App. 591) provides that certain powers of attorney executed by a hostage which expire by their terms after the person was captured shall be automatically extended for the period of captivity. Exceptions are made with respect to powers of attorney which by their terms clearly indicate they are to expire on the date specified irrespective of hostage status. (Section 701 applies to American hostages notwithstanding paragraph (c) thereof which states that it applies only to powers of attorney issued during the "Vietnam era".)

retary of Defense, the Secretary of Labor and the Administrator of Veterans Affairs; or

(b) Be entitled to reimbursement by any private or Government health insurance or comparable plan.

§ 191.22 Administration of benefits.

(a) An eligible person, who desires medical or health care under this subpart or any person acting on behalf thereof, shall submit an application to the Office of Medical Services, Department of State, Washington, DC 20520 (hereafter referred to as the "Office"). The applicant shall supply all relevant information, including insurance information, requested by the Director of the Office. An eligible person may also submit claims to the Office for payment for emergency care when there is not time to obtain prior authorization as prescribed by this paragraph, and for payment for care received prior to or ongoing on the effective date of these regulations.

(b) The Office shall evaluate all requests for care and claims for reimbursement and determine, on behalf of the Secretary of State, whether the care in question is authorized under § 191.21 of this subpart. The Office will authorize care, or payment for care when it determines the criteria of such section are met. Authorization shall include a determination as to the necessity and reasonableness of medical or health care.

(c) The Office will refer applicants eligible for benefits under other Government health programs to the Government agency administering those programs. Any portion of authorized care not provided or paid for under another Government program will be reimbursed under this subpart.

(f) All bills for authorized medical or health care covered by insurance shall be submitted to the patient's insurance carrier for payment prior to submission to the Office for payment of the balance authorized by this part. The Office will request the health care providers to bill the insurance carrier and the Department of State for authorized care, rather than the patient.

(g) Eligible persons will be reimbursed by the Office for authorized travel to obtain an evaluation of their claim under paragraph (b) of this section and for other authorized travel to obtain medical or health care authorized by this subpart.

§ 191.23 Disputes.

If the person bringing the claim is not satisfied with the decision of the Medical Director, the dispute shall be referred to a medical board composed of three physicians, one appointed by the Medical Director, one by the eligible person and the third by the first two members.
