

within 45 days following the date of the Tribe's receipt of the Director's report on the application consultation meeting.

**§ 224.62 May a final proposed TERA differ from the original proposed TERA?**

The final proposed TERA may or may not contain provisions that differ from the original proposed TERA submitted with the application.

(a) If a final proposed TERA does not differ significantly or materially from the original TERA contained in the complete application, the 270-day review period will begin to run on the date the original complete application was received (under § 224.57(c)) or on the date established by operation of § 224.57(d)).

(b) If a final proposed TERA differs significantly or materially from the original TERA contained in the complete application, the Secretary, with the tribe's consent, may extend the 270-day period for a reasonable time. The Secretary will notify the tribe in writing if an extension of time is necessary.

**TERA REQUIREMENTS**

**§ 224.63 What provisions must a TERA contain?**

A TERA must contain all the elements required by this section.

(a) A provision for the Secretary's periodic review and evaluation of the tribe's performance under a TERA.

(b) A provision that recognizes the authority of the Secretary, upon a finding of imminent jeopardy to a physical trust asset, to take actions the Secretary determines to be necessary to protect the asset, including reassumption under subparts F and G of this part.

(c) A provision under which the tribe establishes and ensures compliance with an environmental review process for leases, business agreements, and rights-of-way which, at a minimum:

(1) Identifies and evaluates all significant environmental effects (as compared to a no-action alternative), including effects on cultural resources, arising from a lease, business agreement, or right-of-way;

(2) Identifies proposed mitigation measures, if any, and incorporates ap-

propriate mitigation measures into the lease, business agreement, or right-of-way;

(3) Informs the public and provides opportunity for public comment on the environmental impacts of the approval of the lease, business agreement or right-of-way;

(4) Provides for tribal responses to relevant and substantive public comments before tribal approval of the lease, business agreement or right-of-way;

(5) Provides for sufficient tribal administrative support and technical capability to carry out the environmental review process; and

(6) Develops adequate tribal oversight of energy resource development activities under any lease, business agreement or right-of-way under a TERA that any other party conducts to determine whether the activities comply with the TERA and applicable Federal and tribal environmental laws.

(d) Provisions that require, with respect to any lease, business agreement, or right-of-way approved under a TERA, all of the following:

(1) Mechanisms for obtaining corporate, technical, and financial qualifications of a third party that has applied to enter into a lease, business agreement, or right-of-way;

(2) Express limitations on duration that meet the restrictions of the Act and this Part under § 224.86;

(3) Mechanisms for amendment, transfer, and renewal;

(4) Mechanisms for obtaining, reporting and evaluating the economic return to the tribe;

(5) Mechanisms for securing technical information about activities and ensuring that technical activities are performed in compliance with terms and conditions;

(6) Assurances of the tribe's compliance with all applicable environmental laws;

(7) Requirements that the lessee, operator, or right-of-way grantee will comply with all applicable environmental laws;

(8) Identification of tribal representatives with the authority to approve a lease, business agreement, or right-of-way and the related energy development activities that would occur under
