

that time limit) will begin only after the Section has received payments described above.

(g) In accordance with the provisions and authorities of the Debt Collection Act of 1982 (Pub. L. 97-365), the Section reserves the right to disclose information to consumer reporting agencies and to use collection agencies, where appropriate, to encourage repayment.

(h) No fees under \$10 will be billed by the Section because the cost of collection would be greater than the fee.

(i) Requester should pay fees by check or money order made out to the U.S. Section, International Boundary and Water Commission, and mailed to the Finance and Accounting Office, United States Section, International Boundary and Water Commission, 4171 North Mesa, suite C-310, El Paso, TX 79902-1422.

§ 1102.5 Categories of requesters for fee purposes.

There are four categories of requesters: Commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The Act prescribes specific levels of fees for each of these categories. The Section will take into account information provided by requesters in determining their eligibility for inclusion in one of these categories as defined in § 1102.2. It is in the requester's best interest to provide as much information as possible to demonstrate inclusion within a non-commercial category of fee treatment.

(a) The Section will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought for commercial use. Commercial use requesters are entitled to neither two hours of free search time nor 100 free pages of reproduction of documents.

(b) The Section will provide documents to educational and non-commercial scientific institutions for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request being made is authorized by, and under the auspices of, a qualifying institution and that the records are not sought for

a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(c) The Section will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category; a requester must meet the criteria in § 1102.2(m), and the request must not be made for a commercial use. In reference to this class of requesters, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(d) The Section will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Moreover, requests from record subjects for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction.

(e) In making determinations under this section, the Section may take into account whether requesters who previously were granted (b), (c), or (d) status under the Act did in fact use the requested records for purposes compatible with the status accorded them.

§ 1102.6 Fee waivers and appeals.

(a) Waiver or reduction of any fee provided for in § 1102.4 may be made upon a determination by the FOIA Officer, United States Section, International Boundary and Water Commission, 4171 North Mesa, suite C-310, El Paso, TX 79902-1422. The Section shall furnish documents without charge or at a reduced charge provided that: Disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and is not primarily in the commercial interest of the requester. Requests for a waiver or

reduction of fees shall be considered on a case-by-case basis.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, the Section will consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the Government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of Government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding; and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of Government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Section will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) The Section will not consider waiver or reduction of fees for requesters (persons or organizations) from whom unpaid fees remain due to the Section for another information access request.

(c)(1) The Section's decision to refuse to waive or reduce fees as requested under paragraph (a) of this section may be appealed to the Commissioner, United States Section, International Boundary and Water Commission, 4171

North Mesa, Suite C-310, El Paso, TX 79902-1422. Appeals should contain as much information and documentation as possible to support the request for a waiver or reduction of fees.

(2) Appeals will be reviewed by the Commissioner, who may consult with other officials of the Section as appropriate. The requester will be notified within thirty working days from the date on which the Section received the appeal.

§ 1102.7 The Section's determination and appeal procedures.

Upon receipt of any request for records of information under the Act the following guidelines shall be followed:

(a) The FOIA Officer will determine within 10 days (excepting Saturdays, Sundays, and legal holidays) after receipt of any such request whether to comply with such request and will immediately notify the person making such request of such determination, the reasons therefore, and of the right to such person to appeal to the Commissioner any adverse determination.

(b) All appeals should be addressed to the Commissioner, United States Section, International Boundary and Water Commission, 4171 North Mesa, Suite, C-310, El Paso, TX 79902-1422, and should be clearly identified as such on the envelope and in the letter of appeal by using the marking "Freedom of Information Appeal" or "Appeal for Records" or the equivalent. Failure to properly address an appeal may defer the date of receipt by the Section to take into account the time reasonably required to forward the appeal to the Commissioner. In each instance when an appeal is incorrectly addressed to the Commissioner, he shall notify the person making the appeal that his appeal was improperly addressed and of the date the appeal was received by the Commissioner. The Commissioner will make a determination with respect to any appeal within 20 days (excepting Saturdays, Sundays, and legal holidays) after the receipt of an appeal. If on appeal the denial or the request is in whole or in part upheld, the Commissioner will notify the person making such request of the provisions for
