

§ 230.105

highway contractors which are designed to increase the overall effectiveness of training programs through the performance of functions determined to be necessary in connection with such programs, but which are not generally considered as comprising part of actual on-the-job craft training.

Trainee means a person who received on-the-job training, whether through an apprenticeship program or other programs approved or accepted by the FHWA.

[40 FR 28053, July 3, 1975, as amended at 41 FR 3080, Jan. 21, 1976]

§ 230.105 Applicability.

(a) *Federal-aid highway construction projects.* This subpart applies to all Federal-aid highway construction projects and to Appalachian highway construction projects and other State supervised cooperative highway construction projects except:

(1) Federal-aided highway construction projects being constructed pursuant to 23 U.S.C. 117; and

(2) Those projects located in areas where the Office of Federal Contract Compliance has implemented an "Imposed" or a "Hometown" Plan, except for those requirements pertaining to specific provisions involving on-the-job training and those provisions pertaining to supportive services and reporting requirements.

(b) *Direct Federal highway construction projects.* This subpart applies to all direct Federal highway construction projects except:

(1) For those provisions relating to the special requirements for the provision of supportive services; and

(2) For those provisions relating to implementation of specific equal employment opportunity requirements in areas where the Office of Federal Contract Compliance has implemented an "Imposed" or "Hometown" plan.

§ 230.107 Policy.

(a) *Direct Federal and Federal-aid highway construction projects.* It is the policy of the FHWA to require that all direct Federal and Federal-aid highway construction contracts include the same specific equal employment opportunity requirements. It is also the policy to require that all direct Federal

23 CFR Ch. I (4-1-11 Edition)

and Federal-aid highway construction subcontracts of \$10,000 or more (not including contracts for supplying materials) include these same requirements.

(b) *Federal-aid highway construction projects.* It is the policy of the FHWA to require full utilization of all available training and skill-improvement opportunities to assure the increased participation of minority groups and disadvantaged persons and women in all phases of the highway construction industry. Moreover, it is the policy of the Federal Highway Administration to encourage the provision of supportive services which will increase the effectiveness of approved on-the-job training programs conducted in connection with Federal-aid highway construction projects.

§ 230.109 Implementation of specific Equal Employment Opportunity requirements.

(a) *Federal-aid highway construction projects.* The special provisions set forth in appendix A shall be included in the advertised bidding proposal and made part of the contract for each contract and each covered Federal-aid highway construction subcontract.

(b) *Direct Federal highway construction projects.* Advertising, award and contract administration procedures for direct Federal highway construction contracts shall be as set forth in Federal Acquisition Regulations (48 CFR, chapter 1, section 22.803(c)). In order to obtain information required by 48 CFR, chapter 1, § 22.804-2(c), the following requirement shall be included at the end of the bid schedule in the proposal and contract assembly:

I expect to employ the following firms as subcontractors on this project: (Naming subcontractors at this time does not constitute a binding commitment on the bidder to retain such subcontractors, nor will failure to enter names affect the contract award):
