additive advisory committee to consider any such matter will be established under paragraph (a) of this section.  

(2) A request for establishment of a color additive advisory committee is to be made in accordance with §10.30. The Commissioner may deny any petition if inadequate grounds are stated for establishing a color additive advisory committee. A request for establishment of a color additive advisory committee may not rest on mere allegations or denials, but must set forth specific facts showing that there is a genuine and substantial issue of fact that requires scientific judgment and justifies a hearing before a color additive advisory committee. When it conclusively appears from the request for a color additive advisory committee that the matter is premature or that it does not involve an issue arising under section 721(b)(5)(B) of the act or that there is no genuine and substantial issue of fact requiring scientific judgment, or for any other reason a color additive advisory committee is not justified, the Commissioner may deny the establishment of a color additive advisory committee.  

(3) Establishment of a color additive advisory committee on the request of an interested person is conditioned upon receipt of the application fee specified in §14.155.  

(4) Any person adversely affected may request referral of the matter to a color additive advisory committee at any time before, or within 30 days after, publication of an order of the Commissioner acting upon a color additive petition or proposal.  

§ 14.145 Procedures of a color additive advisory committee.  

(a) A color additive advisory committee is subject to all the requirements of the Federal Advisory Committee Act and this part.  

(b) All interested persons have a right to consult with the color additive advisory committee reviewing a matter and to submit information and views to a color additive advisory committee, in accordance with the procedures in this part.  

§ 14.147 Membership of a color additive advisory committee.  

(a) The members of a color additive advisory committee are selected in the following manner:  

(1) If a color additive advisory committee is established for purposes that do not include review of an issue arising under section 721(b)(5)(B) of the act, or is established on the initiative of the Commissioner, the Commissioner may use the procedure in paragraph
