirement of paragraph (c) of this section, and the pension actuarial knowledge requirement of paragraph (d) of this section.

(b) *Qualifying experience.* Within a 10 year period immediately preceding the date of application, the applicant shall have completed either:

(1) A minimum of 36 months of responsible pension actuarial experience, or

(2) A minimum of 60 months of responsible actuarial experience, including at least 18 months of responsible pension actuarial experience.

(c) *Basic actuarial knowledge.* The applicant shall demonstrate knowledge of basic actuarial mathematics and methodology by one of the following:

(1) *Joint Board basic examination.* Successful completion, to a score satisfactory to the Joint Board, of an examination, prescribed by the Joint Board, in basic actuarial mathematics and methodology including compound interest, principles of life contingencies, commutation functions, multiple-decrement functions, and joint life annuities.

(2) *Organization basic examinations.* Successful completion, to a score satisfactory to the Joint Board, of one or more proctored examinations which are given by an actuarial organization and which the Joint Board has determined cover substantially the same subject areas, have at least a comparable level of difficulty, and require at least the same competence as the

Joint Board basic examination referred to in paragraph (c)(1) of this section.

(3) *Qualifying formal education.* Receipt of a bachelor's or higher degree from an accredited college or university after the satisfactory completion of a course of study:

(i) In which the major area of concentration was actuarial mathematics, or

(ii) Which included at least as many semester hours or quarter hours each in mathematics, statistics, actuarial mathematics and other subjects as the Board determines represent equivalence to paragraph (c)(3)(i) of this section.

(d) *Pension actuarial knowledge.* The applicant shall demonstrate pension actuarial knowledge by one of the following:

(1) *Joint Board pension examination.* Successful completion, to a score satisfactory to the Joint Board, of an examination, prescribed by the Joint Board, in actuarial mathematics and methodology relating to pension plans, including the provisions of ERISA relating to the minimum funding requirements and allocation of assets on plan termination.

(2) *Organization pension examinations.* Successful completion, to a score satisfactory to the Joint Board, of one or more proctored examinations which are given by an actuarial organization and which the Joint Board has determined cover substantially the same subject areas, have at least a comparable level of difficulty, and require at least the same competence as the Joint Board pension examination referred to in paragraph (d)(1) of this section.

(e) *Form; fee.* An applicant who wishes to take an examination administered by the Joint Board under paragraph (c)(1) or (d)(1) of this section shall file an application on a form prescribed by the Joint Board. Such application shall be accompanied by a check or money order in the amount set forth on the application form, payable to the Treasury of the United States. The amount represents a fee charged to each applicant for examination and is designed to cover the costs assessed the Joint Board for the administration of

§ 901.13, Nt.

the examination. The fee shall be retained by the United States whether or not the applicant successfully completes the examination or is enrolled.

(f) *Denial of enrollment.* An applicant may be denied enrollment if:

(1) The Joint Board finds that the applicant, during the 15-year period immediately preceding the date of application and on or after the applicant's eighteenth birthday has engaged in disreputable conduct. The term disreputable conduct includes, but is not limited to:

(i) An adjudication, decision, or determination by a court of law, a duly constituted licensing or accreditation authority (other than the Joint Board), or by any federal or state agency, board, commission, hearing examiner, administrative law judge, or other official administrative authority, that the applicant has engaged in conduct evidencing fraud, dishonesty or breach of trust.

(ii) Giving false or misleading information, or participating in any way in the giving of false or misleading information, to the Department of the Treasury or the Department of Labor or the Pension Benefit Guaranty Corporation or any officer or employee thereof in connection with any matter pending or likely to be pending before them, knowing such information to be false or misleading.

(iii) Willfully failing to make a Federal tax return in violation of the revenue laws of the United States, or evading, attempting to evade, or participating in any way in evading or attempting to evade any federal tax or payment thereof, knowingly counseling or suggesting to a client or prospective client an illegal plan to evade federal taxes or payment thereof, or concealing assets of himself or another to evade federal taxes or payment thereof.

(iv) Directly or indirectly attempting to influence, or offering or agreeing to attempt to influence, the official action of any officer or employee of the Department of the Treasury or the Department of Labor or the Pension Benefit Guaranty Corporation by the use of threats, false accusations, duress or coercion, by the offer of any special inducement or promise of advantage or

20 CFR Ch. VIII (4-1-11 Edition)

by the bestowing of any gift, favor, or thing of value.

(v) Disbarment or suspension from practice as an actuary, attorney, certified public accountant, public accountant, or an enrolled agent by any duly constituted authority of any state, possession, territory, Commonwealth, the District of Columbia, by any Federal Court of record, or by the Department of the Treasury.

(vi) Contemptuous conduct in connection with matters before the Department of the Treasury, or the Department of Labor, or the Pension Benefit Guaranty Corporation including the use of abusive language, making false accusations and statements knowing them to be false, or circulating or publishing malicious or libelous matter.

