

HUD under section 221(g)(4) of the National Housing Act.

(i) *Current section 221(g)(4) mortgage loans.* Section 221(g)(4) mortgage loans that are current as of the closing date are not subject to the servicing requirements set forth in paragraphs (c)(1) and (c)(2) of this section.

(ii) *Defaulted section 221(g)(4) mortgage loans.* With respect to any section 221(g)(4) mortgage loan as to which a payment default has occurred, and as to which HUD, as of the closing date, was providing or had agreed to provide forbearance relief, the purchaser must continue to provide forbearance relief and must service such mortgage loans as set forth in paragraphs (c)(1) and (c)(2) of this section.

(d) *Section 235 mortgage loans—(1) Assistance payments contract.* If, prior to the mortgage loan sale, the assistance payments contract has not been previously terminated under 24 CFR 235.375(a), the contract will terminate as to each mortgage loan upon the sale of the mortgage loan. The purchasing mortgagee will therefore not receive any assistance payments on behalf of the mortgagor for any Section 235 mortgage loan sold.

(2) *Reduction in interest rates.* For a Section 235 mortgage loan that was accompanied by an assistance payments contract that was still in effect on the date of the sale, the Secretary will reduce the interest rate on the mortgage loan to a rate to be determined by the Secretary.

Subpart E—Lease and Sale of HUD-Acquired Single Family Properties for the Homeless

§ 291.400 Purpose and scope.

(a) *Purpose.* HUD seeks to assist individuals and families who are homeless by providing them with transitional housing and appropriate supportive services with the goal of helping them move to independent living. Therefore, HUD will make available, to applicants approved by HUD, certain HUD-acquired single family properties for use by the homeless.

(b) *Applicant preapproval.* Before a field office may notify an applicant of eligible properties, the applicant must be preapproved by HUD, according to

procedures available from the field office.

(c) *Property available for lease with option to purchase.* HUD will make available up to 10 percent of its total inventory of properties, before or after they are listed for sale to the public.

(d) *Property available under a McKinney Act Supportive Housing program lease-option agreement.* Eligible properties will be available under a lease-option to purchase agreement to Supportive Housing program applicants for acquisition grants under 24 CFR part 583.

(e) *Properties available for sale.* Eligible properties will be available for competitive sale or direct sale for fair market value, less a discount determined appropriate by the Secretary but not less than 10 percent.

(f) *Concentration of properties.* To the extent practicable and possible, HUD will avoid excessive concentration in a single neighborhood of properties leased or sold under this subpart.

(g) *Failure to comply with requirements.* Failure to comply with this subpart, or a lease issued under this subpart, may result in termination from the program.

(ii) Have a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing, but excluding prisons or other detention facilities); or

(iii) Are at imminent risk of homelessness because they face immediate eviction and have been unable to identify a subsequent residence, which would result in emergency shelter placement (except that persons facing eviction on the basis of criminal conduct such as drug trafficking and violations of handgun prohibitions shall not be considered homeless for purposes of this definition); or

(2) Persons with disabilities who are about to be released from an institution and are at risk of imminent homelessness because no subsequent residences have been identified and because they lack the resources and support networks necessary to obtain access to housing.

Lessee means the applicant, approved by HUD as financially responsible, that executes a lease agreement with HUD for an eligible property.

[64 FR 6482, Feb. 9, 1999]

§ 291.415 Lease with option to purchase properties for use by the homeless.

(a) *Certification.* Eligible properties are available for lease to applicants, approved by HUD, that certify that the property will be utilized only for the purpose of providing transitional housing for the homeless during the lease term, and that the intended use of the property will be consistent with all local laws and regulations. The lease agreement will be in a form prescribed by the Secretary. Lessees must execute a sublease with occupants in a form prescribed by the Secretary limiting an occupant's tenancy to no longer than two years.

(b) *Term of lease.* (1) A lease of an eligible property may be negotiated for such time as the lessee requires, not to exceed one year. Leases are renewable, at the option of the lessee and with the approval of HUD, at the end of the first lease term for up to four additional one-year terms, on a year-to-year basis, provided the lessee has met the requirements under this program.

(2) Approvals for lease renewals will be denied if HUD determines that the lessee has not complied with the requirements of this part of the lease.

(3) A property will not be leased to a lessee for a period longer than five years. At the end of the five-year period, if the lessee has not exercised the option to purchase, HUD will notify the lessee to vacate the property and, if necessary, will take appropriate action under the eviction laws of the jurisdiction in which the property is located. All property returned to HUD must be vacant, and will be placed on the market for sale to the general public.

(4) Within 30 days of leasing a property from HUD or within 30 days after a property is vacated, a lessee must sublease the property to the homeless, unless a longer period is approved by HUD.

(c) *Rent.* (1) The lessee must pay HUD a nominal rent of \$1 for each one-year lease period.

(2) A lessee may charge rent, including utilities, to an occupant at a rate appropriate to the financial means of the occupant. Unless HUD approves after consideration of such factors as the cost of operating housing in the area and the amount of the lessee's contributions to the program, such rent may not exceed the highest of:

(i) Thirty percent of the family's monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses, and child care expenses);

(ii) Ten percent of the family's monthly income; or

(iii) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family's actual housing costs, is specifically designated by the agency to
