§ 570.308 Joint requests.

(a) Joint requests and cooperation agreements. (1) Any urban county and any metropolitan city located, in whole or in part, within that county may submit a joint request to HUD to approve the inclusion of the metropolitan city as a part of the urban county for purposes of planning and implementing a joint community development and housing program. Such a joint request shall only be considered if submitted at the time the county is seeking a three year qualification or requalification as an urban county. An urban county may be joined by more than one metropolitan city, but a metropolitan city located in more than one urban county may only be included in one urban county for any program year. A joint request shall be deemed approved by HUD unless HUD notifies the city and the county of its disapproval and the reasons therefore within 30 days of receipt of the request by HUD.

(2) Each metropolitan city and urban county submitting a joint request shall submit an executed cooperation agreement to undertake or to assist in the undertaking of essential community

§ 570.308 Grant ineligibility of included units of general local government.

(e) Grant ineligibility of included units of general local government. (1) An included unit of general local government cannot become eligible for an entitlement grant as a metropolitan city during the period of qualification of the urban county (even if it becomes a principal city of a metropolitan area or its population surpasses 50,000 during that period). Rather, such a unit of general local government shall continue to be included as part of the urban county for the remainder of the urban county’s qualification period, and no separate grant amount shall be calculated for the included unit.

(2) An included unit of general local government which is part of an urban county shall be ineligible to apply for grants under subpart F, or to be a recipient of assistance under subpart I, during the entire period of urban county qualification.

(f) Failure of an urban county to receive a grant. Failure of an urban county to receive a grant during any year shall terminate the existing qualification of that urban county, and that county shall requalify as an urban county before receiving an entitlement grant in any successive Federal fiscal year. Such termination shall release units of general local government included in the urban county, in subsequent years, from the prohibition to receive grants under paragraphs (d)(3), (e)(1) and (e)(2) of this section. For this purpose an urban county shall be deemed to have received a grant upon having satisfied the requirements of sections 104 (a), (b), (c), and (d) of the Act, without regard to adjustments which may be made to this grant amount under section 104(e) or 111 of the Act.

(g) Notifications of the opportunity to be excluded. Any county seeking to qualify for an entitlement grant as an urban county for any Federal fiscal year shall notify each unit of general local government which is located, in whole or in part, within the county and which would otherwise be included in the urban county, but which is eligible to elect to have its population excluded from that of the urban county, that it has the opportunity to make such an election, and that such an election, or the failure to make such an election, shall be effective for the period for which the county qualifies as an urban county. These notifications shall be made by a date specified by HUD. A unit of general local government which elects to be excluded from participation as a part of the urban county shall notify the county and HUD in writing by a date specified by HUD. Such a unit of government may subsequently elect to participate in the urban county for the remaining one or two year period by notifying HUD and the county, in writing, of such election by a date specified by HUD.
§ 570.309 Restriction on location of activities.

CDBG funds may assist an activity outside the jurisdiction of the grantee only if the grantee determines that such an activity is necessary to further the purposes of the Act and the recipient’s community development objectives, and that reasonable benefits from the activity will accrue to residents within the jurisdiction of the grantee. The grantee shall document the basis for such determination prior to providing CDBG funds for the activity.

(b) Joint grant amount. The grant amount for a joint recipient shall be the sum of the amounts authorized for the individual entitlement grantees, as described in section 106 of the Act. The urban county shall be the grant recipient.

(c) Effect of inclusion. Upon urban county qualification and HUD approval of the joint request and cooperation agreement, the metropolitan city shall be considered a part of the urban county for purposes of program planning and implementation for the period of the urban county qualification, and shall be treated the same as any other unit of general local government which is part of the urban county.

(d) Submission requirements. In requesting a grant under this part, the urban county shall make a single submission which meets the submission requirements of 24 CFR part 91 and covers all members of the joint recipient.
