

**§ 162.223**

revenues or profits generated by the lease.

(d) We will grant or approve a lease at less than a fair annual rental, as previously determined by an appraisal or some other appropriate valuation method, if the land is subsequently advertised and the tenant is the highest responsible bidder.

**§ 162.223 Must the rent be adjusted under an agricultural lease?**

(a) Except as provided in paragraph (c) of this section, an agricultural lease must provide for one or more rental adjustments if the lease term runs more than five years, unless the lease provides for the payment of:

(1) Less than a fair annual rental, as permitted under § 162.222(b) through (c) of this part; or

(2) A rental based primarily on a share of the agricultural products generated by the lease, or a percentage of the income derived from the sale of agricultural products.

(b) If rental adjustments are required, the lease must specify:

- (1) How adjustments are made;
- (2) Who makes the adjustments;

(3) When the adjustments are effective; and

(4) How disputes about the adjustments are resolved.

(c) An agricultural lease of tribal land may run for a term of more than five years, without providing for a rental adjustment, if the tribe establishes such a policy under § 162.203(b)(4) and negotiates such a lease.

**§ 162.224 When are rent payments due under an agricultural lease?**

An agricultural lease must specify the dates on which all rent payments are due. Unless otherwise provided in the lease, rent payments may not be made or accepted more than one year in advance of the due date. Rent payments are due at the time specified in the lease, regardless of whether the tenant receives an advance billing or other notice that a payment is due.

**§ 162.225 Will untimely rent payments made under an agricultural lease be subject to interest charges or late payment penalties?**

An agricultural lease must specify the rate at which interest will accrue

on any rent payment not made by the due date or any other date specified in the lease. A lease may also identify additional late payment penalties that will apply if a rent payment is not made by a specified date. Unless otherwise provided in the lease, such interest charges and late payment penalties will apply in the absence of any specific notice to the tenant from us or the Indian landowners, and the failure to pay such amounts will be treated as a lease violation under § 162.251 of this subpart.

**§ 162.226 To whom can rent payments be made under an agricultural lease?**

(a) An agricultural lease must specify whether rent payments will be made directly to the Indian landowners or to us on behalf of the Indian landowners. If the lease provides for payment to be made directly to the Indian landowners, the lease must also require that the tenant retain specific documentation evidencing proof of payment, such as canceled checks, cash receipt vouchers, or copies of money orders or cashier's checks, consistent with the provisions of §§ 162.112 and 162.113 of this part.

(b) Rent payments made directly to the Indian landowners must be made to the parties specified in the lease, unless the tenant receives notice of a change of ownership. Unless otherwise provided in the lease, rent payments may not be made payable directly to anyone other than the Indian landowners.

(c) A lease that provides for rent payments to be made directly to the Indian landowners must also provide for such payments to be suspended and the rent thereafter paid to us, rather than directly to the Indian landowners, if:

- (1) An Indian landowner dies;
- (2) An Indian landowner requests that payment be made to us;
- (3) An Indian landowner is found by us to be in need of assistance in managing his/her financial affairs; or

(4) We determine, in our discretion and after consultation with the Indian landowner(s), that direct payment should be discontinued.