(2) The applicant has been convicted of any of the offenses referred to in section 411 of ERISA.

(3) The applicant has submitted false or misleading information on an application for enrollment to perform actuarial services or in any oral or written information submitted in connection therewith or in any report presenting actuarial information to any person, knowing the same to be false or misleading.

(Sec. 3042, subtitle C, title 3, Employee Retirement Income Security Act of 1974 (88 Stat. 1002, 29 U.S.C. 1241, 1242), and the Act of August 31, 1951, ch. 376, title V, section 501, 65 Stat. 290, 31 U.S.C. 483a)

[44 FR 11751, Mar. 2, 1979, as amended at 44 FR 68458, Nov. 29, 1979]

EFFECTIVE DATE NOTE: At 76 FR 17774, Mar. 31, 2011, § 901.13 was redesignated as § 901.12 and amended by revising the section heading and paragraphs (a), (b), (d), and (e), effective May 2, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 901.12 Eligibility for enrollment.

(a) *In general.* An individual applying to be an enrolled actuary must fulfill the experience requirement of paragraph (b) of this section, the basic actuarial knowledge requirement of paragraph (c) of this section, and the pension actuarial knowledge requirement of paragraph (d) of this section.

(b) *Qualifying experience.* Within the 10-year period immediately preceding the date of application, the applicant shall have completed either—

(1) A minimum of 36 months of certified responsible pension actuarial experience; or

Joint Board for the Enrollment of Actuaries**§ 901.20**

(2) A minimum of 60 months of certified responsible actuarial experience, including at least 18 months of certified responsible pension actuarial experience.

(d) *Pension actuarial knowledge.* (1) The applicant shall demonstrate pension actuarial knowledge by one of the following:

(i) *Joint Board pension examination.* Successful completion, within the 10-year period immediately preceding the date of the application, to a score satisfactory to the Joint Board, of an examination prescribed by the Joint Board in actuarial mathematics and methodology relating to pension plans, including the provisions of ERISA relating to the minimum funding requirements and allocation of assets on plan termination.

(ii) *Organization pension examinations.* Successful completion, within the 10-year period immediately preceding the date of the application, to a score satisfactory to the Joint Board, of one or more proctored examinations which are given by an actuarial organization and which the Joint Board has determined cover substantially the same subject areas, have at least a comparable level of difficulty, and require at least the same competence as the Joint Board pension examination referred to in paragraph (d)(1)(i) of this section.

(2) For purposes of this section, the date of successful completion of an examination is generally the date a candidate sits for the examination, provided that the candidate receives a passing grade on that examination. However, an applicant who sat for an examination prior to the effective date of these regulations will be deemed to have sat for such examination on the effective date.

(e) *Form; fee.* An applicant who wishes to take an examination administered by the Joint Board under paragraph (c)(1) or (d)(1) of this section shall file an application on a form prescribed by the Joint Board. Such application shall be accompanied by payment in the amount set forth on the application form. The amount represents a fee charged to each applicant for examination and is designed to cover the costs for the administration of the examination. The fee shall be retained whether or not the applicant successfully completes the examination or is enrolled.

Subpart C—Standards of Performance for Enrolled Actuaries**§ 901.20 Standards of performance of actuarial services.**

In the discharge of duties required by ERISA of enrolled actuaries with respect to any plan to which the Act applies:

(a) *In general.* An enrolled actuary shall undertake an actuarial assignment only when qualified to do so.

(b) *Professional duty.* An enrolled actuary shall not perform actuarial services for any person or organization which he/she believes or has reasonable grounds for believing may utilize his/her services in a fraudulent manner or in a manner inconsistent with law.

(c) *Advice or explanations.* An enrolled actuary shall provide to the plan administrator upon appropriate request, supplemental advice or explanation relative to any report signed or certified by such enrolled actuary.

(d) *Conflicts of interest.* In any situation in which the enrolled actuary has a conflict of interest with respect to the performance of actuarial services, of which the enrolled actuary has knowledge, he/she shall not perform such actuarial services except after full disclosure has been made to the plan trustees, any named fiduciary of the plan, the plan administrator, and, if the plan is subject to a collective bargaining agreement, the collective bargaining representative.

(e) *Assumptions, calculations and recommendations.* The enrolled actuary shall exercise due care, skill, prudence and diligence to ensure that:

(1) The actuarial assumptions are reasonable in the aggregate, and the actuarial cost method and the actuarial method of valuation of assets are appropriate,

(2) The calculations are accurately carried out, and

(3) The report, any recommendations to the plan administrator and any supplemental advice or explanation relative to the report reflect the results of the calculations.

(f) *Report or certificate.* An enrolled actuary shall include in any report or certificate stating actuarial costs or liabilities, a statement or reference describing or clearly identifying the data,
