§ 1414.9 Penalties and enforcement.

(a) Where the nature and circumstances of a prohibited communication made by or caused to be made by a party to the proceeding are such that the interests of justice and statutory policy may require remedial action, the Board, Administrative Law Judge, or Regional Director, as appropriate, may issue to the party making the communication a notice to show cause, returnable before the Board, Administrative Law Judge, or Regional Director, within a stated period not less than seven (7) days from the date thereof, why the Board, Administrative Law Judge, or Regional Director should not determine that the interests of justice and statutory policy require that the claim or interest in the proceeding of a party who knowingly makes a prohibited communication or knowingly causes a prohibited communication to be made, should be dismissed, denied, disregarded or otherwise adversely affected on account of such violation.

(b) Upon notice and hearing, the Board may censure, suspend or revoke the privilege of practice before the agency of any person who knowingly and willfully makes or solicits the making of a prohibited ex parte communication. However, before the Board shall serve copies of all such materials placed on the public record of the proceeding on all other parties to the proceeding and on the attorneys of record for the parties. Within ten (10) days after the mailing of such copies, any party may file with the Executive Director of the Authority, Administrative Law Judge, or Regional Director serving the communication, as appropriate, and serve on all other parties, a statement setting forth facts or contentions to rebut those contained in the prohibited communication. All such responses shall be placed in the public record of the proceeding, and provision may be made for any further action, including reopening of the record, which may be required under the circumstances. No action taken pursuant to this provision shall constitute a waiver of the power of the Board to impose an appropriate penalty under §1414.9.
