additional application fee shall not be required.

[52 FR 42613, Nov. 5, 1987; 53 FR 9112, Mar. 21, 1988, as amended at 66 FR 10364, Feb. 15, 2001; 71 FR 34522, June 15, 2006; 75 FR 45477, Aug. 3, 2010]

§ 42.82 Revocation of visas.

(a) *Grounds for revocation.* Consular officers are authorized to revoke an immigrant visa under the following circumstances:

(1) The consular officer knows, or after investigation is satisfied, that the visa was procured by fraud, a willfully false or misleading representation, the willful concealment of a material fact, or other unlawful means;

(2) The consular officer obtains information establishing that the alien was otherwise ineligible to receive the particular visa at the time it was issued; or

(3) The consular officer obtains information establishing that, subsequent to the issuance of the visa, a ground of ineligibility has arisen in the alien's case.

(b) *Notice of proposed revocation.* The bearer of an immigrant visa which is being considered for revocation shall, if practicable, be notified of the proposed action, given an opportunity to show cause why the visa should not be revoked, and requested to present the visa to the consular office indicated in the notification of proposed cancellation.

(c) *Procedure in revoking visas.* An immigrant visa which is revoked shall be canceled by writing the word “REVOKED” plainly across the face of the visa. The cancellation shall be dated and signed by the consular officer taking the action. The failure of an alien to present the visa for cancellation does not affect the validity of any action taken to revoke it.

(d) *Notice to carriers.* Notice of revocation of a visa shall be given to the master, commanding officer, agent, owner, charterer, or consignee of the carrier or transportation line on which it is believed the alien intends to travel to the United States, unless the visa has been canceled as provided in paragraph (c) of this section.

(e) *Notice to Department.* The consular officer shall promptly submit notice of

the revocation, including a full report of the facts in the case, to the Department for transmission to the DHS. A report is not required if the visa has been physically canceled prior to the alien's departure for the United States.

(f) *Record of action.* Upon the revocation of an immigrant visa, the consular officer shall make appropriate notation for the post file of the action taken, including a statement of the reasons therefor, and if the revocation of the visa is effected at other than the issuing office, a report of the action taken shall be sent to that office.

(g) *Reconsideration of revocation.* (1) The consular officer shall consider any evidence submitted by the alien or the alien's attorney or representative in connection with a request that the revocation of the visa be reconsidered. If the officer finds that the evidence is sufficient to overcome the basis for the revocation, a new visa shall be issued. A memorandum regarding the action taken and the reasons therefore shall be placed in the consular files and appropriate notification made promptly to the carriers concerned, the Department, and the issuing office if notice of revocation has been given in accordance with paragraphs (d), (e), and (f) of this section.

(2) In view of the provisions of § 42.71(b) providing for the refund of fees when the visa has not been used as a result of action by the U.S. Government, no fees shall be collected in connection with the application for or issuance of such a reinstated visa.

§ 42.83 Termination of registration.

(a) *Termination following failure of applicant to apply for visa.* In accordance with INA 203(g), an alien's registration for an immigrant visa shall be terminated if, within one year after transmission of a notification of the availability of an immigrant visa, the applicant fails to apply for an immigrant visa.

(b) *Termination following visa refusal.* An alien's registration for an immigrant visa shall be terminated if, within one year following the refusal of the immigrant visa application under INA 221(g), the alien has failed to present to a consular officer evidence purporting to overcome the basis for refusal.

§ 46.1

(c) *Notice of termination.* Upon the termination of registration under paragraph (a) of this section, the National Visa Center (NVC) shall notify the alien of the termination. The NVC shall also inform the alien of the right to have the registration reinstated if the alien, before the end of the second year after the missed appointment date if paragraph (a) applies, establishes to the satisfaction of the consular officer at the post where the alien is registered that the failure to apply for an immigrant visa was due to circumstances beyond the alien's control. If paragraph (b) applies, the consular officer at the post where the alien is registered shall, upon the termination of registration, notify the alien of the termination and the right to have the registration reinstated if the alien, before the end of the second year after the INA 221(g) refusal, establishes to the satisfaction of the consular officer at such post that the failure to present evidence purporting to overcome the ineligibility under INA 221(g) was due to circumstances beyond the alien's control.

(d) *Reinstatement of registration.* If the consular officer is satisfied that an alien, as provided for in paragraph (c) of this section, has established that failure to apply as scheduled for an immigrant visa or to present evidence purporting to overcome ineligibility under INA 221(g) was due to circumstances beyond the alien's control, the consular officer shall reinstate the alien's registration for an immigrant visa. Any petition approved under INA 204(b) which had been automatically revoked as a result of the termination of registration shall be considered to be automatically reinstated if the registration is reinstated.

(e) *Interpretation of "circumstances beyond alien's control".* For the purpose of this section, the term "circumstances beyond the alien's control" includes, but is not limited to, an illness or other physical disability preventing the alien from traveling, a refusal by the authorities of the country of an alien's residence to grant the alien per-

mission to depart as an immigrant, and foreign military service.
