

corrective action, whether a substantial default exists, and if HUD determines that such a default exists, that HUD assure that the obligations of the PHA to the Owner are carried out.

(2) The ACC shall contain a provision to the effect that if the PHA fails to comply with any of its obligations (including specifically failure to enforce its rights under the Contract, in the event of any default by the Owner, to achieve compliance to the satisfaction of HUD or to terminate the Contract in whole or in part, as directed by HUD), HUD may, after notice to the PHA giving it a reasonable opportunity to take corrective action, determine that there is a substantial default and require the PHA to assign to HUD all of the PHA's rights and interests under the Contract. In such case, HUD will continue to pay annual contributions in accordance with the terms of the ACC and the Contract.

(3) The Contract shall contain a provision to the effect (i) that if the PHA determines that the Owner is in default under the Contract, the PHA shall notify the Owner, with a copy to HUD and RHCDS, of the actions required to be taken to cure the default and of the remedies to be applied by the PHA including abatement of housing assistance payments and recovery of overpayments, where appropriate; and (ii) that if he fails to cure the default, the PHA has the right to terminate the Contract or to take other corrective action, in its discretion or as directed by HUD.

The ACC and the Agreement shall contain a provision to the effect that in the event of failure of the PHA to comply with the Agreement with the Owner, the Owner shall have the right, if he is not in default, to demand that HUD determine, after notice to the PHA giving it a reasonable opportunity to take corrective action, whether a substantial default exists, and if HUD determines that such a default exists, that HUD assume the PHA's rights and obligations under the Agreement, and

All new construction units to be placed under a single Contract shall comprise a separate project. However, the field office director may designate as a single project the units to be covered by two or more such Contracts for new construction projects where:

(1) The units are placed under ACC on the same date; and

(2) Such consolidation is necessary in the interest of administrative efficiency.

§ 884.123 Conversions.

(a) *Conversion of private-owner project to private-owner/PHA project.* HUD may request the Owner of a Private-Owner Project and an appropriate PHA to agree, if they are willing, to a conversion of any such project to a Private-Owner/PHA Project if HUD determines that such conversion would promote efficient project administration.

(b) *Conversion of private-owner/PHA project to private-owner project.* The Private Owner and the PHA, in the case of a Private-Owner/PHA Project, may request HUD to agree to a conversion of any such project to a Private-Owner or PHA-Owner Project. HUD shall agree to such conversion if it determines it to be in the best interest of the project.
