### **§ 5.516 Availability of preservation assistance to mixed families and other families.**

(a) *Assistance available for tenant mixed families*—(1) *General*. Preservation assistance is available to tenant mixed families, following completion of the appeals and informal hearing procedures provided in § 5.514. There are three types of preservation assistance:

(i) Continued assistance (see paragraph (a) of § 5.518);

(ii) Temporary deferral of termination of assistance (see paragraph (b) of § 5.518); or

(iii) Prorated assistance (see § 5.520, a mixed family must be provided prorated assistance if the family so requests).

(2) *Availability of assistance*—(i) *For Housing covered programs*: One of the three types of assistance described is available to tenant mixed families assisted under a National Housing Act or 1965 HUD Act covered program, depending upon the family's eligibility for such assistance. Continued assistance must be provided to a mixed family that meets the conditions for eligibility for continued assistance.

(ii) *For Section 8 or Public Housing covered programs*. One of the three types of assistance described may be available to tenant mixed families assisted under a Section 8 or Public Housing covered program.

(b) *Assistance available for applicant mixed families*. Prorated assistance is also available for mixed families applying for assistance as provided in § 5.520.

sisted under a Housing covered program.

(2) *For Section 8 or Public Housing covered programs*: The responsible entity may make temporary deferral of termination of assistance to families assisted under a Section 8 or Public Housing covered program.

(d) *Section 8 covered programs: Discretion afforded to provide certain family preservation assistance*—(1) *Project owners*. With respect to assistance under a Section 8 Act covered program administered by a project owner, HUD has the discretion to determine under what circumstances families are to be provided one of the two statutory forms of assistance for preservation of the family (continued assistance or temporary deferral of assistance). HUD is exercising its discretion by specifying the standards in this section under which a project owner must provide one of these two types of assistance to a family. However, project owners and PHAs must offer prorated assistance to eligible mixed families.

(2) *PHAs*. The PHA, rather than HUD, has the discretion to determine the circumstances under which a family will be offered one of the two statutory forms of assistance (continued assistance or temporary deferral of termination of assistance). The PHA must establish its own policy and criteria to follow in making its decision. In establishing the criteria for granting continued assistance or temporary deferral of termination of assistance, the PHA must incorporate the statutory criteria, which are set forth in paragraphs (a) and (b) of § 5.518. However, the PHA must offer prorated assistance to eligible families.
