

(d) *Reallocation—unused grant amounts.* Unused grant amounts will be added to the appropriation for the fiscal year immediately following the fiscal year in which the amounts become available to HUD for reallocation, and will be allocated in accordance with the provisions of § 576.5 of this part.

(e) *Selection criteria.* HUD will award grants under paragraph (c) of this section based on consideration of the following criteria:

(1) The nature and extent of the unmet homeless need within the jurisdiction in which the grant amounts will be used;

(2) The extent to which the proposed activities address this need; and

(3) The ability of the grantee to carry out the proposed activities promptly.

(f) *Definitions—returned or unused grant amounts.* (1) For purposes of this section, emergency shelter grant amounts are considered “returned” when they become available for reallocation because a jurisdiction does not execute a grant agreement with HUD for them.

(2) For purposes of this section, emergency shelter grant amounts are considered “unused” (i.e., Federal deobligation):

(i) When they become available for reallocation by HUD after a grantee has executed a grant agreement with HUD for those amounts; or

(ii) The amounts remain after reallocation under § 576.43 or paragraph (c) of this section.

### § 576.51 Matching funds.

(a) *General.* (1) Each grantee, other than a territory, must match the funding provided by HUD under this part as set forth in 42 U.S.C. 11375. This statute provides that a grantee may use funds from any source, including any other federal source (but excluding the specific statutory subtitle from which

ESG funds are provided), as well as State, local, and private sources, provided that funds from the other source are not statutorily prohibited to be used as a match.

(2) The first \$100,000 of any assistance provided to a recipient that is a State is not required to be matched, but the benefit of the unmatched amount must be shared as provided in 42 U.S.C. 11375(c)(4). Matching funds must be provided after the date of the grant award to the grantee. Funds used to match a previous ESG grant may not be used to match a subsequent grant award under this part. A grantee may comply with this requirement by providing the matching funds itself, or through matching funds or voluntary efforts provided by any State recipient or non-profit recipient (as appropriate).

(3) It is the responsibility of the grantee to ensure that any funds used as matching funds are eligible under the laws governing the funds to be used as matching funds for a grant awarded under this program.

(b) *Calculating the matching amount.* In calculating the amount of matching funds, in accordance with 42 U.S.C. 11375(a)(3), the time contributed by volunteers shall be determined at the rate of \$5 per hour. For purposes of this paragraph, the grantee will determine the value of any donated material or building, or of any lease, using a method reasonably calculated to establish a fair market value.

### § 576.53 Use as an emergency shelter.

(a)(1) *Restrictions and definition.* Period of use restrictions applicable to assistance provided under this part are governed by 42 U.S.C. 11375(a). Use of grant amounts for developing and implementing homeless prevention activities does not trigger period of use requirements.

(2) For purposes of the requirements under this section, the term *same general population* means either the same types of homeless persons originally served with ESG assistance (i.e., battered spouses, runaway children, families, or mentally ill individuals), or persons in the same geographic area.

## § 576.55

(b) *Calculating the applicable period.* The 3- and 10-year periods applicable under paragraph (a) of this section begin to run:

(2) In the case of a building that was operated as an emergency shelter before receipt of grant amounts under this part, on the date that grant amounts are first obligated for the shelter.

(a) Any building for which emergency shelter grant amounts are used for conversion, major rehabilitation, rehabilitation, or renovation must meet local government safety and sanitation standards.

(b) For projects of 15 or more units, when rehabilitation costs are:

(1) 75 percent or more of the replacement cost of the building, that project must meet the requirements of § 8.23(a) of this title; or

(2) Less than 75 percent of the replacement cost of the building, that project must meet the requirements of § 8.23(b) of this title.

## § 576.57 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, use of emergency shelter grant amounts must comply with the following requirements:

(a) *Nondiscrimination and equal opportunity.* The nondiscrimination and equal opportunity requirements at 24 CFR part 5 are modified as follows:

(1) *Rehabilitation Act requirements.* HUD's regulations at 24 CFR part 8 implement section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). For purposes of the emergency shelter grants program, the term "dwelling units" in 24 CFR part 8 shall include sleeping accommodations.

(2) Use of emergency shelter grant amounts must also comply with the requirement that the grantee or the State recipient make known that use of the facilities and services is available to all on a nondiscriminatory basis. If the procedures that the grantee or recipient intends to use to make known the availability of the facilities and services are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for such facilities and services, the grantee or recipient must establish additional procedures that will ensure
